Nutrition for Intuition Doreen Virtue,Robert Reeves (Naturopath).2016 Nutrition for Intuition shows the connection between what we eat and our spiritual abilities. However, this book is different because it recognizes that meditation alone may not change your intuition if you continue to ingest unhealthy, low-vibration foods. Nutrition for Intuition speaks about how to enhance your natural gifts by combining good dietary practices with energizing spiritual techniques. This book also covers the pineal gland and its connection to clairvoyance, as well as the energetic properties of nutritional supplements like zinc and magnesium. Readers will learn exactly what to eat and drink to increase their intuition, and what to avoid in their diets.--
