

# The Road To Little Dribbling More Notes From A Sma

Notes From a Big Country Bill Bryson.2012-05-15 When an old friend asked him to write a weekly dispatch from New Hampshire for the Mail on Sunday's Night and Day magazine, Bill Bryson firmly turned him down. So firm was he, in fact, that gathered here are nineteen months' worth of his popular columns about the strangest of phenomena -- the American way of life. Whether discussing the dazzling efficiency of the garbage disposal unit, the mind-boggling plethora of methods by which to shop, the exoticism of having your groceries bagged for you, or the jaw-slackening direness of American TV, Bill Bryson brings his inimitable brand of bemused wit to bear on the world's richest and craziest country.

The Complete Notes Bill Bryson.2000 After nearly two decades in Britain, Bill Bryson took the decision to move Mrs Bryson, little Jimmy et al. back to the States for a while. But before leaving his much-loved Yorkshire, Bryson insisted on taking one last trip around old Blighty, a sort of valedictory tour of the green and kindly island that had for so long been his home. The resulting book, Notes from a Small Island, is a eulogy to the country that produced Marmite, George Formby, by-elections, milky tea, place names like Farleigh Wallop, Titsey and Shellow Bowells, Gardeners' Question Time and people who say, 'Mustn't grumble.' Britain will never seem the same again. Once ensconced back home in New Hampshire, Bryson couldn't resist the invitation to write a weekly dispatch for the Mail on Sunday's Night & Day magazine. Notes from a Big Country is a collection of eighteen months' worth of his popular columns about that strangest of phenomena - the American way of life. Whether discussing the dazzling efficiency of the garbage disposal unit, the exoticism of having your groceries bagged for you, or the mind-numbing frequency of commercial breaks on American TV, Bill Bryson brings his inimitable brand of bemused wi

**Down Under, Or, In a Sunburned Country** Bill Bryson.

Conquests, Catastrophe and Recovery John Gillingham.2014 Beginning with the Norman Conquest of England, these tumultuous centuries and their invasions shaped the languages and political geography of present-day Britain and Ireland. The Irish, Scots and Welsh fought their battles against the English with varying success - struggles which, like the events of 1066 in England, produced spectacular upheavals and left enduring national memories. But there was still a common enemy: the Black Death - still the greatest catastrophe in their history. There were significant advances, too. Hundreds of new towns were founded; slavery, still prevalent until the twelfth century, died out; magnificent cathedrals built, schools and universities established; clocks, gunpowder and the printing press. Magna Carta set new standards for holding governments to account and trial by jury won a central place in the legal systems of England and Scotland. Tracing the political, religious and material cultures of the period, as well as what might have been, John Gillingham seeks to define the ways in which lives changed during these turbulent times. With the words of contemporaries to guide us, we can understand more than ever before about national identities and the differences which came to define and ultimately untie these islands.

Snowflake's Big Adventure Erin Mackey.2021-10-08 A little snowflake overcomes his fears and learns his true purpose

**I'm a Stranger Here Myself** Bill Bryson.1999 The author describes his return to America after two decades of living abroad and his disconcerting reunion with his homeland

Neither Here Nor There Bill Bryson.2012-09-25 Bryson brings his unique brand of humour to travel writing as he shoulders his backpack, keeps a tight hold on his wallet and heads for Europe. Travelling with Stephen Katz--also his wonderful sidekick in A Walk in the Woods--he wanders from Hammerfest in the far north, to Istanbul on the cusp of Asia. As he makes his way round this incredibly varied continent, he retraces his travels as a student twenty years before with caustic hilarity.

All Souls Javier Marías.2013-04-23 By one of the most important voices in contemporary world literature, a darkly comic novel about that most British of institutions, Oxford University. In All Souls, a visiting Spanish lecturer, viewing Oxford through a prismatic detachment, is alternately amused, puzzled, delighted, and disgusted by its vagaries of human vanity. A bit lonely, not always able to see his charming but very married mistress, he casts about for activity; he barely has to teach. Yet so much goes into simply being at Oxford: friendship, opinion-mongering, one-upmanship, finicky exchanges of favors, gossip, adultery, book-collecting, back-patting, backstabbing. Marías demonstrates a sweet tooth for eccentricity in this sly campus novel and love story.

