Learning in Public Courtney E. Martin.2021-08-03

This provocative and personally searching memoir follows one mother's story of enrolling her daughter in a local public school (San Francisco Chronicle), and the surprising, necessary lessons she learned with her neighbors. From the time Courtney E. Martin strapped her daughter, Maya, to her chest for long walks, she was curious about Emerson Elementary, a public school down the street from her Oakland home. She learned that White families in their gentrifying neighborhood largely avoided the majority-Black, poorly-rated school. As she began asking why, a journey of a thousand moral miles began. Learning in Public is the story, not just Courtney's journey, but a whole country's. Many of us are newly awakened to the continuing racial injustice all around us, but unsure of how to go beyond hashtags and yard signs to be a part of transforming the country. Courtney discovers that her public school, the foundation of our fragile democracy, is a powerful place to dig deeper. Courtney E. Martin examines her own fears, assumptions, and conversations with other moms and

dads as they navigate school choice. A vivid portrait of integration's virtues and complexities, and yes, the palpable joy of trying to live differently in a country re-making itself. Learning in Public might also set your family's life on a different course forever.

Mother and Son Dr. Emerson Eggerichs.2016-04-05 From the New York Times best-selling author of Love & Respect comes the definitive book for mothers and sons. Love is important, but it is respect that is the key to your son's heart. Dads and their boys are often best buddies. But what's the key to a successful and healthy mother-son bond? Informed by relevant scripture and up-to-date psychological research, Emerson Eggerichs, Ph.D., explores this foundational relationship to show how loving and respecting your little boy can help him grow into a mature, responsible, and godly man. The idea of moms respecting their sons may sound strange to some. It's easy to recognize that little girls need dad's love, but who is strongly promoting the truth that little boys (and big ones) need mom's respect? In Mothers & Sons: The Respect Effect, readers will discover: Why respect matters in a mother-son relationship A method based on the testimonies of thousands of mothers Specific responses that can be given instead of how you would "normally" respond Practical applications, especially for parenting teen boys Just as Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, you can apply these same principles to transform your relationship with your son. Mother & Son is also available in Spanish, Madre e hijo.

How do we find God's will for life's big decisions? What if you had total freedom? Emerson Eggerichs believes there is a clear answer to finding God's will. The Bible itself reveals the clue--a secret hidden in plain sight. Before launching his *Love & Respect* marriage ministry with wife Sarah, Emerson was a senior pastor for nearly 20 years in East Lansing Michigan. Before that, Emerson and a friend ran a free counseling center called "The Open Door" in Cedar Rapids, Iowa. As Emerson navigated his career he found both he and the people he was counseling were wrestling with big decisions and knowing if that decision was really what God wanted. Immersing himself in God's word for over 30 hours a week for 19 years, he discovered simple, clear truths that set him and many others free. There is a starting point to discovering God's Will for your next decision and for your entire life. Begin here to read stories of people in the same situations you face today. You'll be able to discover the freedom you've been searching for, and then, like Emerson, you'll help others find that freedom too.

Before You Hit Send Dr. Emerson Eggerichs. 2017-07-25 When will we learn? With every sunrise we are given plenty of new examples of people "Hitting Send" and soon regretting it. Social media means what it says: it is social! Our methods of communication today allow for something to potentially be broadcast to everyone from Pekin, Illinois to Peking, China. But it's not only Twitter fanatics who can find themselves in trouble. Every single one of us is capable of falling prey to this growing plague. Every day we have the potential of both verbal and written blunders. It makes no difference if we are talking to a stranger over a meat counter, chatting on a cell phone with our mother, or sending an e-mail to a coworker; we can and do miscommunicate and people can and do get the wrong idea. When we don't pause long enough to think before speaking or writing, it commonly yields a misunderstanding and leads to a clash. We end up being the person who said, "You know that sphere of the brain that stops you from saying something that you shouldn't? Well, I don't have one of those." This book is about

preventing that misunderstanding and allowing for understanding. Said another way, preempting people from getting the wrong idea and enabling them to get the right idea! We all need work in this area in far more ways than just glancing through a checklist. From external examples to internal turmoil, Before You Hit Send is about the four things we must think through before communicating. In all things we wish to say or write, we would be wise to ask ourselves, Is it true? Is it kind? Is it necessary? Is it clear? When we ask and answer these four questions honestly, we will be thinking wisely before we speak. But to explore this fully, we need to find out a whole lot more about ourselves and uncover why we consciously and subconsciously get into these communication disasters to begin with. You may be surprised what you discover about yourself. Shall we begin?

respeto. Basado en Efesios 5.33 y vasta investigacion biblica y psicologica, el doctor Emerson Eggerichs revela por que los esposos reaccionan negativamente el uno con el otro, y como pueden tratar con este conflicto rapida, facil y biblicamente. Mother and Son Emerson Eggerichs.2016 From the New York Times best-selling author of Love & Respect comes the definitive book for mothers and sons. Love is important but it is respect that is the key to your son's heart. As Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, he now turns these principles to one of the most important relationships of all, a mother and her son. The idea of moms respecting their sons may sound alien to some, but it seems to ignite curiosity across the board. It is easy to relate to the need for all of us to feel a mother's love, but is that the same thing as respect? Even for young boys, the effect of respect is nothing short of astounding when applied properly. Moms yearn to learn anything that better helps them with their sons. After all, they love their boys, but many find them more difficult to parent than their girls, especially from age four and up. What makes this all the more urgent is that moms are coaching fathers to love their daughters, but no one has said boo to moms on specific ways to show respect to their sons, at least not in a way that is applicable and fully explained. All realize that little girls need daddy's love, but who is strongly promoting the truth that little boys (and big ones) need Mom's respect? No wonder mothers feel left in the dark on this topic. Mother & Son is also available in Spanish, Madre e hijo.

