

# The Lost Colony Of The Templars Verrazano S Secre

**Blood and Silk** Carol McKay.2010-10-26 FASCINATING NOVEL EXPLORES JESUS AND MARY'S CONTROVERSIAL BOND THROUGH THE LENSES OF CULTURAL, SOCIAL, POLITICAL AND HISTORICAL CONTEXTS. Mary Magdalene and Jesus of Nazareth's mysterious, legendary connection can only be realized by revisiting their story through its Greco-Roman, Mediterranean cultural context. Early theologians censored details about theater, literature, dress, cuisine, wedding rituals, glass manufacturing, silk trade, politics and architecture of Mary Magdalene's time when they did not fit dogma and doctrine. Cultural Historian Carol Aldenhoven McKay retrieves these lost frameworks as the story line follows McKay's meticulous reconstruction of a formerly forgotten way of life. Blood and Silk: The Hidden Love Story of Mary Magdalene and Jesus of Nazareth is a novel fifteen years in the making.

*The Secret Dossier of a Knight Templar of the Sangreal* Gretchen Cornwall.2018-10-13 Did the Knights Templar survive the arrests on October 13th, 1307? The question is steeped in controversy. During research on the Order in England, the author was contacted by a leading member who wanted to share the unusual and secret history of his family. The Revised Edition includes stunning New Photos & Star Charts. Well researched & annotated *Secrets of Ancient America* Carl Lehrburger.2015-01-02 The real history of the New World and the visitors, from both East and West, who traveled to the Americas long before 1492 • Provides more than 300 photographs and drawings, including Celtic runes in New England, Gaelic inscriptions in Colorado, and Asian symbols in the West • Reinterprets many archaeological finds, such as the Ohio Serpent Mound • Reveals Celtic, Hebrew, Roman, early Christian, Templar, Egyptian, Chinese, and Japanese influences in North American artifacts and ruins As the myth of Columbus "discovering" America falls from the pedestal of established history, we are given the opportunity to discover the real story of the New World and the visitors, from both East and West, who traveled there long before 1492. Sharing his more than 25 years of research and travel to sites throughout North America, Carl Lehrburger employs epigraphy, archaeology, and archaeoastronomy to reveal extensive evidence for pre-Columbian explorers in ancient America. He provides more than 300 photographs and drawings of sites, relics, and rock art, including Celtic and Norse runes in New England, Phoenician and Hebrew inscriptions in the Midwest, and ancient Shiva linga and Egyptian hieroglyphs in the West. He uncovers the real story of Columbus and his motives for coming to the Americas. He reinterprets many well-known archaeological and astronomical finds, such as the Ohio Serpent Mound, America's Stonehenge in New Hampshire, and the Crespi Collection in Ecuador. He reveals Celtic, Hebrew, Roman, early Christian, Templar, Egyptian, Chinese, and Japanese influences in famous stones and ruins, reconstructing the record of what really happened on the American continents prior to Columbus. He also looks at Hindu influences in Mesoamerica and sacred sexuality encoded in archaeological sites. Expanding upon the work of well-known diffusionists such as Barry Fell and Gunnar Thompson, the author documents the travels and settlements of trans-Atlantic and trans-Pacific explorers, miners, and settlers who made it to the Americas and left their marks for us to discover. Interpreting their sacred symbols, he shows how their teachings, prayers, and cosmologies reveal the cosmic order and sacred landscape of the Americas.

*The Templars' Last Secret* Martin Walker.2018-08-02 Bruno, the beloved chief of police of the idyllic French town of St. Denis in the Dordogne, is back! This time a mysterious death brings ancient secrets to light, and it's up to our hero--and favorite gourmand--to connect the tangled threads of past and present. When a woman's body is found at the foot of a cliff near St. Denis, Bruno suspects a connection to the great ruined Château de Commarque, a long-ago Knights Templar stronghold that stands on the cliff above, and which, along with the labyrinth of prehistoric caves beneath it, continues to draw the interest of scholars. With the help of Amelie, a young Haitian newcomer to the Dordogne, Bruno learns that the dead woman was an archaeologist searching for a religious artifact of incredible importance, the discovery of which could have dramatic repercussions throughout the Middle East--not to mention in St. Denis. And the woman's ties to Islamic terrorists can only heighten the pressure on Bruno to unravel the centuries-old mystery. Meanwhile, an old flame of Bruno's is assigned to work with him on the case, and the two find time, naturellement, to enjoy the supreme pleasures of the wine, food, and beauty of the Dordogne--

**The Templar Mission to Oak Island and Beyond** Zena Halpern.2017-03-30 We make landfall on an island of oaks. So reads a 12th century Templar manuscript recovered from a medieval Italian church. Two of history's great mysteries--the fate of the Knights Templar and the truth about the Oak Island treasure--reveal themselves in this fascinating saga of hidden history. The book we've all been waiting for! says Rick Lagina, star of History Channel's Curse of Oak Island.

**Pre-Columbian Trans-Oceanic Contact** Jerald Fritzing.2016-03-14 Pre-Columbian Trans-Oceanic Contact examines the discovery and settlement of The New World hundreds and even thousands of years before Christopher Columbus was born.

