Ambulance Girl Jane Stern.2007-12-18 The basis for the movie starring Kathy Bates, *Ambulance Girl* is an inspiring story by a woman who found, somewhat late in life, that “in helping others I learned to help myself.” Jane Stern was a walking encyclopedia of panic attacks, depression, and hypochondria. Her marriage of more than thirty years was suffering, and she was virtually immobilized by fear and anxiety. As the daughter of parents who both died before she was thirty, Stern was terrified of illness and death, and despite the fact that her acclaimed career as a food and travel writer required her to spend a great deal of time on airplanes, she suffered from a persistent fear of flying and severe claustrophobia. Yet, this fifty-two-year-old writer decided to become an emergency medical technician. Stern tells her story with great humor and poignancy, creating a wonderful portrait of a middle-aged, Woody Allen-ish woman who was “deeply and neurotically terrified of sick and dead people,” but who went out into the world to save other people’s lives as a way of saving her own. Her story begins with the boot camp of EMT training: 140 hours at the hands of a dour ex-marine who took delight in presenting a veritable parade of amputations, hideous deformities, and gross disasters. Jane—overweight and badly out of shape—had to surmount physical challenges like carrying a 250-pound man seated in a chair down a dark flight of stairs. After class she did rounds in the emergency room of a local hospital. Each call Stern describes is a vignette of human nature, often with a life in the balance. From an AIDS hospice to town drunks, yuppie wife beaters to psychopaths, Jane comes to see the true nature and underlying mysteries of a town she had called

home for twenty years. Throughout the book we follow her as she gets her sea legs, bonds with the firefighters who become her colleagues, and eventually, comes to be known as Ambulance Girl.

Plum Spooky Janet Evanovich. 2009-01-06 Plum Spooky, the First Full Length Stephanie Plum Between-the-Numbers Novel from #1 Bestselling Author Janet Evanovich. Turn on all the lights and check under your bed. Things are about to get spooky in Trenton, New Jersey. According to legend, the Jersey Devil prowls the Pine Barrens and soars above the treetops in the dark of night. As eerie as this might seem, there are things in the Barrens that are even more frightening and dangerous. And there are monkeys. Lots of monkeys. Wulf Grimoire is a world wanderer and an opportunist who can kill without remorse and disappear like smoke. He's chosen Martin Munch, boy genius, as his new business partner, and he's chosen the Barrens as his new playground. Munch received his doctorate degree in quantum physics when he was twenty-two. He's now twenty-four, and while his brain is large, his body hasn't made it out of the boys' department at Macy's. Anyone who says good things come in small packages hasn't met Munch. Wulf Grimoire is looking for world domination. Martin Munch would be happy if he could just get a woman naked and tied to a tree. Bounty hunter Stephanie Plum has Munch on her most-wanted list for failure to appear in court. Plum is the all-American girl stuck in an uncomfortable job, succeeding on luck and tenacity. Usually she gets her man. This time she gets a monkey. She also gets a big guy named Diesel. Diesel pops in and out of Plum's life like birthday cake - delicious to look at and taste, not especially healthy as a steady diet, gone by the end of the week if not sooner. He's an über bounty hunter with special skills when it comes to tracking men and pleasing women. He's after Grimoire, and now he's also after Munch. And if truth were told, he wouldn't mind setting Stephanie Plum in his crosshairs. Diesel and Plum hunt down Munch and Grimoire,

following them into the Barrens, surviving cranberry bogs, the Jersey Devil, a hair-raising experience, sand in their underwear, and, of course . . . monkeys.

Critical Thinking Gregory Bassham.2008 Through the use of humour, fun exercises, and a plethora of innovative and interesting selections from writers such as Dave Barry, Al Franken, J.R.R. Tolkien, as well as from the film 'The Matrix', this text hones students' critical thinking skills.

