Until she shows up in his dreams and informs him it's time to ditch his scroogey attitude. Stanley digs in his heels, but she's determined to haunt him until he wakes up and rediscovers the joys of the season. He can start by being a little more neighborly to the single mom next door. can't date me, but refuses to reveal why. He wants me; the heat in his eyes convinces me of that. But what can I possibly do about it in sub-zero temperatures? That's it, Clio says. *A Christmas Spirit* Rikki.2005-09 It is said that a crisis will either make or break a family. Sometimes, even the strongest of relationships can fall apart when troubles arise, and we can be shocked by the manner in which people respond to problems. Issues which were previously ignored or buried are suddenly emphasized, demanding attention, at any cost. Left ignored, the price is very high, as the family in this book discovers. A Christmas Spirit is an intensely emotional story about a family's journey through a very difficult and turbulent period. Already having endured many hardships, this family is fractured without even realizing it until the youngest child becomes

critically ill. With Christmas approaching, the little girl's health takes a dramatic turn for the worse. Quietly, her parents and brothers begin falling apart and it doesn't take long before the fractures become enormous cracks, threatening to shatter the family completely. Four-year-old Angelina watches as her family is forced to confront its demons, and she longs for her parents and brothers to find their way to healing. But as with many healing journeys, things must get a lot worse before even beginning to get better... A Christmas Spirit is certain to move its readers to tears as they connect and identify with each member of the Lane family. Meet Angelina and the others: Wife and mother, Kathy, so lost in her own emotions that she withdraws from life, entirely in denial; her husband, Robert, guilt-ridden and feeling inadequate; teen son, James, consumed by his own anger to the point of self-destruction; and Elijah, the wise old ten-year-old soul, trying to be the glue that holds his family together. Follow these troubled hearts, who are lost and struggling to find their way through the darkness, and who have lost all hope of ever finding the light.

**The Christmas Spirits on Tradd Street** Karen White.2021-09-28 The Christmas spirit is overtaking Tradd Street with a vengeance in this festive new novel in the New York Times bestselling series by Karen White. Melanie Trenholm should be anticipating Christmas with nothing but joy—after all, it's only the second Christmas she and her husband, Jack, will celebrate with their twin toddlers. But the ongoing excavation of the centuries-old cistern in the garden of her historic Tradd Street home has been a huge millstone, both financially and aesthetically. Local students are thrilled by the possibility of unearthing more Colonial-era artifacts at the cistern, but Melanie is

concerned by the ghosts connected to it that have suddenly invaded her life and her house—and at least one of them is definitely not filled with holiday cheer.... And these relics aren't the only precious artifacts for which people are searching. A past adversary is convinced there is a long-lost Revolutionary War treasure buried somewhere on the property Melanie inherited—untold riches rumored to have been brought over from France by the Marquis de Lafayette himself and intended to help the Colonial war effort. It's a treasure literally fit for a king, and there have been whispers throughout history that many have already killed—and died—for it. And now someone will stop at nothing to possess it—even if it means destroying everything Melanie and Jack hold dear.

The True Christmas Spirit Brian Morgan. 2013-11 That surge of Christmas Spirit If you want to feel again the surge of Christmas Spirit in your life and to share that spirit with family and friends, The True Christmas Spirit delivers what it promises - peace and joy to fill your heart. It's a Christmas gift book that is being read and reread and passed between friends every year. It contains three beautiful Brian Morgan stories plus the writings of some of the world's most endearing minds. The first story, The Legend of the Christmas Scrolls, is a rebirth of a classic little gem of a book that

became a sell-out bestseller in the US, the UK and Japan, when a version of it first appeared some years ago as *The Legend of the Christmas Prayer*. So many people have asked to see it published again. It's about giving when you have nothing to give. The second story, *The Greatest Gift*, is about the real and beautiful things we can give each other, and, again, money is not necessary. The third story, *Silent Night: The True Story of a Christmas Miracle*, is bound to touch a chord with those who love the feeling of peace and goodwill that Christmas brings. You'll read that the Christmas Spirit can come upon you anywhere, anytime. It will suddenly fill you with love, with joy, with happiness, with a deep feeling of peace. It can simply come because it's the time of giving. The Three Wise Men started it, and each of us try to follow the tradition by finding gifts for those we love. And the gift is not as important as the thought behind it. The spirit can come with the voice of a friend, the hug of a loved one, the smiles, the laughter, the food (if you are fortunate), the jabbering voices, the sanctity of the church or chapel or holy place. It can come simply because love is in the air and because peace and goodwill to all can be so infectious. Troubles and differences and pain and sorrow can be forgotten for this brief, beautiful time of giving and sharing. The True Christmas Spirit is a gift that will keep on giving; a book you'll want to read and share every Christmas. What others say: Thank you for *The Legend*. My family all took turns reading it on Christmas Eve. Everyone was impressed and moved. The late Jane Jordan Browne, literary agent, Chicago. A unique Christmas book with a beautiful message and wonderful potential. People keep falling in love with it. This is a rare book destined to be a classic. Terri Gibbs, Project Editor, Thomas Nelson. *The Legend* is surely a gem of Christmas literature. It will give your loved ones not just a token of your love at Christmas, but something to carry them through the year. Evelyn Purdy, Radio WLJN. Your story is so meaningful, so inspired. We are being swamped with calls. Shiloh Gideon, BGEA, Decision Today Radio. We are

getting letters from folks using your book at Christmas parties, programs at schools and churches etc. They all say such wonderful things. Michelle Orr, Thomas Nelson. Every Christmas, I try to find a book that will reflect the true meaning of the holiday spirit. Well, I found it in Mr Morgan's book. In this world of trying to find the perfect gifts, we learn that the perfect gifts are those within us. Beautifully written and illustrated, the book is an easy read and a wonderful way to spread the true meaning of Christmas. Anne M. Spiller, Ohio.
