

The Crimean War 1854 1856 Essential Histories Ban

Estonia, Latvia, Lithuania, and Poland Triin Edovald, Michelle Felton, John Haywood. 2010

Florence Nightingale: The Crimean War Lynn McDonald. 2011-02-01 Florence Nightingale is famous as the “lady with the lamp” in the Crimean War, 1854—56. There is a massive amount of literature on this work, but, as editor Lynn McDonald shows, it is often erroneous, and films and press reporting on it have been even less accurate. The Crimean War reports on Nightingale’s correspondence from the war hospitals and on the staggering amount of work she did post-war to ensure that the appalling death rate from disease (higher than that from bullets) did not recur. This volume contains much on Nightingale’s efforts to achieve real reforms. Her well-known, and relatively “sanitized”, evidence to the royal commission on the war is compared with her confidential, much franker, and very thorough Notes on the Health of the British Army, where the full horrors of disease and neglect are laid out, with the names of those responsible.

Russian-Soviet Unconventional Wars in the Caucasus, Central Asia, and Afghanistan [Illustrated Edition] Dr. Robert F. Baumann. 2015-11-06 [Includes 12 maps and 4 tables] In recent years, the U.S. Army has paid increasing attention to the conduct of unconventional warfare. However, the base of historical experience available for study has been largely American and overwhelmingly Western. In *Russian-Soviet Unconventional Wars in the Caucasus, Central Asia, and Afghanistan*, Dr.

Robert F. Baumann makes a significant contribution to the expansion of that base with a well-researched analysis of four important episodes from the Russian-Soviet experience with unconventional wars. Primarily employing Russian sources, including important archival documents only recently declassified and made available to Western scholars, Dr. Baumann provides an insightful look at the Russian conquest of the Caucasian mountaineers (1801-59), the subjugation of Central Asia (1839-81), the reconquest of Central Asia by the Red Army (1918-33), and the Soviet war in Afghanistan (1979-89). The history of these wars—especially as it relates to the battle tactics, force structure, and strategy employed in them—offers important new perspectives on elements of continuity and change in combat over two centuries. This is the first study to provide an in-depth examination of the evolution of the Russian and Soviet unconventional experience on the predominantly Muslim southern periphery of the former empire. There, the Russians encountered fierce resistance by peoples whose cultures and views of war differed sharply from their own. Consequently, this Leavenworth Paper addresses not only issues germane to combat but to a wide spectrum of civic and propaganda operations as well.

Lancaster Against York Trevor Royle.2008-07-22 In this sweeping history, Trevor Royle details one of the bloodiest episodes in British history. The prize was the crown of England, and the players were the rival houses of Lancaster and York. The dynastic quarrel threatened the collapse of the monarchy as a succession of weak rulers failed to deal with an overzealous aristocracy, plunging England into a series of violent encounters. The bloody battles and political intrigue between the rival heirs of King Edward III brought forth one of the most dynamic ruling families of England--the Tudors.

Crimean War John Sweetman.2014-01-27 The bitter war between Russia and Turkey, aided by Britain and France, was the setting for the stuff of legends. This book details the gallant yet suicidal Charge of the Light Brigade, now immortalized in film; in the words of Tennyson, 'Into the Valley of Death rode the Six Hundred.' It relates the reports made by the first real war correspondent, William Russell of the London Times--reports that served only to highlight the army's problems. It also memorializes the heroic deeds of Florence Nightingale, who struggled to save young men from the cholera epidemic that became the most formidable enemy in the Crimean War.

The Franco-Prussian War 1870-1871 Stephen Badsey.2014-06-06 The Franco-Prussian War broke out in 1870 when Bismarck engineered a war with the French Second Empire under Napoleon III. This was part of his wider political strategy of uniting Prussia with the southern German states, excluding Austria. The war was an overwhelming Prussian victory, and King Wilhelm I was proclaimed Emperor of the new united Germany. The Second Empire collapsed and Napoleon III became an exile in Britain. In the peace settlement with the French Third Republic in 1871 Germany gained the eastern French provinces of Alsace and Lorraine, areas that were to provide a bone of contention for years to come.

