**El Santuario de Nuestra Señora de Lourdes** Charles River

Charles River Editors.2018-03-20 Aunque es una admirable obra de arte creada por la acción de las aguas del otrora turquesa río Gave de Pau, la modesta gruta a sus orillas, escondida en el desfiladero al norte de la Massabielle (Vieja Misa) en la pintoresca ciudad de Lourdes difícilmente sea la más majestuosa en la colección de la Madre Naturaleza. De hecho, la estrecha cueva era tan poco excepcional que permaneció, en buena parte, sin ser perturbada hasta mediados del siglo XVII, a excepción de alguno que otro pescador o arriero que se refugiara allí durante una tempestad inesperada. Rodeada de tupidos arbustos y envuelta en enredaderas de hiedra, la pequeña gruta, tan húmeda como es oscura, no es lo suficientemente espaciosa para albergar ni a un aquelarre de brujas. A pesar de su exterior común y dimensiones menos que impresionantes, la gruta atrae hoy en día a millones y millones de visitantes cada año sin falta. Largas filas zigzagueantes de lugareños, visitantes y peregrinos cristianos por igual esperan pacientemente su oportunidad para no solo apreciar, sino ofrecer sus respetos a la fascinantemente magnética gruta. Muchos de los creyentes, conmovidos, levantan sus manos, sus ojos llenos de lágrimas sinceras, hacia la estatua de quienes los lugareños alaban como Nuestra Señora de Lourdes, la cual se encuentra en un nicho iluminado por un candelabro en forma de árbol de navidad, lleno de velas blancas.

Además de servir como una referencia simbólica a la proclamación de Cristo -Yo soy la luz del mundo-, las velas representan la fe, ansiedades y votos de todos aquellos que visitan la gruta, descargando todas sus miserias e infortunios a los pies de la Señora. Tan sagrado es este espacio, que la parte inferior de las rústicas paredes se ha ido alisando, por los incontables peregrinos que buscan recibir las bendiciones divinas tocando la piedra sagrada. Algunos levantan a sus hijos sobre sus hombros y los instan a tocar las húmedas y musgosas paredes. Otros que llevan recién nacidos en brazos, tocan gentilmente las suaves cabezas de sus infantes contra la piedra de la gruta. También están aquellos que presionan prendas de ropa de sus hijos u otros parientes contra las paredes, mientras murmuran a ojos cerrados una plegaria por ellos. Una escena tal vez aún más conmovedora es el fenómeno de la extasiada congregación que se reúne allí para escuchar la misa especial que se celebra cada 11 de febrero. Resaltan al frente de la congregación las docenas de visitantes en sillas de ruedas, sentados lado a lado en grupos de ocho. Parados juntos a ellos en esta multitud de varios miles, están cientos de asistentes sosteniéndose en muletas, y otros más que padecen aflicciones y angustias invisibles, tanto físicas como mentales. Cualesquiera sean las propias creencias e historia de vida, la mirada pura de anhelo y esperanza que brilla en los ojos de quienes con tanta intensidad observan el manantial de la gruta -rodeado por plexiglás y delimitado por cuerdas- es suficiente para llegar al corazón. Visto con más detalle, el manantial en cuestión no es más que una apertura perfectamente circular en el suelo, que recuerda a una alcantarilla. Y, sin embargo, este manantial no es solo preservado, sino fervientemente elogiado, como evidencia el incesante número de visitantes y la variedad cual arcoíris de hermosos buqués florales, refrescados regularmente. Dicen que el juicio no existe en Lourdes. Una vez que uno pone un pie en este suelo sagrado, todas las barreras de raza, condición social, antecedentes y diferencias de religión

dejan de existir. No es uno más que un alma humilde en busca de la renovación de la propia conexión con Dios. El Santuario de Nuestra Señora de Lourdes: La Historia y Legado del Centro de Milagros de la Iglesia Católica narra la notable historia del sitio y cómo se convirtió en uno de los lugares más influyentes de la religión.