**The Body** Bill Bryson.2019-10-03 #1 Bestseller in both hardback and paperback: SHORTLISTED FOR THE 2020 ROYAL SOCIETY INSIGHT INVESTMENT SCIENCE BOOK PRIZE \_\_\_\_\_ 'A directory of wonders.' - The Guardian 'Jaw-dropping.' - The Times 'Classic, wry, gleeful Bryson...an entertaining and absolutely fact-rammed book.' - The Sunday Times 'It is a feat of narrative skill to bake so many facts into an entertaining and nutritious book.' - The Daily Telegraph \_\_\_\_\_ 'We spend our whole lives in one body and yet most of us have practically no idea how it works and what goes on inside it. The idea of the book is simply to try to understand the extraordinary contraption that is us.' Bill Bryson sets off to explore the human body, how it functions and its remarkable ability to heal itself. Full of extraordinary facts and astonishing stories The Body: A Guide for Occupants is a brilliant, often very funny attempt to understand the miracle of our physical and neurological make up. A wonderful successor to A Short History of Nearly Everything, this new book is an instant classic. It will have you marvelling at the form you occupy, and celebrating the genius of your existence, time and time again. 'What I learned is that we are infinitely more complex and wondrous, and often more mysterious, than I had ever suspected. There really is no story more amazing than the story of us.' Bill Bryson

Shakespeare Bill Bryson.2016-04-26 Bill Bryson's bestselling biography of William Shakespeare takes the reader on an enthralling tour through Elizabethan England and the eccentricities of Shakespearean scholarship—updated with a new introduction by the author to commemorate the 400th anniversary of Shakespeare's death William Shakespeare, the most celebrated poet in the English language, left behind nearly a million words of text, but his biography has long been a thicket of wild supposition arranged around scant facts. With a steady hand and his trademark wit, Bill Bryson sorts through this colorful muddle to reveal the man himself. His Shakespeare is like no one else's—the beneficiary of Bryson's genial nature, his engaging skepticism, and a gift for storytelling unrivaled in our time.

At Home Bill Bryson.2011-10-04 A fascinating work of what you might call domestic science: our homes, how they work, and the fascinating history of how they got that way. Bill Bryson and his family live in a Victorian parsonage in a part of England where nothing of any great significance has happened since the Romans decamped. Yet one day, he began to consider how very little he knew about the ordinary things of life as found in that comfortable home. To remedy this, he formed the idea of journeying about his house from room to room to write a history of the world without leaving home. The bathroom provides the occasion for a history of hygiene; the bedroom, sex, death, and sleep; the kitchen, nutrition and the spice trade. Bryson shows how each has shaped the evolution of private life. Whatever happens in the world, he demonstrates, ends up in our house, in the paint and the pipes and the pillows and every item of furniture.

**The Body** Bill Bryson.2021-01-26 NEW YORK TIMES BESTSELLER • Bill Bryson, bestselling author of A Short History of Nearly Everything, takes us on a head-to-toe tour of the marvel that is the human body—with a new afterword for this edition. Bill Bryson once again proves himself to be an incomparable companion as he guides us through the human body—how it functions, its remarkable ability to heal itself, and (unfortunately) the ways it can fail. Full of extraordinary facts (your body made a million red blood cells since you started reading this) and irresistible Brysonesque anecdotes, The Body will lead you to a deeper understanding of the miracle that is life in general and you in particular. As Bill Bryson writes, “We pass our existence within this wobble of flesh and yet take it almost entirely for granted.” The Body will cure that indifference with generous doses of wondrous, compulsively readable facts and information. As addictive as it is comprehensive, this is Bryson at his very best, a must-read owner's manual for every body.

