**Our Awesome God** Chuck Lamattina.2007-04-01 Our greatest need at this time, as in all times, is to know our God as He truly is. We need to fully understand the God of the Bible, the one true God. We need to understand His righteousness, holiness, mercy and love. We must come to grips with His wrath against sin. Our hearts need to be comforted by the reality that our God is the Father of mercies and the God of all comfort who meets us at the point of our deepest needs. When we truly know God we know more than facts about Him He rubs off on us and changes us for the better. Our mind is awakened to the glory of God, our heart is opened to the love of God, and our will is dedicated to the service of God. If you are hungering to know God or to know Him better, this book will help to meet that need.

*Awesome God* Sr. CLU M. Gilbert..2019-04-30 My book, *Awesome God*, tells of the many miracles in my life. I was born on an old farm in Vivian, Louisiana. We were very poor and had no running water, gas, or electricity. We lived in an old three-room house with a fireplace in the living room as our only source of heat for the house. God healed me instantly of polio when I was five years old and in 1944, there was NO treatment or vaccines at that time for polio it was a death sentence. *Awesome God* is full of such miracles in my life. He is a can-do anything God can and will do the same for you provided you put your hand in his hand and ask him to Lead on, King Jesus. An *Awesome God* that can simply speak the world into existence hangs it on nothing, yet it still hangs in space. He created the Sun for the earth to orbit around and He created the moon to orbit around the earth as it orbits around the sun. He lets the earth make a rotation every twenty-four hours making it appear the sun rises in the east and sets in the west! Tilting back and forth as it orbits, the Sun giving us Summer, Spring, Fall and Winter in the Northern Hemisphere and just the exact opposite in the Southern Hemisphere. He is a can-do anything God.

Awesome God Karl Lee.2017-01-17 Have you ever had a thought that you needed to jot down? This book is basically thoughts, impressions, or something said or seen, which give me pause to consider. A bumper sticker like this, God is my copilot, excites me to comment on it. I would suspect you too might have something to say about it. It is often during my quiet time that I am impressed to jot down a word or two that works its way into my mind: Does God weep? I would think a question like that might cause anyone to stop and think about it. It poses all kinds of events and things that may cause God to weep. I pray that within these small writings, you find one that encourages, blesses, or brings a smile to you face. May God bless you abundantly!

**I Am an Awesome God** Igomene Joseph,Igomene Joseph Crps.2019-09-28 Follow the life experience of a 'God-made-man' story as outlined by the creator Himself. There's a song titled, One of Us, wherein part of the lyrics it asks: What if God was one of us? Suppose the song by Joan Osborne was really part of his actual introduction to the world. Suppose the timing of this book was coincidental with the Bible's version of revelation and the Second Coming of Christ. In His autobiography book, I am an Awesome God, (Available now on Amazon) God reveals Himself as the actual Creator, appearing as who He is as a human being. In doing so you must understand, the God you believe in and the God of who He really is very unconventional. Find out in the reading of this book. Imagine being God, creating life and existence, all in order to take part in your own creation, but when you do, you hypnotize yourself into a state of amnesia, all to forget and then remember what you did and who you are. Along the way, leaving clues with people who will help you remember who you are; especially when doubt yourself. You, my angelic friend, are one of God's chosen! You are an angel from a children's parable called, The Little Soul and the Sun, which is by his favorite author, Neale Donald Walsch, author of Conversations with God: An Uncommon Dialogue. In his book, the author seemingly channels the Spirit of God into his very own book. Is this possible? Is it blasphemy? Is it a sign of the times? Or, is it God Himself?
