[A Magic Carpet Ride](#) Gina Kingsley.2016-07-03 A Magic Carpet Ride is more than just a travel memoir. It is a story within a story about personal journeys as well as travel journeys. Of the many themes, the strongest is the author's rediscovery of her mother's spirit while traveling Mother Earth. A cosmic theme unfolds, as well as a theme of preparing for the empty nest. The first generation Greek American author describes what it is like to take her own children back to her ancestral homeland to discover the essence of their roots, much like the author did in her childhood trips to Greece. Over 20 countries are described in A Magic Carpet Ride, as well as an educational unit that the author and her three sons designed to build their own trip itineraries and research components. This book is about travel, history, love, pain, goals, fears, risk, adventure, humor, understanding, letting go and faith. Come take a magic carpet ride!

The Brand Innovation Manifesto John Grant.2006-05-12 The days of the image brands are over, and ‘new marketing’ has gone mainstream. The world’s biggest companies are pursuing a post-advertising strategy, moving away from advertising and investing in leading edge alternatives. In the vanguard of the revolution has been John Grant, co-founder of the legendary agency St. Luke’s and author of The New Marketing Manifesto, whose radical thinking has informed a generation. Now Grant is set to stun the industry again. In The Brand Innovation Manifesto, he redefines the nature of brands, showing why old models and scales no longer work and revealing that the key to success today is impacting people’s lifestyles (think Starbucks, iPod and eBay). At the heart of the book is the concept of the ‘brand molecule’ to which new cultural ideas can be constantly added to keep pace with change. Cataloguing 32 classes of idea, Grant presents a practical approach to mixing and matching them within your own market to develop new brand ideas - and new ideas for existing brands.

Jungalow: Decorate Wild Justina Blakeney.2021-04-06 From Justina Blakeney, the ultimate guide to designing wildly creative interiors that are free-spirited, layered, and deeply personal Justina Blakeney’s new book is her biggest, boldest, and most beautiful volume yet, filled with irresistible style, original patterns, and artwork—lushly photographed by Dabito. In each chapter, Justina shares her distinctive point of view on everything design fans want to know—how to make bold choices with color and pattern, how to take cues from nature, how to authentically glean inspiration from their heritage and travels, how to break rules, and all the other paths to truly begin to decorate wild. Along the way, Justina also shares personal narratives, practical advice, and nuanced insight into how she lives in her own space—how she reconnects with nature, how she plays and stays inspired, how she gives herself permission to feel free and wild, and how readers can do the same. Jungalow is the term coined by Justina for the brand that embodies her wild, but cozy and homey, style. Copycats abound, but there is no other book like this one—offering Justina’s authentic, encouraging voice and approachable, signature style.

Not Exactly Retired: A Life-Changing Journey on the Road and in the Peace Corps David Jarmul.2020-04-02 Not Exactly Retired shows how Americans approaching retirement can redefine their lives and find new fulfillment by pursuing international adventure and service instead of drifting in their familiar jobs. It highlights the rewards of doing good while seeing the world. Author David Jarmul describes how he and his wife veered from their conventional American lives to wander around Nepal and the United States and serve as Peace Corps Volunteers in Moldova, Eastern Europe, in their sixties.

Chalamania Billie Oliver.2020-04-07 This dotting book is a beautifully illustrated celebration of the world's most beautiful boy--like the Tumblr account your Chalamet-filled heart has always wanted. This book is a chic love letter to the shaggy-haired, angelic-cheekboned heartthrob: Timothée Chalamet. It's author Billie Oliver's very own De Profundis that's not at all creepy - just celebratory. Well maybe a little creepy, but if it results in Timothée reaching out to Billie and her getting his number, that's certainly worth a little creeping. The world has fallen in love with Timothée Chalamet, thanks largely to his skillful performances in films like *Lady Bird*, *Call Me By Your Name*, *Beautiful Boy* and *Little Women*. But it isn't just Timothée's acting chops that have won him the world's--particularly, the Twitter and Instagram world's--devotion... Clearly, the aforementioned cheekbones go a long way, as does his floppy hair and dreamy grin. But do you know he speaks French? That he takes red-carpet selfies with Glenn Close? Or that he takes consistently bold risks on every red carpet, fashion-wise? (We all remember the Louis Vuitton sequined harness.) That he's happy to talk about that time he cried watching *Interstellar* for the first time because he thought his part was bigger? And that he brought his sister as his date to the Golden Globe Awards? There are so many reasons to be crushing on Timothée Chalamet right now, so let us indulge the Chalamania and count just fifty of the things we adore about him most. And Timothée, if you're reading this--call me.