Seeing Further Bill Bryson.2010-11-09 “Bryson is as amusing as ever....As a celebration of 350 years of modern science, [Seeing Further] it is a worthy tribute.” —The Economist In Seeing Further, New York Times bestseller Bill Bryson takes readers on a guided tour through the great

discoveries, feuds, and personalities of modern science. Already a major bestseller in the UK, *Seeing Further* tells the fascinating story of science and the Royal Society with Bill Bryson's trademark wit and intelligence, and contributions from a host of well known scientists and science fiction writers, including Richard Dawkins, Neal Stephenson, James Gleick, and Margaret Atwood. It is a delightful literary treat from the acclaimed author who previously explored the current state of scientific knowledge in his phenomenally popular book, *A Short History of Nearly Everything*.

**For Mothers of Difficult Daughters** Charney Herst.2011-08-17 The first mother-daughter book for mothers, featuring a new Afterword and a Reading Group Discussion Guide. Do you long for a better relationship with your daughter? Do you occasionally feel as though you have failed as a mother? Do you blame yourself because your relationship with your daughter is strained, faltering, or nonexistent? Do you feel that the relationship is unchangeable and that there is no chance that it could become a nurturing and deeply satisfying friendship? Dr. Charney Herst knows that there is always more than one side to a story, and in her book, *For Mothers of Difficult Daughters*, she uses her twenty-five years of experience as counselor and group therapist to provide mothers with solutions that work. In the book she first helps you understand your particular relationship with your grown daughter--untangling the complex web of personal history and intense emotion inherent in any mother-daughter relationship. Then she describes practical, successful, mother-tested steps you can take to repair this all-important bond.

**One Summer** Ruby Mildred Ayres.1930

**Bill Bryson's African Diary** Bill Bryson.2010-03-02 Bill Bryson goes to Kenya at the invitation of CARE International, the charity dedicated to working with local communities to eradicate poverty around the world. Kenya, generally regarded as the cradle of humankind, is a land of stunning landscapes, famous game reserves, and a vibrant culture, but it also has many serious problems, including refugees, AIDS, drought and grinding poverty. It also provides plenty to worry a nervous traveller like Bill Bryson: hair-raising rides in light aircraft, tropical diseases, snakes, insects and large predators. Bryson casts his inimitable eye on a continent new to him, and the resultant diary, though short in length, contains all his trademark laugh-out-loud wit, wry observation and curious insight. All the author's royalties from this book, as well as all profits, will go to CARE International.

**Dear Bill Bryson** Ben Aitken.2022-02-03 FROM THE AUTHOR OF THE ACCLAIMED THE GRAN TOUR AND THE MARMALADE DIARIES An irreverent homage to the '95 travel classic. 'It would be wrong to view this book as just a highly accomplished homage to a personal hero. Aitken's politics, as much as his humour, are firmly in the spotlight, and *Dear Bill Bryson* achieves more than its title (possibly even its author) intended.' Manchester Review In 2013, travel writer Ben Aitken decided to follow in the footsteps of his hero - literally - and started a journey around the UK, tracing the trip taken by Bill Bryson in his classic tribute to the British Isles, *Notes from a Small Island*. Staying at the same hotels, ordering the same food, and even spending the same amount of time in the bath, Aitken's homage - updated and with a new preface for 2022 - is filled with wit, insight and humour.

**The Mother Tongue** Bill Bryson.2015-06-02 "Vastly informative and vastly entertaining...A scholarly and fascinating book." —Los Angeles Times With dazzling wit and astonishing insight, Bill Bryson explores the remarkable history, eccentricities, resilience and sheer fun of the English language. From the first descent of the larynx into the throat (why you can talk but your dog can't), to the fine lost art of swearing, Bryson tells the fascinating, often uproarious story of an inadequate, second-rate tongue of peasants that developed into one of the world's largest growth industries.

