

Equal

Equal Love Peter Ho Davies.2000-02-07 “Touching and funny” short fiction about family, estrangement, and dislocation from the award-winning author of *A Lie Someone Told You About Yourself* (Elizabeth McCracken, author of *Bowlaway*). Featuring “stories about the touchy relationships between parents and children and the necessary pain of letting go—both for parents with children who are becoming adults and for adults whose parents are aging,” this collection showcases the talent, wit, and wisdom that have earned the author of *The Fortunes* critical acclaim and multiple literary prizes (*Library Journal*). “With his variety of settings comes a variety of voices: the narrator of ‘Brave Girl,’ trying to help her father navigate the aftermath of divorce; a mathematician in ‘Small World,’ revisiting the scenes of his Irish-Catholic boyhood and his first love; a retired encyclopedia salesman who can’t stop selling himself in ‘Sales’; a junkie trying to regain custody of her son in ‘Everything You Can Remember in 30 Seconds Is Yours to Keep.’ Ho manages to convey all his characters’ predicaments with finesse, and his emotional and geographical range are equally wide.” —Booklist “I read *Equal Love* with great admiration.” —Penelope Fitzgerald, author of *The Bookshop*

Other Things Being Equal Emma Wolf.2022-11-01 Reproduction of the original.

We Are All Equal P. Crumble.2020-09-29 A diverse group of animals comes together to celebrate one very important idea: no matter our differences, we are all equal. We are all equal, let's shout it out loud. We share hopes and dreams, we're equal and proud. These animals may all be different from one another, but they know that doesn't matter. They have different lifestyles, different places of origin, different abilities, different types of families, and more. But big or small, weak or strong, native or new to their land, these animals are all equal, with no one better, more important, or more worthy than the others. With vivid, vibrant art and a resounding message of tolerance conveyed with a sweet and playful rhyme, this book is a celebration of the many different ways to be, all of which are good, welcome, and equal.

By Nature Equal John E. Coons,Patrick M. Brennan.1999-03-29 What do we mean when we refer to people as being equal by nature? In the first book devoted to human equality as a fact rather than as a social goal or a legal claim, John Coons and Patrick Brennan argue that even if people possess unequal talents or are born into unequal circumstances, all may still be equal if it is true that human nature provides them the same access to moral self-perfection. Plausibly, in the authors' view, such access stems from the power of individuals to achieve goodness simply by doing the best they can to discover and perform correct actions. If people enjoy the same degree of natural capacity to try, all of us are offered the same opportunities for moral self-fulfillment. To believe this is to believe in equality. This truly interdisciplinary work not only proposes the authors' own rationale but also provides an effective deconstruction of several other contemporary theories of equality, while it engages historical, philosophical, and Christian accounts as well. Furthermore, by divorcing the best from the brightest, it shows how descriptive equality acquires practical significance. Among other accomplishments, *By Nature Equal* offers communitarians a core principle that has until now eluded them, rescues human dignity from the hierarchy of intellect, identifies racism in a new way, and shows how justice can be freshly grounded in the conviction that every rational person has the same capacity for moral excellence.

Equal Joyce Moyer Hostetter.2021-05-04 As social change sweeps across 1950s America, two boys—one white, one Black—discover the power of friendship and the importance of staying true to yourself It’s the summer of 1959 at the foot of Bakers Mountain in western North Carolina when 13-year-old Jackie Honeycutt first bumps into Thomas Freeman fishing on the riverbank. They hit it off, and Jackie hopes the two of them can be friends. But Jackie is white, and Thomas is Black—and Jackie quickly learns their growing friendship won’t be easy. Affected by the growing civil rights movement, Jackie is intent on being Thomas’s friend and, as a result, experiences racism and

prejudice first-hand through bullying at school, family turmoil, and pressure from his community. Can Jackie free both his conscience and his voice—and ultimately do what's right? A touching historical fiction tale about friendship and racial inequality, *Equal* is the fifth and final title in the popular *Bakers Mountain Stories* series.

