South African Language Rights Monitor 2010 / Suid-Afrikaanse Taalregtemonitor 2010 Johan Lubbe,Theodorus du Plessis.2014-06-18 This is the ninth annual report on the situation pertaining to language rights and language matters in general in South Africa. It cultivates an awareness of language rights and promotes a culture of taking proactive measures in order to oppose violations of language rights. Such awareness could lead, on the one hand, to the further democratisation of the community, and on the other, to increasing participation in public life.

Leonardo Pisano (Fibonacci) L. E. Sigler.2014-06-28 The Book of Squares by Fibonacci is a gem in the mathematical literature and one of the most important mathematical treatises written in the Middle Ages. It is a collection of theorems on indeterminate analysis and equations of second degree which yield, among other results, a solution to a problem proposed by Master John of Palermo to Leonardo at the Court of Frederick II. The book was dedicated and presented to the Emperor at Pisa in 1225. Dating back to the 13th century the book exhibits the early and continued fascination of men with our number system and the relationship among numbers with special properties such as prime numbers, squares, and odd numbers. The faithful translation into modern English and the commentary by the translator make this book accessible to professional mathematicians and amateurs who have always been intrigued by the lure of our number system.

Fiela's Child Dalene Matthee.1992-09 Set in nineteenth-century rural Africa, Fiela's Child tells the gripping story of Fiela Komoetie and a white, three-year old child, Benjamin, whom she finds crying on her doorstep. For nine years Fiela raises Benjamin as one of her own children. But when census takers discover Benjamin, they send him to an illiterate white family of woodcutters who claim him as their son. What follows is Benjamin's search for his identity and the fundamental changes affecting the white and black families who claim him. Everything a novel can be: convincing, thought-provoking, upsetting, unforgettable, and timeless.—Grace Ingoldby, *New Statesman* Fiela's Child is a parade that broadens and humanizes our understanding of the conflicts still affecting South Africa today.—Francis Levy, *New York Times Book Review* A powerful creation of time and place with dark threads of destiny and oppression and its roots in the almost Biblical soil of a storyteller's art.—Christopher Wordsworth, *The Guardian* The characters in the novel live and breathe; and the landscape is so brightly painted that the trees, birds, elephants, and rivers of old South Africa are characters themselves. A book not to miss.—Kirkus Reviews
