*The First Conspiracy* Brad Meltzer,Josh Mensch.2019-01-08 Taking place during the most critical period of our nation's birth, The First Conspiracy tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot against him in the tumultuous days leading up to July 4, 1776. Praise for The First Conspiracy: This is American history at its finest, a gripping story of spies, killers, counterfeiters, traitors?and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book. —Douglas Preston, #1 bestselling author of The Lost City of the Monkey God “A wonderful book about leadership?and it shows why George Washington and his moral lessons are just as vital today. What a book. You'll love it.” —President George H.W. Bush “This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence matters, and a great read.” —President Bill Clinton

Good Tidings and Great Joy Sarah Palin.2013-11-12 In her New York Times bestsellers Going Rogue and America by Heart, Sarah Palin revealed the strong Christian faith that has guided her life and family. In Good Tidings and Great Joy she calls for bringing back the freedom to express the Christian values of the season. She asserts the importance of preserving Jesus Christ in Christmas—in public displays, school concerts, pageants, and our expressions to one another—and laments the over-commercialization and homogenization of Christmas in today's society. Interwoven throughout are personal memories and family traditions, as well as more than a dozen family photos, which illustrate the reasons why the celebration of Jesus Christ's nativity is the centerpiece of her faith. Palin believes it is imperative that we stand up for our beliefs before the element of faith in a glorious and traditional holiday like Christmas is marginalized and ignored. She also encourages readers to see what is possible when we unite in defense of our religious convictions and ignore the politically correct Scrooges seeking to take Christ out of Christmas. Good Tidings and Great Joy is a call to action to openly celebrate the joys of Christianity, and say Merry Christmas to one another.

His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him “The Legend”; meanwhile, the enemy feared him so much they named him al-Shaitan (“the devil”) and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle’s masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Jesus Politics Phil Robertson. 2020-08-04 New York Times bestselling author and Duck Dynasty star Phil Robertson exposes the destructive nature of American politics and calls on Christians to actively participate in advancing the Kingdom of heaven on earth. We live in a fractured country, a country in which identity politics, creeping socialist policies, toxic social media, and the vast partisan divide threaten the very fabric of America. After decades of political decay and of losing sight of our first principles, the American people are suffering from runaway debt, increased rates of depression, broken families, moral decay, and more. In *Jesus Politics*, Phil Robertson provides an alternate path: a radical call for Christians to use their freedoms to advance the agenda of the King and win back the divided soul of America. Exploring the problems facing our country and how Jesus would respond to each, Robertson offers a clear strategy, showing us how to do good by King Jesus, bringing the kingdom of heaven to our homes, neighborhoods, churches, communities, and country. Robertson also gives you the tools you need to apply the lessons of *Jesus Politics* in the voting booth and in our everyday lives, reminding us that above all, we’re called to: Love God Love our neighbors Do whatever it takes to bring, maintain, and protect his kingdom on earth as it is in heaven Join Robertson as he takes a closer look at the problems facing America and shares how we can use our time, talents, resources, and votes to solve them as members of the kingdom. Explore a new way of thinking and acting, a way that protects and advances the policies of the King. And, if enough of us do, maybe we can become a nation that proclaims, In the King we trust.

In *The Women of Duck Commander*, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them who they are. Happy, Happy, Happy Phil Robertson. 2013-05-07 This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty® star, from early childhood through the founding of a family business. LIVING THE DREAM Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he’s quick to say, “Faith, family, ducks—in that order.” It isn’t often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil’s is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the “good life” he always wanted. If you ever wind up sitting face-to-face with Phil, you’ll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you’ve watched the exceedingly popular A&E® program Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don’t know is his life before the show. In the pages of this book, you’ll learn of Phil’s colorful past and his wild road to the “happy, happy, happy” life he leads today. Before the “happy,” Phil’s passion for the outdoors and wild living led him down some

shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of “romping, stomping, and ripping” for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a “called” man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you’ll find stories that will shock you, as well as those that will inspire you. You’ll get to know the man behind the legend, and you’ll come away better for it.

