Joy Ride: Show People and Their Shows John Lahr.2015-09-21 "Lahr creates a book worthy of its title: It is a living celebration of theater itself."—Caryn James, New York Times Book Review Joy Ride throws open the stage door and introduces readers to such makers of contemporary drama as Arthur Miller, Tony Kushner, Wallace Shawn, Harold Pinter, David Rabe, David Mamet, Mike Nichols, and August Wilson. Lahr takes us to the cabin in the woods that Arthur Miller built in order to write *Death of a Salesman*; we walk with August Wilson through the Pittsburgh ghetto where we encounter the inspiration for his great cycle; we sit with Ingmar Bergman at the Kungliga Theatre in Stockholm, where he attended his first play; we visit with Harold Pinter at his London home and learn the source of the feisty David Mamet's legendary ear for dialogue. In its juxtaposition of biographical detail and critical analysis, Joy Ride explores with insight and panache not only the lives of the theatricals but the liveliness of the stage worlds they have created.

Introduction to Islamic Banking and Finance Brian Kettell.2011-08-15 Introduction to Islamic Banking and Finance is a succinct guide to the key characteristics of Islamic banking highlighting how these differ from conventional banking. This detailed book illustrates how Islamic banking is consistent with the Sharia'a, a key element of which is the prohibition on collecting and paying interest. This central religious precept appears to rule out most aspects of modern finance but it does allow money to be used for trading tangible assets and business, which can then generate a profit. Brian Kettell's book looks at all aspects of Islamic banking, including chapters on its creation and evolution through to detailed discussions of the issues involved in the Sharia'a contracts of Murabaha, Mudaraba, Musharaka, Ijara, Istisna'a, and Salam. Islamic insurance (Takaful) is also covered. Finally the book takes a look at Sharia'a law and Sharia'a boards, indicating the roles and responsibilities that come with membership. Islamic banks have been operating in places such as Bahrain, Saudi Arabia, Malaysia and Dubai for some time. Conventional bankers have traditionally viewed the sector as a small, exotic niche but recent years have seen a dramatic surge in popularity.

A number of Western investment banks have started working with Muslim clerics to create new ranges of financial products designed for devout Muslims, a large and growing market. Although estimates of the size of the Islamic finance industry vary greatly, everyone agrees that it is expanding rapidly and this is the perfect book for anyone looking to understand the industry.

**Learn to Love** Thomas Jordan.2019-12-08 Learn to Love: Guide to Healing Your Disappointing Love Life is a book about learning to improve your love life. After 30 years of clinical research and treatment of patients with unhealthy love lives, I now recognize that most people are not in control of their love lives. Why? Because most people don't know what they've learned about and from the love relationships in the course of their lives. Love relationships that started in their families of origin the moment they were born. If you don't know what you've learned about love relationships, then what you've learned is in control of your love life, healthy or unhealthy. If what you've learned was healthy, no problem. Chances are you'll simply replicate what you've learned about love relationships. If what you've learned was unhealthy, you could be unwittingly making the same love life mistakes over and over again because of what you've learned. Learn to Love will show you how to identify what you've learned about love relationships, how to unlearn what is unhealthy, and practice something new, healthy, and the opposite of what you've learned, now as a corrective in your adult love life. This simple learning formulate has helped many of my patients begin taking control of their own love lives, as well as helping me improve my own love life. Learn to Love will help you learn how to take control of your love life. Dr. Thomas Jordan
