A Call To Truth Gary Nicks.2016-11-30 Have you ever questioned the teachings of the church? Do they make sense to you? When there are teachings you don't understand, have you ever been told, Just take it on faith, brother? I have! This was not acceptable to me. If God wants us to know him and his son, Jesus Christ, and the Word of God is his communication to us, then we as individuals should be able to study his Word and understand it. However, I believe that we are in the unfortunate time for the church in which the prophecy of the Apostle Paul has come to its fulfillment: For the time will come when men will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths. (2 Timothy 4:3-4) This book presents many of the questions I had in my quest for truth. It addresses some of the most egregious doctrines that lead people away from understanding God's plan and how they are to fit into it. In order to effectively seek God, you must ask questions. Why? Mainly because it is just as easy to believe a lie as it is the truth. Remember John 4:23-24: Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in spirit and in truth. *UK Continental Shelf Well Records Stationery Office, The.1982*

Ivor joined Rolls Royce as an apprentice in engineering eventually finishing at Castrol Oil, Ellesmere Port. Born Into Hitler's War Gisela Wicks.2014-03 This memoir is the story of my childhood and teen years. It begins when I was very young with my parents' divorce, then goes on to living with a spiteful and unloving stepmother, World War II, my father being wounded, the fear of the approaching Russian front, our fleeing from them and bombings. After the end of war, as we tried to make our way back home, I was terrified of the Russian soldiers and war prisoners who roamed our countryside. I feared my father would be shot or imprisoned. I listened to women screaming for help while being raped. I endured the sorrow of losing my beloved father, followed by living with my stepmother's cruelty. My agony ended with the happy reunion with my real mother, my sister, Oma my loving grandmother, and family. After WWII ended, my family and I lived behind the Iron Curtain in East Germany under the Russian occupation Stalin's Iron Fist. His communist regime imposed such strict isolation and extreme hunger on us that in June of 1953 the citizens of East Germany waged an unsuccessful uprising to gain freedom from Russia and communism. Finally, in the fall of 1953, when I was eighteen, we escaped to West Germany. These are the memories of my childhood and teen years.

Affective Health and Masculinities in South Africa Hans Reihling.2020-04-03 *Affective Health and Masculinities in South Africa* explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Take the Slow Road: England and Wales Martin Dorey.2019-05-16 Forget hurrying. Forget putting your foot down and racing through sweeping bends. Forget the understeer (whatever that is). Forget the blur of a life lived too fast. This is a look at taking life slowly. It's about taking the time to enjoy journeys and places for their own sake. It's about stopping and putting the kettle on. Stopping to take a picture. Stopping to enjoy stopping. How are you going to do it? In a camper van or a motorhome, of course. In this book we define the best driving routes around England and Wales for camper vans and motorhomes. We show you the coolest places to stay, what to see, what to do and explain why it's special. We meander around England and Wales on the most breathtaking roads, chugging up mountain passes and pootling along the coast. We show you stuff that's fun, often free. We include the best drives for different kinds of drivers; for surfers, wildlife watchers, climbers and walkers. We include the steepest, the bendiest, those with the most interesting bridges or views or obstacles, ferries and tidal causeways. And you don't even have to own a camper van or motorhome - we'll tell you the many places you can rent one to take you on the journey. All of this is interspersed with beautiful photos, handy maps and quirky travel writing from the king of camper vans and motorhomes, Martin Dorey. So if all you want to do is flick through it on a cold day and plan your next outing, you'll be transported (albeit slowly) to pastures, beaches, mountains and highways that make you want to turn the key and go, go, go!

Tacky Rax King.2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor.