The Kaiju Preservation Society John Scalzi.2022-03-15 The Kaiju Preservation Society is John Scalzi's first standalone adventure since the conclusion of his New York Times bestselling *Interdependency* trilogy. When COVID-19 sweeps through New York City, Jamie Gray is stuck as a dead-end driver for food delivery apps. That is, until Jamie makes a delivery to an old acquaintance, Tom, who works at what he calls "an animal rights organization." Tom's team needs a last-minute grunt to handle things on their next field visit. Jamie, eager to do anything, immediately signs on. What Tom doesn't tell Jamie is that the animals his team cares for are not here on Earth. Not our Earth, at least. In an alternate dimension, massive dinosaur-like creatures named Kaiju roam a warm, human-free world. They're the universe's largest and most dangerous panda and they're in trouble. It's not just the Kaiju Preservation Society who have found their way to the alternate world. Others have, too. And their carelessness could cause millions back on our Earth to die. Global Nomads Anthony D'Andrea.2007-01-24 *Global Nomads* provides a unique introduction to the globalization of countercultures, a topic largely unknown in and outside academia. Anthony D'Andrea examines the social life of mobile expatriates who live within a global circuit of countercultural practice in paradoxical paradises. Based on nomadic fieldwork across Spain and India, the study analyzes how and why these post-metropolitan subjects reject the homeland in order to shape an alternative lifestyle. They become artists, therapists, exotic traders and bohemian workers seeking to integrate labor, mobility and spirituality within a cosmopolitan culture of expressive individualism. These countercultural formations, however, unfold under neo-liberal regimes that appropriate utopian spaces, practices and imaginaries as commodities for tourism, entertainment and media consumption. In order to understand the paradoxical globalization of countercultures, *Global Nomads* develops a dialogue between global and critical studies by introducing the concept of 'neo-nomadism' which seeks to overcome some of the shortcomings in studies of globalization. This book is an essential aide for undergraduate, postgraduate and research students of Sociology, Anthropology of Globalization, Cultural Studies and Tourism Studies.

Brand New Justice Simon Anholt.2006-08-11 Recently vilified as the prime dynamic driving home the breach between poor and rich nations, here the branding process is rehabilitated as a potential saviour of the economically underprivileged. *Brand New Justice*, now in a revised paperback edition, systematically analyses the success stories of the Top Thirteen nations, demonstrating that their wealth is based on the 'last mile' of the commercial process: buying raw materials and manufacturing cheaply in third world countries, these countries realise their lucrative profits by adding value through finishing, packaging and marketing and then selling the branded product on to the end-user at a hugely inflated price. The use of sophisticated global media techniques alongside a

range of creative marketing activities are the lynchpins of this process. Applying his observations on economic history and the development and impact of global marketing, Anholt presents a cogent plan for developing nations to benefit from globalization. So long the helpless victim of capitalist trading systems, he shows that they can cross the divide and graduate from supplier nation to producer nation. Branding native produce on a global scale, making a commercial virtue out of perceived authenticity and otherness and fully capitalising on the 'last mile' benefits are key to this graduation and fundamental to forging a new global economic balance. Anholt argues with a forceful logic, but also backs his hypothesis with enticing glimpses of this process actually beginning to take place. Examining activities in India, Thailand, Russia and Africa among others, he shows the risks, challenges and pressures inherent in 'turning the tide', but above all he demonstrates the very real possibility of enlightened capitalism working as a force for good in global terms.

