Spanish Short Stories for Beginners: 30 Captivating Short Stories to Learn Spanish & Grow Your Vocabulary the Fun Way! My Daily Spanish.2019-03-04 30 Spanish Short Stories for Complete Beginners One of the smartest ways to improve fluency is to read stories in your chosen language. Finding appropriate literature can be tough when you're just starting out, but this collection of 30 short stories is a fun and entertaining way of learning Spanish vocabulary and grammar. Each story is around 300 words, making them very quick reads without overwhelming you. Crafted for beginners, this is ideal for newcomers who are trying to approach fluency in a natural way. Rapidly Learn New Vocabulary Classes often emphasize the most proper way of speaking and writing a language, but that's rarely found with native speakers. These stories will help you learn how Spanish is commonly written and conveyed with natural dialogues and expressions. Following each story is a list of interesting words used in the story along with an English translation. No more reaching for an Spanish-to-English dictionary when encountering uncommon words. Grasp the Grammar Each story has a mixture of simple dialogue, descriptive sentences and everything in-between. This allows you to pick up how sentences are commonly written along with how to describe scenery, items and people, giving you an overall and detailed way of understanding the written language. Reading and Listening Skills Each story is only 300 words, giving you an engaging yet simple story that you can quickly read through. We also supply you with a free audio file so that you can follow along and understand how each word is said and how the sentences should be read. This is narrated by a native Spanish speaker, ensuring every inflection is correct. With this book you'll get: 30 short stories--each story just 300 words long, 110 pages 60 minutes of audio from a native Spanish speaker Their English translation after each paragraph If you want to improve your reading fluency as quickly and naturally as possible, then this book is ideal. Not only that, but each story is interesting, and you can read them in a matter of minutes.

Each story is broken down with a Spanish and English glossary that introduces you to the words and phrases you might not understand. This comes in handy because there is no need for the irritating process of flipping pages, continually searching for definitions or translations. A vocabulary recap at the end of each chapter allows you to review what you have read and listened to so you don't forget the essential words and expressions taught throughout the lesson. All stories are written using vocabulary that you could easily use in your day-to-day conversations. With this book and accompanying audio you can start improving your Spanish today!

Spanish Short Stories for Beginners Lingo Lingo Mastery.2018-01-16 Do you know what the hardest thing for a Spanish learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Spanish tongue. How Spanish Short Stories for Beginners works: Each story will involve an important lesson of the tools in the Spanish language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow: a synopsis in Spanish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Spanish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! So look no further! Pick up your copy of Spanish Short Stories for Beginners and start learning Spanish right now!

Spanish Short Stories for Beginners faster.2021-03-24 Do You Know Why Learning Spanish Seems So Hard? Do you know what the most challenging thing about learning Spanish is? Because finding the RIGHT reading ****material for your level is nearly impossible! When you have access to an endless sea of information at your fingertips the main problem you face is knowing what to focus on. Where do I start? What books should I learn from? How do I become fluent as quickly as possible - these questions are all too common. As a new Spanish student the last thing you want to do is waste your time. Learning from confusing books that force you to search for words in a dictionary every 2 minutes is not useful, effective or fun - and you'll soon give up! What's worse is that some of the top rated books here on Amazon sell the promise that their Short Stories are Beginner Friendly... ..but all it takes is a few scrolls to read the bad reviews and find out that they most certainly are NOT for beginners! This book is different... Spanish Short Stories for Beginners offers 25 easy-to-read, engaging short stories that will not only entertain you, but also give you a feeling of progress when reading - all while expanding your vocabulary and arming you with the tools to improve your Spanish effortlessly! How Spanish Short Stories Works: Each story covers a set of useful real-world vocabulary, presented through a fun and entertaining story with authentic dialogues and day-to-day scenarios. (Asking for Directions, Shopping, Greetings, Basic Verbs etc.) The vocabulary is bolded so you can easily see which words the lesson is focusing on. A full plot summary follows the short story, both in Spanish and in English, so you can see if you understood what it was about. After the summary you'll find a list of the important vocabulary in the lesson (arranged alphabetically) with full English translation - in case you did not understand them at first glance! Finally, you'll be provided with a comprehension quiz to test you knowledge and see what you have learned. Don't worry if you don't know the answers - they are provided shortly after, but remember... no cheating! Why choose this book over the others? Twenty-five engaging short stories, more than any other book on Amazon - more variety equals more fun! ACTUALLY for beginners - a controlled vocabulary mapped at the A1 level that fits your language needs. A Focus on the 1000 most frequently used words - the only words you need to become fluent. Real-world scenarios - making it easier for you to use what you've learned in everyday life. A bolded glossary that is arranged alphabetically - making it quick and easily find the vocabulary that you are stuck on. Accessible grammar - so you can learn structure naturally, in a stress-free way. So look no further - click that Add To Cart Button and get ready to accelerate your journey to fluency right now!

Spanish Short Stories for Beginners + Audio Central Park Language Learning.2020-10-26 Hablas español? You'll Answer Si In No Time If You Use This Learning Technique. What's the best way to learn a foreign language? Most people would say that it's important to learn grammar and vocabulary. After all, this is how languages have been taught in Europe for many centuries. However, modern linguistics and cognitive science prove traditional methods wrong. The most important learning strategy, according to great linguists such as Stephen Krashen, is providing a lot of so-called comprehensible input. This means reading and listening to a lot of texts that are challenging but still more or less understandable. When you get a lot of such input, your mind figures out the grammar intuitively, just like it figured out the grammar of your first language. This book offers a collection of fifteen short stories for beginners written in Spanish. The stories range from really easy, suitable for students who've just started learning Spanish, to somewhat more complex (there are three difficulty levels all in all). Read them when you've got some free time, or listen to them in the car, and very soon you'll notice that you speak Spanish without thinking about all that grammar, with the intuitive ease of a native speaker! Here's what you'll find: - Fifteen short stories in Spanish, written in a beginner-friendly language - Two audio recordings of each story: one extra slow so that you can understand every word, and one at normal speed (Mp3 Free Download) - Three difficulty levels so that you can choose stories that are perfect for your unique learning process - A variety of topics so that you won't get bored - Vocabulary lists after every story to make sure that you've understood every word

Spanish Short Stories Sergio Rodriguez.2019-11-25 Have you ever wanted to learn Spanish and have fun at the same time? Most of the time, teaching books are boring. They always have the same kind of format: Two (sometimes more) people talking about where the library is, or where to find Juan. That's boring, and to be honest, it's not a great way to learn the language (not to mention that they don't always talk about things that you might encounter in your daily life, for example, a judgmental ghost, being the last man on Earth, or maybe find that the love of your life has been stolen). But in this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with

any Spanish speaker. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. I hope you like them. All these stories are written from my heart, and I deeply hope that you will find them funny, mysterious, romantic, or at least entertaining. That's my goal as a writer, and I hope you enjoy your time reading (and learning!) Get your copy now!