To be Equal Whitney M. Young.1966

Equals Adam Phillips.2009-07-21 Written in his beloved epigrammatic and aphoristic style, *Equals* extends Adam Phillips's probings into the psychological and the political, bringing his trenchant wit to such subjects as the usefulness of inhibitions and the paradox of permissive authority. He explores why citizens in a democracy are so eager to establish levels of hierarchy when the system is based on the assumption that every man is created equal. And he ponders the importance of mockery in group behavior, and the psyche's struggle as a metaphor for political conflict.

Other Things Being Equal Emma Wolf.1870

Equal Means Equal Jessica Neuwirth.2015-01-05 When the Equal Rights Amendment was first passed by Congress in 1972, Richard Nixon was president and All in the Family's Archie Bunker was telling his feisty wife Edith to stifle it. Over the course of the next ten years, an initial wave of enthusiasm led to ratification of the ERA by thirty-five states, just three short of the thirty-eight states needed by the 1982 deadline. Many of the arguments against the ERA that historically stood in the way of ratification have gone the way of bouffant hairdos and Bobby Riggs, and a new Coalition for the ERA was recently set up to bring the experience and wisdom of old-guard activists together with the energy and social media skills of a new-guard generation of women. In a series of short, accessible chapters looking at several key areas of sex discrimination recognized by the Supreme Court, *Equal Means Equal* tells the story of the legal cases that inform the need for an ERA, along with contemporary cases in which women's rights are compromised without the protection of an ERA. Covering topics ranging from pay equity and pregnancy discrimination to violence against women, *Equal Means Equal* makes abundantly clear that an ERA will improve the lives of real women living in America.

Blue Joyce Moyer Hostetter.2014-10-07 With her father away at war to fight Hitler, a young girl gains strength by joining her community in battling polio in this Parents' Choice Silver Honor Book based on the 1944 epidemic and the Miracle of Hickory Hospital in Hickory, North Carolina. Ann Fay Honeycutt accepts the role of man of the house when her father leaves because she wants to do her part for the war. She's doing well with the extra responsibilities when a frightening polio epidemic strikes, crippling many local children. Her town of Hickory responds by creating an emergency hospital in three days. Ann Fay reads each issue of the newspaper for the latest news of the epidemic. But soon she discovers for herself just how devastating polio can be. As her challenges grow, so does her resourcefulness. In the face of tragedy, Ann Fay discovers her ability to move forward. She experiences the healing qualities of friendship and explores the depths of her own faithfulness to those she loves—even to one she never expected to love at all.

More Equal Than Others Godfrey Hodgson.2009-01-10 During the past quarter century, free-market capitalism was recognized not merely as a successful system of wealth creation, but as the key determinant of the health of political and cultural democracy. Now, renowned British journalist and historian Godfrey Hodgson takes aim at this popular view in a book that promises to become one of the most important political histories of our time. *More Equal Than Others* looks back on twenty-five years of what Hodgson calls the conservative ascendancy in America, demonstrating how it has

come to dominate American politics. Hodgson disputes the notion that the rise of conservatism has spread affluence and equality to the American people. Quite the contrary, he writes, the most distinctive feature of American society in the closing years of the twentieth century was its great and growing inequality. He argues that the combination of conservative ideology and corporate power and dominance by mass media obsessed with lifestyle and celebrity have caused America to abandon much of what was best in its past. In fact, he writes, income and wealth inequality have become so extreme that America now resembles the class-stratified societies of early twentieth-century Europe. *More Equal Than Others* addresses a broad range of issues, with chapters on politics, the new economy, immigration, technology, women, race, and foreign policy, among others. A fitting sequel to the author's critically acclaimed *America In Our Time*, *More Equal Than Others* is not only an outstanding synthesis of history, but a trenchant commentary on the state of the American Dream. [Equal Pay for Equal Work for Women United States. Congress. House. Committee on Education and Labor.1948](#)

