The Heart of a King Jill Eileen Smith.2019-04-30 King Solomon was wealthy and wise beyond measure. He could--and did--have anything he wanted, including many women from many lands. But for all his wisdom, did he or the women in his life ever find what they searched for all of their lives? In this engrossing novel, you'll find yourself whisked away to ancient Israel, where you'll meet Solomon and four of the women he loved: Naamah the desert princess, Abishag the shepherdess, Siti the daughter of a pharaoh, and Nicaula the queen of Sheba. As you experience the world of Solomon through his eyes and the eyes of these women, you'll ask yourself the ultimate question: Did Solomon's wisdom ultimately benefit him and those he loved . . . or did it betray them?

King Solomon Philip Graham Ryken.2011-07-07 Though the world's wisest king, Solomon's heart was led astray by temptations of wealth, sex, and power. And we face the same dangers today, though the temptations may be different in degree and detail. Author Philip Ryken writes, "In witnessing Solomon's moral triumphs and sinful failures we learn how to live more wisely. By the grace of God, we may avoid a tragic downfall of our own and learn how to use money, sex, and power for the glory of God." Tracing Solomon's life from coronation to burial—and from godly devotion to self-serving excess—Ryken shows readers how to avoid similar downfalls and seek God's glory amid earthly temptations. These thirteen chapters are pastoral, rich in application, and biblically faithful. This overview of Solomon's life also includes a study guide, making it a great resource for both personal and group use.

Song of Solomon Dr. Bonnie L. Westhoff.2016-07-27 The Book of First Kings 4:32 says that Solomon wrote 1005 songs. A song is poetry like the Psalms that were sung to bring forth a message from God. God deemed this song important enough to keep it in His manual, the Bible. The Books of First and Second Samuel are the historical books of David, but His love and emotions for God were written in his Psalms. Likewise, the Book of Revelation is a historical book of the bride of Christ, but the Song of Solomon is the love and emotions of Christ and His bride. This book is being published at the same time as Revelation to be companion books with the same overview. God desired a people who would be adopted into His kingdom. Christ would redeem every person who would acknowledge the plan of God to become children of the Most High God. The Bible was inspired by God (2 Tim 3:16). The Book of Song of Solomon shows the love of the Lord Jesus to His bride, the Church, who is called Shulamite. Shulamite in Hebrew is the feminine noun for Solomon. Solomon in Hebrew is shalom meaning peace unto wholeness. This wholeness comes from a relationship with the Lord which is offered to everyone, male or female, Jewish or Gentile (non-Jewish). Do not think of Solomon in this book as the king, for he too is a believer in the Lord, so therefore He too can be the Shulamite. This is not a picture of Solomons love for a woman, but instead the story of how Solomon came to love the Lord and grow spiritually throughout His life. Both Books (Revelation and Song of Solomon) are actually a symbolic picture of the Ancient Jewish Wedding. The bride is the Church, and therefore, seen as female, yet we know that God is identified as being present in both male and female. Therefore, Solomon is writing as a believer growing in his walk with the Lord. Song of Solomon, like all books in the Old Testament, point to Jesus. It cant be about Solomon and his love for a woman; IT HAS TO BE ABOUT JESUS. Therefore, it shows how a believer grows in their relationship with Jesus. The Jewish wedding takes us from the first time we see Jesus in the spirit and are engaged (salvation) to the time we see Jesus face to face in marriage (our resurrection) to the time we return with Christ to rule and reign as His wife (Millennium) to the time we live in the new heaven and earth (eternity). The intention of this book is to experience in the spirit the life of the believer growing in our knowledge and relationship with Jesus Christ.

Daughter of the Nile (The Loves of King Solomon Book #3) Jill Eileen Smith.2016-09-06 Her father, the Great Pharaoh of Egypt, promised the renowned king of Israel anything he desired. She never could have imagined his desire would include her. Princess Siti is happy to let her older sister marry the crown prince out of duty to Egypt. She longs to marry for love--to a great man like those in the romantic poems she adores. But her mother wants her to wed her temperamental cousin, and only her father can overturn the arrangement. When news comes of Egypt's triumph over a distant Canaanite city, rumors spread that Israel's great King Solomon himself may travel to Egypt in order to make an alliance. Siti yearns to meet this fabled king, who is as handsome as he is wise, but she never dreamed she might be offered to him as a bride. Can she truly leave her beloved Egypt--and love the man who is tearing her away from all she's ever known?