One Thousand Mustaches Allan Peterkin.2012-09-18 The 'stache is back! After decades of being much maligned in Western culture, the mustache is enjoying a cultural renaissance, thanks to the annual phenomenon of Movember (the international campaign in which men grow facial hair during the month of November to raise funds for prostate cancer research; in 2011, 1.8 million men in fourteen countries participated), and the retro/modern mo's sported by the likes of Ryan Gosling, Ashton Kutcher, and James Franco. Shaving companies are offering new-fangled mustache

groomers, and even Dr Seuss's mustachioed The Lorax has made a comeback. One Thousand Mustaches is both a lighthearted cultural history and an earnest style manual: it's the story of the 'stache through the ages and its manifestations in politics, war, movies, music, sports, and art, as well as information on various 'stache styles and how to grow and wear them with pride. The book also includes numerous photos and drawings throughout. Contemplating a handlebar or considering a Fu Manchu? Find them and more styles here in One Thousand Mustaches: a book for those with mo's, and those who love 'em. Allan Peterkin is the author of One Thousand Beards and co-author of The Bearded Gentleman.

Providing for the Casualties of War Bernard D. Rostker.2013-04-29 War has always been a dangerous business, bringing injury, wounds, and death, and--until recently--often disease. What has changed over time, most dramatically in the last 150 or so years, is the care these casualties receive and who provides it. This book looks at the history of how humanity has cared for its war casualties and veterans, from ancient times through the aftermath of World War II.

Cracking the AP European History, 2002-2003 Edition Kenneth Pearl,Princeton Review (Firm).2002-01-29 The Princeton Review realizes that acing the AP European History exam is very different from getting straight As in school. The Princeton Review doesn't try to teach students everything there is to know about European history--only the techniques they'll need to score higher on the exam. There's a big difference. In *Cracking the AP European History*, TPR will teach test takers how to think like the test makers and - Eliminate answer choices that look right but are planted to fool test takers - Score higher on the multiple-choice section by using the chronological arrangement of questions as clues - Crack the document-based question by knowing the right way to organize the essay - Earn more points by reviewing the European history most likely to be tested

This book includes 2 full-length, simulated AP European History exams. All of The Princeton Review practice test questions are like the ones test takers will see on the actual exam, and every solution is fully explained.

The Crimean War John Sweetman.2001 This bitter war between Russia and Turkey, aided by Britain and France, was the setting for the stuff of legends. This book details the gallant yet suicidal Charge of the Light Brigade, now immortalised in film: in the words of Tennyson, 'Into the Valley of Death rode the Six Hundred'. It relates the reports made by the first real war correspondent, William Russell of the London Times - reports which served only to highlight the army's problems - and memorialises the heroic deeds of Florence Nightingale, who struggled to save young men from the most formidable enemy in the Crimean War: not the Russians, but cholera.--Bloomsbury Publishing.

The Crimean War Winfried Baumgart.2020-01-09 Winfried Baumgart's masterful history of the Crimean War has been expanded and fully updated to reflect advances made in the field since the book's first publication. It convincingly argues that if the war had continued after 1856, the First World War would have taken place 60 years earlier, but that fighting ultimately ceased because diplomacy never lost its control over the use of war as an instrument in power politics. With 19 images, 13 maps and additional tables as well as a brand new chapters on 'the medical services', this expanded and fully-updated 2nd edition explores * The origins and diplomacy of the Crimean War * The war aims and general attitudes of the belligerent powers (Russia, France, and Britain), non-belligerent German powers (Austria and Prussia) and a selected number of neutral powers, including the United States * The characteristics and capabilities of the armies involved * The nature of the fighting itself The Crimean War: 1853-1856 examines the conflict in both its Europe-wide and global contexts, moving beyond the five great European powers to consider the role and importance of

smaller states and theatres of war that have otherwise been under-served. To this end, it looks at fighting on the Danube front, the Black Sea, the Baltic Sea, the Caucasian battlefield, as well as the White Sea and the Pacific, with final chapters devoted to the Paris peace congress of 1856, the end of the war and its legacy. This book remains the definitive study of one of the most important wars in modern history.

