The Secret of Leadership Prakash Iyer.2013-05-15 Bestselling author Prakash Iyer uses simple but powerful anecdotes and parables from all over the world to demonstrate what makes for effective personal and professional leadership. Iyer draws lessons from sources as diverse as his driver, a mother giraffe, Abraham Lincoln and footballers in the United Kingdom. He shows how an instinct to lead can be acquired even while flipping burgers at a fast-food chain. All of these stories come together in an explosive cocktail to unleash your inner leader.

Shyam Devdutt Pattanaik.2018-07-01 In the forest of insecurities, is it possible to discover humanity through pleasure? Can we stop seeing each other as predator, prey, rival or mate, and rediscover ourselves as lovers? Does the divine reside in sensual delight, in emotional intimacy and in aesthetic experience? Yes, yes, yes. That is the promise of the Bhagavata. The Bhagavata is the story of Krishna, known as Shyam to those who find beauty, wisdom and love in his dark complexion. It is the third great Hindu epic after the Mahabharata and the Ramayana. However, this narration was composed in fragments over thousands of years, first as the Harivamsa, then as the Bhagavata Purana, and finally as the passionate songs of poet-sages in various regional languages. This book seamlessly weaves the story from Krishna's birth to his death, or rather from his descent to the butter-smear world of happy women to his ascent from the blood-soaked world of angry men.

**As You Think** James Allen.2010-09-24 In 1904, a relatively unknown Englishman named James Allen wrote a little book called As a Man Thinketh. The book has become one of the world's greatest self-help books — "self-empowerment" is a better term — for it not only reveals to us that the keys to success are within our own minds, it shows us how to use these keys to unlock the greatest fulfillment we can imagine. In this revised edition, author and publisher Marc Allen updates this classic, changing language that has become dated or obsolete, and honing the clarity of the message. He makes As You Think gender inclusive, showing how these principles are truly universal and apply to everyone, regardless of sex, age, race, beliefs, social class, or education. As You Think is a simple yet powerful reminder that "all we achieve and all that we fail to achieve is the direct result of our own thoughts." We are the masters of our destinies.

**Blueprint for Success** Ken Blanchard,Stephen R. Covey.2008-10 When we see the word blueprint we usually think of a technical drawing or other image rendered as white lines on a blue background produced by an architect. A blueprint is a detailed plan of action and everyone should develop a blueprint in order to plan for success in life. The men and women in this book have, in interesting and innovative ways, developed their own blueprints that paved the way for their success.

**How To Sell Your Way Through Life** Napoleon Hill.2009-12-15 TIMELESS WISDOM from the ORIGINAL PHILOSOPHER of PERSONAL SUCCESS No matter who you are or what you do, you are a salesperson. Every time you speak to someone, share an opinion or explain an idea, you are selling your most powerful asset . . . you! In How to Sell Your Way Through Life, Napoleon Hill shares valuable lessons and proven techniques to help you become a true master of sales. —Sharon Lechter, Coauthor of Think and Grow Rich: Three Feet from Gold; Member of the President's Advisory Council on Financial Literacy These proven, time-tested principles may forever change your life. —Greg S. Reid, Coauthor of Think and Grow Rich: Three Feet from Gold; Author of The Millionaire Mentor Napoleon Hill's Think and Grow Rich and Laws of Success are timeless classics that have improved the lives of millions of people, including my own. Now, we all get the chance to savor more of his profound wisdom in How to Sell Your Way Through Life. It is a collection of simple truths that will forever change the way you see yourself. —Bill Bartmann, Billionaire Business Coach and Bestselling Author of Bailout Riches (www.billbartman.com) Napoleon Hill, author of the mega-bestseller Think and Grow Rich, pioneered the idea that successful individuals share certain qualities, and that examining and emulating these qualities can guide you to extraordinary achievements. Written in the depths of the Great Depression, How to Sell Your Way Through Life explores a crucial component of Achievement: your ability to make the sale. Ringing eerily true in today's uncertain times, Hill's work takes a practical look at how, regardless of our occupation, we must all be salespeople at key points in our lives. Hill breaks down concrete instances of how the Master Salesman seizes advantages and opportunities, giving you tools you can use to effectively sell yourself and your ideas. Featuring a new Foreword from leadership legend Ken Blanchard, this book is a classic that gives you one beautifully simple principle and the proven tools to make it work for you.