**Dirt** Bill Buford.2020-05-05 "You can almost taste the food in Bill Buford's *Dirt*, an engrossing, beautifully written memoir about his life as a cook in France." —The Wall Street Journal What does it take to master French cooking? This is the question that drives Bill Buford to abandon his perfectly happy life in New York City and pack up and (with a wife and three-year-old twin sons in tow) move to Lyon, the so-called gastronomic capital of France. But what was meant to be six months in a new and very foreign city turns into a wild five-year digression from normal life, as Buford apprentices at Lyon's best boulangerie, studies at a legendary culinary school, and cooks at a storied Michelin-starred restaurant, where he discovers the exacting (and incomprehensibly punishing) rigueur of the professional kitchen. With his signature humor, sense of adventure, and masterful ability to bring an exotic and unknown world to life, Buford has written the definitive insider story of a city and its great culinary culture.

**Bryson's Dictionary for Writers and Editors** Bill Bryson.2011-06-22 From one of the world's most beloved and bestselling authors, a terrifically useful and readable guide to the problems of the English language most commonly encountered by editors and writers. What is the singular form of graffiti? From what mythological figure is the word "tantalize" derived? One of the English language's most skilled writers guides us all toward precise, mistake-free usage. Covering spelling, capitalization, plurals, hyphens, abbreviations, and foreign names and phrases, *Bryson's Dictionary for Writers and Editors* will be an indispensable companion for all who care enough about our language not to maul, misuse, or contort it. As Bill Bryson notes, "English is a dazzlingly idiosyncratic tongue, full of quirks and irregularities that often seem willfully at odds with logic and common sense." This dictionary is an essential guide to the wonderfully disordered thing that is the English language.

**Down Under** Bill Bryson.2015 It is the driest, flattest, hottest, most desiccated, infertile and climatically aggressive of all the inhabited continents and still Australia teems with life - a large portion of it quite deadly. In fact, Australia has more things that can kill you in a very nasty way than anywhere else. Ignoring such dangers - and yet curiously obsessed by them - Bill Bryson journeyed to Australia and promptly fell in love with the country. And who can blame him? The people are cheerful, extrovert, quick-witted and unfailingly obliging: their cities are safe and clean and nearly always built on water; the food is excellent; the beer is cold and the sun nearly always shines. Life doesn't get much better than this...

**Notes from a Small Island** Bill Bryson.2015-06-02 Before New York Times bestselling author Bill Bryson wrote *The Road to Little Dribbling*, he took this delightfully irreverent jaunt around the unparalleled floating nation of Great Britain, which has produced zebra crossings, Shakespeare, Twiggie Winkie's Farm, and places with names like Farleigh Wallop and Titsey.

**The Road to Little Dribbling** Bill Bryson.2015-10-08 WINNER: NATIONAL GEOGRAPHIC TRAVELLER READER AWARD FOR BEST TRAVEL BOOK OF THE YEAR 2016 WINNER: BOOKS ARE MY BAG READER AWARD FOR BEST AUTOBIOGRAPHY OR BIOGRAPHY 2016 Twenty years ago, Bill Bryson went on a trip around Britain to celebrate the green and kindly island that had become his adopted country. The hilarious book that resulted, *Notes from a Small Island*, was taken to the nation's heart and became the bestselling travel book ever, and was also voted in a BBC poll the book that best represents Britain. Now, to mark the twentieth anniversary of that modern classic, Bryson makes a brand-new journey round Britain to see what has changed. Following (but not too closely) a route he dubs the Bryson Line, from Bognor Regis to Cape Wrath, by way of places that many people never get to at all, Bryson sets out to rediscover the wondrously beautiful, magnificently eccentric, endearingly unique country that he thought he knew but doesn't altogether recognize any more. Yet, despite Britain's occasional failings and more or less eternal bewilderments, Bill Bryson is still pleased to call our rainy island home. And not just because of the cream teas, a noble history, and an extra day off at Christmas. Once again, with his matchless homing instinct for the funniest and quirkiest, his unerring eye for the idiotic, the endearing, the ridiculous and the scandalous, Bryson gives us an acute and perceptive insight into all that is best and worst about Britain today.

