America's Church Thomas A. Tweed.2011-06-28 The National Shrine in Washington, DC has been deeply loved, blithely ignored, and passionately criticized. It has been praised as a dazzling jewel and dismissed as a towering Byzantine beach ball. In this intriguing and inventive book, Thomas Tweed shows that the Shrine is also an illuminating site from which to tell the story of twentieth-century Catholicism. He organizes his narrative around six themes that characterize U.S. Catholicism, and he ties these themes to the Shrine's material culture--to images, artifacts, or devotional spaces. Thus he begins with the Basilica's foundation stone, weaving it into a discussion of brick and mortar Catholicism, the drive to build institutions. To highlight the Church's inclination to appeal to women, he looks at fund-raising for the Mary Memorial Altar, and he focuses on the Filipino oratory to Our Lady of Antipolo to illustrate the Church's outreach to immigrants. Throughout, he employs painstaking detective work to shine a light on the many facets of American Catholicism reflected in the shrine.

Skits That Teach Eddie James, Tommy Woodard.2010-02-23 I've watched the Skit Guys for more than 10 years; Eddie and Tommy are storytellers. They were telling stories before storytelling was all the rage. In their latest book, the Skit Guys let us peek inside their incredibly creative minds." - Allen Jackson, New Orleans Seminary "When it comes to skits, the Skit Guys have the corner market on the good stuff. They are engaging, thought provoking and hilarious without being cheesy or cliché. Their unique style is clean, clever, clear, and ... funny! You can't go wrong with these two." - Darren Whitehead, Director of Next Gen Ministries, Willow Creek Community Church "I've been in student ministry for over 30 years, and the Skit Guys are pretty much the greatest skit guys ever. Here's another resource from the chimerical minds of Eddie and Tommy that will help us youth workers in the trenches. This book will aid you greatly in your continuous pursuit of excellence in the world of drama. In other words, buy this freaking book!" - Bob Johns, First Woodway, Waco, Texas (the guy that gave them their first gig) 35 CHEESE-FREE SKITS If you're looking for fun and creative ways to involve your students in learning, you can stop looking. Skits That Teach provides you and your students everything you need to act out funny and compelling skits with total confidence. Search by topic or by group size to find the perfect comedic or dramatic sketch to help illustrate a point or just start a dialogue. The Skit Guys, Eddie James and Tommy Woodard, have tested these skits on teenagers around the country, and they've brought together some of the best for this great resource. Plus they give you everything you need for each skit—overview, characters, location, Scripture reference, props, direction pointers, and a complete script. The Skit Guys avoid the cheesy dialogues and scenes typically found in Christian dramas and instead bring fun characters, witty scripts, and entertaining situations to their skits, all categorized by: • Skits for Idiots (it would take an idiot not to be able to do them right!) • Monologues • Duets/Ensembles • Comedy • Drama • Scripture Readings THE SKIT GUYS are Eddie James and Tommy Woodard, two high school friends who love to communicate God's Word in dynamic and captivating ways through the use of drama, teaching, and comedy. They've been involved in various ministries and impacting lives for more than a decade. The duo has written numerous dramas, plays, and humorous skits that cover a wide variety of topics. They're the authors of Instant Skits along with their own Skit Guys resources. Eddie James has coauthored four volumes of the Videos That Teach series with Doug Fields.

The Abaya Chronicles Tina Leshner.2010-10-27 Since the discovery of oil in the Middle East, life has changed dramatically for 60-year-old Farah Abdullah al Matari of the United Arab Emirates. Raised in poverty in the desert, she now lives with her daughter in a spacious Abu Dhabi villa with a domestic staff. But the independent woman wants more out of life than sitting around and being waited on. Spurred on by her granddaughters, Farah begins to move away from her at home existence and into a more active lifestyle. Along the way, she gains a number of friends, including Americans. The Abaya Chronicles centers on Farah, her family and her friends. The fictional account showcases a generation of women using their education and their resources to help those less fortunate, to start businesses, and to support sports and other endeavors for women. In many respects, the novel also provides an education about life in an oil-rich country.

ADVENTURES IN A BACKWATER GOVERNMENT DEPARTMENT AND OTHER SCENES FROM THE UNREMARKABLE LIFE OF A SON OF THE SUBURBS Patrick Hickman-Robertson.2019-10-29 Patrick was a wayward child who could not speak until he was four and ran away from boarding school. A disappointment to his parents and the despair of his teachers, he lacked the normal abilities that young people acquire as they grow up. After being sacked from his job, Patrick decided to try his fortunes overseas. A timid traveller and always obedient to authority, how did he come to the attention of the FBI, the Royal Canadian Mounted Police, the Los Angeles Police Departments South Africa's Bureau of State Security and Rhodesia's BSA Police? And why did he come to be in police custody in Tanganyika and the first white man deported by newly independent Kenya? Back in England, Patrick's CV was no conducive to gainful employment of the kind enjoyed by his peers: encyclopaedia salesman, nomadic field-hand, lavatory cleaner, bear-chaser, baggage-smasher, waitress (yes!), factory labourer, scullion. The BBC offered sanctuary as a clerk, with few prospects of advancement. After five years of entertaining if ill-paid work in an office full of colourful misfits, Patrick fell into the embrace of the Civil Service. A trainee again at the age of 30, could things improve? Things could, but not without a catalogue of mishaps on the way. Patrick's propensity for bright ideas tended towards disaster, including a national crisis when he set in train the events that culminated in Black Wednesday.

Suppers of Many Dishes II: My Odyssey to the West and Beyond Dr. Oliver Akamnonu.2010-04-27 About the book The guns had barely gone silent after thirty months of a gruesome civil war. The infrastructure in the theater of war had all but been completely battered. A young final-year high school student fresh from the ravages of war had gained admission into one of the only four universities in his forcibly reunited country to study medicine in the western region of the country. A whole world of opportunities had been opened up. An unfolding odyssey of eleven action-packed years in the local West was to transform the emerging lover-boy eaglet through the ranks of William Shakespeares lover sighing like furnace to the soldier full of strange oaths and bearded like the pard. A short stint in party politics followed by leadership in professional politics pitched the young man against the powers that be. These were to culminate into series of dangerously veiled duels that were to ultimately force the man to seek disguised refuge in the shores of the acclaimed West. A new world, a new horizon, new scenes, new challenges, some uncanny solutions; the main actor in the odyssey himself bares it all!