**7 Secrets of Persuasion** James C. Crimmins.2016-09-19 Jim Crimmins explains what really drives human behavior. For anyone who hopes to influence what people do or what they buy, Jim's book is required reading. —Keith Reinhard, chairman emeritus of DDB Worldwide and a member of the Advertising Hall of Fame 7 Secrets of Persuasion is the first book to take the latest scientific insights about the mind and apply them to the art of persuasion. It directly translates the revolution in neuroscience that has occurred over the last 40 years into practical new techniques for effective persuasion. Whether your goal is to persuade one person--a husband, child, or boss--or the millions who might purchase an Apple Watch or a Budweiser, 7 Secrets of Persuasion will show you how to: Unearth the motivation that actually changes a behavior like smoking, voting, or buying, even though people don't know why they do what they do. Tap into the mental process that gives religious symbols, political symbols, and commercial logos their power. Make a promise that is delayed, uncertain, and rational more compelling by making it immediate, certain, and emotional. Transform your candidate, service, or product into the one people want by utilizing what psychologists call the fundamental attribution error.

*The Art of People* Dave Kerpen.2016-03-15 What does it take to win success and influence? Some people think that in today's hyper-competitive world, it's the tough, take-no-prisoners type who comes out on top. But in reality, argues New York Times bestselling author Dave Kerpen, it's actually those with the best people skills who win the day. Those who build the right relationships. Those who truly understand and connect with their colleagues, their customers, their partners. Those who can teach, lead, and inspire. In a world where we are constantly connected, and social media has become the primary way we communicate, the key to getting ahead is being the person others like, respect, and trust. Because no matter who you are or what profession you're in, success is contingent less on what you can do for yourself, but on what other people are willing to do for you. Here, through 53 bite-sized, easy-to-execute, and often counterintuitive tips, you'll learn to master the 11 People Skills that will get you more of what you want at work, at home, and in life. For example, you'll learn: · The single most important question you can ever ask to win attention in a meeting · The one simple key to networking that nobody talks about · How to remain top of mind for thousands of people, everyday · Why it usually pays to be the one to give the bad news · How to blow off the right people · And why, when in doubt, buy him a Bonsai A book best described as "How to Win Friends and Influence People for today's world," *The Art of People* shows how to charm and win over anyone to be more successful at work and outside of it.

**YOU CAN WIN** Shiv Khera.2014-04-03 An easy-to-read, practical, common-sense guide that will take you from ancient wisdom to modern-day thinking, *You Can Win* helps you establish new goals, develop a new sense of purpose, and generate new ideas about yourself and your future. It guarantees, as the title suggests, a lifetime of success. The book enables you to translate positive thinking into attitude, ambition and action to give you the winning edge.

**Myths and Fictions** Biderman,Scharfstein.2021-11-22 *Myths and Fictions* — the third in a series of books on comparative philosophy and religion — is a collection of original essays, none previously published, on the theory and the actuality of myths and fictions in the different cultures of the world. Through all the essays there runs the question of the relation of literal truth to truth conceived in other ways or dimensions. Taken as a whole, the book makes a serious attempt to get beyond the confines of any single culture and enter into the mythical imagination of the ancient Hindus, Chinese, Hebrews and Christians, and by this act of imagination to escape (in Italo Calvino's words) the limited perspective of the individual ego, not only to enter into selves like our own but to give speech to that which has no language...

*You Can Win* Shiv Khera.2011-01-01 This book will help individuals to: have confidence by mastering the seven steps to positive thinking; be successful by turning weakness into strengths; gain credibility by doing the right thing for the right reason; take charge by controlling things instead of letting them control you; build trust by developing mutual respect with the people around you; accomplish more by removing the barriers to effectiveness.