Production and Operations Management Systems Sushil Gupta,Martin Starr.2014-02-07 Since the beginning of mankind on Earth, if the busyness process was successful, then some form of benefit sustained it. The fundamentals are obvious: get the right inputs (materials, labor, money, and ideas); transform them into highly demanded, quality outputs; and make it available in time to the end consumer. Illustrating how operations relate to the rest of the organization, Production and Operations Management Systems provides an understanding of the production and operations management (P/OM) functions as well as the processes of goods and service producers. The modular character of the text permits many different journeys through the materials. If you like to start with supply chain management (Chapter 9) and then move on to inventory management (Chapter 5) and then quality management (Chapter 8), you can do so in that order. However, if your focus is product line stability and quick response time to competition, you may prefer to begin with project management (Chapter 7) to reflect the continuous project mode required for fast redesign rapid response. Slides, lectures, Excel worksheets, and solutions to short and extended problem sets are available on the Downloads / Updates tabs. The project management component of P/OM is no longer an auxiliary aspect of the field. The entire system has to be viewed and understood. The book helps students develop a sense of managerial competence in making decisions in the design, planning, operation, and control of manufacturing, production, and

operations systems through examples and case studies. The text uses analytical techniques when necessary to develop critical thinking and to sharpen decision-making skills. It makes production and operations management (P/OM) interesting, even exciting, to those who are embarking on a career that involves business of any kind.

Management Information Systems Kenneth C. Laudon, Jane Price Laudon. 2004 Management Information Systems provides comprehensive and integrative coverage of essential new technologies, information system applications, and their impact on business models and managerial decision-making in an exciting and interactive manner. The twelfth edition focuses on the major changes that have been made in information technology over the past two years, and includes new opening, closing, and Interactive Session cases.

Songs in the Key of Z Irwin Chusid. 2000 Irwin Chusid profiles a number of outsider musicians - those who started as outside and eventually came in when the listening public caught up with their radical ideas. Included are The Shaggs, Tiny Tim, Syd Barrett, Joe Meek, Captain Beefheart, The Cherry Sisters, Daniel Johnston, Harry Partch, Wesley Willis, and others.

War is a Racket Smedley Butler. 2018-01-19 War Is a Racket is a speech and a 1935 short book, by Smedley D. Butler, a retired United States Marine Corps Major General and two-time Medal of Honor recipient. Based on his career military experience, Butler frankly discusses how business interests commercially benefit (including war profiteering) from warfare. He had been appointed commanding officer of the Gendarmerie during the United States occupation of Haiti, which lasted from 1915 to 1934.

The Dhandho Investor Mohnish Pabrai. 2011-01-06 A comprehensive value investing framework for the individual investor In a straightforward and accessible manner, The Dhandho Investor lays out the powerful framework of value investing. Written with the intelligent individual investor in mind,

this comprehensive guide distills the Dhandho capital allocation framework of the business savvy Patels from India and presents how they can be applied successfully to the stock market. The Dhandho method expands on the groundbreaking principles of value investing expounded by Benjamin Graham, Warren Buffett, and Charlie Munger. Readers will be introduced to important value investing concepts such as Heads, I win! Tails, I don't lose that much!, Few Bets, Big Bets, Infrequent Bets, Abhimanyu's dilemma, and a detailed treatise on using the Kelly Formula to invest in undervalued stocks. Using a light, entertaining style, Pabrai lays out the Dhandho framework in an easy-to-use format. Any investor who adopts the framework is bound to improve on results and soundly beat the markets and most professionals.

Pre-Incident Indicators of Terrorist Incidents Brent L.

Smith.2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Good Strategy Bad Strategy Richard Rumelt.2011-07-19 Good Strategy/Bad Strategy clarifies the muddled thinking underlying too many strategies and provides a clear way to create and implement a powerful action-oriented strategy for the real world. Developing and implementing a strategy is the central task of a leader. A good strategy is a specific and coherent response

Downloaded from
gws.ala.org on
2022-10-29 by guest

to—and approach for—overcoming the obstacles to progress. A good strategy works by harnessing and applying power where it will have the greatest effect. Yet, Rumelt shows that there has been a growing and unfortunate tendency to equate Mom-and-apple-pie values, fluffy packages of buzzwords, motivational slogans, and financial goals with “strategy.” In *Good Strategy/Bad Strategy*, he debunks these elements of “bad strategy” and awakens an understanding of the power of a “good strategy.” He introduces nine sources of power—ranging from using leverage to effectively focusing on growth—that are eye-opening yet pragmatic tools that can easily be put to work on Monday morning, and uses fascinating examples from business, nonprofit, and military affairs to bring its original and pragmatic ideas to life. The detailed examples range from Apple to General Motors, from the two Iraq wars to Afghanistan, from a small local market to Wal-Mart, from Nvidia to Silicon Graphics, from the Getty Trust to the Los Angeles Unified School District, from Cisco Systems to Paccar, and from Global Crossing to the 2007-08 financial crisis. Reflecting an astonishing grasp and integration of economics, finance, technology, history, and the brilliance and foibles of the human character, *Good Strategy/Bad Strategy* stems from Rumelt’s decades of digging beyond the superficial to address hard questions with honesty and integrity.

