When Your Wife Has Tommy John Surgery and Other Baseball Stories E. Ethelbert Miller. 2021-09-07 Much-honored Washington, D.C. poet activist E. Ethelbert Miller delights and surprises us with his deft imaginings and portraits. Ethelbert's poems play out in baseball rhythm and express the joy of living, despite the bitter challenges in today's world. These poems define our time and allow us to see ourselves as human through the lens of baseball, family and music. *When Your Wife Has Tommy John Surgery and Other Baseball Stories* is Miller's second book of baseball poems. Here he touches new bases. There are poems about Marcel Duchamp and Ornette Coleman as well as Whitey Ford and Don Larsen. Miller's poems move the outdoor game indoors where there are moments of disappointment and despair. Baseball can be a blues game. Tommy John surgery is a way of holding onto hope. Many of these poems were written during the Covid pandemic. They beckon fans back to the ballpark. They remind us to enjoy a game that is precious and maybe even essential to our wellness. Coming after *If God Invented Baseball*, Miller seems to emerge from a literary dugout after a brief rain delay, ready to celebrate the American pastime again.

Walking to China Robert E. Rhodes. 2010-01-07 For most of us poetry is a form of noise that poets make because they can. Like birds, poets are more active in the spring. Like dogs, poets growl if you get too close to their easy chairs, but respond well to any show of affection. Poets are not even-tempered creatures, but are nicer after a few drinks. They expect too much of their wives and too little of their children. I am at liberty to tell you all this because I am a special breed of poet whose noises are pure music . . . Robert Rhodes has been a teacher, editor, published poet, translator, director of a museum, and a major figure in the Live Poets Society. He was born in the South, attended U of Florida and UNM and has an MA and a PhD. He is married, has five children, lives in Santa Fe, writes poems and walks his dog. A Primer for Poets and Readers of Poetry Gregory Orr.2018-02-13 An innovative and accessible guide to poetry-writing by an award-winning poet and beloved professor of poetry. A Primer for Poets and Readers of Poetry guides the young poet toward a deeper understanding of how poetry can function in his or her life, while also introducing the art in an exciting new way. Using such poems as Theodore Roethke's My Papa's Waltz and Robert Hayden's Those Winter Sundays, the Primer encourages young writers to approach their thresholds—those places where disorder meets order, where shaping imagination can turn language into urgent and persuasive poems. It provides the poet with more than a dozen focused writing exercises and explains essential topics such as the personal and cultural threshold; the four forces that animate poetic language (naming, singing, saying, imagining); tactics of revision; ecstasy and engagement as motives for poetry; and how to locate and learn from our personal poetic forebears.

Rushing River Barbara E. Barber.2013-10-09 What happens when a Jekyll-Hyde, a boisterous bum, and a group of tourists' board a subway car in New York? Why did a subway rider cry, Halloween in July!? These and other poems in *Rushing River* are guaranteed not to be boring. Some will intrigue; others will exhilarate and surprise you. Still others will tickle your funny bone. I was born in Charleston, South Carolina, raised in New York, and spent my early summer years at the library reading and writing stories and poems. Below are titles from poems included in *Rushing River*, and comments made over the years by editors who reviewed them. The Civilized - Seldom do we see a short poem that has: 1. clarity, 2. intensity, 3. impact - all in 5 lines. - J.J. Snow, *The Poetry Peddler* Waste and Want - Given the imbalance between a glut of food in some parts of the world and the lack of food in others, this poem is likely always to be relevant. - Florence Trefethen, *The Writer* Ugly O's, Additives, - Though short, your poems have a lot of impact on the reader. Very well done. - Marie Hoffman, *The Poet's Corner*

A Field Guide to the Poetry of Theodore Roethke William Barillas.2020-12-29 A constellation of essays that reanimates the work of this pivotal twentieth-century American poet for a new century. This volume is the first to reconsider Roethke's work in terms of the expanded critical approaches to literature that have emerged since his death in 1963. Editor William Barillas and over forty contributors, including highly respected literary scholars, critics, and writers such as Peter Balakian, Camille Paglia, Jay Parini, and David Wojahn, collectively make a case for Roethke's poetry as a complete, unified, and evolving body of work. The accessible essays employ a number of approaches, including formalism, ecocriticism, reader-response, and feminist critique to explicate the poetics, themes, and the biographical, historical, cultural, and literary contexts of Roethke's work.

The Poetry of James Joyce Reconsidered Marc C. Conner.2012-04-29 To many, James Joyce is simply the greatest novelist of the twentieth century. Scholars have pored over every minutia of his public and private life from utility bills to deeply personal letters in search of new insights into his life and work. Yet, for the most part, they have paid scant attention to the two volumes of poetry he published. The nine contributors to *The Poetry of James Joyce Reconsidered* convincingly challenge the critical consensus that Joyce's poetry is inferior to his prose. They reveal how his poems provide entries into Joyce's most personal and intimate thoughts and ideas. They also demonstrate that Joyce's poetic explorations--of the nature of knowledge, sexual intimacy, the changing quality of love, the relations between writing and music, and the religious dimensions of the human experience--were fundamental to his development as a writer of prose. This exciting new work is sure to spark new interest in Joyce's poetry, and will become an essential and indispensable resource for students and scholars of his life and work.