endings as a necessary and strategic step to something better. If we cannot see endings in a positive light and execute them well, he asserts, the better will never come either in business growth or our personal lives. In this insightful and deeply empathetic book, Dr. Cloud demonstrates that, when executed well, necessary endings allow us to proactively correct the bad and the broken in our lives in order to make room for the professional and personal growth we seek. However, when endings are avoided or handled poorly—as is too often the case—good opportunities may be lost, and misery repeated. Drawing on years of experience as an executive coach and a psychologist, Dr. Cloud offers a mixture of advice and case studies to help readers know when to have realistic hope and when to execute a necessary ending in a business, or with an individual; identify which employees, projects, activities, and relationships are worth nurturing and which are not; overcome people's resistance to change and create change that works; create urgency and an action plan for what's important; stop wasting resources needed for the things that really matter. Knowing when and how to let go when something, or someone, isn't working—a personal relationship, a job, or a business venture—is essential for happiness and success. *Necessary Endings* gives readers the tools they need to say goodbye and move on.

family dynamic. When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead, the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child or teen negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. This book teaches you to: See love and respect as basic family needs Stop the Family Crazy Cycle of conflict Parent in six biblical ways that energize your children Discipline defiance and overlook childishness Be the mature one since parenting is for adults only Become a loving parent in God's eyes, regardless of a child's response Based on what the Bible says about parenting, this book focuses on achieving healthy family dynamics. Dr. Eggerichs offers unprecedented transparency from his wife and three adult children, who share wisdom gained from the good, the bad, and the ugly of their family life. It's all here in this eye-opening exploration of the biblical principles on parenting that can help make families function as God intended.

[How to Carry What Can't Be Fixed](#) Megan Devine. 2021-08-10 An illustrated journal for meeting grief with honesty and kindness—honoring loss, rather than packing it away With her breakout book *It's OK That You're Not OK*, Megan Devine struck a chord with thousands of readers through her honest, validating approach to grief. In her same direct, no-platitudes style, she now offers *How to Carry What Can't Be Fixed*—a journal filled with unique, creative ways to open a dialogue with grief itself. “Being allowed to tell the truth about your grief is an incredibly powerful act,” she says. “This journal enables you to tell your whole story, without the need to tack on a happy ending where there isn't one.” Grief is a natural response to death and loss—it's not an illness to be cured or a problem to be fixed. Instead, you'll find encouragement, self-care exercises, and daily tools, including:

- Writing prompts to help you honor your pain and heartbreak
- On-the-spot practices for tough situations—like grocery store trips, the sleepless nights, and being the “awkward guest”

- What you can do when you worry that “moving on” means “letting go of love”
- Practical advice for fielding the dreaded “How are you doing?” question
- What it means to find meaning in your loss
- How to hold joy and grief at the same time

Madre e hijo Dr. Emerson Eggerichs.2016-11-01 Al igual que Emerson Eggerichs transformó millones de relaciones matrimoniales con un entendimiento bíblico del amor y el respeto, ahora dirige esos principios a una de las relaciones más importantes de todas: una madre y su hijo. El amor es importante, pero el respeto es la clave al corazón de tu hijo. La idea de que las mamás respeten a sus hijos puede sonar ajena para algunos, pero también parece encender curiosidad. Es fácil identificarse con la necesidad que todos sentimos del amor de una madre, pero ¿es eso lo mismo que respeto? Incluso para los niños pequeños, el efecto del respeto no es nada menos que asombroso cuando se aplica apropiadamente. Las mamás desean aprender cualquier cosa que les ayude con sus hijos. Después de todo, aman a sus hijos, pero a muchas de ellas les resulta más difícil criarlos que a las niñas, especialmente desde los cuatro años de edad en adelante. Lo que hace que todo esto sea más urgente es que las mamás están entrenando a los padres para amar a sus hijas, pero nadie ha dicho nada a las mamás sobre cómo mostrar respeto a sus hijos, al menos no de una forma que sea aplicable y completamente explicada. Todos entienden que las niñas pequeñas necesitan el amor de papá, pero ¿quién está promocionando con fuerza la verdad de que los niños pequeños (y los grandes) necesitan el respeto de mamá? No es extraño que las madres sientan que no saben nada sobre este tema. Al igual que Emerson Eggerichs transformó millones de relaciones matrimoniales con un entendimiento bíblico del amor y el respeto, ahora dirige esos principios a una de las relaciones más importantes de todas: una madre y su hijo.

Raising Passionate Jesus Followers Phil Comer, Diane

Comer. 2018-03-06 Hope and practical help for parents whose greatest longing is to shepherd their children into a vibrant faith in God. For Christian parents, there is no greater joy than seeing their children learn to walk with the Lord. And there is no greater fear than that their children will walk away from God. After serving together in pastoral ministry and raising their now-grown children, Phil and Diane Comer know those hopes and fears well. Like all new parents, they were intimidated and unsure about how to take on the task of spiritually training their young children. But now, with all four of their children grown and establishing their own households of faith, Phil and Diane have embarked on a quest to help the next generation of parents raise passionate Jesus followers. Drawing on years of pastoral counseling, teaching, leading, and decades of watching families from the perspective of pastors and leaders in ministry, Phil and Diane instruct, guide, encourage, and offer hope and practical help to Christian parents. *Raising Passionate Jesus Followers* is a manual full of practical, biblically based, and time-tested guidelines that parents will be able to turn to again and again through every stage of their children's development, including . . . Formulating a plan Laying the foundation, ages 0-5 Doing the framing, ages 6-12 Installing the functional systems, ages 13-17 Completing the finish work, ages 18-22 And keeping the front door open for your grown children