The History of Anglo-Japanese Relations, 1600-2000 I. Nish, Y. Kibata. 2000-02-16 The Political-Diplomatic Dimension, 1600-1930, consists of parallel essays by Japanese and British academic specialists covering comprehensively the history of relations between Japan and Britain from the first contacts in the seventeenth century to the present. This study, and its companion, Volume 2, demonstrates that, in the political-diplomatic sphere, while there have been periods of serious disagreement, there has been on the whole a relationship of harmony and mutual understanding.

Marine Insurance Merkin, Rob. 2021-11-30 This authoritative work forms a comprehensive examination of the legal and historical context of marine insurance, providing a detailed overview of the events and factors leading to its codification in the Marine Insurance Act 1906. It investigates the development of the legal principles and case law that underpin the Act to reveal how successful this codification truly was, and to demonstrate how these historical precedents remain relevant to marine insurance law to this day.

The Crimean War Winfried Baumgart. 2020-01-09 Winfried Baumgart's masterful history of the Crimean War has been expanded and fully updated to reflect advances made in the field since the book's first publication. It convincingly argues that if the war had continued after 1856, the First World War would have taken place 60 years earlier, but that fighting ultimately ceased because diplomacy never lost its control over the use of war as an instrument in power politics. Europe and the Islamic World John Victor Tolan, Gilles Veinstein, Henry Laurens, Jane Marie Todd. 2013 Focuses on the historical common ground that the Islamic and Western worlds share.

The Crimean War in Imperial Context, 1854-1856 Andrew Rath. 2015-08-18 The Crimean War was fought far from its namesake peninsula in Ukraine. Until now, accounts of Britain's and France's naval campaigns against Czarist Russia in the Baltic, White Sea, and Pacific have remained fragmented, minimized, or thinly-referenced. This book considers each campaign from an imperial perspective extending from South America to Finland. Ultimately, this regionally-focused approach reveals that even the smallest Anglo-French naval campaigns in the remote White Sea had significant consequences in fields ranging from medical advances to international maritime law. Considering the perspectives of neutral powers including China, Japan, and Sweden-Norway, allows Rath to examine the Crimean conflict's impact on major historical events ranging from the 'opening' of Tokugawa Japan to Russia's annexation of large swaths of Chinese territory. Complete with customized maps and an extensive reference section, this will become essential reading for a varied audience.

Cracking the AP European History, 2004-2005 Princeton Review. 2004 The fiercer the competition to get into college the more schools require that students prove themselves in other ways than SAT scores and grade point averages. The more expensive college educations become, the more students take advantage of the opportunity to test-out offirst year college courses. Includes:-2 sample tests with full explanations for all answers-The Princeton Review's proven score-raising skills and techniques-Complete subject review of all the material likely to show up on the AP European

History exam

The Crimean War Clive Ponting.2011-02-15 The Crimean War is full of resonance - not least, the Charge of the Light Brigade, the Siege of Sevastopol and Florence Nightingale at Scutari with her lamp. In this fascinating book, Clive Ponting separates the myths from the reality, and tells the true story of the heroism of the ordinary soldiers, often through eye-witness accounts of the men who fought and those who survived the terrible winter of 1854-55. To contemporaries, it was 'The Great War with Russia' - fought not only in the Black Sea and the Crimea but in the Baltic, the Arctic, the Pacific and the Caucasus. Ironically, Britain's allies were France, her traditional enemy, ably commanded (from home) by Napoleon III himself, and the Muslim Ottoman Empire, widely seen as an infidel corrupt power. It was the first of the 'modern' wars, using rifles, artillery, trench systems, steam battleships, telegraph and railways; yet the British soldiers wore their old highly coloured uniforms and took part in their last cavalry charge in Europe. There were over 650,000 casualties. Britain was unable fully to deploy her greatest strength, her Navy, while her Army was led by incompetent aristocrats. The views of ordinary soldiers about Raglan, Cardigan and Lucan make painful reading.