**The road to Little Dribbling [Spoken word] [MP3 CD]** Bill Bryson. In 1995, Bill Bryson went on a trip around Britain to celebrate the green and kindly island that had become his home. The hilarious book he wrote about that journey, 'Notes from a Small Island', became one of the most loved books of recent decades, and was voted in a BBC poll as the book that best represents Britain. Now, Bill Bryson sets out on a brand-new journey, on a route he dubs the Bryson Line, from Bognor Regis on the south coast to Cape Wrath on the northernmost tip of Scotland. Once again, he will guide us through all that's best and worst about Britain today - while doing that incredibly rare thing of making us laugh out loud in public.

**One Summer** Bill Bryson.2013-10-01 A Chicago Tribune Noteworthy Book A GoodReads Reader's Choice In *One Summer* Bill Bryson, one of our greatest and most beloved nonfiction writers, transports readers on a journey back to one amazing season in American life. The summer of 1927 began with one of the signature events of the twentieth century: on May 21, 1927, Charles Lindbergh became the first man to cross the Atlantic by plane nonstop, and when he landed in Le Bourget airfield near Paris, he ignited an explosion of worldwide rapture and instantly became the most famous person on the planet. Meanwhile, the titanically talented Babe Ruth was beginning his assault on the home run record, which would culminate on September 30 with his sixtieth blast, one of the most resonant and durable records in sports history. In between those dates a Queens housewife named Ruth Snyder and her corset-salesman lover garroted her husband, leading to a murder trial that became a huge tabloid sensation.

Alvin “Shipwreck” Kelly sat atop a flagpole in Newark, New Jersey, for twelve days—a new record. The American South was clobbered by unprecedented rain and by flooding of the Mississippi basin, a great human disaster, the relief efforts for which were guided by the uncannily able and insufferably pompous Herbert Hoover. Calvin Coolidge interrupted an already leisurely presidency for an even more relaxing three-month vacation in the Black Hills of South Dakota. The gangster Al Capone tightened his grip on the illegal booze business through a gaudy and murderous reign of terror and municipal corruption. The first true “talking picture,” Al Jolson’s *The Jazz Singer*, was filmed and forever changed the motion picture industry. The four most powerful central bankers on earth met in secret session on a Long Island estate and made a fateful decision that virtually guaranteed a future crash and depression. All this and much, much more transpired in that epochal summer of 1927, and Bill Bryson captures its outsized personalities, exciting events, and occasional just plain weirdness with his trademark vividness, eye for telling detail, and delicious humor. In that year America stepped out onto the world stage as the main event, and *One Summer* transforms it all into narrative nonfiction of the highest order.

**The Road to Little Dribbling** Bill Bryson.2016-11-01 Bill Bryson returns to his internationally beloved topic, Britain, with his first travel book in fifteen years. In 1995, Bill Bryson went on a trip around Britain to celebrate the green and kindly island that had become his home. The hilarious book he wrote about that journey, *Notes from a Small Island*, became one of the most loved books of recent decades. Now, in this hotly anticipated new travel book, his first in fifteen years and sure to be greeted as the funniest book of the decade, Bryson sets out on a brand-new journey, on a route he dubs the Bryson Line, from Bognor Regis on the south coast to Cape Wrath on the northernmost tip of Scotland. Once again, he will guide us through all that's best and worst about Britain today--while doing that incredibly rare thing of making us laugh out loud in public.

**A Walk in the Woods** Bill Bryson.2012-05-15 God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

**The Lost Continent** Bill Bryson.2012-09-25 I come from Des Moines. Somebody had to. And, as soon as Bill Bryson was old enough, he left. Des Moines couldn't hold him, but it did lure him back. After ten years in England he returned to the land of his youth, and drove almost 14,000 miles in search of a mythical small town called Amalgam, the kind of smiling village where the movies from his youth were set. Instead he drove through a series of horrific burgs, which he renamed Smellville, Fartville, Coleslaw, Coma, and Doldrum. At best his search led him to Anywhere, USA, a lookalike strip of gas stations, motels and hamburger outlets populated by obese and slow-witted hicks with a partiality for synthetic fibres. He discovered a continent that was doubly lost: lost to itself because he found it blighted by greed, pollution, mobile homes and television; lost to him because he had become a foreigner in his own country.

