From romance to mystery to drama, this website is a good source for all sorts of free e-books. When you're making a selection, you

can go through reviews and ratings for each book. If you're looking for a wide variety of books in various categories, check out this site. The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time. If you are not a bittorrent person, you can hunt for your favorite reads at the SnipFiles that features free and legal eBooks and softwares presented or acquired by resale, master rights or PLR on their web page. You also have access to numerous screensavers for free. The categories are simple and the layout is straightforward, so it is a much easier platform to navigate. Nook Ereader App: Download this free reading app for your iPhone, iPad, Android, or Windows computer. You can get use it to get free Nook books as well as other types of ebooks. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used

to the terrible user interface of the site overall. Now that you have a bunch of ebooks waiting to be read, you'll want to build your own ebook library in the cloud. Or if you're ready to purchase a dedicated ebook reader, check out our comparison of Nook versus Kindle before you decide.
