**The Omega Rule** Sharilyn Skye. 2019-12-26 Some family feuds don't die; they bleed so deep into the soil they grow roots. This one is ripping the country apart, but only those embroiled in it know it's being fought. Half dead from her last estrus and desperate to save her homeland, Eve makes the difficult journey to the Capital of the New South in an attempt to court the only Alpha she thinks might be honorable. She offers him herself, her nest, and her submission if he allows her to get to know him first, gives her a semblance of choice, and at least listens to the plight of her people. Only The Alpha isn't much of a listener, and he neglects to read the document he signs out of frustration

to get his hands on the exotic beauty in front of him. After taking Eve as his, he finds that holding an Omega who moves like smoke isn't as easy as he thought. Contract broken, Eve lies, steals, and takes what she needs to gain the strength needed to fight a war none of them can afford to lose. *Never His Mate* Sarah Spade.2021-05-18 After my mate rejected me, I wanted to kill him. Instead, I ran away--which nearly killed me... A year ago, everything was different. I had just left my home, joining the infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized--but not as prized as I would be if my new packmates found out my secret. But when my fated mate--Mountainside's Alpha--rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone wolf was the only option I had, and I took it. Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment--and my anger--from that night. And then he shows up and my chance at forgetting flies out the damn window. Ryker Wolfson. He was supposed to be my fated mate, but he chose his pack over our bond. At least, he

did--but now that he knows what I've been hiding, he wants me back. But doesn't he remember? I told him I'll never be his mate, and there isn't a single thing he can do to change my mind. To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that they can never resist a challenge. Just like I'm finding it more difficult than I should to resist him. \*\* Never His Mate is a new release (65,000+ words) featuring Gemma Swann, a wolf shifter who is hiding a damning secret. When her fated mate rejects her for another female, her anger and her embarrassment lead to that secret getting out. Since staying behind on the mountains is just not an option and going back to her home pack is impossible, Gem decides she has one choice: risk death by fang in Muncie, the vamp town surrounding the mountains. Luckily for her, she not only manages to survive the local vamps, but she makes friends with one. Things are looking up for her: she has a place with her roommate, a new job she loves, and the certainty that she'll never have to look at Ryker Wolfson's handsome face ever again. Until he stalks into Muncie and, suddenly, Gem is confronted by his rejection all over again. So what if he says he had a good reason? If he thinks she's going to take him back now, he has another think coming. Because Gem? She'll never be his mate...

**Yoga** Osho.2016-07-26 In *Yoga: The Science of the Soul*, one of the greatest spiritual teachers of the twentieth century presents the history and philosophy of this timeless health practice. Much of what is known as yoga today emphasizes physical postures and exercises to increase flexibility and help relaxation. But in fact, yoga has its roots in centuries of rigorous investigation and research in the East to develop an understanding of human consciousness and its potential. In *Yoga*, Osho explains the meaning of some of the most important Yoga Sutras of Patanjali, an early “scientist of the soul” who is credited with being the father of Raja Yoga, or the “royal path” of yoga that uses physical postures and breath primarily as a means to achieve higher states of consciousness. With a fresh translation of these ancient texts, and unique Osho insights into the modern mind and its psychology, Patanjali comes to life on the pages with an approach to using yoga for greater self-understanding that is absolutely relevant to our times. An invaluable resource for beginning or experienced yoga practitioners, and for anyone who seeks to better understand the intricate and powerful relationship that exists between body and mind. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the “1000 Makers of the 20th Century” and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Alpha and Omega novel brings werewolves out of the darkness and into a society where fear and prejudice could turn the hunters into the prey... It is said that opposites attract. And in the case of werewolves Anna Latham and Charles Cornick, they mate. The son—and enforcer—of the leader of the North American werewolves, Charles is a dominant Alpha. While Anna, an Omega, has the rare ability to calm others of her kind. Beta Jasinda Wilder.2014-10-21 Roth and I are on an open-ended tour of the world. Roth being Roth, this means missionary in Morocco, reverse cowgirl in Calcutta, bent over the bow of a houseboat in Hanoi, slow and sleepy on St. John. Anywhere and everywhere, in every conceivable position, and some I didn't know were possible. Life was pretty incredible. Until I woke up in his chateau in France, alone. On the bed next to me was a note. There were only four words: He belongs to me.

*Omega & Love* K Webster.2015-07-28 From USA Today Bestselling Author K Webster comes a steamy, enemies-to-lovers modern day guardian angel paranormal romance! She's the reason for my failure... I was supposed to be a Seraph Guardian—one of the most revered angels at HEA Corp—with my best friend and partner, Alpha. But then, all hell broke loose. Literally. I'd been seduced and distracted by a Leviathan named Love. She's the devil's most prized darling. And I fell right into her wicked trap. I'll never get my wings because of her. Now, I've been banished to work for HEL Enterprises with the enemy. To say I'm miserable is the understatement of the millennia. Love wants to pretend like she didn't just ruin my entire existence. That her twisted games didn't destroy the very essence of who I am. I hate Love. But there's more to Love than meets the eye. I'm

not the only one she plays games with. It doesn't take long for me to realize she's in deep with the worst one of us all—our boss. Even though I hate what she did to me, I can't turn a blind eye to the way she's being treated by him. I'm one of the good guys after all, despite where my choices led me. I can't stand by idly and watch her take his cruel torture. She may be a monster, but she doesn't deserve that. I've lost everything once before because of Love. What do I really have left to lose by trying to save her? Omega & Love is book two in a duet with different couples. This book is Omega's love story. Book one is Omega's partner and best friend, Alpha's, story. Omega & Love ends with a happily ever after. This book contains some triggering themes including religious, military and war, S/A, and explicit language. Please read with care.