A Dictionary of British and Irish History Robert Peberdy, Philip Waller.2020-11-10 An authoritative and extensive resource for British and Irish history Quickly access basic information on the history of the British Isles from this reliable resource. A Dictionary of British and Irish History provides concise information covering all periods of prehistory and history for every part of the British Isles. Within this one book, you'll find summary accounts of events, biographies, definitions of terms, and far more. Using alphabetically organized headwords, readers will easily locate the content and details they seek. A Dictionary of British and Irish History not only serves as a reference tool, but

also stimulates broader learning. Entries are interrelated and cross-referenced to help you expand your knowledge of different areas of history. Discover comparable entries on England, Ireland, Scotland, and Wales See overviews of major topics and historical events Get facts instantly or browse entries Use the Dictionary as an information source or a launch point for expanding knowledge This reference book will become an essential resource for students of British and Irish history as well as for professionals, journalists, teachers, and those who use historical information in their work. Further, anyone wanting to establish the basics of the history of the British Isles will find this a valuable addition to their library.

The Crimean War Orlando Figes.2011-04-12 Please note that the maps available in the print edition do not appear in the ebook. From the great storyteller of modern Russian historians, (Financial Times) the definitive account of the forgotten war that shaped the modern age The Charge of the Light Brigade, Florence Nightingale—these are the enduring icons of the Crimean War. Less well-known is that this savage war (1853-1856) killed almost a million soldiers and countless civilians; that it enmeshed four great empires—the British, French, Turkish, and Russian—in a battle over religion as well as territory; that it fixed the fault lines between Russia and the West; that it set in motion the conflicts that would dominate the century to come. In this masterly history, Orlando Figes reconstructs the first full conflagration of modernity, a global industrialized struggle fought with unusual ferocity and incompetence. Drawing on untapped Russian and Ottoman as well as European sources, Figes vividly depicts the world at war, from the palaces of St. Petersburg to the holy sites of Jerusalem; from the young Tolstoy reporting in Sevastopol to Tsar Nicolas, haunted by dreams of religious salvation; from the ordinary soldiers and nurses on the battlefields to the women and children in towns under siege.. Original, magisterial, alive with voices of the time, *The Crimean*

War is a historical tour de force whose depiction of ethnic cleansing and the West's relations with the Muslim world resonates with contemporary overtones. At once a rigorous, original study and a sweeping, panoramic narrative, *The Crimean War* is the definitive account of the war that mapped the terrain for today's world..

A History of Civilization: 1715 to the present Crane Brinton,John B. Christopher,Robert Lee Wolff.1976

Mercenaries and War National Defense University Press,Sean McFate.2019-12-18 Mercenaries are more powerful than experts realize, a grave oversight. Those who assume they are cheap imitations of national armed forces invite disaster because for-profit warriors are a wholly different genus and species of fighter. Private military companies such as the Wagner Group are more like heavily armed multinational corporations than the Marine Corps. Their employees are recruited from different countries, and profitability is everything. Patriotism is unimportant, and sometimes a liability. Unsurprisingly, mercenaries do not fight conventionally, and traditional war strategies used against them may backfire.

Europe Since 1815 Mitchell Bennett Garrett,James Logan Godfrey.1947

History of the International Telecommunication Union (ITU) Gabriele Balbi,Andreas Fickers.2020-06-08 This book focuses on the history of the International Telecommunication Union

(ITU), from its origins in the mid-19th century to nowadays. ITU was the first international organization ever and still plays a crucial role in managing global telecommunications today. Putting together some of the most relevant scholars in the field of transnational communications, the book covers the history of ITU from 1865 to digital times in a truly global perspective, taking into account several technologies like the telegraph, the telephone, cables, wireless, radio, television, satellites, mobile phone, the internet and others. The main goal is to identify the long-term strategies of regulation and the techno-diplomatic manoeuvres taken inside ITU, from convincing the majority of the nations to establish the official seat of the Telegraph Union bureau in Switzerland in the 1860s, to contrasting the multi-stakeholder model of Internet governance (supported by US and ICANN). History of the International Telecommunication Union is a trans-disciplinary text and can be interesting for scholars and students in the fields of telecommunications, media, international organizations, transnational communication, diplomacy, political economy of communication, STS, and others. It has the ambition to become a reference point in the history of ITU and, at the same time, just the first comprehensive step towards a longer, inter-technological, political and cultural history of transnational communications to be written in the future.