*El Santuario* Matthew Brown.2015-12-14 Tras levantarse en contra de Simón Bolívar, denunciándolo como a un tirano con pretensiones monárquicas, José María Córdova y sus tropas fueron derrotados en el campo de El Santuario (provincia de Antioquia) por las fuerzas del gobierno, comandadas por el irlandés Daniel O'Leary. Al final de la batalla, otro irlandés, Rupert Hand, ejecutó a mansalva al líder herido de los insurrectos. ¿Cómo explicar la presencia de estos y otros extranjeros en un conflicto interno de Colombia? Para resolver este interrogante, el historiador británico Matthew Brown elabora una apasionante biografía colectiva de los combatientes de uno y otro bando, remontando el curso de sus vidas y siguiendo luego sus trayectorias a lo largo de dos décadas de vicisitudes políticas en la Nueva Granada y Venezuela. La revisión de aquellos itinerarios múltiples permite abordar no solo la disolución de la República de Colombia y la consolidación de los regímenes republicanos en la Tierra Firme, sino también la constante reconfiguración de lealtades y la naturaleza de las influencias imperiales una vez concluida la contienda independentista.

Córdova pensó que había elegido bien su estrategia. Los 370 hombres de su Ejército de la Libertad esperaban en El Peñol, en el oriente de la provincia de Antioquia, en los Andes colombianos, la llegada de las fuerzas del gobierno, que marchaban desde Bogotá con el fin de aniquilar su rebelión. A las cinco de la tarde del 16 de octubre de 1829, los hombres de Córdova se encontraban desplegados de tal manera que pudieran arremeter contra la expedición gubernamental cuando esta saliera del paso de la montaña, cansada, empapada y muerta de frío, y derrotarla en Los Páramos, una planicie al oeste de Guatapé, sin darle tiempo de reagruparse y aprovechar su ventaja numérica

**Que se sabe de... La Biblia desde la arqueología** González Echegaray, Joaquín.2010-05-01 Las investigaciones arqueológicas en el Oriente, ya desde el siglo XIX, siempre han ido acompañadas de un entorno de aventura y riesgo. Pero más allá de la historia anecdótica y romántica, los arqueólogos nos han descubierto multitud de ruinas y valiosos objetos, que permiten reconstruir el mundo en que se desarrolló la historia bíblica. Los belicosos filisteos, la bien defendida y lujosa ciudad de Samaría, capital del reino de Israel, la vieja y sagrada Jerusalén, todo ello en el entorno del Antiguo Testamento, van desfilando por las páginas de este libro. Igualmente otros lugares íntimamente relacionados con Jesús de Nazaret, como Cafarnaúm, Cesarea de Filipo, Jericó y, sobre todo, el mítico templo de Jerusalén. Pero ¿qué nos dicen de la Biblia todas estas excavaciones? ¿Cuántos desafíos nos plantean? ¿Qué retos quedan al descubierto?

**El templo que unió a Nueva España** Gustavo Watson Marrón.2012

*El Santuario* Anne Rice.2004-11 Quinn Blackwood, un sexy y excéntrico caballero convertido en vampiro, ha sido perseguido por su duende toda su vida. Un personaje que nadie más puede ver, el poder del duende crece con cada gota de sangre que Quinn involuntariamente bebe. La única esperanza de liberación es encontrar al legendario vampiro Lestat.

**La Historia del Padre Kentenich** Hernán Alessandri M..2005 P. Hernán Alessandri estudió acuciosamente la historia del P. Kentenich e hizo un vivo y profundo relato de su persona. Esta biografía ha sido enriquecida con una amplia colección de textos autobiográficos recopilados por el P. Juan Pablo Catoggio e ilustrada con un abundante material fotográfico, destacando el carisma de su paternidad. Un libro apto para introducirse en Schoenstatt y para despertar un cálido vínculo con el P. Kentenich. Editorial Patris nació en 1982, hace 25 años. A lo largo de este tiempo ha publicado más de dos centenares de libros. Su línea editorial contempla todo lo relacionado con el desarrollo integral de la persona y la plasmación de una cultura marcada por la dignidad del hombre y los valores del Evangelio. Gran parte de sus publicaciones proceden del P. José Kentenich, fundador del Movimiento de Schoenstatt o de autores inspirados en su pensamiento. Por cierto, también cuenta con publicaciones de otros autores que han encontrado acogida en esta Editorial. De esta forma Editorial Patris no sólo ha querido poner a disposición de los miembros de la Obra de Schoenstatt un valioso aporte, sino que, al mismo tiempo, ha querido entregar a la Iglesia y a todos aquellos que buscan la verdad, una orientación válida en medio del cambio de época que vive la sociedad actual.