*The Suppressed History of America* Paul Schrag,Xaviant Haze.2011-05-20 An investigation into the discoveries of Lewis and Clark and other early explorers of America and the terrible acts committed to suppress them • Provides archaeological proof of giants, the fountain of youth, and descriptions from Lewis's journals of a tribe of "nearly white, blue-eyed" Indians • Uncovers evidence of explorers from Europe and Asia prior to Columbus and of ancient civilizations in North America and the Caribbean • Investigates the Smithsonian conspiracy to cover up Lewis and Clark's discoveries and what led to Lewis's murder Meriwether Lewis discovered far more than the history books tell--ancient civilizations, strange monuments, "nearly white, blue-eyed" Indians, and evidence that the American continent was visited long before the first European settlers arrived. And he was murdered to keep it all secret. Examining the shadows and cracks between America's official version of history, Xaviant Haze and Paul Schrag propose that the America of old taught in schools is not the America that was discovered by Lewis and Clark and other early explorers. Investigating the discoveries of Spanish conquistadors and Olmec stories of contact with European-like natives, the authors uncover evidence of explorers from Europe and Asia prior to Columbus, sophisticated ancient civilizations in North America and the Caribbean, the fountain of youth, and a long-extinct race of giants. Verifying stories from Lewis's journals with modern archaeological finds, geological studies, 18th- and 19th-century newspapers, and accounts of the world in the days of Columbus, the authors reveal how Lewis and Clark's finds infuriated powerful interests in Washington--including the Smithsonian Institution--culminating in the murder of Meriwether Lewis.

**Templar Secrets** Andreas Economou.2018-05-23 FROM THE TEMPLE OF SOLOMON TO THAT OF THE FREEMASONS: Three thousand years ago, in Jerusalem, a brutal murder took place. Nevertheless, the chain of events it set in motion is still felt to this day. On the distant end of that spectrum is Hiram. He was the Phoenician builder of Solomon's Temple, and whose death is central to the Masonic Third Degree. But who killed him, and why? And what was truly lost after his murder? On the other end is George: A young Mason in present-day Cyprus, struggling to unravel the origins of the institution he just joined. Was modern Freemasonry really created by English medieval stonemasons? And what do all its secret handshakes and passwords still protect? In the centuries separating them, were the Knights Templar. History tells us they got disbanded after their arrests in 1307. But were they? Or did some Templars survive and kept on secretly protecting an ancient holy relic their Order had discovered two hundred years earlier?

**Secret of the Templars** Paul Christopher.2015-01-06 The adventures of retired Army Ranger John "Doc" Holliday and his quest to uncover the secrets of the Templars continue to thrill in this novel from New York Times bestselling author Paul Christopher... After his niece and her fiancé are brutally murdered, Holliday vows to avenge their deaths and finish their work by finding a long-lost Dead Sea Scroll. But in doing so, he stumbles upon a conspiracy linking the Catholic Church to an illicit art forgery operation involving the Nazis. Hunted by those determined to hide the truth, Holliday and Interpol agent Peter Lazarus embark on a desperate race from the vaults of the Vatican to the deserts of Pakistan to unravel a mystery born in the final days of the Third Reich, and to recover the scroll--the contents of which could destroy the very foundations of the Christian faith.

**The Lost Colony of the Templars** Steven Sora.2004-10-27 Reveals the existence of a Templar colony in the New World and how the explorer Verrazano, also a member of a secret society, attempted to reestablish contact with it • Explores Columbus's connection to Henry Sinclair's maps of the New World • Examines the secret alliance of Catholic Sulpicians and French Huguenots to preserve the Templar legacy • Reveals the hidden

knowledge preserved in the Templar baptisteries found throughout Europe and in Newport, Rhode Island In 1524 the Italian explorer Giovanni da Verrazano was sent by the French king Francis I on an expedition ostensibly to find a shorter route to China. However, his true mission, Steven Sora suggests, was to contact a Templar colony that might have been established in Newport, Rhode Island, by Henry Sinclair at the end of the 14th century. In his expedition log Verrazano recorded that his only stay on this journey was at Newport Harbor, the site of a tower built to the exact measurements of a Templar baptistery, a sacred sanctuary representing baptism and eternal life. This tower is a remnant of Sinclair's voyage to America nearly a century before that of Columbus (who had access to Sinclair's maps thanks to his wife, who was Sinclair's great-granddaughter). While Verrazano's mission succeeded in finding the tower, the colony itself eluded him. His backers then decided to resurrect the dream of Acadia--a place where they could aspire to higher knowledge without fear of Church or state--by creating a new Secret Society that included Huguenots and Catholic Sulpicians. This Company of the Holy Sacrament would lay the foundations for Montreal in an attempt to realize the ambitions of Sinclair and his Templar companions, as well as to stave off efforts by the Jesuits to transform Quebec into a fiefdom of the orthodox Church. Quebec's motto, "Je me souviens" (I remember), is a reference to this secret history.

*Inside the Priory of Sion* Robert Howells.2012-01-01 The first book to pull back the curtain on the secrets of the Priory of Sion--the ultra-reclusive secret society thrust into the limelight by Dan Brown's *The Da Vinci Code* For years they have hidden in the shadows, lurking behind other secret societies . . . until now. In this revelatory book, inside sources from the Priory of Sion give exclusive access to some of their best-kept secrets, including proof of the marriage of Jesus and Mary Magdalene. The reason is as sensational as the secrets themselves: the apocalypse foretold in the Book of Revelation, culminating in the emergence of a savior sprung from the bloodline of Christ. Join Robert Howells as he traces the clues to this cataclysm in tombs, temples, churches, manuscripts, and paintings to give readers the truth they need to face the Second Coming without fear.

