Wilderness Lance Weller. 2013-01-01 Thirty years ago, Abel Truman found himself on the wrong side in the Battle of the Wilderness, one of the bloodiest clashes of the American Civil War. Its aftermath took him to the edge of the continent, the rugged coast of Washington State, where he has made his home in a driftwood shack with his beloved dog, waiting for the scars of war to heal. Now an old and ailing man, Abel must make one heroic final journey over the snowbound Olympic Mountains. But as Abel sets out, violence follows him in the shape of the memories of those he has lost, and the savagery he witnessed, as well as two men who are darkly tenacious in their pursuit. Hypatia is a freed slave who finds herself walking unwittingly into the hellish heart of the Wilderness. Ellen is a white woman, married to a black man at a time that is as dangerous as it is unforgiving. And Jane is a young Chinese girl, who is newly, cruelly orphaned, and clinging on to life. Abel's epic journey leads him to each of them as he encounters compassion amid brutality and tenderness within loss.

Sicher in Kreuzberg Ayhan Kaya. 2001 This book examines the construction and articulation of diasporic cultural identity among the Turkish working-class youth in Kreuzberg (Little Istanbul), Berlin. This work primarily suggests that the contemporary diasporic consciousness is built on two antithetical axes: particularism and universalism. The presence of this dichotomy derives from the unresolved historical dialogues that the diasporic youths experience between continuity and disruption, essence and positionality, tradition and translation, homogeneity and difference, past and

future, 'here' and 'there', 'roots' and 'routes', and local and global.

Turkey - Culture Smart! Charlotte McPherson,Culture Smart!.2022-08-30 Don't just see the sights— get to know the people. At first glance, Turkey may seem Westernized and entirely modern— but appearances can be misleading. It is above all a land of contrasts, a heady mixture of Oriental etiquette and ultramodern city life, deep-rooted religious faith and determined secularism, a fierce sense of national pride and openness to foreign ideas. The Turkish people are very much their own center of gravity, and for the unwary visitor there are pitfalls to avoid as well as great riches to be found. Culture Smart! Turkey is an invaluable guide to the intricate ins and outs of this culturally rich and complex society. This updated edition outlines the complex history of Anatolia, provides key insights into contemporary Turkish values and attitudes, describes important customs and traditions, and reveals what life is like for the Turks at home, at work, and at play. It also offers practical tips and information about what to expect and how to navigate different social situations. In this unique mix of Islamic and European cultures, the Turks are extremely hospitable. If you show an interest in their culture and respect for their point of view, they will repay your effort many times over. Have a richer and more meaningful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.