**Santuario de Peña de Francia** José Luis Espinel (O.P.).1950\* Historia del Santuario de Nuestra Señora de la Misericordia y de la uente de la Vella sito en termino de la Villa Real de Cati del Obispado de Tortosa en el Reyno de Valencia Francisco Celma.1759

**Historia de la imagen y el santuario de Ntra. Sra. del Rosario de Andacollo** Principio Albas.1943

**El santuario** I. Biggi.2005 A principios del siglo XIV, la orden de los templarios parece abocada a su desaparición. Su Gran Maestre acude a los monarcas europeos para pedirles ayuda para recuperar Jerusalén de las manos de los mamelucos, pero apenas obtiene de ellos una retahíla de palabras amables. Ante una

situación desesperada, los templarios deciden ocultar el valioso legado que custodia la orden, un símbolo de vital importancia y valor incalculable para la humanidad, en un lugar del Pirineo aragonés. A comienzos del siglo XX, Alfonso XIII desarrolla el proyecto de construcción de una polémica línea de ferrocarril que cruce los Pirineos para unir Aragón con Francia, consciente de que en su ejecución están en juego suculentos beneficios. Sin embargo, el más ambicioso puente tendido entre los dos países puede poner en peligro el secreto que los herederos de la orden clandestina han jurado defender a cualquier precio... I. Biggi reúne elementos reales y ficticios en varios planos temporales convirtiendo El Santuario en una novela que dosifica con gran agilidad historia y aventura. Una narración que reúne con aparente facilidad versiones alternativas de los Evangelios, la desaparición de una orden religiosa fascinante y la interpretación en clave conspirativa de un capítulo crucial de la historia de España.

**Historia del convento y santuario de Ntra. Sra. de Montesclaros** Maria Del Santisimo Rosario.2006-10-30  
**El Santuario de Chimayo** .1956

El santuario (Crónicas Vampíricas 9) Anne Rice.2014-08-16 Del Nueva Orleans actual al Nápoles del siglo XIX, pasando por la antigua Atenas o Pompeya, la intensa trayectoria vital del vampiro Quinn reúne en un mismo volumen las «Crónicas Vampíricas» y la serie de «Las Brujas de Mayfair» para revelar otros episodios de la historia de los vampiros. Quinn Blackwood, un rico y excéntrico joven convertido en vampiro, pide la ayuda de Lestat para librarse del celoso control a que le somete Goblin, su doppelgänger. Desde que Quinn entró en el reino de los muertos, Goblin, otrora su sombra fiel, se ha convertido en una amenaza para los seres cercanos al atractivo gentleman. Lestat, intrigado, le pide a Quinn que narre la historia de su vida. Este recuerda su infancia en el seno de una familia muy peculiar y describe sus días en Blackwood Farm, la mansión de altas

by guest

columnas y extensos jardines rodeada de zonas pantanosas en la que creció y ahora reside. A pesar de su amor por Mona Mayfair, una bella bruja con la que mantiene una apasionada relación, Quinn posee una agitada vida amorosa que, junto a su imperioso deseo de beber sangre, le ha llevado a recorrer el mundo y conocer distintas épocas de la historia. « He leído tus Crónicas Vampíricas de cabo a rabo. Me las regaló mi creador, un antiguo buscador de sangre que, según su versión de los hechos, me concedió asimismo una fuerza extraordinaria. En tus relatos, te refieres a los orígenes de los vampiros, citando a una antigua bebedora de sangre egipcia que relató la historia a Marius, el sabio, el cual siglos atrás te lo transmitió a ti. Ignoro si tú y Marius os inventasteis algunas de las historias que relatas en tus libros. Es posible que tú y tus camaradas, la secta de eruditos, como os denomináis ahora, tengáis por costumbre contar mentiras. Pero no lo creo. Yo mismo soy prueba de que los bebedores de sangre existen -ya se llamen bebedores de sangre, vampiros, hijos de la noche o hijos del milenio-, y la forma en que me convertí en uno de ellos confirma lo que describes en tus crónicas. »