**The Templar's Claim** Sarah A. Powell.2011-02-24 For the last seven centuries the Vatican has been at war with an organization known as the Knights Templar. The Templars fled Europe in order to rebuild. They crossed the ocean to America. The Vatican has one mission: to destroy the Templars. The Templars have guarded their secrets and treasure for centuries in order to prevent them from falling into the hands of the Vatican. The Vatican has sent the Knights of Columbus, one of their most deadly orders.

**The Lost Colony of the Templars** Steven Sora.2004-10-27 Reveals the existence of a Templar colony in the New World and how the explorer Verrazano, also a member of a secret society, attempted to reestablish contact with it • Explores Columbus's connection to Henry Sinclair's maps of the New World • Examines the secret alliance of Catholic Sulpicians and French Huguenots to preserve the Templar legacy • Reveals the hidden knowledge preserved in the Templar baptisteries found throughout Europe and in Newport, Rhode Island In 1524 the Italian explorer Giovanni da Verrazano was sent by the French king Francis I on an expedition ostensibly to find a shorter route to China. However, his true mission, Steven Sora suggests, was to contact a Templar colony that might have been established in Newport, Rhode Island, by Henry Sinclair at the end of the 14th century. In his expedition log Verrazano recorded that his only stay on this journey was at Newport Harbor, the site of a tower built to the exact measurements of a Templar baptistery, a sacred sanctuary representing baptism and eternal life. This tower is a remnant of Sinclair's voyage to America nearly a century before that of Columbus (who had access to Sinclair's maps thanks to his wife, who was Sinclair's great-granddaughter). While Verrazano's mission succeeded in finding the tower, the colony itself eluded him. His backers then decided to resurrect the dream of Acadia--a place where they could aspire to higher knowledge without fear of Church or state--by creating a new Secret Society that included Huguenots and Catholic Sulpicians. This Company of the Holy Sacrament would lay the foundations for Montreal in an attempt to realize the ambitions of Sinclair and his Templar companions, as well as to stave off efforts by the Jesuits to transform Quebec into a fiefdom of the orthodox Church. Quebec's motto, "Je me souviens" (I remember), is a reference to this secret history.

**Thief on the Cross** David S. Brody.2012-02-01 Why would a collector of ancient American artifacts hand over his prized pieces to a historian and then shoot himself in the head? The answer places historian Cameron Thorne at the dangerous intersection of secret American history and modern geopolitical intrigue. Warning: Not recommended for readers with strong Christian or other religious beliefs.

**Rosicrucian America** Steven Sora.2019-11-19 An in-depth history of Rosicrucianism, its key members, and their roles in the formation and settling of America • Explores Sir Francis Bacon and Dr. John Dee's deep influence on England's colonization of America as well as the Rosicrucian influence on the Founding Fathers and on cities such as Philadelphia and Williamsburg • Explains how Bacon was the author of many anonymous Rosicrucian texts and how he envisioned America as the "New Atlantis" • Reveals the connections of the Order of the Rosy Cross to the Knights of the Golden Circle and to the Georgia Guidestones Dr. John Dee and his polymath protégé Sir Francis Bacon were the most influential men in the court of Queen Elizabeth I, part of an elite group with invisible control throughout Europe. And, as Steven Sora reveals, not only were they key members of the Rosicrucians, they were the driving force behind England's colonization of the New World and the eventual establishment of the United States. From Avalon in Newfoundland to New England to Pennsylvania and Virginia, Sora shows how Bacon and Dee's Rosicrucian impact is felt throughout North America. He details Bacon's possible authorship of the anonymous Rosicrucian texts of the early 1600s, his connections with Sir Walter Raleigh's School of Night, and the origins of Rosicrucianism in Bacon's Order of the Helmet. He explains how Bacon envisioned America as the New Atlantis, a utopia where liberty and freedom of learning prevailed--a key tenet of the "Invisible College" of the Rosicrucian Order--and how Dee convinced the Queen that England had rightful claims in the New World by drawing on legends of both King Arthur and Welsh Prince Madoc voyaging West to America. Sora looks at Rosicrucian influences on the Founding Fathers and earliest settlers of America, such as Washington, Franklin, and William Penn of Pennsylvania, on the American Revolution, and on American colonies, such as the Williamsburg colony. He details how Penn invited Rosicrucians to Philadelphia and how the city's layout follows esoteric principles, including a direct reference to Bacon's New Atlantis. Moving into the 1800s and beyond, he reveals how a handful of Rosicrucians served as the Inner Sanctum of the Knights of the Golden Circle and how Rosicrucians are behind the Georgia Guidestones, carved granite monoliths with messages in ancient languages. Providing a thorough and expansive view of Rosicrucianism, its occult origins, and its deep imprint on America, Sora shows how this secret society still continues to exert invisible influence on the modern world.

