God in Three Persons E. Calvin Beisner.2004-02-10 The word Trinity doesn't appear in the Bible - yet Christians for centuries have held that it is a biblical truth, foundational to orthodoxy. But very few understand how the doctrine came to be. Author E. Calvin Beisner traces the formulation of the doctrine and all the controversies that arose among early Christians who strove to find acceptable language to correctly state this important doctrine. *Liturgy Or Book of Worship, for the Use of the New Church Signified by the New Jerusalem* .1872

How God Talks When He Isn't Talking Rev. Alvin Cordes.2013-01-09 Reading the content pages of this book will show you that this book is very practical and may change you forever. However, there are some who should not read this book. I dare you to overcome the should nots. Those who should NOT read this book: Anyone who does not want to have a loving relationship with God. Anyone who thinks psychiatrists and psychologists are smarter than the Bible when it comes to human nature. Any one who believes that God is not interested in his or her problems. Any one who thinks some things happen by chance, without Gods consent or control. Any one who thinks that there is no way to ask God for an immediate decision to do or not to do, to go or not to go a certain direction. Any one who thinks the 66 Book Canon has no better information than any other book. On the other hand: If you to want to learn what TICKS GOD OFF; If you finally see that drugs, getting drunk, sex orgies, homolebianism, riches can never satisfy your longing for something real; If you want to try God out, to see if He is really loving; this book will probably help you. Especially if you have been water baptized, you will finally realize that many times God had his finger on your life. I want to see you in heaven with me.

Larger Print Bible-II-Volume 2 Jay Patrick Sr. Green.2007 Larger Print Edition! The number one complaint about the Interlinear Hebrew Greek English Bibles by Jay P. Green, Sr. has been the size of the type. This new printing is in a larger type size, much more readable for long hours of study without the eye strain. This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985 and all the content of the 2000 Interlinear New Testament. The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. . Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages.

Names of God Marilyn Hickey.2009-03-06 Tapping Into God's Infinite Supply Each of God's names reveals a wonderful aspect of His nature that can meet your deepest needs, comfort you in times of personal tragedy, and release you to new heights of praise in times of joy. God is so vast that the heavens cannot contain Him. Likewise, His personality is so complex that one name cannot adequately describe Him. Throughout the Bible, God revealed Himself to His people through His various names. When the Israelites were fearful, God revealed Himself as Jehovah Shalom, meaning "the Lord my Peace." When they were uncertain of His will, He revealed Himself as Jehovah Rohi, meaning "the Lord my Shepherd." He is also Jehovah Jireh, "the Lord our Provider," and Jehovah Rophe, "the Lord our Healer." Marilyn Hickey's practical teaching on nineteen different names of God will whet your appetite to pursue fully God's love and purpose for your life.