The One Love Rear Admiral Joseph H. Miller,Cathy Parker Miller R. N..2010-03 The One Love refers to a husband and wife who have become one and their One love which is to the other. This book is based on the thoughts from Solomon, the wisest man who ever lived. He had 700 wives and 12,000 horses, but he had only one love. An alternate interpretation of the Biblical book, Song of Solomon, (a story of sexual love) suggests that Solomon's experience answers the question, Is it better to have loved and lost or better to have never loved at all? Solomon had wondered away from God. He was led by his wives to worship pagan gods. When he

lost his only true love, the impact caused him to return to the only true God in his old age. This book is a reference book for all young people who are contemplating marriage or are already married. It lists the 13 subjects that are necessary to have a Broad Mentality in life. It lists the 11 factors for a Broad Mentality needed for a successful marriage. It asks 25 questions to be reviewed before marriage that lead to thoughts for a life-long or permanent marriage. It is very practical in producing a technique that guarantees communication for young married people. It lists many Code Names for Love, with instructions as to how young couples can develop their own. It clearly reveals that sex outside of marriage is a sin. It takes one on a tour through the Bible showing that homosexuality is a sin and one who is persistent in that sin (as with many other sins) will not be in the Kingdom of Heaven. The course involves a study of Five Chapters concerning True Love. An Addendum, (with 86 questions) that outlines the course discusses: Falling in Love, (25 Questions before Marriage), Marriage, and Staying Married.

Solomon's Song of Love Craig Glickman.2010-06-15 One of the most beautiful and mysterious books of the Bible is laid open for all to understand in this unparalleled work by Dr. Craig Glickman. With apparent ease, Glickman unveils the mysteries of the Song of Solomon in a popular-read format. But the surface simplicity is backed up by a lifetime of study and scholarship, three special appendices, and interpretive notes that validate his interpretation. Also included is a fresh translation of the Song published in this book for the first time. Initial readers of this book offer resounding praise. This book is the most fascinating book I have ever read about the Song, says Dr. Henry Cloud. Old Testament scholars praise it as an academic breakthrough: clear, cogent, and convincing, says Dr. Eugene Merrill; a valuable contribution to our translation and understanding of the Song, says Ed Blum, general editor of the HCSB translation. Dr. Paul Meier sums it up in these words, Craig weaves thousands of years of wisdom together to paint a vivid word picture of emotional and sexual intimacy.

The World English Bible (WEB): Song of Solomon Anonymous.2020-03-16 The World English Bible (WEB): Song of Solomon Also called the Song of Songs and the Canticle of Canticle, this is a love poem that depicts the feelings and events leading up to, during, and after a marriage. It is unique in that it shows no interest in Law or Covenant or the God of Israel, nor does it teach or explore wisdom like Proverbs or Ecclesiastes. Instead, it celebrates sexual love, giving a voice to two lovers, praising each other.

The English Bible, King James Version: The Old Testament (International Student Edition) (Vol. 1) (Norton Critical Editions) Herbert Marks.2016-04-04 A stunning work of scholarship, the Norton Critical Edition of The English Bible, King James Version, is the most accessible edition available. In celebration of the 400th anniversary of the King James Bible, these long-awaited volumes bring together succinct introductions to each biblical book, detailed explanatory annotations, and a wealth of contextual and critical materials. Archaic words are explained, textual problems are lucidly discussed, and stylistic features of the original texts are highlighted. Judicious and economical, the introductions and annotations to the Old Testament give readers without Hebrew an entry into complexities of biblical literature, reconstructing its original contexts, tracing its evolution, and pointing out productive strategies of reading. Incorporating the insights of modern biblical scholarship as well as centuries of precritical interpretation, they offer essential guidance to a labyrinthine world, while respecting the text's integrity. The historical and critical appendix comprises three distinct collections. A section on ancient Near Eastern backgrounds presents the myths, hymns, prayers, and legal codes that informed the creation of the Hebrew Bible. A historical anthology of biblical interpretation gathers—for the first time in one volume—generous selections from the Jewish, Christian, and Muslim traditions, along with classics of secular commentary. It includes reflections on the Bible by philosophers from Hobbes to Ricoeur; a compendium of modern biblical scholarship, focusing on topics such as the oral and the written, the composition of the Pentateuch, and the historical movement from covenant to canon; and a provocative sampling of comparative and literary approaches. The crucial presence of the Old Testament within English literature is represented by paraphrases and parables in verse and prose, and a recapitulatory conclusion brings the diverse perspectives of this millennial survey to bear on two of the Bible's most famous passages: the expulsion from the garden of Eden and the binding of Isaac. A final section devoted to the question of translation includes significant English versions from Wycliffe to the present. Time lines, chronologies, diagrams, and maps are included.

