Dental Emergency Phrases in Spanish S. M. Caballero.2017-10-03 This easy to use reference book, is the practical solution to Spanish-only speaking (SOS) clients with dental emergencies in the dental office. It is written by a dentist, who understands the staff's frustration when a patient in pain is trying to communicate only in Spanish. This book is comparable to Mosby's Spanish Terminology for the Dental Team, yet it's written and formatted to empower not only the Dentist with communication skills, but also the Dental Hygienist, Dental Assistant, Dental Office Managers, and Administrators. Audio text are linked to some phrases, to also give you the option to have the patient listen to your question in Spanish. There are quick links to blood pressure charts, universal pain level charts, dental insurance and front office charts. You will be escorted through a virtual dental emergency visit from meet and greet, data collection, to providing anesthesia , and to the final check out of the dental emergency. There is a power behind making first contact with a Spanish-only speaking (SOS) client, especially in a dental emergency. The outcome is exhilarating and gives you complete contentment. Results come in the way of increased treatment plan acceptance, a larger percentage of cash-paying patients, higher profit procedures, and an unspoken respect and loyalty for the healthcare providers. Enjoy the freedom of providing your talent as a provider, educator, administrator, etc. to Spanish-only speaking clients without barriers, and watch your practice grow!

Breaking the Language Barrier: Spanish Terms and Phrases for Medical Office Personnel Sandra Marmolejo Romero.2011-06-08 Designed as a quick reference for students and medical office staff, **BREAKING THE LANGUAGE BARRIER: SPANISH TERMS AND PHRASES FOR MEDICAL PERSONNEL** provides key medical terminology that makes it easier to communicate with the Spanish-speaking patient. This is more than an English-Spanish translation dictionary, content includes bilingual information for greeting and scheduling, patient registration, intake and examinations, insurance and billing, referrals, protected health information, infection control, durable medical equipment, lab tests and special procedures, and health education all in a convenient guide that can fit in a pocket! Full-color anatomical illustrations, labeled in Spanish and English, serve as a handy reference to help patients communicate their needs and concerns. Chapters open with an alphabetical list of common medical terms in English accompanied by Spanish translations. The chapters then address topic-related questions and phrases most commonly experienced by medical personnel when communicating with the patient. Color-coded tabs identify the four main units of the guide for quick and easy access. Medical Spanish: A Dental Guide Craig Alan Sinkinson.2010-04 *Medical Spanish: A Dentist's Guide*, is one of the most extensive Medical Spanish resources ever created for dentists. It is so complete that no one practicing dentistry will ever want to work without it again. History: Step-by-step phrases for taking a complete dental history. Don't know much Spanish? No problem. If you speak English, you can take a history from Spanish-speaking patients with this book. It is that complete and easy to use. Evaluation: Just as easy are the step-by-step phrases for performing a complete dental evaluation. Do you want your patients to hold their breaths, perform specific movements, or just be quiet? No matter what your Spanish level, this book orients the evaluation to the way you think in English. Diagnosis: A virtual cookbook for instructing patients about numerous diagnostic issues. Want the diagnosis in technical terms? Want the diagnosis in lay terms? And want the diagnosis explained in the kind of Spanish, which your patients understand? Procedures: Need to explain the procedures you need to perform? Just pick your topic. Dialogues and Explanations: A whole host of dialogues and explanations - from caries and mouth disorders to numerous acute and chronic dental diseases. Vocabulary: From soups to nuts - literally - all of the vocabulary needed to practice dentistry well is in this book. Uncommonly simple and utilitarian. This book has it all.

Spanish Terminology for the Dental Team Mosby.2010-06-28 An essential reference for every dental office, *Mosby's Spanish Terminology for the Dental Team*, 2nd Edition helps Spanish-speaking patients feel more at ease in your practice by helping you and your staff communicate in Spanish more effectively. Dental-specific terms and phonetic spellings help you translate each step of the dental experience, from initial contact through advanced procedures. Quick and easy to use, this pocket-sized resource also covers the new terminology related to hot topics and emerging trends such as implants, oral and maxillofacial surgery, and cosmetic dentistry. A companion website includes audio pronunciations and printable handouts for your Hispanic patients on topics including preventive care, orthodontics, and general caries procedures. A 40-page Spanish-language review covers accents, common parts of speech, and correct pronunciation. Comprehensive coverage includes foundational information on the Spanish language, plus coverage of the full range of dental care from patient greeting and office administration through assessment, evaluation, and general and specialty dental treatment. Summary boxes highlight key terms and phrases in a two-column format, with English on the left and Spanish on the right. A glossary of common English-to-Spanish everyday terminology is provided in the back of the book. Trusted content is developed and reviewed by an expert editorial board comprising dentists, dental hygienists, and dental assistants. This is the only Spanish terminology book written specifically for dental professionals by dental professionals. Coverage of hot topics includes the new terminology related to prevention, implants, oral and maxillofacial surgery (including LASER), cosmetic dentistry, and digital radiography. Approximately 50 new illustrations depict concepts such as anatomy and radiographic positioning. Additional phonetic spellings help you pronounce Spanish words and phrases correctly. New Heritage and Culture chapter adds information on Hispanic culture to help you communicate with clarity, tact, and compassion. New patient education handouts on the CD offer Spanish instructions for proper oral health, including information on proper tooth brushing, general caries procedures, pediatric issues, and specialty orthodontic treatment. An improved organization rearranges chapters more logically by anatomy foundations, dental specialties, medical specialties, and office administration, and moves the Spanish language primer to an appendix. Information on HIPAA privacy regulations is incorporated into chapters dealing with office administration.

World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look. eBooks on Google Play Books are only available as EPUB or PDF files, so if you own a Kindle you'll need to convert them to MOBI format before you can start reading. The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website. Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile app called Libby. It's worth remembering that the absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. Bootastik's free Kindle books have links to where you can download them, like on Amazon, iTunes, Barnes & Noble, etc., as well as a full description of the book. Free Kindle Books and Tips is another source for free Kindle books but discounted books are also mixed in every day. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. The eReader Cafe has listings every day for free Kindle books and a few bargain books. Daily email subscriptions and social media profiles are also available if you don't want to check their site every day.