Improving the Airport Customer Experience Bruce J. Boudreau, Greg Detmer, Susan Tam, Stephanie Box, Ryan Burke, Joanne Paternoster, Lou Carbone. 2016 TRB's Airport Cooperative Research Program (ACRP) Report 157: Improving the Airport Customer Experience documents notable and emerging practices in airport customer service management that increase customer satisfaction, recognizing the different types of customers (such as passengers, meeters and greeters, and employees) and types and sizes of airports. It also identifies potential improvements that airports could make for their customers. -- Publisher's description

The Themed Space Scott A. Lukas.2007-10-07 The Themed Space: Locating Culture, Nation, and Self is the first edited collection focused on the significance of the theme space. The first section of the text discusses the ways in which theming acts as a form of authenticity. Included are articles on the theme park Dollywood, the historic Coney Island, the uses of theming in Flagstaff, Arizona, and the Las Vegas Strip. Section two considers theming as a reflection of nation, and its authors focus on Chinese theme parks and shopping malls, the Lost City theme park in South Africa, and the Ain Diab resort district in Casablanca. The third section of the book illustrates how theming often targets the person—whether famous or everyday. The authors look at spaces ranging from the Liverpool John Lennon Airport, love hotels in Japan, and the Houston, Texas theme park AstroWorld. The final section emphasizes theming as a projection of the mind and psychology. The authors focus on behind-the-scenes tourism at Universal Studios and the Ford Rouge Factory Tour, the use of theming in unexpected spaces like Florida themed clinics, theming in virtual reality spaces of video games, and the social controversies related to theming in various parts of the world. The book includes a comprehensive bibliography on theming and a list of key terms. The Themed Space is of great interest to students of all levels and scholars of anthropology, urban studies and sociology.

with general principles, today's students--tomorrow's future managers--will be prepared to adjust their firm's business strategies to the demands of the ever-changing environment.

Quantitative Literacy Bernard L. Madison, Lynn Arthur Steen. 2003

Introduction to Business Lawrence J. Gitman, Carl McDaniel (Jr.), Amit J. Shah, Monique Reece, Linda Koffel, Bethann Talsma, James C. Hyatt. 2018 Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

The Future of Ideas Lawrence Lessig. 2002-10-22 The Internet revolution has come. Some say it has gone. In *The Future of Ideas*, Lawrence Lessig explains how the revolution has produced a counterrevolution of potentially devastating power and effect. Creativity once flourished because the Net protected a commons on which widest range of innovators could experiment. But now, manipulating the law for their own purposes, corporations have established themselves as virtual gatekeepers of the Net while Congress, in the pockets of media magnates, has rewritten copyright and patent laws to stifle creativity and progress. Lessig weaves the history of technology and its relevant laws to make a lucid and accessible case to protect the sanctity of intellectual freedom. He shows how the door to a future of ideas is being shut just as technology is creating extraordinary possibilities that have implications for all of us. Vital, eloquent, judicious and forthright, *The Future of Ideas* is a call to arms that we can ill afford to

ignore.

Friction Anna Lowenhaupt Tsing.2011-10-23 A wheel turns because of its encounter with the surface of the road; spinning in the air it goes nowhere. Rubbing two sticks together produces heat and light; one stick alone is just a stick. In both cases, it is friction that produces movement, action, effect. Challenging the widespread view that globalization invariably signifies a clash of cultures, anthropologist Anna Tsing here develops friction in its place as a metaphor for the diverse and conflicting social interactions that make up our contemporary world. She focuses on one particular zone of awkward engagement--the rainforests of Indonesia--where in the 1980s and the 1990s capitalist interests increasingly reshaped the landscape not so much through corporate design as through awkward chains of legal and illegal entrepreneurs that wrested the land from previous claimants, creating resources for distant markets. In response, environmental movements arose to defend the rainforests and the communities of people who live in them. Not confined to a village, a province, or a nation, the social drama of the Indonesian rainforest includes local and national environmentalists, international science, North American investors, advocates for Brazilian rubber tappers, UN funding agencies, mountaineers, village elders, and urban students, among others--all combining in unpredictable, messy misunderstandings, but misunderstandings that sometimes work out. Providing a portfolio of methods to study global interconnections, Tsing shows how curious and creative cultural differences are in the grip of worldly encounter, and how much is overlooked in contemporary theories of the global.

