The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place. I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just need to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves. If you're successful here, then the chances are that she won't have anything to say - she will quite literally be speechless! When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do. ; ; Want to know more and learn 101 Sex Positions? You know what to do.

Have you already tried to improve your life in bed with patience and effort but still disappointed? Do you feel even over stressed because of it? Well, this book is a solution for you, an answer to all of your questions. If you are reading this description, I know that, unfortunately, you have experienced some big problems that are ruining your sexual relationship; and you want to make a change. Problems like premature ejaculation, not knowing how to give her/him a real orgasm, not knowing how to practice oral and anal sex properly, problems with where and how to touch and kiss each other in the best way, poor lifestyle (yes that's a problem too). And the list doesn't stop here... And this is frustrating, because honestly talking, sex is the best part of a relationship; it's that moment when you share your entire being and your most hidden emotions and dirty thoughts, with the other person. And there is no worse feeling than knowing that you didn't satisfy that person, it's like a punch in the stomach. You lose all your motivation and self esteem. I think nobody deserves this. So how do you fix that? The answer is learning and applying what's written in this book. You will learn: The 7 wrong myths about anal sex and how to do it safely How to have sex 8 times per week with your partner 3 emergency tactics for premature ejaculation how to find the G spot and stimulate it the 7 secrets of female masturbation 5 things you don't know about female ejaculation 3 tips to understand if she is pretending or not an orgasm 5 strange methods to give her an orgasm And much more, trust me. I know exactly what you are thinking right now: this is another scam another scammer who wants me to buy this book just to make money and not giving me any value. And you are absolutely right, because you don't know me. But here is a thing: I really want to help you because I've experienced your same problems and I know how it feels when you are so stressed and anxious about sexual issues and sex in general, that you are not even

able to spend pleasurable moments in bed, making both yourself and your partner happy. So I tell you this: even if you struggled and tried hard to find a solution and didn't get anything, you can still transform your situation; even if you have lost your hope. But be careful, there is no magic pill, no overnight accomplishments, so I can't guarantee you success, but what I can guarantee, based on my own experience, is that if you have patience, do a lot of practice, and be consistent, then massive results will manifest in your life; and this time all the hard work you put in, is going to be finally worth it. So don't wait one more second, scroll up and buy this book right now!!

Sex Positions Fanton Publishers.2018-08-06 This book has 30-day sex positions that you can use to spice up your sex life and in extension improve your relationship. Sex plays a very central role in the overall health of a relationship and the emotional well-being of a couple. Did you know that most divorces fall into two main categories: those caused by a lack of money and those caused by a lack of or mediocre sex. As you can see from these facts, sex is one of the main pillars to a long, fulfilling, and lasting relationship. Let us be honest for a moment; unless you have fallen out of love with your significant other, no one intentionally wants a mediocre sex life. This is perhaps because most of us understand the important role sex plays in creating emotional symbiosis between couples as well as creating a physical connection. One main reason why most relationships suffer in the bedroom is a lack of sexual excitement. If you do the same thing repeatedly, it is eventually bound to bore you. The same applies for sex. If you practice the missionary every night, of your 20 years marriage or relationship, your sex life will become a routine and a total bore. As a wise man said, Variety is the spice of life. While the missionary is indeed a great sex position for emotional and physical connection, it can wraith all the excitement out of a relationship. What then can you do to spice up your sex life? A good place to start is experimenting with various sex styles and positions. Today, we shall examine some of the best sex positions guaranteed to bring the zing back into you relationship and make it a very exciting affair. In this book, you will learn: Powerful sex positions that will maximize your emotional and physical connection with your partner Erotic positions that drive men wild with desire Sex positions guaranteed to ensure she comes first and fast Sex positions that will give her toe curling, eye rolling and body shaking orgasms Out of this world sex positions that you may never have tried before Sex positions that will ensure your oral sex life is on a whole new level that you've never imagined And Much, Much More! 100 Sex Positions for Fun. Mary Jane Mae West,Sutra Karma,Graeme Jenkinson.2020-04-28 A not so serious look at a not so serious subject - SEX. Sex and Fun. It certainly does not purport to be a serious topic on the subject of sex but rather a light-hearted look at some positions (some would say 'impossible' positions and some positions that require great strength) that you might find yourself in. (Some might say finding your way out of them could be quite dangerous.) Just enjoy the book for what it is. Lighthearted and certainly not too serious. The illustrations are wonderful and the very subtle facial changes that occur in each position are well worth looking at.Enjoy.....both the book and the positions.....if you can.

Put sex back on the table. Looking for a preview? We know by now that you have to work to get a girl to orgasm, and I mean a genuine orgasm. The sad truth is that most women end up faking an orgasm to avoid the awkward tension when her male knows he hasn't got her there. But not anymore. You now finally understand that the female orgasm is about more than just the physical act and you now know pretty much all you're going to need to get to that wonderful place. I want you to remember exactly that. The orgasm isn't purely physical; the emotional and psychological elements are still so, so important. It's possible for a person to orgasm without even being touched. It's hard, sure, but it is certainly possible. I just need to demonstrate to you the significance of the mind here. It's a key part of getting a female to her ultimate climax. Think about tantric sex. Now, you might not know a lot about tantric sex, but the idea is that sex is considered virtually spiritual in nature - it's linked to a higher state of being. So clearly sex is more than the mere physical act of stimulating the nerves. If you're successful here, then the chances are that she won't have anything to say - she will quite literally become speechless! When a female experiences such a hard orgasm she physically won't be able to say anything! She will be so overwhelmed by the sensation that there is no need for words. If you accomplish this then well done, you've done what very few guys ever manage to accomplish because they simply don't know or understand how to. But you do. Want to know more and learn 101 exciting sex positions? You know what to do.

Well, this book is a solution for you, an answer to all of your questions. If you are reading this description, I know that, unfortunately, you have experienced some big problems that are ruining your sexual relationship; and you want to make a change. Problems like premature ejaculation, not knowing how to give her/him a real orgasm, not knowing how to practice oral and anal sex properly, problems with where and how to touch and kiss each other in the best way, poor lifestyle (yes that's a problem too). You will learn: The 7 wrong myths about anal sex and how to do it safely How to have sex 8 times per week with your partner 3 emergency tactics for premature ejaculation how to find the G spot and stimulate it the 7 secrets of female masturbation 5 things you don't know about female ejaculation 3 tips to understand if she is pretending or not an orgasm 5 strange methods to give her an orgasm And much more, trust me. And you are absolutely right, because you don't know me. So I tell you this: even if you struggled and tried hard to find a solution and didn't get anything, you can still transform your situation; even if you have lost you hope. But be careful, there is no magic pill, no overnight accomplishments, so I can't guarantee you success, but what I can guarantee, based on my own experience, is that if you have patience, do a lot of practice, and be consistent, then massive results will manifest in your life; and this time all the hard work you put in, is going to be finally worth it.
