

Awakening The Soul A Deep Response To A Troubled W

Soul Trip Amy Russell.2016-07-27 Soul Trip is a compilation of poetry and blogs, interwoven with story, about waking-up. Soul Trip is the first in a series of three books that document the intensity of emotion, thought, and questioning that occurs when the perception of life begins to drastically change. Soul Trip accounts deep extremes of sorrow and pain, and seeing such emotions as the true catalysts for living an authentic life that lead to finding one's Bliss. Soul Trip shares this experience through looking at love and heartbreak differently, finding who you are as you analyze who you were, and seeking fullness in the expression of one's heart. Soul Trip poetically illustrates the pain, rejection, disappointment, sorrow, and misunderstanding that leads to the love inside oneself so we can experience just who we are, in an unknown, yet whole, way. In awakening, letting go of what you really think love is, trusting whatever comes your way, and finding beauty in the intensity and sorrow of life because these are leading you to you, is the purpose of Soul Trip. Soul Trip takes you there in all that murky and ecstatic passion and depth. Soul Trip is waking-up.

Spiritual Awareness Larry E. Maugel.2021-11-17 "Excited about life? Or do the events of each day flow into an unending sea of gray? Are the sunny days too few and the cloudy days ever threatening? Is there a spring to your step and a twinkle of teasing in your eyes? Does a smile grace your lips and hope shape your vision? The search for a better life, an abundant life, seems to be humanity's ever constant quest..." Spiritual Awareness introduces one to the joy of discovery. It is a discovery of the spiritual currents that flow within the present moments of the here and now. Amidst life's ebb and flow, like the rising and falling tide, they are currents that form dynamic movements of spiritual realities. For the skeptic, it provides a vision of a reality that can be experienced beyond the crust of conventional culture. For the searcher, it reveals the mystery of beauty and wonder that lead to spiritual dimensions of worship. For those who suffer, it reveals the reality of a healing grace as spiritual insight reshapes the pain and suffering, consecrates it, and offers it as a humble sacrifice unto the Lord...in so doing, discovering God's great mercy and comfort for the soul. Spiritual Awareness is an effort to combat the dullness and superficiality of our age. It seeks to probe more deeply into the mysteries that lie within the events of the common place by becoming increasingly aware of the presence and availability of the spiritual life. This awareness leads to an authentic life worth living only because it is steeped deeply in the greatest of all realities. This is true awakening. "All profits are intended to be given to charitable causes."

The Spiritual Awakening: Poetic Inspiration for The Soul Keisha D. Haynes.2020-06-10 A Spiritual Awakening chronicles one woman's journey towards transparency. Reconciling choices that failed to bring glory to God caused a stirring within her soul that forced Evangelist Keisha Haynes to an awakening. I had to dig deep, the author confesses, to discover how it was possible to accept my value and worth in the eyes of God after making such unhealthy choices for my life. Through writing this book, God revealed that the choices she had made were not her fault but were a result of her heritage, a lineage of brokenness. Damaged vessels produce damaged vessels, says Evangelist Haynes. A Spiritual Awakening not only helps the reader acknowledge their brokenness but offers inspiration for healing and redemption. God showed me that just because I was born broken, didn't mean I had to stay that way. For me, the knowledge of Christ became the foundation for understanding my true worth. In her first book, author Keisha Haynes bears her soul in a book of poetic spoken word, commentary, and discussion. The workbook also has a place for readers to reflect on

their life choices. Sometimes, seeing your life in front of you is the motivation needed for change.

Awakened Soul Joanne Selinske.2021-09-08 Discover that happiness and peace are within reach . . .What would it be like to wake up feeling joyful, at peace, and knowing without a doubt that you are loved? For too many, this idea seems nothing more than a fanciful dream. Awakened Soul shares the stories of dozens who realized this dream and deepened their capacity to love themselves in the process. It takes the reader beyond the understanding of the healing power of past life therapy and spirit communication introduced with Weiss' Many Lives, Many Masters and furthered through afterlife journeys in Newton's Journey of Souls and Destiny of Souls. In a style both poignant and gripping, Awakened Soul follows these afterlife travelers as they engage with the spiritual beings and angelic presences who populate the eternal world. Through these encounters, they uncover the false beliefs shaped by past life traumas that have burdened successive reincarnations. They uncover soul plans they crafted to bring understanding, balance, and healing to the wounds carried across lifetimes. In shared triumph, each learns the truth of their divine essence, and in the process-awaken to the power of self-love.Joanne Selinske draws our attention to some of the more common challenges to self-love. Within the explorations of low self-esteem, doubt, self-acceptance, lack of self-care, an inability to forgive, and overcoming loss are uncovered. Awakened Soul will help you rediscover that you are an eternal, spiritual being having a human experience; and will guide you to discoveries of healing, self-love, and spiritual growth.