[We Are Not Yet Equal](#) Carol Anderson, Tonya Bolden.2020-08-06 This young adult adaptation of the New York Times bestselling *White Rage* is essential antiracist reading for teens. An NAACP Image Award finalist A Kirkus Reviews Best Book of the Year A NYPL Best Book for Teens History texts often teach that the United States has made a straight line of progress toward Black equality. The reality is more complex: milestones like the end of slavery, school integration, and equal voting rights have all been met with racist legal and political maneuverings meant to limit that progress. *We Are Not Yet Equal* examines five of these moments: The end of the Civil War and Reconstruction was greeted with Jim Crow laws; the promise of new opportunities in the North during the Great Migration was limited when blacks were physically blocked from moving away from the South; the Supreme Court's landmark 1954 *Brown v. Board of Education* decision was met with the shutting down of public schools throughout the South; the Civil Rights Act of 1964 and Voting Rights Act of 1965 led to laws that disenfranchised millions of African American voters and a War on Drugs that disproportionately targeted blacks; and the election of President Obama led to an outburst of violence including the death of Black teen Michael Brown in Ferguson, Missouri as well as the election of Donald Trump. Including photographs and archival imagery and extra context, backmatter, and resources specifically for teens, this book provides essential history to help work for an equal future. [Education Policy and Equal Opportunity in Japan](#) Akito Okada.2011-12-30 In many societies today, educational aims or goals are commonly characterized in terms of equality, equal opportunity, equal access or equal rights, the underlying assumption being that equality in some form is an intelligible and sensible educational ideal. Yet, there are different views and lively debates about what sort of equality should be pursued; in particular, the issue of equality of educational opportunity has served as justification for much of the postwar restructuring of educational systems around the world. The author explores different interpretations of the concept of equality of educational opportunity in Japan, especially as applied to post-World War II educational policies. By focusing on the positions taken by key actors such as the major political parties, central administrative bodies, teachers' unions, and scholars, he describes how their concepts have developed over time and in what way they relate to the making of educational policy, especially in light of Japan's falling birthrate and aging society.

Other Things Being Equal Emma Wolf.1893

Drive Joyce Moyer Hostetter.2021-05-04 Twin sisters find themselves growing apart as they respond differently to their father's postwar trauma, the NASCAR speedway in their town, and their new high school With home life destabilized by her father's post-World War II trauma, Ellie Honeycutt seeks escape at the NASCAR speedway and in her dreams of travel and college. Meanwhile, her twin sister, Ida, clings to family and finds solace in her sketchbook. Their close relationship is threatened when they both fall for the same charming classmate at their new high school—but a devastating car accident renews the sisters' deep bond, forcing them to reverse their roles. Set against the backdrop of the nuclear arms race and the 1952 presidential election, this middle grade historical fiction novel is a powerful story of sisterhood and growing up, told in the twins' alternating voices.

Equal Citizenship, Civil Rights, and the Constitution Christopher Green.2015-11-19 The Privileges or Immunities Clause of the Fourteenth Amendment is arguably the most historically important clause of the most significant part of the US Constitution. Designed to be a central guarantor of civil rights and civil liberties following Reconstruction, this clause could have been at the center of most of the country's constitutional controversies, not only during Reconstruction, but in the modern period as well; yet for a variety of historical reasons, including precedent-setting narrow interpretations, the Privileges or Immunities Clause has been cast aside by the Supreme Court. This book investigates the Clause in a textualist-originalist manner, an approach increasingly popular among both academics and judges, to examine the meanings actually expressed by the text in its original context. Arguing for a revival of the Privileges or Immunities Clause, author Christopher Green lays the groundwork for assessing the originalist credentials of such areas of law as school segregation, state action, sex discrimination, incorporation of the Bill of Rights against states, the relationship between tradition and policy analysis in assessing fundamental rights, and the Fourteenth Amendment rights of corporations and aliens. Thoroughly argued and historically well-researched, this book demonstrates that the Privileges or Immunities Clause protects liberty and equality, and it will be of interest to legal academics, American legal historians, and anyone interested in American constitutional history.

