Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around. Free

ebooks are available on every different subject you can think of in both fiction and non-fiction. There are free ebooks available for adults and kids, and even those tween and teenage readers. If you love to read but hate spending money on books, then this is just what you're looking for. If you are looking for free eBooks that can help your programming needs and with your computer science subject, you can definitely resort to FreeTechBooks eyes closed. You can text books, books, and even lecture notes related to tech subject that includes engineering as well. These computer books are all legally available over the internet. When looking for an eBook on this site you can also look for the terms such as, books, documents, notes, eBooks or monograms. The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public. Open Culture is best suited for students who are looking for eBooks related to their course. The site offers more than 800 free eBooks for students and it also features the classic fiction books by famous authors like, William Shakespear, Stefen Zwaig, etc. that gives them an edge on literature. Created by real editors, the category list is frequently updated. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. Free-eBooks is an online source for free ebook downloads, ebook resources and ebook authors. Besides free ebooks, you also download free magazines or submit your own ebook. You need to become a Free-EBooks.Net member to access their library. Registration is free. Authorama offers up a good selection of high-quality, free books that you can read right in your browser or print out for later. These are books in the public domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to

worry if you're looking at something illegal here. If you find a free book you really like and you'd like to download it to your mobile e-reader, Read Print provides links to Amazon, where the book can be downloaded. However, when downloading books from Amazon, you may have to pay for the book unless you're a member of Amazon Kindle Unlimited.
