Scribd offers a fascinating collection of all kinds of reading materials: presentations, textbooks, popular reading, and much more, all organized by topic. Scribd is one of the web's largest sources of published content, with literally millions of documents published every month. Open Culture is best suited for students who are looking for eBooks related to their course. The site offers more than 800 free eBooks for students and it also features the classic fiction books by famous authors like, William Shakespeare, Stefan Zweig, etc. that gives them an edge on literature. Created by real editors, the category list is frequently updated. DailyCheapReads.com has daily posts on the latest Kindle book deals available for download at Amazon, and will sometimes post free books. Most eBook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your eBooks easy. Talking Book Services. The Mississippi Library Commission serves as a free public library service for eligible Mississippi residents who are unable to read ... OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. You can search and download free books in categories like scientific, engineering, programming, fiction and many other books. No registration is required to download free e-books. Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon. Although this program is free, you'll need to be an Amazon Prime member to take advantage of it. If you're not a member you can sign up for a free trial of Amazon Prime or wait until they offer free subscriptions, which they do from time to time for special groups of people like moms or students.