**You Can Achieve More** Shiv Khera.2018-08-23 While it is often said that a person with a negative attitude cannot be helped, it is also true that a person with a positive attitude cannot be stopped. Life is an obstacle course in which we can often become our own biggest obstacle, but a positive attitude can be transformational. In one sense, this book is a road map for a life journey in achieving more. It offers direction and can help you make positive decisions in a noisy and cluttered environment. Success is neither a miracle nor a mystery. It is the natural outcome of consistently applying certain principles on an ongoing basis. Success does not depend upon special skills, formal education or superior intelligence. Success is a matter of understanding and acting upon principles that have been in existence for centuries. These principles may be simple in themselves but none of them will work unless they are put into firm and decisive action. This book effectively teaches not only the principles of success but also how to avoid expensive and demoralising mistakes. The principles themselves are universal, cutting across country, culture and religion. Diligently practising them will help you develop confidence and allow your life to become more meaningful and rewarding. Applying these principles may require a lot of self-discipline and commitment but, once learned and applied, the results can be rewarding and gratifying. If you want to be successful and happy, then become a student and study the life of successful people in depth; if you want to become wealthy, then study the principles of acquiring wealth. Learning to make a living and learning to live are two different things. This book helps you design a more meaningful life, by making positive choices and avoiding the most common pitfalls. Acquiring facts is knowledge; interpreting facts is understanding; and the proper application of facts is wisdom. This book by Shiv Khera is designed to help you create an action plan to optimize your potential - in other words, to achieve more.

**Leadership Wisdom From The Monk Who Sold His Ferrari** Robin Sharma.2011-05-10 In the groundbreaking national bestseller *The Monk Who Sold His Ferrari*, internationally respected author and speaker Robin S. Sharma showed us a powerful way to dramatically improve the quality of our personal and professional lives based on timeless success principles from both the East and the West. In doing so, he helped many thousands and sparked a phenomenon. Now, in *Leadership Wisdom*, his much-awaited follow-up, Sharma has a new mission: to help you become the kind of visionary leader you deserve to be and transform your business into an organization that thrives in this age of dizzying change. With deep insight and compelling examples, this truly innovative thinker shares an ageless yet eminently practical blueprint for effective leadership that is certain to manifest the highest human gifts of the people you lead and unlock loyalty, commitment and creativity in the process. Written as an easy to read and highly entertaining fable, *Leadership Wisdom* is the powerful story of Julian Mantle, a hard-driving corporate player who, after suffering a massive heart attack one Monday morning, decides to embark on an odyssey to the Himalayas in search of the great truths for effective leadership in business and in life. In a tale that will change the way you think about leadership forever, Julian discovers eight timeless rituals practiced by every truly visionary leader, eight rituals that you, as a leader seeking to excel in these information-crazed times, can easily use to energize your team and elevate your entire organization to world-class levels of productivity, performance and passion. *Leadership Wisdom* is a unique treasure of a book that will awaken the fullness of your leadership potential, transform your company and deeply enrich the quality of your professional as well as your personal life.

*18 Minutes* Peter Bregman.2011-09-28 Based upon his weekly Harvard Business Review columns (which is one of the most popular columns on HBR.com, receiving hundreds of thousands of unique page views a month), *18 MINUTES* clearly shows how busy people can cut through all the daily clutter and distractions and find a way to focus on those key items which are truly the top priorities in our lives. Bregman works from the premise that the best way to combat constant and distracting interruptions is to create productive distractions of one's own. Based upon a series of short bite-sized chapters, his approach allows us to safely navigate through the constant chatter of emails, text messages, phone calls, and endless meetings that prevent us from focusing our time on those things that are truly important to us. Mixing first-person insights along with unique case studies, Bregman sprinkles his charming book with pathways which help guide us -- pathways that can get us on the right trail in 18 minutes or less.

