LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains. There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be

read online in HTML format. Because it's a charity, Gutenberg subsists on donations. If you appreciate what they're doing, please consider making a tax-deductible donation by PayPal, Flattr, check, or money order. Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.
