Things Bogans Like E. Chas McSween,Enron Hubbard,Flash Johnson,Intravenus DeMilo.2010 The word bogan has a bad rap; first impressions are still associated with flannelette, VB, utes and mullets. But this would be wrong. The bogan has advanced and needs new explanation, evolution has cursed (or blessed, depending on your thinking) us with a modern version. The bogan with

money. The bogan with aspirations. The bogan with Ed Hardy t-shirts. The new bogan will not rest until it owns a plasma TV so large that Rove McManus becomes six feet tall for the first time. Today's bogan defies income, class, race, creed, gender, religion and logic. Now the bogan is defined by what it does, what it says and, most importantly, what it buys. Those who choose to deny the bogan on the basis of their stockbroking career or their massive trust fund choose not to see the real bogan. Many bogans are affluent and perhaps are working in that same stockbroking firm and sharing a Corona with you over Friday night drinks. They set themselves apart by their efforts to stand out by conforming as furiously, and conspicuously, as possible.

Dare to Do Sarah Outen.2017-04-18 On 1 April 2011, rower and adventurer Sarah Outen set off in her kayak from Tower Bridge for France. Her aim was simple: to circle the globe entirely under her own steam - cycling, kayaking and rowing across Europe, Asia, the Pacific, the Americas, the Atlantic and eventually home. A year later, Sarah was plucked from the Pacific ocean amid tropical storm Mawar, her boat broken, her spirit even more so. But that wasn't the end. Despite ill health and depression, giving up was not an option. So Sarah set off once more to finish what she had started, becoming the first woman to row solo from Japan to Alaska, as well as the first woman to row the Pacific from West to East. She kayaked the treacherous Aleutian chain and cycled the Americas, before setting sail on the Atlantic, despite the risk of another row-ending storm... Dare to Do is more than an adventure story. It is a story of the kindness of strangers and the spirit of travel; a story of the raw power of nature, of finding love in unexpected places, and of discovering your inner strength. It is about trying and failing, and trying again, and about how, even when all seems lost, you can find yourself.

Kumba Africa Sampson Ejike Odum.2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New Yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.
