International Digital Children's Library, where you can find award-winning books that range in length and reading levels. There's also a wide selection of languages available, with everything from English to Farsi. Open Library is a free Kindle book downloading and lending service that has well over 1 million eBook titles available. They seem to specialize in classic literature and you can search by keyword or browse by subjects, authors, and genre. Once you find something you're interested in, click on the book title and you'll be taken to that book's specific page. You can choose to read chapters within your browser (easiest) or print pages out for later. They also have what they call a Give Away Page, which is over two hundred of their most popular titles, audio books, technical books, and books made into movies. Give the freebies a try, and if you really like their service, then you can choose to become a member and get the whole collection. Because this site is

dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Self publishing services to help professionals and entrepreneurs write, publish and sell non-fiction books on Amazon & bookstores (CreateSpace, Ingram, etc). Our comprehensive range of products, services, and resources includes books supplied from more than 15,000 U.S., Canadian, and U.K. publishers and more. Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find

only free Google eBooks. Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days.