**Secret Societies of the Middle Ages** Thomas Keightley.2005-04-03 *Secret Societies of the Middle Ages* explores the foundations of modern secret societies, examining the history and known facts of three very different organizations. 1. The Assassins of the Middle East--how they evolved from an Islamic religious sect into one of the most feared groups in all the world and how the very name of this ancient order became the word used for political killings of this nature. 2. The Templars of Europe--from a pious group of protectors and dedicated crusaders to their bitter end persecuted as heretics, they introduced the concept of banking to the world while amassing a fortune of incalculable wealth. 3. The Secret Tribunals of Westphalia--the feared and self-appointed judicial group who passed judgment and performed executions in a time of lawlessness in Germany. They enjoyed popular support, providing a rudimentary and vigilante law at a time when warlords ruled and the emperor was ineffective. The echoes of these particular societies are still heard today--from presidential offices to battlegrounds in the Middle East. *Secret Societies of the Middle Ages*, originally published in 1846, was the first book to gather information on these secret orders. This foundational reference work, upon which many contemporary histories have relied, is now back in print with an introduction by James Wasserman, author of *The Templars and the Assassins: The Militia of Heaven*.

**Secret Societies of America's Elite** Steven Sora.2003-02-24 An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American democracy, current events, and world history. • Reveals the enormous influence secret societies still have on contemporary American life. • Shows how the secret Masonic cells that smuggled in the democratic ideals inspiring the American Revolution also enabled the future elite of the new society to build huge fortunes. Elite and secret societies have always been a major force in the history of Western civilization. The alliances formed in secret societies such as the Knights Templar, the Knights of Christ, and the Freemasons transcended patriotism and religious beliefs and had a powerful influence on the establishment of the United States of America. While these secret associations of merchants, smugglers, occultists, gamblers, spies, and slavers succeeded in freeing the United States from foreign domination, the dark side is that

the elite used their secret connections to further their own wealth and power. These secret cells did not hesitate to sponsor the assassination of a president and even attempted to break up the union on several occasions when it was deemed expedient. From the Sons of Liberty and the Essex Junto to the Ku Klux Klan, secret societies have played critical roles in building the fortunes of America's elite. Now Steven Sora reveals in alarming detail how secretive societies continue to wield power even today as organizations such as Yale's Skull & Bones unite America's modern ruling families as strongly as Masonic Lodges once connected the Astors, Livingstons, and Roosevelts. Their immense power and wealth allow this elite to control America to an even greater degree than the Templars once dominated Europe.

*Echoes of Atlantis* David Steven Brody.2016-10-27 Publishers Weekly says of the author, BRODY DOES A TERRIFIC JOB OF WRAPPING HIS RESEARCH IN A FAST-PACED THRILL RIDE. Described as RICH IN SCOPE AND VIVIDLY ENGROSSING by Midwest Book Review. Evidence of the lost continent of Atlantis exists throughout the modern world. As do powerful groups who do not want Atlantis-and its secrets-to be rediscovered. Historians Cameron Thorne and Amanda Gunn stumble upon a mysterious spiral necklace and a 12,000-year-old human skull, sparking their search for Atlantis and its true legacy. But are modern-day Knights Templar and a cabal of goddess worshipers conspiring against them? Only after a whirlwind of international travel and a violent encounter with a shadowy paramilitary group do the mysteries of Atlantis finally reveal themselves. This stand-alone novel is Book #6 in the Templars in America Series.

**The Lost Templar Journals of Prince Henry Sinclair Book 1 - 1353-1395** Diana J Muir.2019-07-16 The Journals of Prince Henry Sinclair and his descendants (20 books and a lambskin map) were found by accident in 2005 in a dusty dirty basement in Greeneville, TN. They then lay in a trunk in the back of the closet for almost 9 years before the author realized what she had. Translating the journals from Latin, Old English, and modern English she soon learned the story of her own 17th great-grandfather, Prince Henry Sinclair of Orkney and Scotland. Join the author and her great-grandfathers on a voyage of discovery as you learn about the covenant made between the St. Clair/Sinclair and Wemyss family, the Templars, the Native Americans, and the Freemasons. Travel with us as we search for the artifacts mentioned in the journals and validate the story. Book 1 of 10, tells the story of Henry as a young boy from the age of 8 in 1353 until 1395 when he plans a voyage with Captain Nicolo Zeno and his son Antonio Zeno to Greenland and beyond.

*Vikings in America* Graeme Davis.2011-05-23 When Columbus claimed to have discovered America in 1492, and the Borgia Pope claimed it as a New World for Catholic Spain, the Vatican started a 500 hundred year conspiracy to conceal the true story of Viking America. In this groundbreaking work by the author of *The Early English Settlement of Orkney and Shetland*, the true extent of the Viking discovery and colonisation of the eastern seaboard of America is fully examined, taking into account the new archaeological, linguistic and DNA evidence which supplements the historic account. For four centuries or more, from their first visits around AD 1000 to the eve of the Columbus voyages, the Vikings explored and settled thousands of miles of the coasts and rivers of North America. From New York's Long Island to the Canadian High Arctic the New World was a playground for Viking adventurers. And the name the Vikings gave to this New World - America.