Separate Is Never Equal Duncan Tonatiuh.2014-05-06 Years before the landmark U.S. Supreme Court ruling *Brown v. Board of Education*, Sylvia Mendez, an eight-year-old girl of Mexican and Puerto Rican heritage, played an instrumental role in *Mendez v. Westminster*, the landmark desegregation case of 1946 in California--

Equal Danger Leonardo Sciascia.2003-10-31 District Attorney Varga is shot dead. Then Judge Sanza is killed. Then Judge Azar. Are these random murders, or part of a conspiracy? Inspector Rogas thinks he might know, but as soon as he makes progress he is transferred and encouraged to pin the crimes on the Left. And yet how committed are the cynical, fashionable, comfortable revolutionaries to revolution—or anything? Who is doing what to whom? *Equal Danger* is set in an imaginary country, one that seems all too real. It is the most extreme—and gripping—depiction of the politics of paranoia by Leonardo Sciascia, master of the metaphysical detective novel.

Equal Shmequal Virginia Kroll.2020-09-01 What does it mean to be equal? Mouse and her friends want to play tug-of-war but they can't figure out how to make teams that are equal. Nothing works until Mouse starts thinking mathematically. Wonderful illustrations capture Mouse and her animal friends from whiskers to tails.

Equal Time Aniko Bodroghkozy.2012-02-15 *Equal Time: Television and the Civil Rights Movement* explores the crucial role of network television in reconfiguring new attitudes in race relations during the civil rights movement. Due to widespread coverage, the civil rights revolution quickly became the United States' first televised major domestic news story. This important medium unmistakably influenced the ongoing movement for African American empowerment, desegregation, and equality. Aniko Bodroghkozy brings to the foreground network news treatment of now-famous civil rights events including the 1965 Selma voting rights campaign, integration riots at the University of Mississippi, and the March on Washington, including Martin Luther King's I Have a Dream speech. She also examines the most high-profile and controversial television series of the era to feature African American actors--*East Side/West Side*, *Julia*, and *Good Times*--to reveal how entertainment programmers sought to represent a rapidly shifting consensus on what blackness and whiteness meant and how they now fit together.

Equal Carrie Gracie.2020-03-05 'Gracie tells the story of her struggle and eventual triumph as a way of encouraging us, of changing our society, of giving us all courage . . . *Equal* is a very important book' Sandi Toksvig *Equal* pay has been the law for half a century. But women often get paid less than men, even when they're doing equal work. Mostly they don't know because pay is secret. But what if a woman finds out? What should she do? In *Equal*, award-winning journalist Carrie Gracie covers her own experience of holding her employer - the BBC - to account and investigates why we're still being paid unequally. *Equal* will open your eyes, fix your resolve and give you the tools to

act - and act now. 'Equal tells a personal story that changed the public debate' Guardian 'Pulls no punches' Sunday Times 'Full of sound advice for women' Observer 'A gripping personal story told with warmth and wit' Julia Gillard, former Australian Prime Minister Longlisted for the Financial Times Business Book of the Year Award 2019

The Equal Rights Amendment LeeAnne Gelletly.2014-09-02 It took decades, and a Constitutional amendment, for all American women to get the right to vote. But the legal right to vote did not guarantee equality under the law. Suffrage leader Alice Paul believed another amendment was needed. In 1923, she wrote the Equal Rights Amendment. It was introduced in Congress. And the national debate over the ERA began. The major principle of the Equal Rights Amendment is that gender should not determine any legal rights of citizens. Supporters believed the ERA would keep women from being denied equal rights under federal, state, or local law. The ERA had many opponents in the 1920s. And it had even more in the 1970s, after Congress passed the measure. Although it failed to pass by its 1982 ratification deadline, some people believe the ERA is still alive. They are continuing the effort to put equality for women in the U.S. Constitution.

