The Politics of Adaptation Astrid Van Weyenberg.2013 This book explores contemporary African adaptations of classical Greek tragedies. Six South African and Nigerian dramatic texts - by Yael Farber, Mark Fleishman, Athol Fugard, Femi Osofisan, and Wole Soyinka - are analysed through the thematic lens of resistance, revolution, reconciliation, and mourning. The opening chapters focus on plays that mobilize Greek tragedy to inspire political change, discussing how Sophocles' heroine Antigone is reconfigured as a freedom fighter and how Euripides' Dionysos is transformed into a revolutionary leader. The later chapters shift the focus to plays that explore the costs and consequences of political change, examining how the cycle of violence dramatized in Aeschylus' Oresteia trilogy acquires relevance in post-apartheid South Africa, and how the mourning of Euripides' Trojan Women resonates in and beyond Nigeria. Throughout, the emphasis is on how playwrights, through adaptation, perform a cultural politics directed at the Europe that has traditionally considered ancient Greece as its property, foundation, and legitimization. Van Weyenberg additionally discusses how contemporary African reworkings of Greek tragedies invite us to reconsider how we think about the genre of tragedy and about the cultural process of adaptation. Against George Steiner's famous claim that tragedy has died, this book demonstrates that Greek

tragedy holds relevance today. But it also reveals that adaptations do more than simply keeping the texts they draw on alive: through adaptation, playwrights open up a space for politics. In this dynamic between adaptation and pre-text, the politics of adaptation is performed.

The Concept of Negritude in the Poetry of Leopold Sedar Senghor Sylvia Washington
Ba.2015-03-08 Negritude has been defined by Léopold Sédar Senghor as the sum of the cultural values of the black world as they are expressed in the life, the institutions, and the works of black men. Sylvia Washington Bâ analyzes Senghor's poetry to show how the concept of negritude infuses it at every level. A biographical sketch describes his childhood in Senegal, his distinguished academic career in France, and his election as President of Senegal. Themes of alienation and exile pervade Senghor's poetry, but it was by the opposition of his sensitivity and values to those of Europe that he was able to formulate his credo. Its key theme, and the supreme value of black African civilization, is the concept of life forces, which are not attributes or accidents of being, but the very essence of being. Life is an essentially dynamic mode of being for the black African, and it has been Senghor's achievement to communicate African intensity and vitality through his use of the nuances, subtleties, and sonorities of the French language. In the final chapter Sylvia Washington Bâ discusses the future of Senghor's belief that the black man's culture should be recognized as valid not simply as a matter of human justice, but because the values of negritude could be instrumental in the reintegration of positive values into western civilization and the reorientation of contemporary man toward life and love. Float Anne Carson. 2025-12-31 From the renowned classicist and MacArthur Prize winner: a brilliant new collection that explores myth and memory, beauty and loss, all the while playing with--and pushing--the limits of language and form. Anne Carson continuously dazzles us with her inventiveness and the way her work changes our perspectives. With *Float*, she surpasses her own bar. In individual chapbooks that can be read in any order, she conjures a mix of voices, time periods, and structures to explore what makes people, memories, and stories maddeningly attractive when observed in liminal space. One can begin with Carson puzzling through Proust on a frozen Icelandic plain; in the art-saturated enclaves of downtown New York City; atop Mount Olympus as Zeus ponders his afterlife. There is a three-woman chorus of Gertrude Steins embodying an essay about falling. And an investigation of monogamy and marriage as Carson anticipates the perfect egg her husband is cooking for breakfast. Exquisite, heartbreaking, disarmingly funny, *Float* illuminates the uncanny magic that comes with letting go of boundaries. It is Carson's most intellectually electrifying and emotionally engaging book to date. From the Hardcover edition.

Norma Jeane Baker of Troy Anne Carson. 2020-02-25 Anne Carson's new work that reconsiders the stories of two iconic women—Marilyn Monroe and Helen of Troy—from their point of view Winner of the Governor General Award in Poetry *Norma Jeane Baker of Troy* is a meditation on the destabilizing and destructive power of beauty, drawing together Helen of Troy and Marilyn Monroe, twin avatars of female fascination separated by millennia but united in mythopoeic force. *Norma Jeane Baker* was staged in the spring of 2019 at The Shed's Griffin Theater in New York, starring actor Ben Whishaw and soprano Renée Fleming and directed by Katie Mitchell.

