Pride's Run Cathryn Fox writing as Cat Kalen.2019-02-08

Seventeen year old Pride is a tracker—a werewolf with a hunger for blood. Taught to trick and to lure, she is the perfect killing machine. Kept leashed in the cellar by a master who is as ruthless as he is powerful, Pride dreams of freedom, of living a normal life, but escape from the compound is near impossible and disobedience comes with a price. When she learns her master intends to breed her she knows she has to run. Pride soon learns if she is to survive in the wild, she must trust in the boy who promises her freedom, the same boy she was sent to hunt. With life and death hanging in the balance the two find themselves on the run from the Paranormal Task Force—officers who shoot first and ask questions later—as well as her master’s handlers. Can Pride flee the man who has held her captive since birth and find sanctuary in the arms of a boy who has captured her heart? Or will her master find her first?

Worry Stones Joanna Lilley.2018 This novel, set in both the high Canadian Arctic and the Highlands of Scotland follows the story of a young woman who has to rescue her mother from the grip of a religious cult in Scotland and also save her from her fanatical husband. There is a good deal about such religious cults but also about the young woman's work in the Canadian Arctic alongside Inuit artists for her book as an art historian, but also learning about their methods of work to include some of these in her own work as a sculptor--

Sacrifice Jessica Ruddick.2017-06-12 Still reeling from a recent debilitating loss, Ava is convinced she has nothing left to lose. She is proven wrong when she’s forced to cut herself off from the love

of her life, Cole, in order to keep his new role as a seeker a secret. Without him by her side, Ava sets out to find other seekers and they help her embrace her new reality and better understand the system she's entrenched in. As time passes though, nothing quells her need for vengeance against Xavier, her rogue former handler, who's gone into hiding. Independence isn't easy and tough choices await Ava at every turn. She must decide how much she's willing to sacrifice to change her destiny—if she can change it at all.

Growl .2013 Seventeen year old Lacey Hannigan knows that she's different from other people. Her ability to move things with her mind has made her an outcast, even in her own home. She hates the power that she has and wants nothing more than to be normal like everyone else. But when she is forced to run away from home or be sent to a hospital to be studied like some kind of science project, she has no choice but to rely on her telekinesis in order to survive on her own. She soon finds herself in more danger than she ever thought possible when she discovers that there are even stranger people than her in the world. Like Cole, a man with a deadly secret who has vowed to stop at nothing until he has her. And Jesse, who seems like the perfect man until she learns that he may not be who she thinks he is. The unbelievable becomes reality when seemingly normal people shed their human skin for that of fur and prowl the streets at night looking for their next victim. Will Lacey's power be her saving grace or her doom?

Dreams and Expectations Wendi Sotis.2012-06-17 While staying true to the characters of Jane Austen's much loved tale, this novel takes Elizabeth Bennet and Fitzwilliam Darcy on a much different journey than Austen did in *Pride and Prejudice*. Fitzwilliam Darcy and Elizabeth Bennet quickly recognize their feelings for each other and form a friendship, but misunderstandings and a bit of mystery and adventure hinder their path to happiness.

American Story is a suspense thriller set in the New Orleans academic world and inspired by the David Duke era in Louisiana politics. Full of suspicious deaths, action, conspiracies, and sex; the author adds to this tumultuous mix a great dose of racial tension and political intrigue. The New Orleans Gambit Weekly calls the novel a quick and engaging read that presents an insight to how racism has endured through the ages. According to the Northeast Mississippi Daily Journal, *Fuhrer's Heart* is a courageous, even-handed attempt to remind us that evil still lurks in the most unexpected places and in the most unexpected ways. The journal Public Voices says *Fuhrer's Heart* expands the definition of 'academic infighting' to an entirely new level. Novelist Angelia Menchan says it has all the components for a thrilling, suspenseful story. One of the main characters is a young and highly ambitious African American named Michael Woods. His dreams for a better life lure him from the working class lifestyle of his family, former cotton pickers in the rural South. He graduates from college and upon receiving a PhD, is fiercely recruited by New Orleans' prestigious Institute for Public Policy. Unbeknownst to Michael, the liberal leaning Institute has recently been infiltrated by white supremacists portraying themselves as members of the liberal establishment. Reapers Katie Jackson. 2018-01-21 After the death of her parents and brother, Jamie's picture perfect world crashed into loneliness and desolation. A year later, she is being followed by a mysterious yet delicious looking stranger and hunted by beings with paranormal abilities. What do they want with her and who should she trust? Should she follow her heart? Or blindly believe in those closest to her who have been lying all these years?

Sacrifice Elaine Pierson. 2016 Life on Black Hills mountain has been peaceful and quiet for Lacey and Cole. Now that they're mated, it seems that nothing can come between them. That is,

until a stranger from Lacey's past shows up with a startling revelation that not only changes their lives, but threatens to tear them apart forever. Lacey's determination to keep her family safe brings out a side of her, she didn't know existed. After being captured by a ruthless human who'll stop at nothing to destroy her, she now understands how deep the need for vengeance can damage a person's mind and soul. Tortured and mentally broken, Lacey is forced to do the unthinkable in order to save the people she loves. Even if that means delving into the same kind of darkness she saved Cole from. Death is coming to the Black Hills mountain. The only question is...who will be left standing in the end?