Moving toward an encounter with the Heart of Light, Solomon journeys backwards into the darkness of his past, a killing dark that follows him even now in the form of a twice-living madman: Lazarus - the puppet instrument of Janis IV, ruler of the galaxy, who could neither govern nor love the one man closest to her heart.

Straight to the Heart of Solomon Phil Moore.2013-04 The Straight to the Heart commentary series brings greater accessibility to the Bible so that people can understand the message that the Holy Spirit inspired the authors to write. It aims to get people reading so that they can hear God's voice for themselves; it will challenge them and provide a springboard into a deeper relationship with the divine. In Straight to the Heart of Solomon we learn from Proverbs, Song of Songs, and Ecclesiastes that life only works God's way. That's what Solomon teaches us in the book of Proverbs and it's what he celebrates in his risqué Song of Songs. Sadly, Solomon wrote Ecclesiastes in his old age as a record of what happened to him when he failed to follow his own advice. He warns us from experience that life really does only work God's way. The series will cover the

whole Bible in 25 volumes to be published through 2015. Previously published volumes include Genesis, Moses, 1 & 2 Samuel, Matthew, John, Acts, Romans, 1 & 2 Corinthians, and Revelation. "Fresh. Solid. Simple. Really good stuff." —R. T. Kendall "Phil Moore has served us magnificently." —Terry Virgo "Most commentaries are dull. These are alive. Most commentaries are for scholars. These are for you!" —Michael Green "Think of these books as the Bible's message distilled for everyone." —Adrian Warnock

Transformed by Love Kevin King.2012-07-01 King Solomon, the wisest man who ever lived, called this his 'Song of Songs.' But through the centuries many have struggled to make sense of it. Who is the mysterious woman with whom the king is so in love? What is her story - and why is it in the Bible? In this devotional exposition and modern English translation, we follow the heart-searching highs and lows of their relationship as we unravel the answers to these questions. We see how lovingly and patiently Solomon wins her heart and confidence until finally, freed from her past, she becomes the magnificent queen that he first saw her to be. But what of Solomon himself? He is not what we would expect: at heart a shepherd, an adventurer, a lover of wild, open spaces. And as the story progresses we come to understand the prophetic significance of Solomon's vision of the 'shepherd king' - and why his attempts to fulfill it himself caused his downfall. Yet, more importantly, we see how perfectly it is fulfilled, and all our deepest needs met, in the ultimate 'Good Shepherd' and 'King of Love, ' Jesus Christ.

The Song of Solomon, Rendered Into English Verse. By Edward Yates .1863

Interlinear Hebrew Greek English Bible, Volume 2 of 4 Volume Set - 1 Samuel - Psalm 55, Case Laminate Edition, with Strong's Numbers and Literal & KJV .2009-07 The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. - Conveniently includes the entire Hebrew and Greek text of the Bible in one place - Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages. Jay P. Green, Sr. (1918-2008) is Translator and Editor of The Interlinear Hebrew-Greek-English Bible and the translator of the Modern King James Version of the Holy Bible, The Teenage Version of the Holy Bible, and the Literal translation of the Holy Bible. He has written numerous books on textual criticism. Maurice A. Robinson (PhD) is Associate Professor of Greek at Southeastern Baptist Theological Seminary in Wake Forest, South Carolina.