**The Westford Knight and Henry Sinclair** David Goudsward.2020-04-06 The Westford Knight is a mysterious, controversial stone carving in Massachusetts. Some believe it is an effigy of a 14th century knight, evidence of an early European visit to the New World by Henry Sinclair, the Earl of Orkney and Lord of Roslin. In 1954, an archaeologist encountered the carving, long known to locals and ascribed a variety of origin stories, and proposed it to be a remnant of the Sinclair expedition. The story of the Westford Knight is a mix of history, archaeology, sociology, and Knights Templar lore. This work unravels the threads of the Knight's history, separating fact from fantasy. This revised edition includes a new foreword and four new chapters which add context to the myth-building that has surrounded the Westford Knight and artifacts like it.

Heaven Holds the Answers E. Tillman.2021-01-28 It's not what we read but rather how we read it that makes the difference!!!What if I told you things are not as they appear. Black is not black and White is not white and 130 B.C. is not 130 years before Christ. Now turn off the lights and tell me what is white and what is black, color is the refecation of light, without light there is no color. That's what Rome did, they turned off the lights on the truth.And the way we been taught to record time is not the only way it was done.And that an ancient order set claim to the entire Western Hemisphere long before Columbus and possibly achieved it in 130 B.C. With B.C. possibly meaning before Columbus, before the cycle or before the comet of 1492 becoming 1362, possible in this case B.C. stood for all three events.130 B.C. is not as it appears and the claim was not made for a mortal king or country, but rather for a Supreme God, Under God laws.If you like riddles. If you like enigmas. If you would like to see history recorded and told differently or truer then you may be ready for this challenge. If you are then you are ready to look at the clues that was left behind with an open mind.If you like astronomy, I'll show you how different groups of people each use different galactic events besides the Star of Bethlehem to mark the start of their time and all the different groups calendar are tied together. We will be looking at the equivalent of several Stars of Bethlehem from here in the Americas.I'll be taking you through a dating wormhole without leaving the planet, making you scratch your head, laugh and wonder, what if he is right. This book just maybe the start of the rest of the story. If you read through this book the first time you will read it again and again.And you will possibly come to the same conclusion, So that's how they did that. And you will never read things the same way all the time again. Including the Book of Mormons with its three different voyages and possible dating enigmas, truest account ever written about the Americas.Sometimes it's not what is being said that's important, it's what not being said that is.You will be intrigued, so if you are ready to start a journey that will give you a lot to think about then turn to page 1. Unravel the truth.

**Freemasonry And The Knights Templar** Hannah Fraize.2021-04-17 A complete historical, mystical, suspense-filled treasure - and a genuine peek behind the curtain of one of the most mysterious organizations on earth. If you've always wondered about the Knights Templar, the Masons, and Freemasonry, this book is definitively for you. This exploration of the remarkable people and influential activities of the Knights Templar and Freemasonry is truly stunning. It sheds considerable new light on how the practices, symbols, and rituals of these two brotherhoods took shape and affected the world around them.

**The Templar Meridians** William F. Mann.2006-01-23 Reveals the true nature of the secret science the Templars discovered in the Holy Land that was the key to their power • Shows the cartographic knowledge that allowed the Templars to cross the Atlantic and establish settlements in the New World • Explains the connection of the Templar meridians to the journey of Lewis and Clark • Shows the role played by secret societies in the establishment of the United States The most enduring mystery surrounding the Templars concerns the nature and whereabouts of their great treasure. Whereas many believe this lost treasure contains knowledge of the bloodline of Christ, William F. Mann shows that it actually consists of an ancient science developed before the Great Flood--knowledge discovered by the Templars in the Holy Land during the Crusades and still extant today in Templar/Masonic ritual. Among other things, this knowledge enabled the Order to establish accurate latitudinal and longitudinal positions long before the foundations of the current science were laid in the seventeenth century. This allowed them to cross the Atlantic to reach the New World, where they established secret settlements and mining operations that gave them a limitless supply of precious metals and a military edge over their opponents. Pursued farther into the interior of the North American continent by their adversaries from the Old World, the Templars left artifacts, relics, and information caches at key sites, confident that future initiates could use their understanding of the science of meridians and ley lines to locate them. The author points out that not only did future masons such as Jefferson and Washington use this science as the basis of their designs for Monticello and Washington, D.C., but the true motive of the expedition of Lewis and Clark was to identify the meridians mapped by the Templars and to search for the final resting place of Prince Henry Sinclair--where the great Templar treasure could also be found.

The Templars Barbara Frale.2009-04-30 At its height, the Order of the Knights Templar rivaled the kingdoms of Europe in military might, economic power, and political influence. For 700 years the tragic demise of this society of warrior-monks amid accusations of heresy has been plagued by controversy, in part because the transcript of their trial by the Inquisition--which held the key to the truth--had vanished. Templar historian Barbara Frale happened to be studying a document at the Vatican Secret Archives when she suddenly realized that it was none other than the long-lost transcript. It revealed that Pope Clement V had absolved the order of all charges of heresy. Using this sensational new information, Frale chronicles the Templars' spectacular rise and fall against a sweeping backdrop of war, religious fervor, and the struggle for dominance, and finally lifts the

centuries-old cloak of mystery surrounding one of the world's most intriguing secret societies.--From publisher description.

