There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. These are some of our favorite free e-reader apps: Kindle Ereader App: This app lets you read Kindle books on all your devices, whether you use Android, iOS, Windows, Mac, BlackBerry, etc. A big advantage of the Kindle reading app is that you can download it on several different devices and it will sync up with one another, saving the page you're on across all your devices. It's easier than you think to get free Kindle books; you just need to know where to look. The websites below are great places to visit for free books, and each one walks you through the process of finding and downloading the free Kindle book that you want to start reading. FreeBooksHub.com is another website where you can find free Kindle books that are available through Amazon to everyone, plus some that are available only to Amazon Prime members.