**Procrastinate on Purpose** Rory Vaden.2015 You've tried managing your time. You've tried prioritizing your time. Now discover how to multiply it. Do you feel like you're busier than ever - yet never caught up? You're not alone. Many of us are tired, frustrated, and stressed from being overworked at the office and at home, with no concrete plan for getting it all under control without compromising our well-being. In *Procrastinate on Purpose*, self-discipline strategist Rory Vaden presents a different approach for how to identify and focus on what's important. Instead of one more calendar, checklist, or gadget, he points out that what we really need is an understanding of the emotional reasons we fail to maximize our time - and he then reveals the five 'permissions' we can grant ourselves in order to get better results while creating more margin in our daily lives. In this paradigm-shifting book, you will discover how to- Identify your most significant priorities, in business and in life Create more time to do the things you love without sacrificing results Say no to the things that don't matter, and yes to the things that do Implement systems that give you more time tomorrow than you have today Gain control and inner peace by adopting the 'multiplier mindset' Informed by Southwestern Consulting's work with thousands

of busy clients, and interspersed with Vaden's case studies that reveal the 'multiplier mindset' at work, this insightful, practical book will turn everything you thought you knew about time upside-down-and it will change the way you work and live. From the New York Times bestselling author of *Take the Stairs- A bold new way to get things done.* 'Managing your time is a lot like managing your money. It's not about the numbers; it's about your behavior. The best time-management tricks in the world won't do you much good if they don't actually make your life better. In *Procrastinate on Purpose*, Rory builds on what we've all heard about time management and adds the two things that have always been missing- emotion and significance.' Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host 'If you've ever thought, 'I wish I had more time,' read the great principles of this book. And then I dare you to do what Rory does- live them.' Jon Acuff, New York Times bestselling author of *Start and Quitter* 'Procrastinate on Purpose will alter the way the professional world thinks about time - I've never read anything like it. Useful, unique, and relevant . . . this is an absolute must-read for every leader.' Sue Schick, CEO of UnitedHealthcare of Pennsylvania and Delaware 'This book is a game-changer.' Jon Gordon, bestselling author of *The Energy Bus* and *The Carpenter* 'Every once in a while a book comes along that completely shifts the way an entire generation thinks about a specific topic. When it comes to time management and productivity, *Procrastinate on Purpose* may be the one!' Andy Andrews, New York Times bestselling author of *The Traveler's Gift* and *The Noticer*

*The Night Rainbow* Claire King. 2013-04-09 It is summer in the south of France, and Pea and her little sister Margot spend their days running free, inventing games in the meadow behind their house. But Pea has worries beyond her five and a half years. Her father has died in an accident, and her mother has just lost a baby. Maman is English, already isolated in this small, foreign village, and in her compounded grief, she has retreated even further. Pea and Margot stay out of her way and try to make things better, but they can't make Maman happy again. When Pea befriends Claude, a man who seems to love the meadow as she does, she wonders if he could be a new papa. But why do the other villagers view Claude with suspicion, and what secrets does his large empty house hold? Beautifully written, haunting, and full of surprises, *The Night Rainbow* is a novel about innocence and experience, grief and compassion, and the blessings and perils of imagination.

## Find You Can Win Shiv Khera In Hindi

ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and discounted fiction ebooks for people to download and enjoy. After more than 30 years \$domain continues as a popular, proven, low-cost, effective marketing and exhibit service for publishers large and small. \$domain book service remains focused on its original stated objective - to take the experience of many years and hundreds of exhibits and put it to work for publishers. Bootastik's free Kindle books have links to where you can download them, like on Amazon, iTunes, Barnes & Noble, etc., as well as a full description of the book. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books. Free ebooks for download are hard to find unless you know the right websites. This article lists the seven best sites that offer completely free ebooks. If you're not sure what this is all about, read our introduction to ebooks first. Looking for a new way to enjoy your ebooks? Take a look at our guide to the best free ebook readers. Free-eBooks download is the internet's #1 source for free eBook downloads, eBook resources & eBook authors. Read & download eBooks for Free: anytime! The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public. The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.