Notes on a Silencing Lacy Crawford.2021-06-15 A powerful and scary and important and true memoir of a young woman's struggle to regain her sense of self after trauma, and the efforts by a powerful New England boarding school to silence her--at any cost (Sally Mann, author of Hold Still). When Notes on a Silencing

Downloaded from
[gws.ala.org](https://www.gws.ala.org) on
2022-10-29 by guest

hit bookstores in the summer of 2020, even amidst a global pandemic, it sent shockwaves through the country. Not only did this intimate investigative memoir usher in a media storm of coverage, but it also prompted the elite St. Paul's School to issue a formal apology to the author, Lacy Crawford, for its handling of her report of sexual assault by two fellow students nearly thirty years ago. In this searing book, Crawford tells the story of coming forward during the state investigation of the elite New England prep school decades after her assault, only to find for the first time evidence that corroborated her memories. Here were depictions of the naïve, hardworking girl she'd been, as well as astonishing proof of an institutional silencing. The slander, innuendo, and lack of adult concern that Crawford had experienced as a student hadn't been imagined; they were the actions of a school that prized its reputation above anything, even a child. This revelation launched Crawford on an extraordinary inquiry deep into gender, privilege, and power, and the ways shame and guilt are used to silence victims. Insightful, arresting, and beautifully written, *Notes on a Silencing* wrestles with an essential question for our time: what telling of a survivor's story will finally force a remedy? Erudite and devastating... Crawford's writing is astonishing... *Notes on a Silencing* is a purposefully named, brutal and brilliant retort to the asinine question of 'Why now?'... The story is crafted with the precision of a thriller, with revelations that sent me reeling... --Jessica Knoll, *New York Times* A Best Book of 2020: *Time*, *NPR*, *People*, *Real Simple*, *Marie Claire*, *The Lineup*, *LitHub*, *Library Journal*, *BookPage*, and *Shelf Awareness* A *New York Times* Book Review Notable Book A *New York Times* Book Review Editors' Choice One of *People Magazine's* 10 Best Books of the Year Semifinalist for a *Goodreads* Choice Award

Home Town Tracy Kidder. 2012-09-05 In this splendid book, one of America's masters of nonfiction takes us home--into Hometown, U.S.A., the town of Northampton, Massachusetts, and into the

Downloaded from
gws.ala.org on
2022-10-29 by guest

extraordinary, and the ordinary, lives that people live there. As Tracy Kidder reveals how, beneath its amiable surface, a small town is a place of startling complexity, he also explores what it takes to make a modern small city a success story. Weaving together compelling stories of individual lives, delving into a rich and varied past, moving among all the levels of Northampton's social hierarchy, Kidder reveals the sheer abundance of life contained within a town's narrow boundaries. Does the kind of small town that many Americans came from, and long for, still exist? Kidder says yes, although not quite in the form we may imagine. A book about civilization in microcosm, *Home Town* makes us marvel afresh at the wonder of individuality, creativity, and civic order--how a disparate group of individuals can find common cause and a code of values that transforms a place into a home. And this book makes you feel you live there.

Ask a Manager Alison Green. 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating

in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review)
“The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*
“Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

An Unexpected Cowboy Shannon Stacey. 2022-03-29 He’d been told home is where the heart is He never believed it until now Lone-wolf cowboy Irish is no stranger to long, lonely nights. Some might say he even prefers it that way. But somehow Mallory Sutton tugs on his heartstrings. The feisty single mom is struggling to balance it all—and challenging Irish’s perception of what he has to offer. She shows the guarded cowboy everything a family—and real love—can be. But will their unexpected connection keep Irish in town...or end in heartbreak for Mallory and her kids? From Harlequin Special Edition: Believe in love. Overcome obstacles. Find happiness. Sutton's Place Book 1: Her Hometown Man Book 2: An Unexpected Cowboy Book 3: Expecting Her Ex's Baby

