The Monk as Man Samkara.2011 An intimate portrait of the little-known aspects of Swami Vivekananda's life. Wandering mystic, India's spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India's masses to the country's spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji's life have been well chronicled by Swamiji himself, through his letters, speeches and writings; his own brothers who between them have written more than a hundred books; his co-disciples, disciples and others whose lives were enriched by their interactions with him; and, more than a century after his death, followers who had only read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through painstaking research Sankar's biography focuses on the personal life of the saint: What was Vivekananda like as a man? What role did his mother play in his life, both before and after he renounced all family ties? Could he reconcile the duties of a monk with the duties of an eldest son? What prompted him to promote Vedanta and biriyani in the West? Did the long drawn battles over family property affect his health and cut short his life? Did his sister commit suicide? Why did his brother not write a single letter for six years when he was wandering around the world? What was Swamiji's favourite dish and what fruit did he like the least? What was his height? Where did he have his second heart attack? How much did the Calcutta doctor charge him at his chamber? Sankar's composite picture of the monk as man has sold over one lakh copies in Bengali and this translation brings the unfamiliar Vivekananda to a larger readership.

He was ahead of his time in encouraging women and Westerners to not only practice Vedanta, but to be leaders. Two examples are Sara Ellen Waldo who recorded and collected Swami's talks at Thousand Island Park and Margaret Noble, later known as Sister Nvidia, who devoted her life not only to Vedanta but also to the education of Indian girls. Supreme Devotion, in which forms and symbols fall off. One who has reached that cannot belong to any sect, for all sects are in him. To what shall he belong? For all churches and temples are in him. Where is the church big enough for him? Such a man cannot bind himself down to certain limited forms. Where is the limit for unlimited love, with which he has become one? In all religions which take up this ideal of

love, we find the struggle to express it. Although we understand what this love means and see that everything in this world of affections and attractions is a manifestation of that Infinite Love, the expression of which has been attempted by sages and saints of different nations, yet we find them using all the powers of language, transfiguring even the most carnal expression into the divine. *Vivekananda: His Call to the Nation* Swami Vivekananda.