Haughey Gary Murphy.2021-11-26 With exclusive access to the Haughey archives, Gary Murphy presents a reassessment of Charles Haughey's life and legacy. Saint or sinner? Charles Haughey was, depending on whom you ask, either the great villain of Irish political life or the benevolent and forward-thinking saviour of a benighted nation. He was undoubtedly the most talented and influential politician of his generation, yet the very roots of his success – his charisma, his intelligence, his ruthlessness, his secrecy – have rendered almost impossible any objective evaluation of his life and work. That is, until now. Based on unfettered access to Haughey's personal archives, as well as extensive interviews with more than eighty of his peers, rivals, confidants and relatives, Haughey is a rich and nuanced portrait of a man of prodigious gifts, who, for all his flaws and many contradictions, came to define modern Ireland. 'A superbly balanced exploration of the life and politics of one of the most fascinating figures in 20th century Ireland.' Professor John Horgan 'An indispensable read for anyone with an interest in modern Irish history.' David McCullagh 'Offers much new detail – and not a few surprises – about the personality and career of a political titan who is still, in equal measure, revered and reviled in 21st century Ireland.' Conor Brady

Antigone Sophocles.2015-03-13 When her dead brother is decreed a traitor, his body left unburied beyond the city walls, Antigone refuses to accept this most severe of punishments. Defying her uncle who governs, she dares to say 'No'. Forging ahead with a funeral alone, she places personal allegiance before politics, a tenacious act that will trigger a cycle of destruction. Renowned for the revelatory nature of his work, Ivo van Hove first enthralled London audiences with his groundbreaking Roman Tragediesseen at the Barbican in 2009. Drawing on his 'ability to break open texts calcified by tradition' (Guardian), the director now turns to a classic Greek masterpiece.

Amy and the Orphans Lindsey Ferrentino.2019 When their eighty-five-year-old father dies,

Along the way, the pair find out just how much they don't know about their family and each other. It seems only Amy knows who she really is.

Songs in the Key of Z Irwin Chusid. 2000 Irwin Chusid profiles a number of outsider musicians - those who started as outside and eventually came in when the listening public caught up with their radical ideas. War Music Christopher Logue. 2016-01-05 A remarkable hybrid of translation, adaptation, and invention Picture the east Aegean sea by night, And on a beach aslant its shimmering Upwards of 50,000 men Asleep like spoons beside their lethal Fleet. "Your life at every instant up for— / Gone. / And, candidly, who gives a toss? / Your heart beats strong. Your spirit grips," writes Christopher Logue in his original version of Homer's Iliad, the uncanny "translation of translations" that won ecstatic and unparalleled acclaim as "the best translation of Homer since Pope's" (The New York Review of Books). Logue's account of Homer's Iliad is a radical reimagining and reconfiguration of Homer's tale of warfare, human folly, and the power of the gods in language and verse that is emphatically modern and "possessed of a very terrible beauty" (Slate). Illness prevented him from bringing his version of the Iliad to completion, but enough survives in notebooks and letters to assemble a compilation that includes the previously published volumes War Music, Kings, The Husbands, All Day Permanent Red, and Cold Calls, along with previously unpublished material, in one final illuminating volume arranged by his friend and fellow poet Christopher Reid. The result, War Music, comes as near as possible to representing the poet's complete vision and confirms what

his admirers have long known: that “Logue’s Homer is likely to endure as one of the great long poems of the twentieth century” (The Times Literary Supplement).

Good night the pleasure was ours David Grubbs.2022-01-24 With Good night the pleasure was ours, David Grubbs melts down and recasts three decades of playing music on tour into a book-length poem, bringing to a close the trilogy that includes Now that the audience is assembled and The Voice in the Headphones. In Good night the pleasure was ours, the world outside the tour filters in with eccentric sparseness. From teenage punk bands to ensembles without fixed membership, and from solo performance to a group augmented by digital avatars, Grubbs presents touring as a series of daily dislocations that provides an education distinctly its own. These musicians’ job is to play that evening’s gig—whether to enthusiastic, hostile, or apathetic audiences—and then to do it again the next day. And yet, over the course of the book’s multidecade arc, Grubbs depicts music making as an irreversible process—one reason for loving it so.

