Consider signing up to the free Centsless Books email newsletter to receive update notices for newly free ebooks and giveaways. The newsletter is only sent out on Mondays, Wednesdays, and Fridays, so it won't spam you too much. Wikibooks is a collection of open-content textbooks, which anyone with expertise can edit - including you. Unlike Wikipedia articles, which are essentially lists of facts, Wikibooks is made up of linked chapters that aim to teach the reader about a certain subject. Large photos of the Kindle books covers makes it especially easy to quickly scroll through and stop to read the descriptions of books that you're interested in. The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the

public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here. Now that you have something on which you can read your ebooks, it's time to start your collection. If you have a Kindle or Nook, or their reading apps, we can make it really easy for you: Free Kindle Books, Free Nook Books, Below are some of our favorite websites where you can download free ebooks that will work with just about any device or ebook reading app. The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website. "Buy" them like any other Google Book,

except that you are buying them for no money. Note: Amazon often has the same promotions running for free eBooks, so if you prefer Kindle, search Amazon and check. If they're on sale in both the Amazon and Google Play bookstores, you could also download them both.