**The Last Refuge of the Knights Templar** William F. Mann.2020-04-07 A modern-day thriller centered on authentic historical letters encoded with Templar and Rosicrucian secrets • Includes the actual text of recently discovered correspondence between two famous 19th-century Masonic leaders, Albert Pike and Colonel J. W. B. MacLeod Moore • Follows the protagonists, Thomas and Janet, as they seek to protect the Pike letters' secret from the Vatican and its fanatical Jesuit hitman as well as others who desire to use the letters' secret for world domination • Also includes a short biography of controversial Masonic icon Albert Pike Centered on recently discovered, authenticated correspondence between two famous 19th-century Masonic leaders, Confederate General Albert Pike and British Colonel James Wilson Bury MacLeod Moore, this modern-day thriller follows Thomas, a direct descendant of Col. Moore, and Janet Rose, a direct descendant of the Merovingian Kings and House of David, as they risk their lives to protect the letters and the Templar and Rosicrucian secrets encoded within them. As Thomas and Janet discover, everyone--from the Church to the White House to Confederate sympathizers and the KKK--seeks the ancient knowledge contained within the letters, knowledge that would allow a singular entity to control the world and bring all of the great religions to their knees. Pitted against a psychotic and sexually perverted Jesuit priest, tasked by the Vatican's inner circle to retrieve the Pike letters, the couple is aided by two Templar guardians and a modern-day practicing alchemist, Janet's grandfather. As Thomas and Janet's love for one another grows, the couple transcends to a higher level of understanding, unaware that they are following the same ancient morals and dogma found within the 33 degrees of Scottish Rite Freemasonry, as defined by none other than Albert Pike himself. Part fact, part fiction, the novel, with its 33 initiatory chapters, provides a rare glimpse into the inner circles of modern-day Freemasonry, along with revelations of ancient alliances between Native Americans and the Templars. Set in Georgetown, in the heart of Washington, D.C., the story ends with a dramatic unveiling of the ultimate New World secret sought by so many factions: the location of the last Knights Templar refuge in the New World, where the lost treasure of the Templars, including sacred knowledge of the Holy Family--the descendants of Jesus and Mary Magdalene--remains to this day.

**Templars in America** Tim Wallace-Murphy, Marilyn Hopkins.2023-06-05 "This book is a must-read for anyone wanting to understand the true history of the founding of the most powerful nation on earth." —Scott Wolter, host of America Unearthed and author of Cryptic Code of the Templars in America Using archival and archaeological sources, two historians reveal the hidden history of the Knights Templar and their travels to pre-Columbian America . . . and their influence on the Founding Fathers. Templars in America reveals the story of two leading European Templar families who combined forces to create a new commonwealth in America nearly a century before the voyages of Christopher Columbus. Henry St. Clair of the Orkney Islands, then part of Normandy, and Carlo Zeno, a Venetian trader, made peaceful and mutually beneficial contact with the Mi'qmaq people of what is now Canada. Proof of their travels is carved in stone on both sides of the Atlantic and can be found in documentary evidence borne out by a strong oral tradition that has withstood the test of time. Historians Tim Wallace-Murphy and Marilyn Hopkins demonstrate how this early contact with the Americas ties into the centuries-long development of the Templars and Freemasonry, which in turn shaped the thinking of the Founding Fathers—and the American Constitution. Wallace-Murphy and Hopkins also reveal the continuous history of American exploration from the time of ancient Egypt, Greece, and Rome, through the age of the Vikings. Templars in America is a wild ride from the golden age of exploration to the founding of the United States.

**The Templar Legacy** Steve Berry.2006 The ancient order of the Knights Templar possessed untold wealth and absolute power over kings and popes--until the Inquisition, when they were wiped from the face of the Earth. Now two forces vying for the treasure learn that the Knights' true nature could change the modern world in this New York Times bestseller.

**The Templar Detective and the Lost Children** J Robert Kennedy.2021-03-09 \*\*\* FROM USA TODAY & MILLION COPY BESTSELLING AUTHOR J. ROBERT KENNEDY \*\*\* IT IS ONE OF THE KINGDOM'S GREATEST SHAMES. BUT CAN ONE LONE TEMPLAR KNIGHT BRING IT TO AN END? A desperate husband and father commits a heinous crime to protect his family's future, then compounds it with an even more atrocious act to preserve his secret, forever condemning his soul to fiery damnation. But the secret he thinks he has successfully protected is known to others, innocent and guilty alike. And they are determined to take advantage, one to bring justice, the others to profit. When Thomas Durant is told of the unspeakable horrors taking place on the streets of Paris, he asks his guests, Templar Knight Sir Marcus de Rancourt, and his trusted companion, Sergeant Simon Chastain, to help put an end to it. They agree, and together, they vow to seek the truth and bring justice to those involved in both the King's Court and the slums of Paris. From award winning USA Today and million copy bestselling author J. Robert Kennedy comes another thrilling mystery in the hit Templar Detective series, packed with action, intrigue, heartache, and humor, guaranteed to keep fans of historical thrillers finding an excuse to read just one more chapter before turning out the lights. Get your copy today, and discover the terrible secret kept by the Kingdom of France's noble families...

