'Take the day off, Jesus, ' said the doctor. 'Relax. Have some fun!' So Jesus had some fun - but was it worth it? Dad, as usual, has the answer!

Candle Bible Atlas Tim Dowley.2019-12-19 The story of God's people in the Bible is set in a particular place and at a particular time. It is linked to the land: The land you are crossing [the Jordan] to occupy is a land of hills and valleys, watered by rain from the sky, a land that the Lord your God looks after. (Deuteronomy 11:11-12). The Bible is full of journeys. Abraham took an epic journey from his father's home in Ur to the land of Canaan. The Hebrews journeyed from slavery in Egypt to the Promised Land. The kingdom of Israel expanded under King David. Later the Jews were taken into exile in distant Babylon and Persia. Jesus journeyed around Galilee and Judea, while Paul took an epic series of missionary journeys throughout the Mediterranean world. It is very helpful to have maps to show where these places were, and where the journeys led. This atlas provides a clear set of annotated maps offering an accessible background to the Bible story. Tim Dowley, A companion to the *Candle Bible Handbook*, with newly commissioned maps.

It's summer and that means flowers, picnics, thunderstorms, and bike rides. It's a busy time for construction workers, farmers, and house painters. Playgrounds are filled with kids and vacationers are boarding trains in droves. In the sky a pair of balloons drifts through every scene, while on the street people of all ages make their way to an outdoor birthday party. There's even a big storm that turns umbrellas inside out, sends hats flying, but ends in a lovely rainbow. As kids pore over these oversized spreads, they will delight in identifying the same characters on each page as they walk, play, jog, and roller skate--from homes to parks and office buildings to rail stations. In the tradition of Richard Scarry and Where's Waldo, this book encourages kids to return again and again to these charming spreads, following along with the characters and inventing their own stories. All kinds of summer activities come alive in these endearing drawings that provide endless entertainment and spark engaging conversations.
