4eBooks has a huge collection of computer programming ebooks. Each downloadable ebook has a short review with a description. You can find over thousand of free ebooks in every computer programming field like .Net, Actionscript, Ajax, Apache and etc. The Literature Network: This site is organized alphabetically by author. Click on any author's name, and you'll see a biography, related links and articles, quizzes, and forums. Most of the books here are free, but there are some downloads that require a small fee. You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read). Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page. If you want to stick to PDFs only, then you'll want to check out PDFBooksWorld. While the collection is small at only a few thousand titles, they're all free and guaranteed to be PDF-optimized. Most of them are literary classics, like The Great Gatsby, A Tale of Two Cities, Crime and Punishment, etc. Our goal: to create the standard against which all other publishers'

cooperative exhibits are judged. Look to \$domain to open new markets or assist you in reaching existing ones for a fraction of the cost you would spend to reach them on your own. New title launches, author appearances, special interest group/marketing niche...\$domain has done it all and more during a history of presenting over 2,500 successful exhibits. \$domain has the proven approach, commitment, experience and personnel to become your first choice in publishers' cooperative exhibit services. Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy. Free-eBooks is an online source for free ebook downloads, ebook resources and ebook authors. Besides free ebooks, you also download free magazines or submit your own ebook. You need to become a Free-EBooks.Net member to access their library. Registration is free. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall.
