Annual Review of South Asian Languages and Linguistics

Rajendra Singh.2009 South Asia is home to a large number of languages and dialects. Although linguists working on this region have made significant contributions to our understanding of language, society, and language in society on a global scale, there is as yet no recognized international forum for the exchange of ideas amongst linguists working on South Asia. The Annual Review of South Asian Languages and Linguistics is designed to be just that forum. It brings together empirical and theoretical research and serves as a testing ground for the articulation of new ideas and approaches which may be grounded in a study of South Asian languages but which have universal applicability. Each volume will have three major sections: I. Invited contributions consisting of state-of-the-art essays on research in South Asian languages. II. Refereed open submissions focusing on relevant issues and providing various viewpoints. III. Reports from around the world, book reviews and abstracts of doctoral theses.

DEOLALI DAYS PARVATI MENON.2019-07-09 Deolali was mesmerised by two exceptionally handsome young guys who rode in one fine day on their mean chugging machine. They were fresh recruits to be trained by Dad. Their sole ambition was to migrate to London for most Brits were heading home as the Empire's rule was about to end. And the matrimonial route was not ruled out possibly via Col Browns toothy daughters! It was a period of migrations - the Muslims to a new nation being carved out for them, sometimes leaving behind loved and unloved ones; the white man to his homeland, not without trepidation at the impending loss of luxury and an influx of refugees to various parts of India, armed with their grit and dreams to succeed again. In all this melee, Deolali Days has a lot of comic characters who willy-nilly get involved with each other. To top it all, a dazzling yet intimidating woman entrepreneur, seemingly from a royal background, is ready to seize the moment. But adding the most colour is Poppat baba, a parrot whose predictions are mysteriously correct to the dot, driving the heroes nuts! Who is who in this utter chaotic confusion? What happens to them? Deolali Days is a bubbling narrative of those magical times.

Two Men and Music Janaki Bakhle.2005-10-20 A provocative account of the development of modern national culture in India using classical music as a case study. Janaki Bakhle demonstrates how the emergence of an Indian cultural tradition reflected colonial and exclusionary practices, particularly the exclusion of Muslims by the Brahmanic elite, which occurred despite the fact that Muslims were the major practitioners of the Indian music that was installed as a Hindu national tradition. This book lays bare how a nation's imaginings--from politics to culture--reflect rather than transform societal divisions.

“Karmayogi” and other Micro-Stories Prof. Dr. Ashok Sachdeva.2023-07-28 These Micro-Stories provide microcosms of Indian society. The stories are extremely illuminating, thought-provoking, and intelligent, and they truly depict societal realities. In epigrammatical style, an idea, thought, or sentiment is presented with accuracy and cohesiveness. These are little tablets containing doses of the pithy pointed and incisive sayings. These micros raise awareness and bring about realization, as well as elicit, arouse, and trigger consciousness. The realization occurs on a social, psychological, or moral level. This understanding develops in the minds of the protagonists, as well as in the readers, and becomes a turning point in their very existence. The anecdotes and episodes give empathetic and incisive satire on the social, personal, and family lives of the characters, who are frequently caught up in some type of upheaval or fall prey to the system. There are ironic twists and turns, and it is generally at the conclusion that some type of truth or realization dawns on them. These stories raise awareness about the loss of ethical and moral values in society, as well as a sense of responsibility, the absence of which has a detrimental effect on the quality of life as a human being. These micros uphold the dignity of human beings while also evoking their situation and existence. These micro-stories have captivated me greatly because of the message they represent, the ideals they instill, the emotions they elicit, the truth that they expose, the morals that they uphold, and the ethics and values that they foster.
