Christmas Angels Whisper David L. Asay.2018-08-14 The doctor told Wanda that she had a fourth of an ovary and that child bearing was not an option. God had promised her that she would have children. Was God going to lie to her? God fulfills His promises. After years of waiting and trying, Wanda brought five children into this world and was a mother just as was promised. With the miracle came an unwanted price since we have come to believe that Heaven has a price on some of its most cherished of gifts. It wasn't that it was authored by a loving God, but the seeds of cancer were sown as the gift was made real for five times. This young family would watch their mother succumb to a dreadful disease, slowly leaching the life from her. Wanda had a challenge understanding why the children she had been promised wouldn't be hers to raise to adulthood. Christmas would come that year before she finally died in February and the gift she craved was just to understand God's will in granting the blessing and then seemingly ripping it away in a slow death. Miracles happen to create life and miracles happen to explain why life gets cut short.

Paper Angels Joe Beine.2001-07 "Dreaming is the only way an adult can become like a child again."Paper Angels collects many of the annual Christmas stories written by Joe Beine, who has been sending them to friends for over a decade. In "Strings" and its sequel "Dodging Snowflakes," we watch twelve-year-old Ellen as she begins to find her way in the adult world.Two stories about whimsical goblins add a touch of laughter to the proceedings. Three angels, Arianne, Jessi and Isabelle, wander through half of the book's stories. Arianne and Jessi transform San Francisco's Golden Gate Bridge into a cathedral. Isabelle tells a mysterious tale about two children's snowy playtime. Together these wistful tales capture the peculiar magic of the Christmas season.

So when the leader of the book club unexpectedly passes away on the cusp of the Christmas season, the four remaining friends are stunned. They relied on Abby for inspiration and motivation. She was the glue that held them together, and they're sure that without her the group can't continue. When the group gathers one last time to open a bag Abby's husband gives them, they find Abby had made each of them an angel ornament for Christmas, crafted especially for each woman and accompanied by a sweet and personal note. Inspired by their beloved friend, together Cassidy, Louisa, Grace, and Belinda decide to commit themselves to becoming Christmas Angels to others in need. Each woman will use her life situation and talents to reach out and help others in her own unique way--little knowing that her own life and her relationships will be changed forever. And with the busy schedules that most people endure, it had to be a program that required very little rehearsal. When she could not find an Advent program, she decided to write one. When Angels Sing Turk Pipkin.1999-01-10 This classic Christmas story of rekindled spirit is the inspiration behind the 2013 holiday film *Angels Sing*, starring Harry Connick Jr., Willie Nelson, Kris Kristofferson, and Lyle Lovett. This is the tale of Michael, who was eight years old on the Christmas Day he lost his brother David. The day had started out well--Michael and David opened their presents, and much to their delight, they had both received ice skates from Santa. With great excitement they set out to the pond behind their grandparents' house in New Mexico to try them out. But the pond wasn't safe, and David didn't make it out of its icy cold depths. For Michael, the meaning of Christmas changed forever that day. Thirty years later Michael is the neighborhood Grinch. To me the only wonder of Christmas is not why that tragedy marked me so, Michael says, but how the rest of my family can seem so completely unscathed. He scowls at his neighbors' fervent holiday traditions and at his own children, who want nothing more than to string Christmas lights through their front yard. But when another holiday disaster strikes and his own cherished young son loses his spirit to live, Michael searches deep within himself to root out the anger, the fear, and the pain of the past. Can he bear to remember exactly what happened that Christmas Day? And will he make peace with this past for the sake of his own children?

Where Angels Go Debbie Macomber.2007-10-01 Christmas is a time for angel. Shirley, Goodness and Mercy are back! These three irresistible angels love their assignments on Earth. They especially love helping people who send prayer requests to Heaven (even though the Archangel Gabriel, their boss, knows they're going to break his rules)! This Christmas, Mercy is assigned to bring peace of mind to an elderly man— who discovers an unexpected answer to his prayer. Goodness is sent to oversee the love life of a young woman afraid to risk commitment a second time. And Shirley has the task of granting a little boy's fondest Christmas wish. Shirley, Goodness and Mercy go wherever they're needed. These three charming angels often find themselves in trouble, but somehow things always work out for the best—especially at Christmas.

Down Under Advent Calendar of Chrissy Stories Kathy Campbell.2013-08-23 The book is a collection of stories and ideas that have an Australian flavour. It is a teacher's inspirational idea used to hold the attention of the children in the month up to Christmas. Like the advent calendars filled with lollies, this book has a daily December treat for the child opening each date. It also serves to provide some cultural practices and language that is Aussi in nature. It is also hoped that children will learn more by writing to the author at the little black dog's e-mail address. I believe that by engaging children more teachers can provide greater opportunity for individual growth. I see our job as catalyst to move children on to independent thinking.

Those Christmas Angels Debbie Macomber.2013-12-17 Three delightful angels come down to earth—just in time for Christmas! Shirley, Goodness and Mercy: three well-intentioned angels who are occasionally allowed to intervene (or—perhaps more accurately—interfere!) in human affairs. Despite their frequent misadventures, despite the chaos they often cause, things always seem to turn out right. Their latest prayer request comes from the Seattle area. Anne Fletcher sees her son, Roy, becoming a bitter, career-obsessed man. She prays for a special woman to be sent into Roy's life, a woman who'll show him what really matters. The angels swoop down and find a way to throw Julie Wilcoff in his path—literally! From that moment on, Shirley, Goodness and Mercy shall follow them...whispering suggestions, arranging encounters, hoping for the best.

All About Christmas Angels Kristen Rajczak Nelson.2019-07-15 From those at the Rockefeller Center to ones that might perch at the top of a home Christmas tree, angels are a common symbol of the Christmas season. This symbol's link to the holiday likely began with the Bible story of the Nativity, but today, angel figures' beauty and elegance make them a lovely addition to many households' Christmas decorations. Readers will learn why and how angels became part of the Christmas season. Written especially for beginning readers, it includes full-color photographs and historical images of angel decorations used throughout Christmas history.