Why We Shop Jim Pooler.2003-11-30 Shopping is one of the most challenging and rewarding human activities. Pooler offers a captivating exploration of the emotional and psychological dimensions of shopping. What drives shoppers in various situations? Why do we shop the way we do? Why do people go to malls, boutiques, and Web sites with their credit cards in hand, despite not knowing what it is they're looking for? This book answers such questions, taking an incisive look at how shopping and shoppers have changed in recent years. For those in retailing and marketing, this guide to the fickle consumer's mindset offers concrete and practical advice on modern shopping behavior, along with important insights into the shopping psyche. Comprehending why people shop as they do is a daunting challenge for today's retailer. For example, why do people shop for bargain groceries yet purchase the latest luxury-model SUV? Why do people feel justified in splurging for Christmas, birthdays, or anniversaries, but suffer guilt from over-spending at other times of the year? Is clothes-shopping all about price and practicality, or is it more about emotional reward and psychological needs? Is the excitement in the quest or the acquisition? Why is there such a thing as a morning-after urge to return among certain shoppers, while others refuse to return an item even if it's flawed or doesn't fit? Pooler probes to the heart of today's complex shopper, providing valuable insights for retailers, advertisers, marketers, and consumers.

Lailah's Lunchbox: A Ramadan Story Reem Faruqi.2015-05-01 *2019 Daybreak Children's Picture Book Award -- Recognizing Muslim Women's Contributions to Literature* *Notable Social Studies Trade Book For Young People 2016, a cooperative Project of the National Council for the Social Studies (NCSS) and the Children's Book Council* *Featured Book of the Month, Anti-Defamation League* *American Library Association Notable Book for Children 2016* *Skipping Stones Honor 2016* *International Literacy Association Choices Reading List* Lailah is in a new school in a new country, thousands of miles from her old home, and missing her old friends. When Ramadan begins, she is excited that she is finally old enough to participate in the fasting but worried that her classmates won't understand why she doesn't join them in the lunchroom. Lailah solves her problem with help from the school librarian and her teacher and in doing so learns that she can make new friends who respect her beliefs. This gentle, moving story from first-time author Reem Faruqi comes to life in Lea Lyon's vibrant illustrations. Lyon uses decorative arabesque borders on intermittent spreads to contrast the ordered patterns of Islamic observances with the unbounded rhythms of American school days. Fountas & Pinnell Level N

Sleeping with the Enemy Hal Vaughan.2012-08-07 This explosive narrative reveals for the first time the shocking hidden years of Coco Chanel's life: her collaboration with the Nazis in Paris, her affair with a master spy, and her work for the German military intelligence service and Himmler's SS. Gabrielle "Coco" Chanel was the high priestess of couture who created the look of the modern woman. By the 1920s she had amassed a fortune and went on to create an empire. But her life from 1941 to 1954 has long been shrouded in rumor and mystery, never clarified by Chanel or her many

biographers. Hal Vaughan exposes the truth of her wartime collaboration and her long affair with the playboy Baron Hans Günther von Dincklage—who ran a spy ring and reported directly to Goebbels. Vaughan pieces together how Chanel became a Nazi agent, how she escaped arrest after the war and joined her lover in exile in Switzerland, and how—despite suspicions about her past—she was able to return to Paris at age seventy and rebuild the iconic House of Chanel.