The Investment Checklist Michael Shearn. 2011-09-20 A practical guide to making more informed investment decisions Investors often buy or sell stocks too quickly. When you base your purchase decisions on isolated facts and don't take the time to thoroughly understand the businesses you are buying, stock-price swings and

third-party opinion can lead to costly investment mistakes. Your decision making at this point becomes dangerous because it is dominated by emotions. The Investment Checklist has been designed to help you develop an in-depth research process, from generating and researching investment ideas to assessing the quality of a business and its management team. The purpose of The Investment Checklist is to help you implement a principled investing strategy through a series of checklists. In it, a thorough and comprehensive research process is made simpler through the use of straightforward checklists that will allow you to identify quality investment opportunities. Each chapter contains detailed demonstrations of how and where to find the information necessary to answer fundamental questions about investment opportunities. Real-world examples of how investment managers and CEOs apply these universal principles are also included and help bring the concepts to life. These checklists will help you consider a fuller range of possibilities in your investment strategy, enhance your ability to value your investments by giving you a holistic view of the business and each of its moving parts, identify the risks you are taking, and much more. Offers valuable insights into one of the most important aspects of successful investing, in-depth research. Written in an accessible style that allows aspiring investors to easily understand and apply the concepts covered. Discusses how to think through your investment decisions more carefully. With The Investment Checklist, you'll quickly be able to ascertain how well you understand your investments by the questions you are able to answer, or not answer, without making the costly mistakes that usually hinder other investors.

Start with Why Simon Sinek. 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY. Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired

millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Nancy Clark's Sports Nutrition Guidebook Nancy

Clark. 2013-10-11 Boost your energy, manage stress, build muscle, lose fat, and improve your performance. The best-selling nutrition guide is now better than ever! Social Media Is Bullshit B. J. Mendelson. 2012-09-04 A provocative look at social media that dispels the hype and tells you all you need to know about using the Web to expand your business. If you listen to the pundits, Internet gurus, marketing consultants, and even the mainstream media, you could think social media was the second coming. When it comes to business, they declare that it's revolutionizing advertising, PR, customer relations—everything. And they all agree: it is here to stay. In this lively, insightful guide, journalist and social critic B.J. Mendelson skillfully debunks the myths of social media. He illustrates how the notion of social media first came to prominence, why it has become such a powerful presence in the marketing field, and who

stands to benefit each time it's touted in the press. He shows you why all the Facebook friends and Twitter followers in the world mean nothing to you and your business without old-fashioned, real-world connections. He examines popular tales of social media success, and reveals some unsettling truths behind the surface. And he tells you how to best harness the potential of the Internet—without spending a fortune in the process. Social media is bullshit. This book gives the knowledge and tools you really need to connect with customers and grow your brand.

Convenience Store News .2001-07

One Up On Wall Street Peter Lynch, John Rothchild. 2000-04-03

THE NATIONAL BESTSELLING BOOK THAT EVERY INVESTOR SHOULD OWN Peter Lynch is America's number-one money manager. His mantra: Average investors can become experts in their own field and can pick winning stocks as effectively as Wall Street professionals by doing just a little research. Now, in a new introduction written specifically for this edition of *One Up on Wall Street*, Lynch gives his take on the incredible rise of Internet stocks, as well as a list of twenty winning companies of high-tech '90s. That many of these winners are low-tech supports his thesis that amateur investors can continue to reap exceptional rewards from mundane, easy-to-understand companies they encounter in their daily lives. Investment opportunities abound for the layperson, Lynch says. By simply observing business developments and taking notice of your immediate world -- from the mall to the workplace -- you can discover potentially successful companies before professional analysts do. This jump on the experts is what produces tenbaggers, the stocks that appreciate tenfold or more and turn an average stock portfolio into a star performer. The former star manager of Fidelity's multibillion-dollar Magellan Fund, Lynch reveals how he achieved his spectacular record. Writing with John Rothchild, Lynch offers easy-to-follow directions for sorting out the long shots from the no shots by reviewing a company's financial statements and by

Downloaded from
gws.ala.org on
2022-10-29 by guest

identifying which numbers really count. He explains how to stalk tenbaggers and lays out the guidelines for investing in cyclical, turnaround, and fast-growing companies. Lynch promises that if you ignore the ups and downs of the market and the endless speculation about interest rates, in the long term (anywhere from five to fifteen years) your portfolio will reward you. This advice has proved to be timeless and has made *One Up on Wall Street* a number-one bestseller. And now this classic is as valuable in the new millennium as ever.