The Fifth Vital Mike Majlak, Riley J. Ford. 2021-05-05 USA
TODAY BESTSELLING BOOK! Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story.

Found Gemma Weir.2020-08 A throwaway & a Princess. Both of us are messed up, both of us pretending. I've played with her, manipulated and bullied her, right up until the moment I realised how much I wanted her. When I was planning to beg for forgiveness, someone else was planning her demise. Her crown might have slipped but no one will ever be able to take it away, she's a Princess, my Princess to the very core. I've spent every moment of the last few years counting down for my freedom, now I want to be caught and bound to her. Archer's Creek was where I was forced to come; now it's the only place I've ever wanted to stay. Can she forgive me or has my past left me beyond redemption?

Darkest Days N. W. Harris.2017-08-14 The ancient slave mongers who killed the adults and enslaved the children have angered a more advanced species of aliens. Composed of pure energy, this superior race has attacked the Anunnaki home world and is now setting a course for Earth. The energy-based aliens believe in a system of trial by battle. They seek to push Shane and his friends into the arena with the ones who killed their parents. The results will determine if humans deserve to live, or if they should be made extinct as well. It's up to Shane to keep his friends--and an army of kids who look up to him--alive. They'll be fighting not just for their own lives, but for the fate of the entire human race. Can the enemy of Shane's enemy be his friend, or is this just another species determined to exploit and destroy them?

power, transformation.... When Nessa's dad dies, the last thing she's expecting is to lose everything else too. But when her hair suddenly turns electric red, and her estranged grandma turns up on her doorstep ready to haul her off to an isolated island, that's exactly what happens. In one day, Nessa loses her mother and her friends, and learns that she's a redheaded sea-witch with magical powers. She's one of many Neptunians - magical beings blessed by the sea - which includes selkies, mermaids, and sea nymphs. Nessa doesn't want to live on an island, she doesn't want to be a sea-witch, and she certainly doesn't want to be hunted by humans who harvest Neptunians for their magical powers. But if Nessa wants to live, she'll have to accept her new life and everything that comes with it, including a witty pirate names Caesar, who just might break her heart.

Ghosts of Galveston Kathleen Shanahan Maca.2016-09-12
Discover the haunting history of this town on the Texas coast—includes photos. One of the oldest cities in Texas, Galveston has witnessed more than its share of tragedies. Devastating hurricanes, yellow fever epidemics, fires, a major Civil War battle, and more cast a dark shroud on the city's legacy. Ghostly tales creep throughout the history of famous tourist attractions and historical homes. The altruistic spirit of a schoolteacher who heroically pulled victims from the floodwaters during the great hurricane of 1900 roams the Strand. The ghosts of Civil War soldiers march up and down the stairs at night and pace in front of the antebellum Rogers Building. The spirit of an unlucky man decapitated by an oncoming train haunts the railroad museum, moving objects and crying in the night. In this fascinating book, Kathleen Shanahan Maca explores these and other haunted tales from the Oleander City.

Through the blessing, circumstances bring Elizabeth and Jane Bennet to Ramsgate, where they meet Georgiana and Fitzwilliam Darcy, along with a charming young man named George Wickham. Will Elizabeth's efforts to reshape future events alter her destiny?

Dark Shores J. E. Hunter.2016-04-01 In Tales of a Redheaded Sea-Witch, sixteen-year-old Nessa learned she had a destiny she couldn't walk away from. Now, months later, she knows just what being a Neptunian really means. Her friends have been stolen from her and her boyfriend has left her to find them, but now Nessa, too, leaves the safety of the island in a desperate attempt to find her friends before the evil pirate, Victor Jimenez, kills them. Beginning in Northern Ireland and on the doorstep of a great-aunt she's never met, Nessa begins hunting the trail of the power hungry Neptunian bent on taking over the world. As the mystery unravels, Nessa finds herself circling the globe with her best friend, Amynta, as they follow one lead after another. Not only does Nessa learn more about the Neptunian world she now lives in, but she learns about herself, and the lengths she will go to in order to protect those she loves.

Bloodtraitor (Book 3) Amelia Atwater-Rhodes.2016 Malachi Obsidian has been his guild's prophet ever since he was a child. Years ago, he envisioned a future in which his sister, Misha, ruled and the vampires' empire was destroyed. His people have made many questionable decisions to keep their dream alive, and now Misha is finally on the verge of becoming queen of the serpiente, just as Malachi predicted. When a mercenary from the vampires' inner circle proposes a daring plan to bring down the empire of Midnight once and for all, Malachi knows the shameful truth about Misha, but he must feign support for his unstable sister so his prophecy can be fulfilled. He must do it for his family, for his people--and for their freedom.