Hal Wallis Bernard F. Dick.2015-01-13 Hal Wallis might not be as well known as David O. Selznick or Samuel Goldwyn, but the films he produced -- Casablanca, Jezebel, Now Voyager, The Life of Emile Zola, Becket, True Grit, and many other classics (as well as scores of Elvis movies) -- have certainly endured. As producer of numerous films, Wallis made an indelible mark on the course of America's film industry, but his contributions are often overlooked and no full-length study has yet assessed his incredible career. A former office boy and salesman, Wallis first engaged with the business of film as the manager of a Los Angeles movie theater in 1922. He attracted the notice of the Warner brothers, who hired him as a publicity assistant. Within three months he was director of the department, and appointments to studio manager and production executive quickly followed. Wallis went on to oversee dozens of productions and formed his own production company in 1944.

Bernard F. Dick draws on numerous sources such as Wallis's personal production files and exclusive interviews with many of his contemporaries to finally tell the full story of his illustrious career. Dick combines his knowledge of behind-the-scenes Hollywood with fascinating anecdotes to create a portrait of one of Hollywood's early power players.

Mom and Pop Grocery Stores Nebraska Jewish Historical Society.2011-08 Jews have a proud history as entrepreneurs and merchants. When Jewish immigrants began coming to America in greater and greater numbers during the late 19th century and early 20th century, many gravitated to the food industry, some as peddlers and fresh produce market stall hawkers, others as wholesalers, and still others as grocers. Most Jews who settled in Nebraska came from Russia and Poland, with smaller

segments from Hungary, Germany, and other central and Eastern European nations. They were variously escaping pogroms, revolution, war, and poverty. The prospect of freedom and opportunity motivated Jews, just as it did other peoples, to flock here. At a time when Jews were restricted from entering certain fields, the food business was relatively wide open and affordable to enter. There was a time when for a few hundred dollars, one could put a down payment on a small store. That was still a considerable amount of money before 1960, but it was not out of reach of most working men who scrimped and put away a little every week. And that was a good thing too because obtaining capital to launch a store was difficult. Most banks would not lend credit to Jews and other minorities until after World War II. The most likely route that Jews took to becoming grocers was first working as a peddler, selling feed, selling produce by horse and wagon or truck, or apprenticing in someone else's store. Some came to the grocery business from other endeavors or industries. The goal was the same -- to save enough to buy or open a store of their own. By whatever means Jews found to enter the grocery business, enough did that during the height of this self-made era. From roughly the 1920s through the 1950s, there may have been a hundred or more Jewish-owned and operated grocery stores in the metro area at any given time. Jewish grocers almost always started out modestly, owning and operating small Mom and Pop neighborhood stores that catered to residents in the immediate area. By custom and convenience, most Jewish grocer families lived above or behind the store, although the more prosperous were able to buy or build their own free-standing home. Since most customers in Nebraska and Iowa were non-Jewish, store inventories reflected that fact, thus featuring mostly mainstream food and nonfood items, with only limited Jewish items and even fewer kosher goods. The exception to that rule was during Passover and other Jewish high holidays, when traditional Jewish fare was highlighted. Business could never be taken for

granted. In lean times it could be a real struggle. Because the margin between making it and not making was often quite slim many Jewish grocers stayed open from early morning to early evening, seven days a week, even during the Sabbath, although some stores were closed a half-day on the weekend. Jewish stores that did close for the Sabbath were open on Sunday.

The Alteration Kingsley Amis.2013-05-07 BOOKER PRIZE-WINNING AUTHOR Set in a world in which the Reformation failed, this award-winning science fiction tale is “one of the best . . . alternate-worlds novels in existence” (Philip K. Dick) In Kingsley Amis’s virtuoso foray into virtual history it is 1976, but the modern world is a medieval relic, frozen in intellectual and spiritual time ever since Martin Luther was promoted to pope back in the sixteenth century. Stephen the Third, the king of England, has just died, and Mass (Mozart’s second requiem) is about to be sung to lay him to rest. In the choir is our hero, Hubert Anvil, an extremely ordinary ten-year-old boy with a faultless voice. In the audience is a select group of experts whose job is to determine whether that faultless voice should be preserved by performing a certain operation. Art, after all, is worth any sacrifice. How Hubert realizes what lies in store for him and how he deals with the whirlpool of piety, menace, terror, and passion that he soon finds himself in are the subject of a classic piece of counterfactual fiction equal to Philip K. Dick’s *The Man in the High Castle*. *The Alteration* won the John W. Campbell Memorial Award for best science-fiction novel in 1976.

It is now offered as a general text book on the subject, in the hope that students preparing for any theory of music examinations will find it helpful...--From introduction.

