The Lasting Supper David Hayward.2016-07-04 David Hayward founded and facilitates an online community for spiritual independence called The Lasting Supper. Ever since it was launched in 2012, David has written a weekly letter to the members. This is a collection of the most helpful correspondences for those going through the process of deconstruction or deconversion, or for those experiencing the painful transition of changing beliefs or losing the faith they once knew, or for those who struggle with their relationship with the church. Now David has made them public in this book in order to help others experiencing the same spiritual processes because he believes every person struggles to find his or her own spirituality and live it with courage and joy.

*Baxter's Explore the Book* J. Sidlow Baxter.2010-09-21 Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No one can finish this series of studies and remain unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies.

Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through Revelation.

**Dear Church** Lenny Duncan.2019-07-02 Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work--drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, Dear Church offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. Dear Church rejects the narrative of church decline and calls everyone--leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus.

The Collapse of a Pastoral Economy Samwel Shanga Mhajida.2019 This research unravels the economic collapse of the Datoga pastoralists of central and northern Tanzania from the 1830s to the beginning of the 21st century. The research builds from the broader literature on continental African pastoralism during the past two centuries. Overall, the literature suggests that African pastoralism is collapsing due to changing political and environmental factors. My dissertation aims to provide a case study adding to the general trends of African pastoralism, while emphasizing the topic of competition as not only physical, but as something that is ethnically negotiated through historical and collective memories. There are two main questions that have guided this project: 1) How is

ethnic space defined by the Datoga and their neighbours across different historical times? And 2) what are the origins of the conflicts and violence and how have they been narrated by the state throughout history? Examining archival sources and oral interviews it is clear that the Datoga have struggled through a competitive history of claims on territory against other neighbouring communities. The competitive encounters began with the Maasai entering the Serengeti in the 19th century, and intensified with the introduction of colonialism in Mbulu and Singida in the late 19th and 20th centuries. The fight for control of land and resources resulted in violent clashes with other groups. Often the Datoga were painted as murderers and impediments to development. Policies like the amalgamation measures of the British colonial administration in Mbulu or Ujamaa in post-colonial Tanzania aimed at confronting the “Datoga problem,” but were inadequate in neither addressing the Datoga issues of identity, nor providing a solution to their quest for land ownership and control.

Great Commission, Great Compassion Paul Borthwick. 2015-11-09 Go and do. Jesus commands it, and the world needs it. Mission mobilizer Paul Borthwick shows how proclamation and demonstration of the gospel go hand in hand, bringing together the Great Commission of Matthew 28 and the Great Compassion of Matthew 25, while offering practical, holistic ways for us to live them out in every sphere of our lives.

Dumbing Us Down John Taylor Gatto. 2002-02-01 With over 70,000 copies of the first edition in print, this radical treatise on public education has been a New Society Publishers’ bestseller for 10 years! Thirty years in New York City’s public schools led John Gatto to the sad conclusion that compulsory schooling does little but teach young people to follow orders like cogs in an industrial machine. This second edition describes the wide-spread impact of the book and Gatto’s guerrilla teaching. John

Gatto has been a teacher for 30 years and is a recipient of the New York State Teacher of the Year award. His other titles include *A Different Kind of Teacher* (Berkeley Hills Books, 2001) and *The Underground History of American Education* (Oxford Village Press, 2000).

Not Too Early, Not Too Late: Life After Retirement Pastor Emeritus James C. Wade.2021-03-13 Not Too Early, Not Too Late is a biblical and practical approach to retirement in the pastoral ministry. Pastor Emeritus J. C. Wade, Jr's blueprint for retirement encompasses the challenges of entering pastoral leadership, to the difficulties of retiring from it. Stepping aside for the stability and growth of the church is an admirable choice. The author prolifically teaches us from a spiritual and anointed standpoint that life does not end with retirement. Instead, it begins a new chapter.With almost 60 years of experience, the author ignites pastors to turn the challenges of retiring from pastoral ministry into opportunities. Not Too Early, Not Too Late gives practical guidelines to retirement. In addition, the author provides a plethora of resources, wisdom, biblical incentives, and spiritual inspiration to encourage seasoned pastors to know that retirement in pastoral ministry does not imply resignation in Kingdom ministry. This profound work teaches the reader that retirement only means reassignment.Not Too Early, Not Too Late also has practical wisdom for wives who must be considered and cherished in the transition process. Within this thoughtful work, testimonies, truths, and wisdom are also gleaned from Dr. Wade's wise and worshipful wife, Ella Wade.

*Saying Goodbye* Edward A. White.1990-01-01 Leaving a pastorate is hard on both congregation and pastor. Learn how to make this transition a growth experience for all. Written for congregations and pastors, *Saying Goodbye* skillfully weaves accounts from clergy, laity, and educators of seven

denominations with White's own insight as a former General Presbyterian to create a resource for meaningful and healthy partings. Includes examples of a farewell worship service and litany for closure of a ministry.

**Ask a Manager** Alison Green.2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then

take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*Next* William Vanderbloemen, Warren Bird. 2020-04-21 Packed with new research, new interviews, and practical solutions, this updated and expanded edition of *Next* will equip pastors, ministry teams, and Christian organizations to navigate leadership changes with wisdom and grace. While there is no simple, one-size-fits-all solution to the puzzle of planning for a seamless pastoral succession, *Next* offers church leaders and pastors a guide to asking the right questions in order to plan for the future. Vanderbloemen, founder of a leading pastoral search firm, and Bird, an award-

winning writer and researcher, share insider stories of succession failures and successes in dozens of churches, including some of the nation's most influential. The authors demystify successful pastoral succession and help you prepare for an even brighter future for your ministry. Includes a foreword by John Ortberg and an introduction by Eric Geiger and Kenton Beshore.

**The Pastoral Search Journey** John Vonhof.2010-03-01 Most churches have sought out a new pastor many times, yet search committees often feel as though they are inventing the process from scratch. In *The Pastoral Search Journey*, John Vonhof provides detailed guidance for search committees to ensure a good match between pastor and congregation. This is Vonhof's third book about the pastoral search -- but the first to discuss interim pastors, transitions between pastors, and the use of the Internet and digital media. Vonhof advises congregational leaders on establishing the search committee; ensuring the congregation is cared for during the pastoral vacancy; conducting the congregational self-study and creating an information packet; finding, communicating with, and interviewing candidates; determining selection criteria as well as evaluating and recommending candidates; managing call negotiations; and finally welcoming the congregation's new pastor. Sample letters, forms, and other tools are provided.

*Miracle in the Mirror* Mark Buntain,Ron Hembree,Doug Brendel.1982-02 Dramatic true story of a beautiful Asian girl, Nita Edwards, and her miraculous healing from total paralysis.

*Generation to Generation* Edwin Friedman.2011-06-17 An acclaimed, influential work now available in paper for the first time, this bestselling book applies the concepts of systemic family therapy to the emotional life of congregations. Edwin H. Friedman shows how the same understanding of family process that can aid clergy in their pastoral role also has important ramifications for negotiating congregational dynamics and functioning as an effective leader. Clergy from diverse denominations,

as well as family therapists and counselors, have found that this book directly addresses the dilemmas and crises they encounter daily. It is widely used as a text in courses on pastoral care, leadership, and family systems.

**Beginning Ministry Together** Roy M. Oswald, James Heath, Ann Heath. 2003-12-01 Beginning Ministry Together is about the transition period between the announcement that one pastor is leaving and the time when another pastor is well settled. The message brought by Roy Oswald and colleagues Jim and Ann Heath is that this is not an impossible time to be survived only with a lot of expert help. Rather, even though the task is complex, committed congregational leaders can handle it—with the help of people who have been on this journey before. Oswald describes how clergy and congregations can better end and begin pastorates. He shows them how to say good-bye and discern their needs for the future—how to use the open space between pastorates for evaluation and preparation for a new day.

**Life and Times of Frederick Douglass** Frederick Douglass. 1882 Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such as Lincoln, Grant, and Garfield.

*The Life and Diary of David Brainerd* David Brainerd. 2006 He was one of distinguished natural abilities, as all are sensible who had acquaintance with him. As a minister of the gospel, he was

called to unusual services in that work; and his ministry was attended by very remarkable and unusual events ... He had a peculiar opportunity of acquaintance with the false appearances and counterfeits of religion; was the instrument of a most remarkable awakening ... In the following account, the reader will have an opportunity to see not only what were the external circumstances and remarkable incidents of the life of this person, and how he spent his time from day to day, as to his external behavior; but also what passed in his own heart. --Jonathan Edwards David Brainerd, an early missionary to the American Indians in New York, New Jersey, and eastern Pennsylvania, died in 1747 at the age of twenty-nine at the home of his long-time friend and supporter, the eminent Puritan theologian and preacher Jonathan Edwards. It is thanks to Edwards' careful preservation and thoughtful editing of his friend's Diary and Journal that Brainerd has influenced Christians all over the world for over 250 years. As he labored in what was still the untamed American frontier to bring the Gospel to the Indians, Brainerd faced many challenges, including depression, loneliness, and physical illness. Yet his genuine piety and single-minded devotion to God, both in heart and in practice, form a consistent backdrop to his turbulent inner world. This compilation offers a rare glimpse into the life of a man compelled by God to share His love with others in the most difficult of circumstances.

**Reflections on My Life** Thomas H. Olbricht. 2012-04-25 Thomas H. Olbricht grew up in Churches of Christ, has taught in several of their universities, and has given religious lectures on six continents and in most states in the United States. He has met most leaders in Churches of Christ globally. He has been active in several religious and rhetoric societies and has worked with leaders in all these organizations to bring about changes over the past sixty years. C. Clifton Black and Duane F. Watson wrote about Olbricht, Tom Olbricht possesses a memory of elephantine proportions. Not only does

he have at his fingertips the names and places and dates; better than most he understands how the study of rhetoric has flourished among, while cross-pollinating, multiple disciplines in the humanities, classics, English, speech communication, and religion.

Goodbye Jesus Tim Sledge.2018-03-15 Tim Sledge pulls back the curtain on Southern Baptist life as he chronicles nearly four decades of ministry in this highly personal, sometimes painful, and frequently provocative spiritual autobiography. Part memoir, part expos , part polemic-this is an account of failures as well as accomplishments-and very nearly a case study in how faith may begin, how it evolves, and how it can fall apart. Sledge traces the childhood origins of his sincere faith, his efforts at spiritual obedience, his theological education, his climb up the ladder in ministry, his insights into the challenges of growth-oriented leadership, and his pioneering work in faith-based recovery ministries that ultimately guided participants in 20,000 support groups across the U.S. A recurring theme in his story is coming to grips with the significance of being an adult child of an alcoholic. After a fall from grace and a growing awareness that faith no longer worked for him, his journey took a new direction that required examining alternatives to his former belief system including Deism, agnosticism, humanism, and atheism. Ultimately, he found new ways to live a positive, value-driven life and emerged as a new version of the same person he had always been, still interested in creating avenues for personal growth in the lives of others. Goodbye Jesus is a relatable and thoughtful read for those seeking to better understand the evangelical mindset, for Christians who are questioning their faith, for ministers trying to decide whether to stay or go, and for those who have left their faith and are dealing with its loss.

Witness to Hope George Weigel.2009-10-13 INTERNATIONAL BESTSELLER A remarkable book. Weigel's biography is likely to remain the standard one-volume reference on John Paul II for many

years to come. — Pittsburg Post-Gazette ?“Fascinating. . . sheds light on the history of the twentieth century for everyone.” —New York Times Book Review The definitive biography of Pope John Paul II that explores how influential he was on the world stage and in some of the most historic events of the twentieth century that can still be felt today Witness to Hope is the authoritative biography of one of the singular figures—some might argue the singular figure—of our time. With unprecedented cooperation from John Paul II and the people who knew and worked with him throughout his life, George Weigel offers a groundbreaking portrait of the Pope as a man, a thinker, and a leader whose religious convictions defined a new approach to world politics—and changed the course of history. As even his critics concede, John Paul II occupied a unique place on the world stage and put down intellectual markers that no one could ignore or avoid as humanity entered a new millennium fraught with possibility and danger. The Pope was a man of prodigious energy who played a crucial, yet insufficiently explored, role in some of the most momentous events of our time, including the collapse of European communism, the quest for peace in the Middle East, and the democratic transformation of Latin America. With an updated preface, this edition of Witness to Hope explains how this “man from a far country” did all of that, and much more—and what both his accomplishments and the unfinished business of his pontificate mean for the future of the Church and the world.