**Made in America** Bill Bryson.2016-09-08 'Funny, wise, learned and compulsive' - GQ Bill Bryson turns away from travelling the highways and byways of middle America, so hilariously depicted in his bestselling *The Lost Continent*, *The Life and Times of the Thunderbolt Kid* and *Notes from a Big Country*, for a fast, exhilarating ride along the Route 66 of American language and popular culture. In *Made in America*, Bryson tells the story of how American arose out of the English language, and along the way, de-mythologizes his native land - explaining how a dusty desert hamlet with neither woods nor holly became Hollywood, how the Wild West wasn't won, why Americans say 'lootenant' and 'Toosday', how they were eating junk food long before the word itself was cooked up - as well as exposing the true origins of the words G-string, blockbuster, poker and snafu. 'A tremendously sassy work, full of zip, pizzazz and all those other great American qualities' Will Self, *Independent on Sunday*

**The Kingdom by the Sea** Paul Theroux.2006-06-01 This “interesting, insightful book” by the author of *Deep South* reveals “a side of Britain few visitors see” (*The New York Times Book Review*). After eleven years as an American living in London, the renowned travel writer Paul Theroux set out to travel clockwise around the coast of Great Britain to find out what the British were really like. The result is this perceptive, hilarious record of the journey. Whether in Cornwall or Wales, Ulster or Scotland, the people he encountered along the way revealed far more of themselves than they perhaps intended to display to a stranger. Theroux captured their rich and varied conversational commentary with caustic wit and penetrating insight. “A sharp and funny descriptive writer . . . Theroux is a good companion.” —*The Times (London)*

**The Road to Little Dribbling** Bill Bryson.2016-01-19 A loving and hilarious—if occasionally spiky—valentine to Bill Bryson’s adopted country, Great Britain. Prepare for total joy and multiple episodes of unseemly laughter. Twenty years ago, Bill Bryson went on a trip around Britain to discover and celebrate that green and pleasant land. The result was *Notes from a Small Island*, a true classic and one of the bestselling travel books ever written. Now he has traveled about Britain again, by bus and train and rental car and on foot, to see what has changed—and what hasn’t. Following (but not too closely) a route he dubs the Bryson Line, from Bognor Regis in the south to Cape Wrath in the north, by way of places few travelers ever get to at all, Bryson rediscovers the wondrously beautiful, magnificently eccentric, endearingly singular country that he both celebrates and, when called for, twits. With his matchless instinct for the funniest and quirkiest and his unerring eye for the idiotic, the bewildering, the appealing, and the ridiculous, he offers acute and perceptive insights into all that is best and worst about Britain today. Nothing is more entertaining than Bill Bryson on the road—and on a tear. *The Road to Little Dribbling* reaffirms his stature as a master of the travel narrative—and a really, really funny guy.

**The Dust That Falls from Dreams** Louis de Bernieres.2015-08-04 From the acclaimed author of *Corelli’s Mandolin*, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Otilie, Rosie and Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father’s hand at breakfast and address him as “sir.” On the other side is the Pitt family: a “resolutely French” mother, a former navy captain father, and two brothers, Archie and Daniel, who are clearly “going to grow up into a pair of daredevils and adventurers.” In childhood this band is inseparable, but the days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Otilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of photographers sending “snaps” of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as “the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty,” everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, *The Dust That Falls from Dreams* also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope.

**Walkabout** Bill Bryson.2010-03-02

**‘Membering** Austin Clarke.2015-08-15 Giller Prize winner Austin Clarke’s memoirs provide insightful cultural observations by one of today’s most influential black writers.