Through five tenets for living an enlightened life, Cohen will empower you to wholeheartedly participate in the process of change as your own spiritual practice. Evolutionary Enlightenment not only makes deep sense of life today; it will show you how to play an active role in shaping the world of tomorrow.

Unwrapping Beloved's Gift, Co-Creating Soul's Song Isaura Barrera.2019-04-10 "I think the best way you could describe this text is, as put it in the Introduction, 'a meditative map.' I know for certain that I did not grasp everything and also that I could return to it over the years and read it again and again, always finding something new, or something that had before remained unseen due to my own place in my own unique spiritual journey" (Lauren Sapala, writer, blogger, and coach). "One day, unexpected and un hoped for, the world we had thought irretrievably lost may be returned to us" (I. Zaleski 2006). It began with reading John O'Donohue's Anam Cara. I remembered I had once known such a friend and reached out to reconnect. Love opened the door, hope kept it open, and faith gave me the courage to walk through. These words summarized my subsequent spiritual journey as I awakened to deep friendship with a human beloved as well as with Divine Beloved. This book has two purposes: to describe an inner spiritual journey inspired by deep friendship and to offer that description as a meditative map for others. Isaura Barrera identifies five way stations that trace the path carved out by the song of love, hope, and faith evoked by her renewed friendship. Each station is presented descriptively rather than prescriptively as an invitation to others on similar journeys. Reflections at each station are linked to scriptural passages, highlighting connections between deep friendship with a human beloved and deep friendship with Divine Beloved.

Awaken The Soul Matt Buonocore. 2020-04-07 Poems & Affirmations for times of hardship Awaken The Soul is a book of poems and affirmations meant to awaken the soul. Each poem provides a new vibratory experience that guides the reader towards spiritual growth. This book is my journey from awakening to the present day. The book is meant as a catalyst for spiritual growth, the goal being to ignite the fire that lies dormant. We are all called to serve, to serve ourselves and then the world. Let this be a message to all that would choose the path of service, the true path. As each fear disintegrates we walk closer to the truth of our nature, and this is my truth. WHAT READERS ARE SAYING I've been following Matt for quite a long time now, and I've witnessed his spirituality blossom first hand. In a world that has sadly become cynical, I have found this man's heart to be gold. His works come from the heart and although there are many books out there that have the same type of premise, this book resonated with my heart. It's a great read as a whole, but could also be read as a page a day for a daily dose of positive vibes. Something many could use in a world that is full of stress. - Jorge The title speaks for itself! I've been reading this book and I can feel a change from inside! I become more open whenever I open this book. - April

Honestly, I'm reading it again because it had so much information. It's deep and embodies so many aspects of spirituality. That's what I enjoyed the most about it. It's different because of that. Everything around spirituality, books, usually focus on only one or two areas. I think back to that time when I was desperately seeking answers and had no one around me to ask or talk to about this. If your book would have been available, wow, a game-changer. I can't tell you how many books I've read, especially when I was desperately seeking out everything and anything that talks about universal beliefs, all of it. Many things were, well, a waste of time. Then I would find a book which is a gold nugget. That's what makes your book amazing. You've covered so many things around this that even if only a few things resonate with a reader, you've given that person a trail and a path to follow. It will lead them to go and open more doors.' - Beta Reader 'Wow I can't put this book down such a great read.' - Amazon Review

Mastering the Core Teachings of the Buddha Daniel Ingram.2020-01-20 The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first, by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

She explores what consciousness is and examines the evolutionary continuum of the soul--including the voyage of the incarnate soul, the metaphysical-spiritual reality of the excarnate soul, and the beyond-soul reality. She also shares maps and models for psychospiritual integration, awakening, and evolving consciousness that she has pioneered. Examining the personal and collective human shadow, the author looks at the central role epigenetics play in our current fear-based reality and explores the impact of stories of wounding from a personal, ancestral, and karmic perspective. Focusing on healing generational and collective trauma, she shows how by changing our "story," we can change the world and transcend the shadow of human experience. She explores spiritual wisdom from ancient cultures spanning millennia, especially the Classic Maya, and highlights evolutionary astrological events that will influence humanity in the years and decades ahead as we more fully awaken. Sharing her vision for the New Earth, Nicolya reveals how deeply feeling and envisioning our post-transformation future as if it has already happened will help bring it into being. She also shares a look into the new epoch of wellness, regeneration, psychology, biology, and technology that will unfold as humanity transitions from the dysfunctional old paradigm into a conscious and awakened new world.