**The Lost Treasure of the Templars** James Becker.2016-07-11 An ancient sect. A modern mystery. The most dangerous secret ever unearthed. Antiquarian bookseller Robin Jessop has acquired a strange medieval volume. What appears to be a book is a cleverly disguised safe, in which she finds a single rolled parchment, written in code. For encryption expert David Mallory, the text is impenetrable. Until an invaluable clue opens the door to a conspiracy, stretching back seven centuries. Now Jessop and Mallory find themselves on a desperate hunt that could change history, topple an empire and bury them both alive. Because soon they're not only the hunters. They're also the hunted. An absolutely gripping Templar conspiracy thriller, perfect for fans of Mario Reading, Dan Brown and Scott Mariani. Praise for The Lost Treasure of the Templars 'Once you start it is impossible to stop!' Eurocrime 'A thrilling historical mystery full of ingenious clues and unexpected twists' Good Book Guide 'Superbly crafted ... it breaks new ground ... a tightly worded, sharply written thriller' CrimeSquad.com

**Hollywood in the Holy Land** Nickolas Haydock,E.L. Ridsen.2014-01-10 This collection of essays analyzes film representations of the Crusades, other medieval East/West encounters, and the modern inheritance of encounters between orientalist fantasy and apocalyptic conspiracy. From studies of the filmic representations of popular figures such as El Cid, Roland, Richard I, and Saladin to examinations of such topics as Templar romance and the role of set design, location and landscape, the essays make significant contributions to our understanding of orientalist medievalism in film. Instructors considering this book for use in a course may request an examination copy here.

**Advanced Civilizations of Prehistoric America** Frank Joseph.2009-12-21 Frank Joseph reveals that modern civilization in North America was preceded by four advanced cultures that rose and fell over the past three thousand years. How they achieved greatness and why they vanished so completely are explored in this unconventional prehistory.

**The Lost Treasure of the Knights Templar** Steven Sora.1999-02-01 A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries • Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that has the Sinclair clan of Scotland transporting the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed, thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity.

**The Templar Agenda** John Davis.2017-02-19 UK Top 20 - #16UK Top 3 - ThrillersUK #1 - Religious FictionUS Top 5 - Historical ThrillersUS Top 20 - Religious FictionFrom the Bestselling Author of The Plantagenet Vendetta and The Larmenius InheritanceReviewsCan't wait for the new one! - RICHARD DOETSCH, international bestselling author of Thieves of Heaven, Half Past Dawn, and The 13th HourJohn Paul Davis clearly owns the genre of historical thrillers. The Templar Agenda is a fast paced and absorbing tale that takes the reader on an exhilarating adventure from the first page to the last. This tantalizing story is intricately woven and stretches from the ancient secrets of the world's most powerful society to the modern behind-the-scenes brotherhood that still wields power on a global level. - STEVEN SORA, author of The Lost Treasure of the Knights Templar, The Lost Colony of the Templars, Secret Societies of America's EliteA well-researched, original and fascinating work - a real page-turner. - GRAHAM PHILLIPS, bestselling author of The End of Eden, Merlin and the Discovery of Avalon, The Templars and the Ark of the Covenant, Alexander the Great, The Moses Legacy, The Marian Conspiracy, Act of GodA clever, absorbing tale...The Templar Agenda grabs you right from the murderous beginning and takes you on a fast-paced, thoroughly researched thrill-ride... - DAVID LEADBEATER, UK #1 bestselling thriller author of The Bones of OdinTold at a pace that leaves the reader breathless, Davis has constructed a plot that flies across the planet...We follow the novel's protagonists, Swiss Guard Mikael (Mike) Frei and Gabrielle Leoni, daughter of a murdered banker, as they race against time to uncover the hidden secret that has already led to a series of assassinations, could wreak havoc in the world's banking capitals, and threatens the stability and integrity of the Catholic Church itself.... Davis is adept at managing several storylines, moving swiftly from one group of characters to another, as the novel progresses. But he is equally skilled at ensuring that the reader remains gripped by the central plot to its dramatic and surprising conclusion... - JOHN ALCOCK, author, prize winning poet, and former Director of Open Studies Creative Writing, University of Warwick, and Exchange Professor in Dramatic Literature, Eastern Michigan UniversityFROM THE BACK PAGEA Swiss banker is found murdered, the latest in a string of murders whose victims had connections to the Vatican. Their killers: a secret society whose members include some of the most influential men on the planet. They are the inheritors of the Knights Templar: an ancient brotherhood of warrior monks who once fought for the preservation of the Church in dangerous times.But in whose name do they act now?Back in Rome, the Vatican Police make a chilling discovery. All of the victims have one thing in common. And the Camerlengo's great-niece is their next target.When Swiss Guard Mikael (Mike) Frei is sent to St. Gallen to act as temporary bodyguard for Gabrielle Leoni, daughter of the murdered banker and great-niece of the Camerlengo, he is completely unprepared for what awaits him. Mike and Gabrielle fail to take to one another but following the discovery of a 14th century diary left behind by Gabrielle's father which provides a dramatic insight into the cause of recent deaths, both of their lives are endangered.A disturbing trail is emerging and an explosive secret is waiting to be discovered: a secret someone wants to remain hidden. With Gabrielle intent on discovering the truth behind her father's murder, Mike's position is compromised, forcing him to embark on a dangerous mission across Europe and the Atlantic to ensure Gabrielle's safety and in doing so attempt to uncover the identity of the murderers before they strike again. Something serious is about to happen...