Working Woman .1986

The "new Woman" Revised Ellen Wiley Todd.1993-01-01 In the years between the world wars, Manhattan's Fourteenth Street-Union Square district became a center for commercial, cultural, and political activities, and hence a sensitive barometer of the dramatic social changes of the period. It was here that four urban realist painters--Kenneth Hayes Miller, Reginald Marsh, Raphael Soyer, and Isabel Bishop--placed their images of modern new women. Bargain stores, cheap movie theaters, pinball arcades, and radical political organizations were the backdrop for the women shoppers, office and store workers, and consumers of mass culture portrayed by these artists. Ellen Wiley Todd deftly interprets the painters' complex images as they were refracted through the gender ideology of the period. This is a work of skillful interdisciplinary scholarship, combining recent insights from feminist art history, gender studies, and social and cultural theory. Drawing on a range of visual and verbal representations as well as biographical and critical texts, Todd balances the historical context surrounding the painters with nuanced analyses of how each artist's image of womanhood contributed to the continual redefining of the new woman's relationships to men, family, work, feminism, and sexuality.

The Divorce Nicole Strycharz.2016-05-25 Jenzy: I love my husband, but he doesn't see me anymore. We were college sweethearts and for seven years I've been his wife. Five of those years were bliss; the last two have been a long fall from grace. He's the love of my life, the sexy and smart man I saw my future with, but now I don't think he sees it too. I'm tired of not being seen, I'm tired of not being heard, and I'm tired of being in love alone. I was his optimistic hippie girl that he couldn't get enough of. Now I'm just his annoyance. So I told him, I finally found the backbone and this is our story.... Chris: My wife just told me she wants a divorce. What the hell do I say to that? I thought we were fine-, well fine is a bad word, I thought we were okay. Doesn't matter what I think because she's moving out and I can't really let this happen. Yeah, she annoys me, we're total opposites, but I knew that when I met her, she hasn't changed...maybe I have? I was her anchor, her safety, her home. Now I'm that guy that's wrecked her and there are plenty of men willing to repair the damage I did. So I have a plan. Find out what happened to change my affection for her within the last two years, and win her back before someone else does, because I still love her, and she still loves me....I guess....

JavaScript Allongé Reginald Braithwaite.2013-10-04 JavaScript Allongé solves two important problems for the ambitious JavaScript programmer. First, JavaScript Allongé gives you the tools to deal with JavaScript bugs, hitches, edge cases, and other potential pitfalls. There are plenty of good directions for how to write JavaScript programs. If you follow them without alteration or deviation, you will be satisfied. Unfortunately, software is a complex thing, full of interactions and side-effects. Two perfectly reasonable pieces of advice when taken separately may conflict with each other when taken together. An approach may seem sound at the outset of a project, but need to be revised when new requirements are discovered. When you "leave the path" of the directions, you discover their limitations. In order to solve the problems that occur at the edges, in order to adapt and deal with changes, in order to refactor and rewrite as needed, you need to understand the underlying principles of the JavaScript programming language in detail. You need to understand why the directions work so that you can understand how to modify them to work properly at or beyond their original limitations. That's where JavaScript Allongé comes in. JavaScript Allongé is a book about programming with functions, because JavaScript is a programming language built on flexible and powerful functions. JavaScript Allongé begins at the beginning, with values and expressions, and builds from there to discuss types, identity, functions, closures, scopes, and many more subjects up to working with classes and instances. In each case, JavaScript Allongé takes care to explain exactly how things work so that when you encounter a problem, you'll know exactly what is happening and how to fix it. Second, JavaScript Allongé provides recipes for using functions to write software that is simpler, cleaner, and less complicated than alternative approaches that are object-centric or code-centric. JavaScript idioms like function combinators and decorators leverage JavaScript's power to make code easier to read, modify, debug and refactor, thus avoiding problems before they happen. JavaScript Allongé teaches you how to handle complex code, and it also teaches you how to simplify code without dumbing it down. As a result, JavaScript Allongé is a rich read releasing many of JavaScript's subtleties, much like the Café Allongé beloved by coffee enthusiasts everywhere.