The Book of Awakening Mark Nepo.2011-10-01 *The Book of Awakening*, a cult favorite since its original publication in 2000, catapulted to fame in 2010 after it was chosen as one of Oprah Winfrey's favorite things. This gift edition with sewn binding and a ribbon marker reflects the book's odyssey as a well-loved daily companion. Mark Nepo wrote the book more than a decade ago, in response to his journey through cancer a decade before that. That experience led him to create a day book not only for people going through life-threatening situations but for everyone. Nepo calls it, a book to help people meet their days and inhabit their lives. I had a commitment to create a book that could serve up inner food, that could be turned to as a spiritual first aid kit. That this book continued to find its readers affirms its quality as a life affirming companion. Again, in Nepo's words, I think it confirms the yearning of people everywhere for meaningful and humble work that invites readers on a journey together. The premise of the book is that people everywhere have a wisdom of their own and the book is there to guide them to their own wisdom. *The Book of Awakening* is a modern classic, speaking to the hearts of hundreds of thousands of readers. It's a daily guide for living in hard times and good times, all the time reminding us that the life we're living is the life we have. Lived authentically it can and does become the life we want. This hardcover edition features a ribbon marker and a subject index that allows the reader to search for quotes and inspiration pertinent to his or her life not only by day but my category.

Awakening the Buddha Within Lama Surya Das.1998-06-15 Lama Surya Das, the most highly trained American lama in the Tibetan tradition, presents the definitive book on Western Buddhism for the modern-day spiritual seeker. The radical and compelling message of Buddhism tells us that each of us has the wisdom, awareness, love, and power of the Buddha within; yet most of us are too often like sleeping Buddhas. In *Awakening the Buddha Within*, Surya Das shows how we can awaken to who we really are in order to lead a more compassionate, enlightened, and balanced life. It illuminates the guidelines and key principles embodied in the noble Eight-Fold Path and the traditional Three Enlightenment Trainings common to all schools of Buddhism: Wisdom Training: Developing clear vision, insight, and inner understanding—seeing reality and ourselves as we really are. Ethics Training: Cultivating virtue, self-discipline, and compassion in what we say and do. Meditation Training: Practicing mindfulness, concentration, and awareness of the present moment. With lively stories, meditations, and spiritual practices, *Awakening the Buddha Within* is an invaluable text for the novice and experienced student of Buddhism alike.

Reminders From Heaven Russell Pike.2019-09-11 Many of us go far into the illusion of darkness, that we need a spiritual lifeline to grab onto to walk back into the light of reality. I needed that spiritual lifeline myself to return from the deep darkness. I experienced the fullness of a variety of the ego paths on earth. No matter how exciting they were at first, in time they all led to disappointment. The same truth and process I was given to awaken from the darkness into the Light are shared in these *Reminders From Heaven*. The reminders are not understood at the surface ego level. They require the stilling of the outer ego mind and world and quietly meditating on the truth, following it to its source in the spiritual realm. As it is often said, the truth shall set us free. Open any page and you will be greeted with calming and inspirational messages that are exactly what you need at the time. It works every time. *Reminders From Heaven* books answer many of the questions we all have about life on earth. They include thousands of passages from the author, and hundreds of quotes from scriptures, philosophers, poets, scientists, and spiritual leaders throughout world history. The passages and quotes are very informative and enlightening with the clear goal of reminding the reader of who we all are as eternal spiritual children of God. Many people have read *Reminders From Heaven* and have come to the same conclusion that the truth in these books have changed their lives in many positive ways including removing stress, increasing creativity, and improving their health. The love, light, and spirit in the passages bring tremendous peace and perspective on our lives on earth. I encourage you to see for yourself. *Reminders From Heaven* are books that speak directly to the heart. They are inspiring and helpful reads for those seeking spirituality. God Speaks to the author in these books and you can feel the presence. These books are coated with light and healing energy to awaken the soul back to the path of Heaven. They remind you of who you are and where you're from. These books calm my mind and help me to live in higher positive energy. These books are like a radiating light shining into a dark corner. All of my worries, attention and who identifications were not defeated or combatted but were lovingly dissolved with in a few short hours of reading the books. My heart warmed with gratitude for a glimpse of the reality in these books. I am finally starting to know myself and feeling the exact opposite of loneliness, a timeless sense of connection and oneness in all. After reading the books I woke up early in the morning feeling a stillness as if a load had been lifted off of my brain. All I felt was peace.