**The Secret History of Freemasonry** Paul Naudon.2005-03-28 Explores the hidden history of Freemasonry from ancient Rome, through the Middle Ages, to the present • Shows the close connection between medieval masons and the Knights Templar • Illustrates the sacred nature of Roman and medieval trade associations • Reveals the missing link that connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times, emphasizing that there is no direct bridge connecting the two. Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple. Using medieval archives housed throughout Europe, historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar. Church records of medieval Paris show that most, if not all, the Masons of that time were residents of the Templar censive, which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order. Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome. He traces the evolution of organizations such as the Comacine Masters, the Arab turuqs, and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar, all of which provide the vehicle for the transmission of a sacred tradition from pre-Christian times to the modern era. This tradition is the source of Masonic ritual and symbolism, and it provides the missing link in the transformation of the operative Masonry of the medieval cathedral builders to the spiritual principles of modern speculative Masonry.

**The Larmenius Inheritance** John Davis.2017-02-19 UK #1 - Religious FictionUK Top 3 - Historical ThrillersUK Top 50 - ThrillersUK Top 350US Top 10 - Historical ThrillersUS Top 100 - Religious FictionFrom the International Bestselling Author of The Templar AgendaPraise for The Templar AgendaCan't wait for the new one! - RICHARD DOETSCH, international bestselling author of Thieves of Heaven, Half Past Dawn, and The 13th HourJohn Paul Davis clearly owns the genre of historical thrillers. - STEVEN SORA, author of The Lost Treasure of the Knights Templar, The Lost Colony of the Templars, Secret Societies of America's EliteA well-researched, original and fascinating work - a real page-turner. - GRAHAM PHILLIPS, bestselling author of The End of Eden, Merlin and the Discovery of Avalon, The Templars and the Ark of the Covenant, Alexander the Great, The Moses Legacy, The Marian Conspiracy, Act of GodFROM THE BACK PAGE1502: Knight of Christ, Miguel Corte-Real, sets out from Portugal on a secret voyage across the Atlantic. Hidden amongst his cargo is a legendary treasure - its very existence known only to those deemed worthy.500 years later, esteemed history professor William Anson is found murdered in La Rochelle. Around his neck, an ancient medallion, one that has not been seen since 1307. He is the grandmaster of the Knights of Arcadia: a society of men deemed worthy. His killers, a ruthless brotherhood, whose existence is equally legendary. And they will not rest until they have reclaimed what was once theirs.For Anson's son, navy outcast Matt Anson, his father's death is just the start of a series of events that turn his life upside down. Meanwhile, in London, journalist Nicole Stocker is sent to look into a string of deaths, including the mysterious demise of Anson. But as progress starts to be made, she is dragged off the case, attacked, and soon running for her life.As the futures of Anson and Stocker become intertwined, it becomes clear there is more at stake than mere history. An explosive secret remains buried, one that threatens to bring half the world to its knees. And some want it exposed...

**Treasure Templari** David S. Brody.2019-09-12 Historians Cameron Thorne and Amanda Spencer-Gunn uncover a stolen painting which the Nazis believed was a secret map to the Holy Grail and the lost treasure of the Knights Templar. Hitler planned to weaponize the Holy Grail and monetize the treasure as part of his campaign of world dominance. Cam and Amanda just want to find the legendary artifacts. The Nazis failed because they were unable to decipher the secret Templar clues left in the painting. Cam and Amanda may fail-perhaps fatally-because a group of modern-day Nazis remain obsessed with finishing Hitler's work.A thriller based on actual artwork, artifacts and events. Illustrated. Not recommended for readers with strong religious beliefs.This stand-alone novel merges together two series. It is Book #9 in the TEMPLARS IN AMERICA series and also Book #4 in the BOSTON LAW series.

### The Lost Colony Of The Templars Verrazano S Secre Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Lost Colony Of The Templars Verrazano S Secre has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Lost Colony Of The Templars Verrazano S Secre has opened up a world of possibilities. Downloading The Lost Colony Of The Templars Verrazano S Secre provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Lost Colony Of The Templars Verrazano S Secre has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Lost Colony Of The Templars Verrazano S Secre. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Lost Colony Of The Templars Verrazano S Secre. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Lost Colony Of The Templars Verrazano S Secre, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Lost Colony Of The Templars Verrazano S Secre has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About The Lost Colony Of The Templars Verrazano S Secre Books

### Find The Lost Colony Of The Templars Verrazano S Secre

Free Computer Books: Every computer subject and programming language you can think of is represented here. Free books and textbooks, as well as extensive lecture notes, are available. We provide a range of services to the book industry internationally, aiding the discovery and purchase, distribution and sales measurement of books. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles. Freebooksy is a free eBook blog that lists primarily free Kindle books but also has free Nook books as well. There's a new book listed at least once a day, but often times there are many listed in one day, and you can download one or all of them. Monthly "all you can eat" subscription services are now mainstream for music, movies, and TV. Will they be as popular for e-books as well? Don't forget about Amazon Prime! It now comes with a feature called Prime Reading, which grants access to thousands of free ebooks in addition to all the other amazing benefits of Amazon Prime. And if you don't want to bother with that, why not try some free audiobooks that don't require downloading? OHFB is a free Kindle book website that gathers all the free Kindle books from Amazon and gives you some excellent search features so you can easily find your next great read. Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around. Ebooks are available as PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats.