Is Everyone Really Equal? Ozlem Sensoy,Robin DiAngelo.2017 This is the new edition of the award-winning guide to social justice education. Based on the authors' extensive experience in a range of settings in the United States and Canada, the book addresses the most common stumbling blocks to understanding social justice. This comprehensive resource includes new features such as a chapter on intersectionality and classism; discussion of contemporary activism (Black Lives Matter, Occupy, and Idle No More); material on White Settler societies and colonialism; pedagogical supports related to "common social patterns" and "vocabulary to practice using"; and extensive updates throughout. Accessible to students from high school through graduate school, *Is Everyone Really Equal?* is a detailed and engaging textbook and professional development resource presenting the key concepts in social justice education. The text includes many user-friendly features, examples, and vignettes to not just define but illustrate the concepts. "Sensoy and DiAngelo masterfully unpack complex concepts in a highly readable and engaging fashion for readers ranging from preservice through experienced classroom teachers. The authors treat readers as intelligent thinkers who are capable of deep reflection and ethical action. I love their comprehensive development of a critical social justice framework, and their blend of conversation, clarity, and research. I heartily recommend this book!" —Christine Sleeter, professor emerita, California State University Monterey Bay

Equal Katia Adams.2019-09-01 In *Equal*, Church and ministry leader Katia Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men. With sensitivity to both sides of the argument, Adams draws on the wisdom of Scripture, theology, and the Holy Spirit. Blending them with her own personal experiences, she asserts that both women and men are equally called to serve and lead in the church and in the world—and that, by restricting the roles of women, we are missing God's design for the church and for the gospel's impact on the earth.

Created Equal Michael Pack, Mark Paoletta.2022-06-21 Drawing on historical documents and exclusive interviews, authors tell the inspiring story of Clarence Thomas's rise from a childhood of poverty and prejudice in the segregated South to Supreme Court Justice. Companion to blockbuster documentary *Created Equal: Clarence Thomas in His Own Words*, but a fascinating stand alone read, as well! *The full story behind the wildly successful documentary film, *Created Equal: Clarence Thomas in His Own Words** Born into dire poverty in the segregated South and abandoned by his father as a child, Justice Clarence Thomas triumphed over seemingly insurmountable odds to become one of the most influential justices on the Supreme Court. Yet after three decades of honorable service, few know him beyond his contentious confirmation and the surrounding media firestorm. Who is Justice Clarence Thomas, in his own words? In the follow-up to the wildly successful documentary by the same name, *Created Equal* builds on dozens of hours of groundbreaking, one-on-one interviews with Thomas to share a new, expanded account of his powerful story for the first time. Producer Michael Pack and Mark Paoletta, a lawyer who worked alongside Thomas during his confirmation, dive deep into the Justice's story. Drawing on a rich array of historical documents and unreleased conversations with Thomas, his wife, and those who knew him best, *Created Equal* is a timeless account of faith, race, power, and personal resilience.

The King's Equal Katherine Paterson.1999-01-09 Who is she? A dying king makes his son his heir--on one condition. Vain Prince Raphael must marry a woman who is his equal in beauty, intelligence, and wealth... Where is this woman? A search throughout the kingdom proves fruitless. Then the lovely Rosamund appears at the palace, as if by magic, and Raphael is certain he has found his wife. She is intelligent and wealthy, as well as beautiful--certainly his equal, he thinks. But what does the mysterious Rosamund think? Two-time Newbery Medalist Katherine Paterson's critically-acclaimed original fairy tale about an arrogant prince and his search for a bride is now available in a reformatted chapter book edition. With beautiful new line art by Curtis Woodbridge, this provocative story with a contemporary social message (The New York Times Book Review) will become an instant classic for newly independent readers. An entertaining and enchanting story.

Merely said, Equal is universally compatible with any devices to read.

Find Equal

Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available. Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store. If you already know what you are looking for, search the database by author name, title, language, or subjects. You can also check out the top 100 list to see what other people have been downloading. [domain Public Library](#) provides a variety of services available both in the Library and online. ... There are also book-related puzzles and games to play. [AvaxHome](#) is a pretty simple site that provides access to tons of free eBooks online under different categories. It is believed to be one of the major non-torrent file sharing sites that features an

eBooks&eLearning section among many other categories. It features a massive database of free eBooks collated from across the world. Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. As you'd expect, free ebooks from Amazon are only available in Kindle format - users of other ebook readers will need to convert the files - and you must be logged into your Amazon account to download them. Unlike the other sites on this list, [Centsless Books](#) is a curator-aggregator of Kindle books available on Amazon. Its mission is to make it easy for you to stay on top of all the free ebooks available from the online retailer. [LibGen](#) is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.