The Municipalists Seth Fried. 2019-03-19 A novel about an unlikely pair of lonely outsiders--one human, one AI--on an adventure to save the great American city of Metropolis written by one of the most exciting new voices in fiction (Charles Yu) *Named one of the best books of the month by Library Journal (Debut of the Month), The Verge, io9, Amazon Books, Book of the Month Club, Vol. 1 Brooklyn, NYLON, and Tor.com* In Metropolis, the gleaming city of tomorrow, the dream of the great American city has been achieved. But all that is about to change, unless a neurotic, rule-following bureaucrat and an irreverent, freewheeling artificial intelligence can save the city from a mysterious terrorist plot that threatens its very existence. Henry Thompson has dedicated his life to improving America's infrastructure as a proud employee of the United States Municipal Survey. So when the agency comes under attack, he dutifully accepts his unexpected mission to visit Metropolis looking for answers. But his plans to investigate quietly, quickly, and carefully are interrupted by his new partner: a day-drinking know-it-all named OWEN, who also turns out to be the projected embodiment of the agency's supercomputer. Soon, Henry and OWEN are fighting to save not only their own lives and those of the city's millions of inhabitants, but also the soul of Metropolis. *The Municipalists* is a thrilling, funny, and touching adventure story, a tour-de-force of imagination that trenchantly explores our relationships to the cities around us and the technologies guiding

us into the future. A new and irreverent take on both real-world politics and sci-fi history.-The Wall Street Journal

The Whites Harry Brandt.2015-02-17 Sequestered to dead-end positions for nearly two decades after accidentally shooting a civilian, sergeant Billy Graves joins a third-shift group of New York detectives and investigates a brutal case with ties to his early career. By the author of Clockers.

Topgun Dan Pedersen.2019-03-05 NATIONAL BESTSELLER If you loved the movie, you will love the real story in the book. -- Fox & Friends On the 50th anniversary of the creation of the Topgun Navy Fighter School, its founder shares the remarkable inside story of how he and eight other risk-takers revolutionized the art of aerial combat. When American fighter jets were being downed at an unprecedented rate during the Vietnam War, the U.S. Navy turned to a young lieutenant commander, Dan Pedersen, to figure out a way to reverse their dark fortune. On a shoestring budget and with little support, Pedersen picked eight of the finest pilots to help train a new generation to bend jets like the F-4 Phantom to their will and learn how to dogfight all over again. What resulted was nothing short of a revolution -- one that took young American pilots from the crucible of combat training in the California desert to the blistering skies of Vietnam, in the process raising America's Navy combat kill ratio from two enemy planes downed for every American plane lost to more than 22 to 1. Topgun emerged not only as an icon of America's military dominance immortalized by Hollywood but as a vital institution that would shape the nation's military strategy for generations to come. Pedersen takes readers on a colorful and thrilling ride -- from Miramar to Area 51 to the decks of aircraft carriers in war and peace-through a historic moment in air warfare. He helped establish a legacy that was built by him and his Original Eight -- the best of the best -- and carried on for six decades by some of America's greatest leaders. Topgun is a heartfelt and personal testimony to patriotism, sacrifice, and American innovation and

daring.

Disaster On Green Ramp: The Army's Response Mary Ellen Condon-Rall. Features the electronic book Disaster on Green Ramp: The Army's Response by Mary Ellen Condon-Rall of the Center of Military History in Washington, D.C. Discusses a plane crash and massive fire at Pope Air Force Base, North Carolina, that killed or injured more than 100 paratroopers in 1994.

The Engagement Arrangement Jaci Burton.2021-06-29 What do you do when you catch feelings for your fake fiancé? From New York Times bestselling author Jaci Burton comes an accidentally-in-love romance sure to warm your heart. Brenna Bellini will never get married again. She plans to live out her days as a happy, successful, single woman. When she's chosen to be a bridesmaid in her friend's wedding at the Bellini family vineyard, she's thrilled. That is, until she realizes who else is in the wedding party. Brenna's going to have to spend four days in the company of not only her ex-husband, but also her high school nemesis. She just knows the fact that she's single and alone is going to be rubbed in her face all weekend long. Well, not if Brenna can help it. She's going to find herself a fake fiancé. Finn Nolan is thrilled to be offered the job. He's had it bad for Brenna ever since he came over from Ireland to live at the vineyard. After falling for Brenna from afar for years, this Irish cowboy is determined to show the woman of his dreams that he is her Mr. Right. So what does a confirmed never-getting-married-again woman do when the man of her dreams unexpectedly lands right in front of her? Because for the first time, she might not be able to walk away. This time it might be forever.