Crimea: The Great Crimean War, 1854-1856 Trevor Royle.2014-12-23 Crimea: The Great Crimean War, 1854-1856 by Trevor Royle The Crimean War is one of history's most compelling subjects. It encompassed human suffering, woeful leadership and maladministration on a grand scale. It created a heroic myth out of the disastrous Charge of the Light Brigade and, in Florence Nightingale, it produced one of history's great heroes. New weapons were introduced; trench combat became a fact of daily warfare outside Sebastopol; medical innovation saved countless soldiers' lives that would otherwise have been lost. The war paved the way for the greater conflagration which broke out in

1914 and greatly prefigured the current situation in Eastern Europe.

The Crimean Tatars Brian Glyn Williams.2001-01-01 This volume provides the most up-to-date analysis of the ethnic cleansing of the Crimean Tatars, their exile in Central Asia and their struggle to return to the Crimean homeland. It also traces the formation of this diaspora nation from Mongol times to the collapse of the Soviet Union. A theme which emerges through the work is the gradual construction of the Crimea as a national homeland by its indigenous Tatar population. It ends with a discussion of the post-Soviet repatriation of the Crimean Tatars to their Russified homeland and the social, emotional and identity problems involved.

Biography Charles Knight.1872

The English cyclopædia, conducted by C. Knight. Biography English cyclopaedia.1872

Engines for empire Edward Spiers.2017-03-01 *Engines for Empire* examines the use of the railway by the British army from the 1830s to 1914, a period of domestic political strife and unprecedented imperial expansion. The book uses a wide array of sources and images to demonstrate how the Victorian army embraced this new technology, how it monitored foreign wars, and how it came to use the railway in both support and operational roles. The British army's innovation is also revealed, through its design and use of armoured trains, the restructuring of hospital trains, and in its capacity to build and repair railway track, bridges, and signals under field conditions. This volume provides insights on the role of railways in imperial development, as a focus of social interaction between adversaries, and as a means of projecting imperial power. It will make fascinating reading for students, academics and enthusiasts in military and imperial history, Victorian studies, railway history and colonial warfare.

The Crimean War 1854 1856 Essential Histories Ban Introduction

In today's digital age, the availability of The Crimean War 1854 1856 Essential Histories Ban books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Crimean War 1854 1856 Essential Histories Ban books and manuals for download, along with some popular platforms that offer these resources. One of the significant

advantages of The Crimean War 1854 1856 Essential Histories Ban books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Crimean War 1854 1856 Essential Histories Ban versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Crimean War 1854 1856 Essential Histories Ban books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring

knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Crimean War 1854 1856 Essential Histories Ban books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Crimean War

1854 1856 Essential Histories Ban books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, The Crimean War 1854 1856 Essential Histories Ban books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Crimean War 1854 1856 Essential Histories Ban books and manuals for download and embark on your journey of knowledge?

FAQs About The Crimean War 1854 1856 Essential Histories Ban Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the

advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Crimean War 1854 1856 Essential Histories Ban is one of the best book in our library for free trial. We provide copy of The Crimean War 1854 1856 Essential Histories Ban in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Crimean War 1854 1856 Essential Histories Ban. Where to download The Crimean War 1854 1856 Essential Histories Ban online for free? Are you looking for The Crimean War 1854 1856 Essential Histories Ban PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get

ideas is always to check another The Crimean War 1854 1856 Essential Histories Ban. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Crimean War 1854 1856 Essential Histories Ban are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Crimean War

Find The Crimean War 1854 1856 Essential Histories Ban

Questia Public Library has long been a favorite choice of librarians and scholars for research help. They also offer a world-class library of free books filled with classics, rarities, and textbooks. More than 5,000 free books are available for download here, alphabetized both by title and by author. Nook Ereader App: Download this free reading app for your iPhone, iPad, Android, or Windows computer. You can get use it to get free Nook books as well as other types of ebooks. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the

site remains standing and open to the public. If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. International Digital Children's Library: Browse through a wide selection of high quality free books for children here. Check out Simple Search to get a big picture of how this library is organized: by age, reading level, length of book, genres, and more. The Open Library has more than one million free e-books available. This

library catalog is an open online project of Internet Archive, and allows users to contribute books. You can easily search by the title, author, and subject. The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting. To stay up to date with new releases, Kindle Books, and Tips has a free email subscription service you can use as well as an RSS feed and social media accounts.