Sophie the Parisian Nathalie Peigney.2018-10-16 Dedicated to all women who recognize Frenchwomen as genuine style models, this book is an appealing, pocket-size guide to French style and glamour, with 100 practical and concrete tips and delightful photos and sketches. Seven years after the success of the style guide Parisian Chic by Inès de la Fressange, Sophie the Parisian offers a fresher, wider, and more varied guide to French style. The Parisian woman is considered a female role model by definition: classical in taste, but independent and dynamic; elegant and sophisticated

at times, feminine and seductive, but not vulgar; attentive to what she wears and taking care of her body, but without excessive vanity; and who has sophisticated and original but simple taste. Food lover and partygoer, she focuses on the quality of food rather than on her shape. Fond of natural beauty, and without plastic surgery, she doesn't try to hide the signs of aging, which she wears with pride. Sophie the Parisian doesn't take herself too seriously and uses a well-balanced mix of charm, great taste, and irony--three typical traits of the modern Frenchwoman--to cover topics ranging from fashion to the well-being of the body, from looks to health, from cooking to decoration: everything that makes the French *joie de vivre* a role-model lifestyle worldwide.

The Annotated Mona Lisa Carol Strickland, John Boswell. 2007-10 Like music, art is a universal language. Although looking at works of art is a pleasurable enough experience, to appreciate them fully requires certain skills and knowledge. --Carol Strickland, from the introduction to *The Annotated Mona Lisa: A Crash Course in Art History from Prehistoric to Post-Modern* * This heavily illustrated crash course in art history is revised and updated. This second edition of Carol Strickland's *The Annotated Mona Lisa: A Crash Course in Art History from Prehistoric to Post-Modern* offers an illustrated tutorial of prehistoric to post-modern art from cave paintings to video art installations to digital and Internet media. * Featuring succinct page-length essays, instructive sidebars, and more than 300 photographs, *The Annotated Mona Lisa: A Crash Course in Art History from Prehistoric to Post-Modern* takes art history out of the realm of dreary textbooks, demystifies jargon and theory, and makes art accessible-even at a cursory reading. * From Stonehenge to the Guggenheim and from Holbein to Warhol, more than 25,000 years of art is distilled into five sections covering a little more than 200 pages.

Tony's Wife Adriana Trigiani. 2018-11-20 New York Times Bestseller • People's Book of the Week "A heartfelt tale of love too stubborn to surrender to human frailties. — Kirkus Reviews Set in the lush Big Band era of the 1940s, this spellbinding saga from beloved New York Times bestselling author Adriana Trigiani tells the story of two talented working class kids who marry and become a successful singing act, until time, temptation, and the responsibilities of home and family derail their dreams. Shortly before World War II, Chi Chi Donatelli and Saverio Armandonada meet one summer on the Jersey shore and fall in love. Both are talented, and dream of becoming singers for the legendary orchestras of the time: Glenn Miller, Tommy Dorsey, Benny Goodman. They're soon married, and it isn't long before Chiara and Tony find that their careers are on the way up as they navigate the glamorous worlds of night clubs, radio, and television. All goes well until it becomes clear that they must make a choice: Which of them will put their ambitions aside to raise a family and which will pursue a career? And how will they cope with the impact that decision has on their lives and their marriage? From the Jersey shore to Las Vegas to Hollywood, and the dance halls in between, this story is vivid with historical color and steeped in the popular music that serves as its score. *Tony's Wife* is a magnificent epic of life in a traditional Italian family undergoing seismic change in a fast paced, modern world. Filled with vivid, funny, and unforgettable characters, this richly human story showcases Adriana Trigiani's gifts as a storyteller and her deep understanding of family, love, and the pursuit of a dream.

