On Holy Scripture and Criticism Herbert Edward Ryle.1904

*Sermons and Addresses* Marc Saperstein.2023-04-28 When a respected scholar with a career at three major American universities moves to a position as principal of an important institution in UK, there is likely to be considerable interest in what he has to say not only to his students, but to many others as well. The two most important formats for such communication were the sermon and the academic lecture. Historically, the sermon has been an extremely important form of communication, first as verbal communication to a specific group of listeners, and then as a written text made available to many more readers. Marc Saperstein was a member of Beth Shalom Reform Congregation in Cambridge, where religious services were directed and sermons delivered not by the rabbi of the synagogue - which never had a rabbi - but by members of the congregation. During the five years from 2006-2011, Marc Saperstein delivered 29 sermons in Beth Shalom. He also was asked to deliver sermons at 15 other congregations. The texts of these sermons are now accessible in the book.

*The Religion of the Englishman* H. F. B. Mackay.2018-01-21 Excerpt from *The Religion of the Englishman: A Series of Six Addresses Delivered at All Saints', Margaret Street* IT will be obvious to any one who reads them that I did not mean to publish these sermons. But they were not addressed to the Sunday morning congregation at All Saints', Margaret Street they were addressed through that congregation to a larger public, and it has therefore seemed best to accept the suggestion that they should be printed. Laymen have often described to me the conversations about religion which flourish in the absence of a clergyman, and the thought occurred to me that I should like to throw a series of Sunday morning addresses into the form of a contribution to such a conversation. This conversation is prefaced in the two first addresses by some general remarks on the religious and moral condition of English society. Complaints continue to reach me Of the state of paganism in which little boys are sent to their public schools from professedly Christian homes. Last week a public school master told me that he can discover no knowledge among his boys as to the meaning of the sequence Of the Church seasons, and that he had come across three lately who could tell him nothing at all about Judas Iscariot. It is plain that very many English parents are failing to teach Christianity to their children. These addresses attempt to suggest some of the reasons. **The Hardest Sermons You'll Ever Have to Preach** Zondervan.2011-08-23 Cancer. Suicide. The death of a child. As much as we wish we could avoid tragedies like these, eventually they will strike your church community. When they do, pastors must be ready to offer help by communicating the life-changing message of the gospel in a way that offers hope, truth, and encouragement during these difficult circumstances. Those asked to preach in the midst of tragedy know the anxiety of trying to say appropriate things from God's Word that will comfort and strengthen God's people when emotions and faith are stretched thin. This indispensable resource helps pastors prepare sermons in the face of tragedies by providing suggestions for how to approach different kinds of tragedy, as well as insight into how to handle the theological challenges of human suffering. Each topic provides a specific description of the context of the tragedy, the key concerns that need to be addressed in the message, and an outline of the approach taken in the sample sermon that follows. Topics addressed include: abortion; abuse; responding to national and community tragedies; the death of a child; death due to cancer and prolonged sickness; death due to drunk driving; drug abuse; and suicide. Bryan Chapell, author of *Christ-Centered Preaching*, has gathered together messages from some of today's most trusted Christian leaders including: John Piper, Tim Keller, Michael Horton, Jack Collins, Dan Doriani, Jerram Barrs, Mike Khandjian, Robert Rayburn, Wilson Benton, Bob Flayhart, and George Robertson. Each chapter provides you with the resources you need to communicate the life-giving hope of the gospel in the midst of tragedy. In addition, the appendices provide further suggestions of biblical texts for addressing various subjects as well as guidance for conducting funerals.

**Preach Better Sermons** Shane Stone, Ph.D..2018-12-18 The objective of this book is to address the following premises: Premise number one: The purpose and aim of Christian preaching/teaching is to produce spiritually faithful, biblically capable, and productively active disciples of Jesus Christ. Premise number two: Conventional preaching/teaching philosophies and methods are not achieving the desired effects in far too many cases. This is evidenced by the numbers of lukewarm churches and spiritually broad-but-not-deep Christians. Premise number three: A paradigm shift in how sermons and Bible lessons should be prepared and communicated will help alleviate the problem and is long overdue. This book addresses the shortcomings of modern Christian preaching, envisions the strongest and deepest approaches to biblical teaching and learning, and lays out specific steps to get churches' classrooms and pulpit ministries from where they are to where they need to be.

**Missions in State and Church** Peter Taylor Forsyth.2015-07-11 Excerpt from Missions in State and Church: Sermons and Addresses Certain Greeks wished to see Jesus, and they applied for help to the Greek-named apostles. There does not seem to have been an interview in their mind. They were proselytes to Judaism on a pilgrimage to Jerusalem. Jesus had just made His royal entry, and He was the talk of the town. They would not miss one of the great sights of their journey. Visit Jerusalem as proselytes, and not see the last sensation, the possible Messiah! As soon would an English pervert go to Rome, and not see the Pope. When Jesus was told, it produced a singular effect upon Him. **António Vieira** .2018-03-01 This volume is the first English translation and annotation of the sermons of António Vieira, a major cultural figure in the Portuguese-speaking world. Born in Lisbon in 1608, Vieira was a Jesuit who lived and worked in both Europe and Brazil in the service of the church and the Portuguese crown. His sermons are among the most renowned pieces of baroque oratory in the Portuguese language. These carefully selected sermons offer insight into Vieira's visionary thought on social and spiritual matters. In the Sermon for the Success of Portuguese Arms against the Dutch, Vieira inveighs against God for His apparent abandonment of the Portuguese and begs for divine intervention. His Sermon of St. Anthony is an allegory that addresses the inequities that he witnessed in Brazil. The Sexagesima Sermon parodies literary clichés from his time while prescribing a more effective, if harsher, style of preaching. The Sermon of the Good Thief is a rebuke to the imperial officials who used their positions for personal enrichment, and a warning to kings against complicity with corruption. Vieira's Sermon XXVII addresses African slaves and their Brazilian masters, attempting to comfort the first group in their trials and to admonish the second for their brutality. Finally, the Sermon called Arm tells the story of the relic of Francis Xavier's arm sent from India to Italy in 1614, and pays tribute to the obedience of Vieira's Jesuit predecessor.

**Six Sermons** António Vieira.2018 António Vieira was a Jesuit born in Lisbon in 1608 who lived and worked in both Europe and Brazil in the service of the church and the Portuguese crown. His sermons are among the most renowned pieces of baroque oratory in the Portuguese language. This volume translates six of them into English, fully annotated, for the first time. Viera was an outspoken critic of both religious and political practices and institutions. He defended the Brazilian Indians from the abuses of colonists, the New Christians from the persecution of the Inquisition, and the poor and vulnerable in general from the oppression of the powerful. He was both a man of words and a man of action, a prolific writer and a tireless diplomat.