**Uncanceled** Phil Robertson. 2022-02-08 Win the War for Your Own Integrity After Phil Robertson quoted Scripture in an interview with a national magazine, his hit show, Duck Dynasty, put him on “indefinite hiatus.” Phil immediately knew what had happened: he had become a target of cancel culture. Since that time, Phil has spoken out against public shaming, strategic campaigns to get Bible-believing employees fired, and other tactics that are wreaking havoc in our society. In a deeply divided country, with so many bent on condemning and silencing others, Phil calls for us to carry out the unifying message of Jesus Christ. In *Uncanceled*, Phil shares his own experiences with cancel culture as he encourages us to turn to Scripture as we navigate politics, personal conversations, and new cultural norms; helps us see the psychological and political motivations behind silencing conservative voices; reminds us that the goal is not to convince others to like us but to win the war for our own integrity by refusing to bow down to the god of political correctness; and shows us how to trade retaliation for the love and forgiveness that God offers. *Uncanceled* is a blueprint for standing up for the truth of Jesus Christ in a culture that has forgotten how to have respectful conversations. As Phil reminds us, when we embrace the truth that Jesus Christ already paid an enormous debt to cancel our sins, we find a path to redemption, a way to forgiveness, and a means for godly connection.

**The Theft of America's Soul** Phil Robertson.2019-02-05 It's time to take back what the devil has stolen and bring God back into our culture. Phil Robertson, patriarch of A&E's Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies that have only sown discord and division. But, most importantly, Phil also believes that things can change. Written with captivating storytelling and unflinching honesty, The Theft of America's Soul shows us how to make America a God-honoring nation once more by dropping the ten central lies that rule our day and replacing them with timeless, biblical truths, including: God's people represent his voice in the world True unity comes from a God-centered culture God's standard for all time is the standard of virtue The Theft of America's Soul is a prophetic wake-up call for anyone who wants to see our nation thrive, challenging us to exchange lies for truths that will bring peace of mind, harmony, and prosperity back to our country--an invitation to experience the life-giving, peace-filling, wholly-transforming love of God. Praise for The Theft of America's Soul: The moral clarity in this book is so powerful and so refreshing I wish I could give it to everyone I know. Incidentally, the only way something could be this full of truth and wisdom is if its author is a prophet. That he is. Hear him. --Eric Metaxas, author of Bonhoeffer In The Theft of America's Soul, the Duck Commander has set his sights on something higher, taking aim at the ten lies that have led our culture astray and put our faith, our families, and our freedom at risk. I am grateful for the direct, nonpolitically correct way my friend Phil Robertson lays out the truth. My prayer is that this book finds its way into the hands and hearts of many Americans. --Tony Perkins, president of Family Research Council and president of Council for National Policy

**Rocking It Grand** Shellie Rushing Tomlinson,Chrys Howard.2021-11-09 Grandma—You Can Be a Game-Changer for Generations to Come. Today's grandmas live in an ever-changing, fast-paced, highly-competitive, busier-than-ever world. We struggle with balance as we help our children manage theirs—grandbabies, work, exercise, staying healthy, and leading our growing families. Chrys Howard and Shellie Tomlinson have more than 20 (as of now) grandchildren between the ages of newborn to 30 years old. Together they inspire grandmas with personal stories, learned insight, relevant Scripture, and a few laughs to encourage new and seasoned grandmas to press on. Rocking It Grand includes four, easy-to-remember R's in each of the 18 devotions: Remember it is a scripture passage to absorb; Read about it is a personal message from Chrys or Shellie; Reflect on it is a quote to highlight their message; and Rock it provides an action step to reinforce the topic. Become more confident and intentional with your grandchildren, your adult children, and their spouses; more grounded in your faith; and ready to rock your role as the best grandparent you can be.

**The Terribly Friendly Fox** Susannah Lloyd.2019-09-19 When Gerald the fox turns up at the Annual Woodland Creatures' Ball, a few of the guests are a little concerned. After all, they've heard some rather alarming rumours about foxes and their appetites. But they needn't have worried - Gerald is a vegetarian fox, and the life and soul of the party! In fact, he's terribly friendly. A darkly funny story, with artwork from the creator of Great Bunny Bakes, Ellie Snowdon.

**Dad Is Fat** Jim Gaffigan.2017 In Dad is Fat, stand-up comedian Jim Gaffigan, who's best known for his legendary riffs on Hot Pockets, bacon, manatees, and McDonald's, expresses all the joys and horrors of life with five young children--everything from cousins (celebrities for little kids) to toddlers' communication skills (they always sound like they have traveled by horseback for hours to deliver important news), to the eating habits of four year olds (there is no difference between a four year old eating a taco and throwing a taco on the floor). Reminiscent of Bill Cosby's Fatherhood, Dad is Fat is sharply observed, explosively funny, and a cry for help from a man who has realized he and his wife are outnumbered in their own home--

Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. Amazon has hundreds of free eBooks you can download and send straight to your Kindle. Amazon's eBooks are listed out in the Top 100 Free section.
