*Grayson* Lynne Cox.2011-05-04 Part mystery, part magical tale, this is the story of a miraculous ocean encounter that happened to the adventurer, swimmer, and bestselling author when she was seventeen and in training for a big swim. It was the dark of early morning; Lynne was in 55-degree water as smooth as black ice, two hundred yards offshore, outside the wave break. She was swimming her last half-mile back to the pier before heading home for breakfast when she became aware that something was swimming with her. The ocean was charged with energy as if a squall was moving in; thousands of baby anchovy darted through the water like lit sparklers, trying to evade something larger. Whatever it was, it felt large enough to be a white shark coursing beneath her body. It wasn't a shark. It became clear that it was a baby gray whale—following alongside Lynne for a mile or so. Lynne had been swimming for more than an hour; she needed to get out of the water to rest, but she realized that if she did, the young calf would follow her onto shore and die from collapsed lungs. The baby whale—eighteen feet long!—was migrating on a three-month trek to its feeding grounds in the Bering Sea, an eight-thousand-mile journey. It would have to be carried on its mother's back for much of that distance, and was dependent on its mother's milk for food—baby whales drink up to fifty gallons of milk a day. If Lynne didn't find the mother whale, the baby would suffer from dehydration and starve to death. Something so enormous—the mother whale was fifty feet long—suddenly seemed very small in the vast Pacific Ocean. How could Lynne possibly find her?

**The Hazards Series Books 1-3** Alyssa Rose Ivy .2015-08-19 \*Includes three full length New Adult Romance Books\* The Hazards of Skinny Dipping This isn't a deep book about first loves or self-discovery. If you want a book like that, I'd be happy to recommend one, but I don't have that kind of story to tell. Instead my story is about rash decisions and finding out that your dream guy is bad in bed. It's the story of when I finally went skinny dipping, and how my life was never the same again. Oh, and it's also the story of my freshman year of college and realizing Mr. Right might have been there all along. The Hazards of a One Night Stand One small town boy, one girl who wants more, one roll in the hay... Hooking up with your high school crush is a bad idea, a really bad idea. It was only supposed to be one night, one brief departure from my real life, but nothing ever works out exactly the way you plan. Colton Waters was everything from my past that didn't fit into my present, so why did he have to show up at my college and pledge the one frat I couldn't avoid? Because nothing is ever meant to happen just once. At least not the life changing things that mean the difference between falling apart and falling in love. The Hazards of Sex on the Beach One broken

heart, one drink too many, one steamy night in the sand... No one warns you about the dangers of drinking with a broken heart. At least no one warned me. I never imagined I'd fall for a musician, especially not one like Chase, but then again I never expected to have my heart broken into a million pieces by the frat guy I thought was the love of my life. Sometimes it's the rash decisions, like hooking up in the sand, that lead you to the best places—the kinds of places where it's possible to let yourself fall in love again.

All her life, Paige has put others' needs before her own, even going so far as choosing a man to please her father. Now her mother's mysterious houseguest is tempting her to go after what she truly

wants...even if it's the cool, assertive, irresistible Shane himself. But is he who he appears to be? And how can Paige know whether to trust her own judgment—and their red-hot attraction?

**Chaos & the Geek** Elizabeth Stevens.2020-01-31 Amber How do you politely refuse when the only guy to star in any of your dirty fantasies has just offered to put you up for the foreseeable future and your brother's just accepted like you were in fact still thirteen and couldn't make decisions for yourself? You don't. And, you end up with a roommate who wears a very good elegant mask over the rough and tumble, bad boy core I remember far too well. Only, it's ten years later and I'm even nerdier than I used to be. It's ten years later and I couldn't look worse. It's ten years later and I can't keep one guy. It's ten years later and my brother still teases me mercilessly in front of him. It's ten years later and Kit somehow looks even better than the guy I spent my formative years crushing on. So, there's not only the issue that he's my older brother's best friend, but also a sex-god this virgin can barely talk to. But that certainly never stopped me from drooling over him and it wouldn't stop me now. He's so far out of my league, I wouldn't even clean in his league. Except, there might just be a smouldering heat in Kit's eyes that suggests he's not quite as out of my league as I thought. Just maybe, this geek is about to get a whole lot of chaos. Kit When I find out about my best mate's little sister's situation, the offer is out of my mouth before I can stop it; Hawk's like a brother to me even if Amber's never looked twice at me. I could never tell if she was scared of me or hated me. But the deal is done. She's going to bring her bedraggled self upstairs to my penthouse and live with me for as long as she needs. I see the pain she hides away, I see the lack of confidence despite how smart she is, how good. If there's something I've learned, it's that confidence makes all the difference. So, it becomes my mission to help Amber find her confidence. But I find more than confidence in her and suddenly I'm seeing my best mate's little sister completely differently. I've never known what to say

to her. She's always been good and studious and sweet. She's always been so far out of my league I wouldn't even carry bags in that league. Her face is a mask that tells me nothing in between the sparse words that come out of her mouth. Except, there might be something in the way she smiles at me that gives me hope I'm not as far out of her league as I thought. It might just be time that this chaos gets a little geek. Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax.