Talking to Strangers Malcolm Gladwell. 2019-09-10 Malcolm Gladwell, host of the podcast *Revisionist History* and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: *The Financial Times*, *Bloomberg*, *Chicago Tribune*, and *Detroit Free Press* How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? *Talking to Strangers* is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with

the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

Life Unstyled Emily Henson. 2021-04-13 We are bombarded by perfect interiors, images that aren't attainable because they have been styled to the point where they bear no resemblance to reality. These interiors may be stunning, but they aren't an honest reflection of how we really live. *Life Unstyled* is about taking inspiration from real homes that are beautiful, creative and inspiring but at the same time a little rough around the edges, with signs of everyday life evident throughout. The first section, 'Homes Unstyled', sets out Emily's manifesto for creating a stylish home that is beautiful but lived in. *A Home is Never Done* advocates allowing your space to evolve gradually so it is an ever-changing expression of your tastes and interests. *Work with What You've Got* suggests ways to make the most of the home you have rather than yearning for unattainable perfection. *Signs of Life* offers ideas for wrangling papers, clutter and other stuff. *Creative Clutter* tackles collections and displays, while *Break the Rules* rejects style diktats and shows how individuality can bring a home to life. The second section, 'People Live Here', visits real-life homes that are definitely not perfect yet display incredible style and creativity and reflect their owners' needs, tastes and style. And throughout the book, quick fixes, DIY makes and 'Every Home Should Have...' boxes offer creative solutions with unique results.

Form, Fit, Fashion Jay Calderin. 2009-12-01 An indispensable primer for students and first-stop reference for professionals, *Form, Fit, and Fashion* guides the fashion designer through the entire design process, from conceiving a garment to marketing it. This handbook collects the information and ideas essential to planning and executing fashion projects of every scale and distills them in an easy-to-use format that is compact enough to slip into a tote. Linking six central phases in the cycle of fashion—research, editing, design, construction, connection, and evolution—*Form, Fit, and Fashion* will help designers to develop effective strategies for building a cohesive collection and communicating their vision.

Playing with Sketches Whitney Sherman. 2013-12-01 *DIV* Drawing is the backbone of art and design; with all of the tantalizing wonders of the digital world, the best designers, illustrators and artists know that it's good to step back occasionally and hit the refresh button on your hand and mind. *Playing with Sketches* is a hands-on, fun approach to exploring drawing principles. Beginning with an introduction to the philosophy of learning through the process of play, this book brings you through a series of basic warm-up exercises that can be combined with later projects. Then you'll move quickly on to more challenging and engaging exercises, including word games, dimensional shapes, and inventive sketchbooks and letterforms, eventually creating a "toolkit" of ideas and skills developed through the process of play. This book features creative, adaptable ideas, and numerous examples of designers and artists responses to each exercise, giving you a peek into their way of thinking and seeing. *DIV* With over 25 contributors, from high-profile designers, illustrators and artists to talented graduate students, you see work that will walk you step-by-step through a process or inspire by example. The book provides meaningful outcomes for your practice, including building an image archive, being exposed to new ways to use media and tools, inspiring you to break the rules, to collaborate, and much more!

The Second Machine Age: Work, Progress, and Prosperity in a Time of Brilliant Technologies Erik Brynjolfsson, Andrew McAfee. 2014-01-20 A pair of technology experts describe how humans will have to keep pace with machines in order to become prosperous in the future and identify strategies and policies for business and individuals to use to combine digital processing power with human ingenuity.

The House of Love Adriana Trigiani. 2021-12-28 New York Times bestselling adult novelist Adriana Trigiani and beloved illustrator Amy June Bates team up for a heartwarming picture book about a how a family comes together to celebrate Valentine's Day. *Mia Valentina Amore* loves valentines. After all, her name means My Valentine. When she wakes up on Valentine's Day, it looks like just

another morning in the rickety old Amore house in the Blue Ridge mountains of Appalachia. But over the course of the day, her home is transformed into the House of Love. Mia and her mama festoon the halls, build a gumdrop tree, bake cupcakes, and most importantly, make valentines for all six of her siblings. But when Mia doesn't receive her own valentine, she wonders if Mama could have forgotten her. New York Times bestselling novelist and filmmaker Adriana Trigiani has crafted a tender mother-daughter story that celebrates Valentine's Day or any day that brings family together. And acclaimed illustrator Amy June Bates brings warmth and coziness to a story that affirms it doesn't matter where you come from as long as that place is full of love.
