*If Chins Could Kill* Bruce Campbell.2015-10-01 If Chins Could Kill: Confessions of a B Movie Actor Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. *If Chins Could Kill: Confessions of a B Movie Actor* documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized Chins. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one sequel that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

[The Need for Creeds Today](#) J. V. Fesko.2020-11-03 This brief, accessible invitation to the historic creeds and confessions makes a biblical and historical case for their necessity and shows why they are essential for Christian faith and practice today. J. V. Fesko, a leading Reformed theologian with a broad readership in the academy and the church, demonstrates that creeds are not just any human documents but biblically commended resources for the well-being of the church, as long as they remain subordinate to biblical authority. He also explains how the current skepticism and even hostility toward creeds and confessions came about.

Everything they knew about Noelle—her calling as a midwife, her passion for causes, her love for her friends and family—described a woman who embraced life. Yet there was so much they didn't know. With the discovery of the letter and its heartbreaking secret, Noelle's friends begin to uncover the truth about this complex woman who touched each of their lives—and the life of a desperate stranger—with love and betrayal, compassion and deceit. **Confessions of a Young Man** George Moore.2021-11-16 *Confessions of a Young Man* (1888) is a memoir by George Moore. Originally written in French, it is a record of his life in Paris as a young man with money and dreams to spare. Controversial for its depictions of bohemianism and pointed critique of Victorian morality, *Confessions of a Young Man* has been recognized as an invaluable portrait of nineteenth century Paris and the geniuses who struggled to reshape art in their image. Degas. Renoir. Monet. Zola. Their names are now immortal, instant reminders of their influence on the

visual and literary arts. In the 1870s, however, and throughout their lifetimes, they were artists struggling to hone their craft and gain recognition for their work. Into their world came the young George Moore, an Irishman who thought he was a painter and would eventually make his own name as a pioneering modernist writer. In *Confessions of a Young Man*, he offers his experience and impressions of bohemian life in Paris, a place where the temptations of flesh, drugs, and alcohol led many a young artist astray. In this murky world, he will draw inspiration for his groundbreaking stories and novels in the realist style. With a beautifully designed cover and professionally typeset manuscript, this edition of George Moore's *Confessions of a Young Man* is a classic of Irish literature reimagined for modern readers.

**Confessions of a Hungry Woman** Sam Woulidge. 2013-04-01 *Confessions of a Hungry Woman* began as a monthly column for Woolworths' Taste magazine, and gradually grew into what Sam Woulidge describes as a 'love letter', to food and foreign places, but ultimately to South Africa. After four years of travelling the world, sampling every delicacy the globe could offer, the tastes of home drew Sam and her husband back to Cape Town. But returning home meant domesticity and culinary challenges, and, by her own admission, Sam had always been wary of both: 'I don't want to work too hard in the kitchen and I would really rather share a glass of wine with my guests than worry over fussy, higher-grade-science-required recipes.' And so she asked some friends to share their fail-proof recipes with her, recipes with the guarantee that if she could make them, anybody could. *Confessions of a Hungry Woman* is a cookbook of two parts. Firstly, it is a compilation of 45 columns previously published in Taste, in which Sam takes the reader on a personal journey as she discovers the exotic flavours of foreign places, reminisces about the carefree tastes of childhood and recreates the nostalgic aromas of home. Secondly, it is a celebration of 14 of Sam's foodie friends. Each was charged with producing a menu for 6 people featuring relatively effortless, but nonetheless impressive, dishes. Contributors include Adi Badenhorst, Cara Brink, Mariana Esterhuizen, Ruben Riffel, Giorgio Nava, Callie Maritz and Mari-Louis Guy, and Karen Dudley.