An Oresteia Aeschylus, Sophocles. 2010-03-02 In this innovative rendition of *The Oresteia*, the poet, translator, and essayist Anne Carson combines three different visions -- Aeschylus' Agamemnon, Sophocles' Elektra, and Euripides' Orestes, giving birth to a wholly new experience of the classic Greek triumvirate of vengeance. Carson's accomplished rendering combines elements of contemporary vernacular with the traditional structures and rhetoric of Greek tragedy, opening up the plays to a modern audience. --from publisher description.

The Anachronistic Turn Stephanie Russo. 2023-12-01 *The Anachronistic Turn: Historical Fiction, Drama, Film and Television* is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us to rethink the relationship between past and present. Through an examination of literary, cinematic, and popular texts and practices, this book investigates how twenty-first century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties. Drawing together a wide range of texts across all forms of historical fiction - novels, dramas, musicals, films and television - this book re-frames anachronism not as an error, but as a deliberate strategy that emphasises the fictionalising tendencies of all forms of historical writing. The book achieves this by exploring three core themes: the developing trends in the twenty-first century for creators of historical fiction to include deliberate anachronisms, such as contemporary references, music, and language; the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present, and; the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties. This book will appeal to students and scholars of historical fiction, contemporary historical film and television studies, and historical theatre studies.

The Collected Poems of Jean Toomer Robert B. Jones, Margot Toomer Latimer. 2014-02-01 This

volume is the only collected edition of poems by Jean Toomer, the enigmatic American writer, Gurdjieffian guru, and Quaker convert who is perhaps best known for his 1923 lyrical narrative *Cane*. The fifty-five poems here -- most of them previously unpublished -- chart a fascinating evolution of artistic consciousness. The book is divided into sections reflecting four distinct periods of creativity in Toomer's career. The Aesthetic period includes Imagist, Symbolist, and other experimental pieces, such as *Five Vignettes*, while *Georgia Dusk* and the newly discovered poem *Tell Me* come from Toomer's Ancestral Consciousness period in the early 1920s. The *Blue Meridian* and other Objective Consciousness poems reveal the influence of idealist philosopher Georges Gurdjieff. Among the works of this period the editor presents a group of local color poems picturing the landscape of the American Southwest, including *Imprint for Rio Grande*. *It Is Everywhere*, another newly discovered poem, celebrates America and democratic idealism. The Quaker religious philosophy of Toomer's final years is demonstrated in such Christian Existential works as *They Are Not Missed* and *To Gurdjieff Dying*. Robert Jones's clear and comprehensive introduction examines the major poems in this volume and serves as a guide through the stages of Toomer's evolution as an artist and thinker. The *Collected Poems of Jean Toomer* will prove essential to Toomer's admirers as well as to scholars and students of modern poetry, Afro-American literature, and American studies.

Euripides, the last of the three great tragedians of ancient Athens, reached the height of his renown during the disastrous Peloponnesian War, when democratic Athens was brought down by its own outsized ambitions. "Euripides," the classicist Bernard Knox has written, "was born never to live in peace with himself and to prevent the

rest of mankind from doing so." His plays were shockers: he unmasked heroes, revealing them as foolish and savage, and he wrote about the powerless—women and children, slaves and barbarians—for whom tragedy was not so much exceptional as unending. Euripides' plays rarely won first prize in the great democratic competitions of ancient Athens, but their combustible mixture of realism and extremism fascinated audiences throughout the Greek world. In the last days of the Peloponnesian War, Athenian prisoners held captive in far-off Sicily were said to have won their freedom by reciting snatches of Euripides' latest tragedies. Four of those tragedies are presented here in new translations by the contemporary poet and classicist Anne Carson. They are *Herakles*, in which the hero swaggers home to destroy his own family; *Hekabe*, set after the Trojan War, in which Hektor's widow takes vengeance on her Greek captors; *Hippolytos*, about love and the horror of love; and the strange tragic-comedy fable *Alkestis*, which tells of a husband who arranges for his wife to die in his place. The volume also contains brief introductions by Carson to each of the plays along with two remarkable framing essays: "Tragedy: A Curious Art Form" and "Why I Wrote Two Plays About Phaidra."

Sex and Film B. Forshaw. 2015-02-27 *Sex and Film* is a frank, comprehensive analysis of the cinema's love affair with the erotic. Forshaw's lively study moves from the sexual abandon of the 1930s to filmmakers' circumvention of censorship, the demolition of taboos by arthouse directors and pornographic films, and an examination of how explicit imagery invaded modern mainstream cinema.