Genie in a Vodka Bottle Rob Rosen.2021-11-06 Mysterious forces are at play when Paul's vacation to Spain unexpectedly detours to Gibraltar and then Morocco, to a vodka bottle in a hole in the wall bar, to a handsome genie with a slew of secrets, plus almost limitless powers, virtually no memory, and a keen desire to be freed from his curse. Along the way, Paul is reunited with his ex-lover and the genie's previous master as fate draws them ever deeper into a murky, dangerous past. On our heroes travel, from the frigid north of Russia to a magic carpet ride across China, ultimately finding themselves in the deserts of ancient Jordan. Here, they encounter another of the genie's previous masters and a power far greater than they could've ever imagined, all within a massive temple carved into a mountainside. Can our intrepid foursome uncover the truth before the curse takes them all and possibly the entire world down? Will love win out in the end? Or is the genie forever doomed to a life foretold in fairy tales? In this

Matter of Resistance Raymond Vogel.2013-08 The science fiction imagining of a former rocket scientist, *Matter of Resistance* pushes technology and human nature to the limits as it chronicles our Mars settlement's struggle for independence from Earth. Though it was written for young adults, it's received high praise and recommendations from top minds in science, aerospace, and defense. What The Experts Are Saying: MARK CANTRELL, PhD, NASA Orion Materials and Processes, Senior Staff: A really interesting story that examines space travel within the possibilities of today's technology and in the context of natural human drives. I loved this story. I recommend it. COLONEL ROSS NUNN, USAF Retired; former Commander of the Air Force Astronautics Lab; early proponent of antimatter and fusion-based propulsion research: Picked up the book to read the first chapter - didn't put it down until I finished the entire book. Captivating, suspense-filled reading, beginning to end. SORIN SUCIU, author of the laugh-out-loud contemporary fantasy, *The Scriptlings* (2013): This captivating story bears the unmistakable mark of an instant SF classic, in that the science (while as solid as you would expect from a friggin rocket scientist) is merely a backdrop for a fascinating introspection into human nature. *Matter of Resistance* might not cure your Asimov or Clarke nostalgia, but it will certainly infect you with the Vogel virus. The Birthday Books Joanna Lilley.2015 The first short story collection by an award-winning writer whose stories reach toward hope when they aren't heading for heartbreak. Lily displays a breathtaking ability to become each one of her characters, to move inside the bodies and minds. Lily's stories deal with the separations we choose to seek (physical and psychological) how the distances we keep determine how we live. Lily's atmospheric, intricate and precise language teaches us how to inhabit her stories and places us with her characters who must choose between longing and necessity as they navigate their sense of place, love, loss and possession.

Death's Betrayal (Death's Queen #2) Janeal Falor.2017-09-26 Ryn finally has a name, and a chance at life now that Daros has been taken to the dungeons. Or at least she did until he escaped. Not knowing whether to be scared or filled with rage, Ryn sets her guards out to find him. As much as she wants to help, Ryn must be the Queen her people needs. Or try to be. There's much she needs to do, but she sees Daros everywhere, hunting her. No one can seem to catch Daros, despite her spotting him, and his ruthlessness knows no bounds. When the unthinkable happens, Ryn must face her fears or lose all she's gained.

of Man is the first definitive history of the United Nations, from one of America's greatest living historians. Distinguished scholar Paul Kennedy, author of the bestselling *The Rise and Fall of Great Powers*, gives us a thorough and timely account that explains the UN's roots and functions while also casting an objective eye on its effectiveness and its prospects for success in meeting the challenges that lie ahead. Kennedy shows the UN for what it is: fallible, human-based, often dependent on the whims of powerful national governments or the foibles of individual administrators—yet also utterly indispensable. With his insightful grasp of six decades of global history, Kennedy convincingly argues that it is difficult to imagine how much more riven and ruinous our world of six billion people would be if there had been no UN.

Insurgent, one of the largest outlaw MCs in Colorado. Riding his Harley, hanging out with his fellow Insurgents, and enjoying the ladies, are his idea of the perfect life. He likes things simple and free from drama, and that includes his women. Privileged princesses? Definitely not. Then at his friend's engagement party, he sees her. Sexy, curves in all the right places, and a dangerous look in her dark green eyes. Oh yeah ... his libido is starting to smoke. All he wants is one long taste. Scarlett Mansfield comes from one of the richest families in the county. Her life is perfect and well-orchestrated until she sets her eyes on the chiseled biker across the room. The intensity of his gaze makes her blush ... almost. She knows in her world the rugged stranger is taboo, but she is drawn to him. Scarlett has complication stamped all over her, but an undeniable desire sizzles between them, and Shadow can't stay away. When they come together, sparks combust setting off a series of events that will forever change their destiny. The Insurgents MC series are standalone romance novels. This is Shadow's story. This book contains violence, abuse, strong language, and steamy/graphic sexual scenes. It describes the life and actions of an outlaw motorcycle club. HEA. No cliffhangers.

out this non-profit digital library. The Internet Archive is a great go-to if you want access to historical and academic books. While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers. Questia Public Library has long been a favorite choice of librarians and scholars for research help. They also offer a world-class library of free books filled with classics, rarities, and textbooks. More than 5,000 free books are available for download here, alphabetized both by title and by author. Each book can be read online or downloaded in a variety of file formats like MOBI, DJVU, EPUB, plain text, and PDF, but you can't go wrong using the Send to Kindle feature.