**Icons of England** Bill Bryson.2010-04-07 This celebration of the English countryside does not only focus on the rolling green landscapes and magnificent monuments that set England apart from the rest of the world. Many of the contributors bring their own special touch, presenting a refreshingly eclectic variety of personal icons, from pub signs to seaside piers, from cattle grids to canal boats, and from village cricket to nimbies. First published as a lavish colour coffeetable book, this new expanded paperback edition has double the original number of contributions from many celebrities including Bill Bryson, Michael Palin, Eric Clapton, Bryan Ferry, Sebastian Faulks, Kate Adie, Kevin Spacey, Gavin Pretor-Pinney, Richard Mabey, Simon Jenkins, John Sergeant, Benjamin Zephaniah, Joan Bakewell, Antony Beevor, Libby Purves, Jonathan Dimbleby, and many more: and a new preface by HRH Prince Charles.

**made in america** Bill Bryson.2015-06-02 "A literate exploration of why we use—or mangle—our native tongue."—USA Today Bill Bryson celebrates America's magnificent offspring in the book that reveals once and for all how a dusty western hamlet with neither woods nor holly came to be known as Hollywood...and exactly why Mr. Yankee Doodle call his befeathered cap "Macaroni."

*The Penguin Dictionary of Troublesome Words* Bill Bryson.1987

*Shadowlands: A Journey Through Britain's Lost Cities and Vanished Villages* Matthew Green.2022-07-19 One of Literary Hub's Most Anticipated Books of 2022 A "brilliant London historian" (BBC Radio) tells the story of Britain as never before—through its abandoned villages and towns. Drowned. Buried by sand. Decimated by plague. Plunged off a cliff. This is the extraordinary tale of Britain's eerie and remarkable ghost towns and villages; shadowlands that once hummed with life. Peering through the cracks of history, we find Dunwich, a medieval city plunged off a cliff by sea storms; the abandoned village of Wharram Percy, wiped out by the Black Death; the lost city of Trellech unearthed by moles in 2002; and a Norfolk village zombified by the military and turned into a Nazi, Soviet, and Afghan village for training. Matthew Green, a British historian and broadcaster, tells the astonishing tales of the rise and demise of these places, animating the people who lived, worked, dreamed, and died there. Traveling across Britain to explore their haunting and often-beautiful remains, Green transports the reader to these lost towns and cities as they teeter on the brink of oblivion, vividly capturing the sounds of the sea clawing away row upon row of houses, the taste of medieval wine, or the sights of puffin hunting on the tallest cliffs in the country. We experience them in their prime, look on at their destruction, and revisit their lingering remains as they are mourned by evictees and reimagined by artists, writers, and mavericks. A stunning and original excavation of Britain's untold history, *Shadowlands* gives us a truer sense of the progress and ravages of time, in a moment when many of our own settlements are threatened as never before.

*The Digested Read* John Crace.2005-12 Literary ombudsman John Crace never met an important book he didn't like to deconstruct. From Salman Rushdie to John Grisham, Crace retells the big books in just 500 biting satirical words, pointing his pen at the clunky plots, stylistic tics and pretensions of Big Ideas, as he turns publishers' golden dream books into dross.

*The Life and Times of the Thunderbolt Kid* Bill Bryson.2010-04-30 From one of the most beloved and bestselling authors in the English language, a vivid, nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century. A book that delivers on the promise that it is "laugh-out-loud funny." Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery, at the age of six, of a woollen jersey of rare fineness. Across the moth-holed chest was a golden thunderbolt. It may have looked like an old college football sweater, but young Bryson knew better. It was obviously the Sacred Jersey of Zap, and proved that he had been placed with this innocuous family in the middle of America to fly, become invisible, shoot guns out of people's hands from a distance, and wear his underpants over his jeans in the manner of Superman. Bill Bryson's first travel book opened with the immortal line, "I come from Des Moines. Somebody had to." In this hilarious new memoir, he travels back to explore the kid he once was and the weird and wonderful world of 1950s America. He modestly claims that this is a book about not very much: about being small and getting much larger slowly. But for the rest of us, it is a laugh-out-loud book that will speak volumes - especially to anyone who has ever been young.
