**A Strong Hand** Catt Ford.2009-04-13 Nicholas Sayers, needing money for college, takes a job as assistant to infamous photographer Damian Wolfe. It's just taking pictures, right? Wrong. While Nick has never questioned what kind of man he is or what he truly wants in life, working for Damian during a BDSM photo shoot opens his eyes to all sorts of sexual possibilities, and many of them include the handsome Mr. Wolfe. Damian has serious doubts about getting involved with a younger man who knows nothing about the BDSM lifestyle, but Nick's adventurous and humorous approach to new experiences is far too alluring to resist. Although he knows it might be a mistake, Damian takes Nick into his life. Flirting on the edges of control, submission, and pain excites Nick more than he would have ever dreamed possible. With Damian, Nick learns about his own deeply hidden desires and finds out that relinquishing control doesn't make him weak—having someone else in control of his sexual pleasure simply heightens it. And the reverse is true for Damian: Control turns him on. So they set out to explore these sensual boundaries together, neither expecting to find love along the way.

Overcoming School Refusal Joanne Garfi.2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal

with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal
