

# Israel Trail Mit Herz Das Heilige Land Zu Fuss Al

Couchsurfing in Iran Stephan Orth.2018-05-01 Included in the 2018 summer reading list by New York Times Books A modern-day glimpse into the surprising reality of life in Iran. Iran: A destination that is seldom seen by westerners yet often misunderstood. A country that simultaneously “enchants and enrages” those who visit it. A place where leading a double life has become the norm. In *Couchsurfing in Iran*, award-winning author Stephan Orth spends sixty-two days on the road in this mysterious Islamic republic to provide a revealing, behind-the-scenes look at life in one of the world’s most closed societies. Through the unsurpassed hospitality of twenty-two hosts, he skips the guidebooks and tourist attractions and travels from Persian carpet to bed to cot, covering more than 8,400 kilometers to recount “this world’s hidden doings.” Experiencing daily what he calls the “two Irans” that coexist side by side—the “theocracy, where people mourn their martyrs” in mausoleums, and the “hide-and-seek-ocracy, where people hold secret parties and seek worldly thrills instead of spiritual bliss”—he learns that Iranians have become experts in navigating around their country’s strict laws. Though couchsurfing is officially prohibited in Iran—the state fears spies would be able to travel undetected through the country—more than a hundred thousand Iranians are registered with online couchsurfing portals. And thanks to these hospitable, English-speaking strangers, Orth gets up close and personal with locals, peering behind closed doors and blank windows to uncover the inner workings of a country where public show and private reality are strikingly opposed.

*Israel National Trail* Jacob Saar.2020 The Israel National Trail (INT) is one of the most exciting hikes in the world, expanding over 1,100 kilometers from the north to the south of Israel. You can hike its' entire length, or just selected sections of your choice, and you can hike it in winter too. It is the ultimate Israeli hiking experience, and you can do it easily with the guide that simply has all you need. This full and comprehensive guide includes 62 topographical maps (1:50,000) and 7 road maps (1:250,000). The guide offers a full description of the hike on the Israel national trail in both northbound and southbound directions and the hiking profile - distance and height above or below sea level. The maps along with a day-by-day trail descriptions and tips make this guide your one-stop shop and all you need to hike the Israel National Trail. The guide is suitable for experienced hikers as well as families and individuals looking to explore Israel in a whole new and exciting way. The new section from Arad to Masada and the Dead Sea is included.

The First World War as a Turning Point / Wendezeit Weltkrieg Frieder Ludwig. The First World War led to a fundamental reorganization of international relations. This had a profound impact on churches and mission agencies and their ecumenical networks. European Christianity was increasingly questioned. The shock was all the greater since the war alliances were formed without taking religious orientation into consideration. This volume examines the impact of the war on church and mission especially in Africa and Asia. The contributions provide a wide scope of historical analyses with a focus on the Hermannsburg Mission. The symposium was organized by the Ludwig-Harms-Kuratorium and the Fachhochschule für Interkulturelle Theologie Hermannsburg in 2018.

A Volume of Oriental Studies Thomas Walker Arnold.1922

**Prosthetic Memory** Alison Landsberg.2004 Prosthetic Memory argues that mass cultural forms such as cinema and television in fact contain the still-unrealized potential for a progressive politics based on empathy for the historical experiences of others. The technologies of mass culture make it possible for anyone, regardless of race, ethnicity, or gender, to share collective memories--to assimilate as deeply felt personal experiences historical events through which they themselves did not live.

*Baranowitz Kronenberg Architecture* Alon Baranowitz,Irene Kronenberg.2013 This monograph documents the holistic nature of the design philosophy established by Tel Aviv-based architects Irene Kronenberg and Alon Baranowitz, where space, form and materials are expressly employed to enhance human experience and social interaction. Incorporating culture, time and place in the design process is fundamental to their approach. In this book, the architects offer a personal analysis of the thinking behind seven of their projects, illustrated by extensive plans, models and photos. Included are the Tel Aviv restaurants Jaffa Tel Aviv and Deca, the Israel Museum shop, Amsterdam's Palace Hotel and Sir Albert Hotel and Izakaya, and Villa Pi.

*The Oxford Dictionary for Writers and Editors* Robert M. Ritter.2000 This book aims to provide a one-stop reference with comprehensive and helpful advice on a very broad range of issues encountered when writing or editing, either professionally or whilst studying. A completely expanded, revised, and updated version of the first edition, it presents the house style of Oxford University Press, drawing on the experience of the Dictionary Department and the Press's in-house academic desk editors. It gives clear advice on common spelling difficulties, names of people and places, foreign words and phrases, abbreviations, and broad aspects of usage, including capitalization and punctuation.

Traitor's Blade Sebastien de Castell.2014-02-10 When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade. The Three Musketeers meets Joe Abercrombie via Mark Lawrence: 'Guaranteed to increase household swashbuckling by 100%,' says Library Journal The Greatcoats - legendary heroes, arbiters of justice . . . or notorious traitors? The Greatcoats are travelling magistrates bringing justice to all . . . or at least they were, before they watched the Dukes impale their King's head on a spike. Now the land's heroes are reviled as traitors, their Greatcoats in tatters. 'One hell of a good book' - Conn Iggulden, author of the Sunday Times Top Five bestseller The Gates of Athens Facio, Kest and Brasti have been reduced to working as mercenaries, but when they find their employer dead - and are forced to watch as the killer plants evidence framing them for the murder - they realise things are about to get even worse. For the royal conspiracy that began with overthrowing an idealistic young king is spreading to Rijou, the most corrupt city in the land, and the life of a young girl hangs in the balance. When every noble is a tyrant and every knight is a thug, the only thing you can really trust is a traitor's blade.

**Israel Trail mit Herz** Christian Seebauer.2016-01-13

**The Golden Thread** Miguel Serrano.2017-07-13 The link between Hitlerism and a millenarian, esoteric tradition is a thesis that M. Serrano enunciated in Chile well before *The Morning of the Magicians*. After years of research, mystical experiences in India, and interviews with the 20th century's most interesting personages, the author develops that primitive insight into a delirious exposition

**The New Dimension of International Terrorism** Stefan M. Aubrey.2004 The events of September 11, 2001 confronted the United States and the rest of the World with the reality of a new dimension of international terrorism. This new dimension did not start nor end with the attacks against the World Trade Center or the Pentagon, but began in the 1990s. This study examines the new dimension of international terrorism, contrasting it with the classical terrorism, the predominantly left-wing terrorist movements of the 1960s - 1980s in Europe, which were a subset of the bipolar geo-political arena. The author establishes the relationship of radical Islamist movements to the terrorist groups of the new dimension (principally focusing on Al-Qaeda) in providing the motivation for committing catastrophic terrorist acts, looks at the shadowy world of terrorist financing and makes suggestions regarding international counter-terrorist strategies.

*Stalin's Agent* Boris Volodarsky.2015 This is the history of an unprecedented deception operation - the biggest KGB deception of all time. It has never been told in full until now. There are almost certainly people who would like it never to be told. It is the story of General Alexander Orlov. Stalin's most loyal and trusted henchman during the Spanish Civil War, Orlov was also the Soviet handler controlling Kim Philby, the British spy, defector, and member of the notorious 'Cambridge Five'. Escaping Stalin's purges, Orlov fled to America in the late 1930s and lived underground. He only dared reveal his identity to the world after Stalin's death, in his 1953 best-seller *The Secret History of Stalin's Crimes*, after which he became perhaps the best known of all Soviet defectors, much written about, highly praised, and commemorated by the US Congress on his death in 1973. But there is a twist in the Orlov story beyond the dreams of even the most ingenious spy novelist: 'General Alexander Orlov' never actually existed. The man known as 'Orlov' was in fact born Leiba Feldbin. And while he was a loyal servant of Stalin and the controller of Philby, he was never a General in the KGB, never truly defected to the West after his 'flight' from the USSR, and remained a loyal Soviet agent until his death. The 'Orlov' story as it has been accepted until now was largely the invention of the KGB - and one perpetuated long after the end of the Cold War. In this meticulous new biography, Boris Volodarsky, himself a former Soviet intelligence officer, now tells the true story behind 'Orlov' for the first time. An intriguing tale of Russian espionage and deception, stretching from the time of Lenin to the Putin era, it is a story that many people in the world's intelligence agencies would almost definitely prefer you not to know about.

*Pilgrim Stories* Nancy Louise Frey.1998-12-30 Unlike the religiously-oriented pilgrims who visit Marian shrines such as Lourdes, the modern Road of St. James attracts an ecumenical mix of largely wel.

**bin Laden** Yossef Bodansky.2011-05-04 Fascinating account. I strongly recommend it. —Jeane J. Kirkpatrick World-renowned terrorism expert Yossef Bodansky explores the transformation of Osama bin Laden from a once promising engineering student into the cold-blooded leader of the radical Islamic terrorist group, al Qaeda. With meticulous detail, Bodansky chronicles the events leading up to the international operation of hunting bin Laden. In the process, Bodansky pulls together a chilling story that is as ancient as the Crusades; a story that transcends bin Laden and any other single man, one that sweeps from Iran, Afghanistan, and Iraq to Kosovo and beyond. He takes you deep into the heart of centuries-old hatreds that have produced generations of bin Ladens

and a terror network of underground armies that can strike virtually anywhere in the world. Fueled by Middle Eastern oil wealth and covertly armed by some of America's closest allies, this terror network is waging a brutal guerrilla war whose aim is nothing short of changing the course of history. The battlefields are increasingly Western city streets, and the casualties are most often innocents caught in the crossfire. Including information about al Qaeda's pursuit of chemical and nuclear weapons, covert deals between the U.S. and Islamic terrorists, and American efforts in the years-long campaign to capture Osama bin Laden, this book is a sobering wake-up call.

**The Middle East Conflict** Alan Axelrod, Ph.D..2014-11-04 The Middle East is often a pressure cooker of upheaval and the threat of war. Complex dynamics are at work, both culturally and politically, and understanding conflict in this region starts with understanding both recent and ancient events. Noted history writer, Alan Axelrod, PhD, breaks down the stereotypes and biases and helps readers not only understand what has been happening during the last 100 years, but why it has happened, who was involved, and what might happen in the future. Supplemental maps are also included.

**The Strassburger family and allied families of Pennsylvania; being the ancestry of Jacob Andrew Strassburger, esquire, of Montgomery county, Pennsylvania** Ralph Beaver Strassburger.1922-01-01

**Son of Hamas** Mosab Hassan Yousef.2011-03-04 This gripping New York Times bestseller tells the true story of a Hamas insider who rejected his violent destiny and pursued peace . . . at the risk of everything. Since he was a small boy, Mosab Hassan Yousef has had an inside view of the deadly terrorist group Hamas and the Israeli/Palestinian conflict. The oldest son of Sheikh Hassan Yousef, a founding member of Hamas and its most popular leader, young Mosab assisted his father for years in his political activities while being groomed to assume his legacy, politics, status . . . and power. But everything changed when Mosab turned away from terror and violence and embarked on a spiritual journey, embracing instead the teachings of another famous Middle East leader. Son of Hamas contains: new information about the world's most dangerous terrorist organization and unveils the truth about Mosab's own role details of his agonizing separation from family and homeland the dangerous decision to make his newfound faith public his belief that the Christian mandate to "love your enemies" is the only way to peace in the Middle East Now available with a chapter about events since the book's release such as the revelation of Mosab's Israeli intelligence handler's true identity, and Homeland Security's effort to deport the author.

**The Septuagint and Messianism** Michael Anthony Knibb.2006 The question of the extent to which the Septuagint reflects an evolution in messianic belief in comparison with the Masoretic Text has come into prominence in recent years, and in view of the role played by messianism in Jewish belief of the late Second Temple period and in early Christianity it seemed very appropriate that The Septuagint and Messianism should be chosen as the theme of the 2004 Colloquium Biblicum Lovaniense. This volume contains the papers given at the Colloquium, which are concerned both with methodological issues and with the interpretation of specific texts (in practice the majority of the texts in the Septuagint for which a messianic interpretation has been claimed). The papers are very far from all reflecting the same approach, and it has frequently happened that the same texts have been treated by different contributors from very different viewpoints. But the fact such different viewpoints are expressed is a proper reflection of the complexity of the issues involved in the question of the extent of messianic belief in the Septuagint, and of the fact that the question requires a nuanced answer. It is in any case hoped that the varied approaches reflected in the papers will serve to make clear the underlying reasons for the differences between those who take a minimalist and those who take a maximalist view on the subject of the Septuagint and Messianism.

**The Golden Cord** Miguel Serrano.2017-08-21

**Ottoman Brothers** Michelle Campos.2011 Ottoman Brothers explores Ottoman collective identity, tracing how Muslims, Christians, and Jews became imperial citizens together in Palestine following the 1908 revolution.

**Palestine** Nur Masalha.2018-08-15 This rich and magisterial work traces Palestine's millennia-old

heritage, uncovering cultures and societies of astounding depth and complexity that stretch back to the very beginnings of recorded history. Starting with the earliest references in Egyptian and Assyrian texts, Nur Masalha explores how Palestine and its Palestinian identity have evolved over thousands of years, from the Bronze Age to the present day. Drawing on a rich body of sources and the latest archaeological evidence, Masalha shows how Palestine's multicultural past has been distorted and mythologised by Biblical lore and the Israel-Palestinian conflict. In the process, Masalha reveals that the concept of Palestine, contrary to accepted belief, is not a modern invention or one constructed in opposition to Israel, but rooted firmly in ancient past. Palestine represents the authoritative account of the country's history.

**Yosemite** Alexander Huber.2003-10-01 Yosemite Valley is Mecca of the climbing sports. Such legends of climbing as John Salathe, Royal Robbins, and Warren Harding have immortalized their names in the granite of the valley. The giant walls of El Capitan and Half Dome haven't lost their magic attraction to this day. Climbers from all over the world pilgrimage to Yosemite year-round to do a Big Wall, to attempt Midnight Lightning, the most famous boulder in the world, and to experience the flair of the past in legendary Camp 4. From the surveys of geologists in the 1860's to the free speed climbs of today, over 100 years of climbing history accompany a range of superb color landscape photos that echo the great traditions of the Ansel Adams and the Sierra Club large format books of the 1970s. Essays by well-known climbers Warren Harding, Royal Robbins, Jim Bridwell, Mark Chapman, Jerry Moffatt, John Long, Peter Croft, Lynn Hill, Thomas Huber, Dean Potter, and Leo Houlding illustrate the evolution in climbing equipment and varied techniques needed to ascend the rock peaks and amazing walls.

Deutsche Lieder für Jung und Alt Lisa Feurzeig.2002-01-01 x + 244 pp.

Wagner and the Volsungs Árni Björnsson.2003

Exploring the Interior Karl Siegfried Guthke.2018 In this fascinating collection of essays Harvard Emeritus Professor Karl S. Guthke examines the ways in which, for European scholars and writers of the eighteenth and early nineteenth century, world-wide geographical exploration led to an exploration of the self. Guthke explains how in the age of Enlightenment and beyond intellectual developments were fuelled by excitement about what Ulrich Im Hof called the grand opening-up of the wide world", especially of the interior of the non-European continents. This outward turn was complemented by a fascination with the world within" as anthropology and ethnology focused on the humanity of the indigenous populations of far-away lands - an interest in human nature that suggested a way for Europeans to understand themselves, encapsulated in Gauguin's Tahitian rumination "What are we?" The essays in the first half of the book discuss first- or second-hand, physical or mental encounters with the exotic lands and populations beyond the supposed cradle of civilisation. The works of literature and documents of cultural life featured in these essays bear testimony to the crossing not only of geographical, ethnological, and cultural borders but also of borders of a variety of intellectual activities and interests. The second section examines the growing interest in astronomy and the engagement with imagined worlds in the universe, again with a view to understanding homo sapiens, as compared now to the extra-terrestrials that were confidently assumed to exist. The final group of essays focuses on the exploration of the landscape of what was called the universe within"; featuring, among a variety of other texts, Schiller's plays *The Maid of Orleans* and *William Tell*, these essays observe and analyse what Erich Heller termed *The Artist's Journey into the Interior.*" This collection, which travels from the interior of continents to the interior of the mind, is itself a set of explorations that revel in the discovery of what was half-hidden in language. Written by a scholar of international repute, it is eye-opening reading for all those with an interest in the literary and cultural history of (and since) the Enlightenment.--Publisher's website.

*The Culture of Defeat* Wolfgang Schivelbusch.2013-08-13 A fascinating look at history's losers-the myths they create to cope with defeat and the steps they take never to be vanquished again History may be written by the victors, Wolfgang Schivelbusch argues in his brilliant and provocative new book, but the losers often have the final word. Focusing on three seminal cases of modern warfare-the South after the Civil War, France in the wake of the Franco-Prussian War, and Germany

following World War I-Schivelbusch reveals the complex psychological and cultural reactions of vanquished nations to the experience of military defeat. Drawing on responses from every level of society, Schivelbusch shows how conquered societies question the foundations of their identities and strive to emulate the victors: the South to become a better North, the French to militarize their schools on the Prussian model, the Germans to adopt all things American. He charts the losers' paradoxical equation of military failure with cultural superiority as they generate myths to glorify their pasts and explain their losses: the nostalgic plantation legend after the fall of the Confederacy; the cult of Joan of Arc in vanquished France; the fiction of the stab in the back by foreign elements in postwar Germany. From cathartic epidemics of dance madness to the revolutions that so often follow battlefield humiliation, Schivelbusch finds remarkable similarities across cultures. Eloquently and vibrantly told, *The Culture of Defeat* is a tour de force that opens new territory for historical inquiry.

**Dictionary of Films** Georges Sadoul.1972 Lists significant international films, with brief plot summaries, critical analyses, and listings of producers, directors, and actors

*Musicology in Ireland* Gerard Gillen,Harry White.1990 This volume covers aspects of medieval and baroque organology, source studies, notation, music theory and analysis, as well as a host of historical topics.

World Within The Word William H. Gass.2012-09-05 In this sequel to *Fiction & the Figures of Life*, one of America's most brilliant and eclectic minds examines literature, culture, writers (their lives and works), and the nature and uses of language and the written word. Included are discussions of Valéry, Henry Miller, Sartre, Freud, Faulkner, suicide, art and order, and the transformation of language into poetry and fiction. The vividness and clarity of Gass's writing, the unabashed love and inimitable use of language-his startling metaphors, the sinuousness of his philosophy, the originality of his vision-make each essay a searching revelation of its subject, as well as an example of Gass's own singular artistry.

**The Messianic Secret** William Wrede.2022-01-01 William Wrede was among the first to recognise the creative contribution of the Gospel writers. His work thus laid the foundation for the work of the Form Critics, Redaction Critics and Literary Critics whose scholarship dominated New Testament studies during the twentieth century. This highly influential work was throughout this period the departure point for all studies in the Gospel of Mark and in the literary methods of the evangelists. It remains highly relevant for its ground-breaking approach to the classically complicated question of whether Jesus saw himself and represented himself as the Messiah.

*The Art of Accompanying and Coaching* Kurt Adler.2012-12-06 IN WRITING a book for which there is no precedent (the tistic achievements. But, alas, there has not been such last textbooks about accompanying were written during a genius in the realm of music during the twentieth the age of thorough bass or shortly thereafter - the century. The creative musical genius of our space age eighteenth and early nineteenth centuries - and dealt has yet to be discovered, if he has been born. exclusively with the problems timely then) one must Our time has perfected technique to such a degree make one's own rules and set one's own standards. This that it could not help but create perfect technician freedom makes the task somewhat easier, if, on the one artists. Our leading creative artists master technique hand, one looks to the past: there is no generally ap to the point of being able to shift from one style to proved model to be followed and to be compared with another without difficulty. Take Stravinsky and Picasso, one's work; but, on the other hand, the task is hard be for instance: they have gone back and forth through as cause one's responsibility to present and future genera many periods of style as they wished. Only with a stu tions of accompanists and coaches is great.

Germans in Minnesota Kathleen Neils Conzen.2014-11-20 A concise history of Germans in Minesota including immigration pattern, the Catholic and Lutheran churches, cultural organizations, business and politics especially in the World War 1 year. Minnesota is often associated with its Scandinavian heritage, but in fact Germans are the largest single immigrant group in Minnesota history and were the largest ancestry group in the 2000 census. Author Kathleen Neils conzen tells the story of

German Americans and their profound influence on Minnesota history and culture. Conzen recounts their triumphs and struggles over the last 150 years in a clear and concise narrative. Landing in poverty, Germans transformed acres of wilderness into productive farms and brought to America their love of art, music and sociability. Immigrants came to America intent on creating in the words of one agent, an earthly paradise of this Minnesota and a new Germany soon rose in Stearns Country. Conzen explores not only the well known enclaves in Brown and Stearns Countries but also looks at the smaller communities of Winona, on the Iron Range, and along the North Shore, as well as in the Twin Cities. In recent times, a renewed interest in German heritage can be seen in towns like New Ulm, home to the thirty-two-foot statue of Hermann the German, hero of the wars against the ancient Roman legions, and Heritagefest, the ethnic heritage festival that occurs every summer. Germans in Minnesota is the fifth book in The People of Minnesota, a new series dedicated to telling the history of the state through the stories of its ethnic groups in accessible and illustrated paperbacks. Future volumes include Chinese in Minnesota (due Fall 2003), Mexicans in Minnesota (due Spring 2004), Swedes in Minnesota (due Spring 2004), Poles in Minnesota (due Fall 2004), Ojibwe in Minnesota, Dakota in Minnesota, and Hmong in Minnesota.

**Wine Culture in Iran and Beyond** Bert G. Fagner, Ralph Kauz, Florian Schwarz. 2014 Ausgehend von wichtigen neuen archaologischen Befunden und Erkenntnissen, die zu einer Neubewertung der Geschichte des Weinbaus in Iran und seinem asiatischen Kontext gefuhrt haben, untersucht dieser Band kulturelle, soziale und politische Aspekte der Weinkultur in der iranischen Welt. Die hier versammelten Fallstudien und Essays reichen von der Frage nach den Anfängen des Weinbaus und -handels zwischen dem iranischen Hochland und China bis zur Weinkultur im Kafirstan des 20. Jahrhunderts. Sie schliessen Themen wie die Rolle von Rauschgetranken im Hadith und die Bedeutung und Funktion von Wein in der klassischen persischen Dichtung und in der iranischen Architektur ebenso ein wie die Vieldeutigkeiten von Alkohol im vormodernen Iran und angesichts der Herausforderungen von Moderne und kolonialen Begegnungen.

Florida Thoroughbred Charlene R. Johnson. 1993 From the preface: In 1774, naturalist William Bartram described the area just north of Ocala as covered with 'squadrons of beautiful, fleet Seminole horses on the great Alachua Savannah.' But over a hundred years later, early Florida breeders would be scoffed at for their attempts to raise horses in Florida. Early thoroughbred breeders (mainly the bluegrass hardboots of Kentucky) warned that thoroughbred horses couldn't survive the Florida heat and swampland. Stick to raising alligators, they mocked. Today the thoroughbred industry is a major business in the state (ranking third in terms of revenue), and racehorses that are born, raised, and trained in Florida gallop to worldwide acclaim. Long-awaited by people in the industry, this book by award-winning turf writer Charlene R. Johnson is the only complete history of racing and breeding in the state. Long known as a winter racing mecca, the Hialeah Race Track opened the palm tree circuit in 1925 with a dusty track, an infield of burned weeds, and no unloading facilities for the tired horses who arrived by train from New York. The first string to race at Hialeah unloaded in downtown Miami and walked ten miles to the track while grooms wielded baseball bats to protect the horses from snakes. The success--and quirky personality--of Needles, the first Florida thoroughbred to win the Kentucky Derby, in 1956 (coming from second-to-last position on the backstretch), accelerated the state's breeding program. Johnson documents the business from the early era in Tallahassee in the 1800s to its unprecedented growth in Marion County, where limestone deposits in the rolling green countryside provide the perfect nutrients for healthy bones and cartilage in livestock. Interviews with first- and second-generation horse people contribute to this record--including Fred Hooper, winner of more breeder's awards and racing honors than anyone in the United States, and Frank David (Buddy) Yates, Needles' gallop boy in the fifties and the son of Needles' trainer, Roy Yates. Among more than a hundred photographs in the book are shots of the famous captive flamingoes at Hialeah, Rough 'n Tumble's swimming pool at Ocala Stud, Needles exhibiting his characteristic displeasure during morning exercise, Carryback, the second Florida thoroughbred to win the Kentucky Derby, and Affirmed, the first to win the Triple Crown. Appendixes provide information on tracks, earnings, winners, breeder awards, and more.

Charlene R. Johnson is a freelance turf writer and has been involved in all facets of the thoroughbred industry for the past twenty years, from breeding to racing, galloping on the track, to walking hots. She belongs to the Florida and National Turf Writers' Associations and has published articles in The Thoroughbred Times, The Blood Horse, Spur Magazine, and Chronicle of the Horse, winning three national awards for her writing. She served as editor of The Florida Horse and as staff writer for the The Horsemen's Journal, wrote a weekly column for the Daily Racing Form, and was the main correspondent for the Florida Thoroughbred Times. She currently is working on a historical novel based in Florida.
