**The Essential Guide to Writing History Essays** Katherine Pickering Antonova.2020-01-09 The Essential Guide to Writing History Essays is a step-by-step guide to the typical assignments of any undergraduate or master's-level history program in North America. Effective writing is a process of discovery, achieved through the continual act of making choices--what to include or exclude, how to order elements, and which style to choose--each according to the author's goals and the intended audience. The book integrates reading and specialized vocabulary with writing and revision and addresses the evolving nature of digital media while teaching the terms and logic of traditional sources and the reasons for citation as well as the styles. This approach to writing not only helps students produce an effective final product and build from writing simple, short essays to completing a full research thesis, it also teaches students why and how an essay is effective, empowering them to approach new writing challenges with the freedom to find their own voice.

**How to Write a 5-Paragraph Essay Step-by-Step** J Matthews.2020-02-23 Does your learner need help with knowing how to write an essay? The How to Write a 5-Paragraph Essay Step-by-Step workbook teaches your students how to write a 5-paragraph essay using a foolproof step-by-step process. Each incremental lesson teaches one step and contains practice examples to build their skill and confidence. In Part 1, students learn how to plan an essay. They practice the five steps that take them from the essay prompt - the instructions from the teacher - to an excellent essay outline that is ready to write. Each step is laid out visually so students can follow along and see where they are in the process. Part 2 continues the step-by-step approach and teaches how to write each paragraph in an essay. Students learn exactly what to put in an introductory paragraph, a body paragraph and in the conclusion. Again, clear visuals support students in understanding how each sentence contributes to the goals of the paragraph. This book is designed to help all students, but it is particularly helpful for struggling or special needs students who will welcome the explicit steps which they can re-use from essay to essay. The visual supports and incremental practice also build confidence in a wide

range of students. Grab this book and help your learners become confident essay experts!

*How to Write an Essay Like an Equation* Eric Sentell.2020-12-08 Write Essays, Reports, Emails-Anything-Better, Easier, and Faster A friend once told me, I hate writing. I prefer math because there's one right answer. Trust me, it's not the first time I've heard those sentences as an English teacher. For so many people, writing is a difficult, time-consuming, stressful chore. But what if I gave you the right answers that other teachers never knew to tell you? How to Write an Essay like an Equation: Write Better, Easier, Faster is the perfect book for busy students and professionals who want short, practical solutions to their writing challenges. This concise writing guide will help you: Understand the types of audiences every writer faces; Establish an engaging sense of purpose in everything you write; Grasp the main genres of academic and professional writing; Get a main idea across more clearly and persuasively; Support main ideas with compelling evidence and clear structure; Link ideas to each other, creating flow; Edit sentences for greater clarity; and Use simple strategies for improving your writing process. Learning about these topics would usually require enrolling in a 16-week course and paying hundreds, if not thousands, of dollars in tuition. You're frugal and busy, though, so I save you all of that money, time, and effort. How to Write an Essay like an Equation offers writers of all levels an engaging read and an innovative step-by-step approach to writing. I especially appreciate the thought-exercises and activities at the end of each chapter-reflection and application! This book has become my go-to recommendation for student writers. - Jennifer Weiss, Director of an university writing center The book will teach you how to highlight your main ideas, link thoughts and sentences, and edit your own work. You want this book if you find writing to be a fuzzy, amorphous activity and want clear steps to follow for creating solid written work. - Rebecca Helton, Edge for ScholarsI can teach only so many students in a class, but by publishing this book, I'm able to offer my best writing instruction in a much cheaper, faster, easier package. If you improved your writing, how would your life improve? What are you waiting for?

**College Essay Essentials** Ethan Sawyer.2016-07-01 Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

**Words that Count: A Guide to Writing Analytical Essays about Fiction** Kate Sheckler.2019 Language is complex. Written or spoken, the complexity of language makes the medium the versatile tool we need but also creates the potential for a wide variety of misunderstandings and mistakes. Whether we are attempting to understand a piece of fiction or writing a text to make our thoughts comprehensible to others, the complexity of language is both necessary and fraught. That said, the inevitable pitfalls don't mean we need to sacrifice precision or accuracy. This guide is a step by step process that offers hands-on methods for accurate analysis and precise essay construction. Chapter one deals with a variety of methods by which to approach stories and novels such that your analysis is structured on carefully constructed, logical progression founded on the primary text rather than on hunches and guesswork, and chapter two offers infrastructures and scaffolding on which any essay can be structured. The structures included in chapter two are not a template and thus do not limit style or content; rather, they are based on a series of tasks that must be completed for an argument to be convincing. As such, the tasks offer a kind of map through the process of essay writing that always indicates your next step. Contrary to accepted mythologies about analyzing fiction and writing essays, neither is a guessing game, and this text can help you remove the guesswork from your own process.