Honky Dalton Conley.2000-10-11 A coming-of-age memoir of a white boy growing up in predominantly African-American and Latino housing projects on New York's Lower East Side reveals how race and class were pivotal factors in his life.

Fast Food Nation Eric Schlosser.2012 Explores the homogenization of American culture and the impact of the fast

food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

The One-Day Contract Rick Pitino, Eric Crawford. 2013-10-01 A life-changing guide to achieving your goals, by the 2013 NCAA champion college basketball coach and #1 New York Times bestselling author. Rick Pitino is famous as one of the most dynamic and successful basketball coaches of our time, leading the University of Louisville Cardinals to the NCAA basketball championship in 2013, and is renowned for writing the #1 New York Times bestselling success and leadership book, *Success is a Choice*. In his new book, *The One-Day Contract*, Pitino details his key to success, on the court and in life: to focus on making the most of each day, by creating a contract with yourself. Coach Pitino was able to turn Louisville into NCAA champions by applying this idea to everything he and the team did—every practice, every recruiting visit, every game preparation, every scouting report, every instruction that he gave players and coaches, and everything he did himself. Each day became just as important as reaching the national championship, and so, by honoring the one-day contract, he and Louisville moved through adversity toward their goal. In this inspiring and practical guide, Coach Rick Pitino illustrates how to set your own one-day contract, and follow through to honor it for each day, each goal, and each interaction with another person. Pitino shows how to: - Establish focus as a discipline in everything you do: planning, strategy, priorities, and career advancement. - Discover the true key to success: not ambition, not wealth, not power, but humility. - Use technology wisely—but don't let it replace personal connection with the people you work and live with. - Own up to your problems, tell the truth and they will become part of your past. Lie and they become part of your future. - Make small changes and add value to every minute of your life. *The One-Day Contract* will reshape the way you approach your job, your goals, and your life.

Ethics for the Information Age Michael Jay Quinn.2006 Widely praised for its balanced treatment of computer ethics, *Ethics for the Information Age* offers a modern presentation of the moral controversies surrounding information technology. Topics such as privacy and intellectual property are explored through multiple ethical theories, encouraging readers to think critically about these issues and to make their own ethical decisions.

Resource Manual for Airport In-terminal Concessions Leigh Fisher (Firm).2011 'TRB's Airport Cooperative Research Program (ACRP) Report 54: Resource Manual for Airport In-Terminal Concessions provides guidance on the development and implementation of airport concession programs. The report includes information on the airport concession process; concession goals; potential customers; developing a concession space plan and concession mix; the Airport Concessions Disadvantaged Business Enterprise (ACDBE) program; and concession procurement, contracting, and management practices-

If you are reading a book, \$domain Group is probably behind it. We are Experience and services to get more books into the hands of more readers. Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available. Between the three major ebook formats—EPUB, MOBI, and PDF—what if you prefer to read in the latter format? While EPUBs and MOBIs have basically taken over, reading PDF ebooks hasn't quite gone out of style yet, and for good reason: universal support across

platforms and devices. Our comprehensive range of products, services, and resources includes books supplied from more than 15,000 U.S., Canadian, and U.K. publishers and more. LibriVox is a unique platform, where you can rather download free audiobooks. The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPods, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete. team is well motivated and most have over a decade of experience in their own areas of expertise within book service, and indeed covering all areas of the book industry. Our professional team of representatives and agents provide a complete sales service supported by our in-house marketing and promotions team. If you're already invested in Amazon's ecosystem, its assortment of freebies are extremely convenient. As soon as you

click the Buy button, the ebook will be sent to any Kindle ebook readers you own, or devices with the Kindle app installed. However, converting Kindle ebooks to other formats can be a hassle, even if they're not protected by DRM, so users of other readers are better off looking elsewhere. eBooks Habit promises to feed your free eBooks addiction with multiple posts every day that summarizes the free kindle books available. The free Kindle book listings include a full description of the book as well as a photo of the cover. Library Genesis is a search engine for free reading material, including ebooks, articles, magazines, and more. As of this writing, Library Genesis indexes close to 3 million ebooks and 60 million articles. It would take several lifetimes to consume everything on offer here.