Excerptiones de Prisciano Aelfric (Abbot of Eynsham.),Priscian.2002 First edition of 10th-century compendium of grammatical lore, second only in importance to Ælfric's own Grammar. When the famous Anglo-Saxon scholar Ælfric wrote the first grammar in a European vernacular, he used as his direct source the *Excerptiones de Prisciano* excerpts from major curriculum authors of the medieval schools, including Donatus, Isidore and Priscian himself . The tenth-century text, probably of English origin, most probably compiled by Ælfric, is an ambitious compendium of grammatical lore, and it is, with the exception of Ælfric's own Grammar, arguably the most sophisticated Latin-learning text of the Anglo-Saxon age. Edited here for the first time, the *Excerptiones* appear with all scholia, an English translation, and a full contextual introduction. DAVID W. PORTER is Professor of English, Southern University, Baton Rouge.

Complete Poems Claude McKay.2004-01-29 Containing more than three hundred poems, including

nearly a hundred previously unpublished works, this unique collection showcases the intellectual range of Claude McKay (1889-1948), the Jamaican-born poet and novelist whose life and work were marked by restless travel and steadfast social protest. McKay's first poems were composed in rural Jamaican creole and launched his lifelong commitment to representing everyday black culture from the bottom up. Migrating to New York, he reinvigorated the English sonnet and helped spark the Harlem Renaissance with poems such as *If We Must Die*. After coming under scrutiny for his communism, he traveled throughout Europe and North Africa for twelve years and returned to Harlem in 1934, having denounced Stalin's Soviet Union. By then, McKay's pristine violent sonnets were giving way to confessional lyrics informed by his newfound Catholicism. McKay's verse eludes easy definition, yet this complete anthology, vividly introduced and carefully annotated by William J. Maxwell, acquaints readers with the full transnational evolution of a major voice in twentieth-century poetry.

The Complete Poems of Shakespeare Cathy Shrank, Raphael Lyne. 2017-11-02 Although best known for his plays, William Shakespeare (1564 - 1616) was also a poet who achieved extraordinary depth and variety in only a few key works. This edition of his poetry provides detailed notes, commentary and appendices resulting in an academically thorough and equally accessible edition to Shakespeare's poetry. The editors present his non-dramatic poems in the chronological order of their print publication: the narrative poems *Venus and Adonis* and *The Rape of Lucrece*; the metaphysical 'Let the Bird of Loudest Lay' (often known as *The Phoenix and the Turtle*); all 154 Sonnets and *A Lover's Complaint*. In headnotes and extensive annotations to the texts, Cathy Shrank and Raphael Lyne elucidate historical contexts, publication histories, and above all the literary and linguistic features of poems whose subtleties always reward careful attention. Substantial appendices trace the sources for Shakespeare's narrative poems and the controversial text *The Passionate Pilgrim*, as well as providing information about poems posthumously attributed to him, and the English sonnet sequence. Shrank and Lyne guide readers of all levels with a glossary of rhetorical terms, an index of the poems (titles and first lines), and an account of Shakespeare's rhymes informed by scholarship on Elizabethan pronunciation. With all these scholarly resources supporting a newly edited, modern-spelling text, this edition combines accessibility with layers of rich information to inform the most sophisticated reading.

The Rime in Schiller's Poems William Charles Hilmer. 1911

Time in Time J. Mark Smith. 2013-01-01 Edgar Allan Poe, arguing that brevity and intensity were the essence of poetry, declared there was no such thing as a long poem. It can also be said there is no difference between a short and a long poem except duration: a measure of time. *Time in Time* examines what the difference really is, and investigates the interplay of short and long forms in contemporary poetry. Moving beyond the opposition of lyric and experimental schools, *Time in Time* constructs a history of recent North American efforts to bring about a more open poetic form. Contributors explore ways in which the work of Louis Zukofsky, William Carlos Williams, Jackson Mac Low, George Oppen, Hannah Weiner, A.R. Ammons, Marjorie Perloff, Erin Moure, Ron Silliman, and Kenneth Goldsmith reconceives, reframes, and sometimes interknits the possibilities of short and long poems. In doing so, the collection offers insight into the affiliative networks and inter-generational lines of avant-gardism on the continent. Attuned to the surprising reversals and unstable categories of the period, *Time in Time* illuminates the ongoing encounter of literary creativity with the limits and possibilities of form. Contributors include Adam Dickinson (Brock University), Kerry Doyle (York University), Rachel Blau DuPlessis (Temple University), Steve McCaffery (SUNY Buffalo), Erin Moure (Montreal), Michael O'Driscoll (University of Alberta) Jennifer Russo (City University of New York Graduate Center), and J. Mark Smith (Grant MacEwan University).
