Analyse Your Date of Birth R. K. Baqaya. 2006 From the very dawn of humanity, humans have always been curious about their future. And so Numerology, Western Astrology and Chinese Astrology as three distinct studies evolved. Analyse your Date of Birth synthesises all three to help you predict accurately a person's character, behaviour and even his / her future. Numerology is the study of the occult meanings of numbers, that set of numbers associated with the date of your birth or letters of your name, and their influence on human life. This book analyses the date of birth according to Numerology. People have since early days looked to the heavens and the planets for guidance. This resulted in the study of planets, their movement, their position during the birth of a person and their effect on humans. This study was called Astrology. The author has used Western Astrology to analyse the month a person was born in. And finally the year a person is born in is analysed according to Chinese Astrology. In Chinese Astrology twelve of the animal signs are allotted to each of the twelve years constituting the smaller cycle of the Chinese Zodiac. According to Chinese legend it was Lord Buddha who rewarded every animal who came to him just before he departed from Earth, by naming a year after it. This book is a detailed study of the occult sciences, and brings to you a novel method to predict your future.

The Gospel & the Zodiac Bill Darlison.2008-02-14 “Darlison elucidates the zodiac's significant place in the Gospels, most specifically in the Book of Mark . . . An intriguing leap into faith” (Kirkus Reviews). For millennia the world has been driven by the differences between the great patriarchal religions. Western civilization—or Christendom, as it was once called—received its values and its confidence from a belief in God, the Father, and Jesus, his only son. But what if this conviction were founded on an error? Who is the man in the factually inconsistent Gospel stories? And who is the man who makes a brief appearance carrying a jar of water? This extraordinary study by a Unitarian minister suggests that Jesus never existed historically; he was simply a representation of an astrological theology—a representation, simply put, of the zodiac sign of Aquarius. In The Gospel & the Zodiac, Rev. Bill Darlison demonstrates that all the other signs are present too, in perfect zodiacal order. The Gospel story is not the product of historians or eyewitnesses, but an older, mystical text produced by an ancient, esoteric school as a guide to the Age of Pisces. Every bit as revelatory and controversial as it sounds, The Gospel & the Zodiac will shake up the religious status quo, and in doing so, provide both a new look at a religious icon and a deeper understanding of the faith that binds millions together. “Darlison begins by looking at different scholarly approaches to the gospels, then outlines his astrological interpretation logically and lucidly, matching the zodiacal signs to the narrative of Mark.” —Fortean Times

Inside Planets Ellias Lonsdale.1995-09-21 For centuries, spiritual seekers have turned to astrology to discover humans' deepest connections with the Earth and the cosmos. But too often, astrology devolves into meaningless clich's or impersonal newspaper horoscopes. In the early part of this century Marc Edmund Jones and Dane Rudhyar liberated astrology from the fatalistic approach of the medieval world. They took power from the high-and-mighty archaic planet gods, and offered it back to human beings. Here, at the end of the century, Inside Planets goes further, invoking each planet as a mighty full-bodied organism with a character and a soul of its own, a living breathing force with passion and humor and purpose that changes as it moves through the houses and signs. Each planet grabs you by the imagination and drags you to the campfire of The Greatest Story Even Told. Far more than an astrology guide, this book resuscitates from the ancient mystery temples of Atlantis an elegant and inspiring pantheon of wonder, terror, and creative solution to the problems that plague the soul.
