Born a Crime Trevor Noah.2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong'o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Goodnight Kiss R.L. Stine.1997-07-01 In this collection of three fan-favorite stories, the vampires of Sandy Hollow crave the summer months. Summer means plenty of beach tourists...and plenty of fresh blood after months of deprivation. But this year the Eternal Ones have decided to spice things up with a little bet: The first to seduce a hot date of the human variety, and then turn him into a fellow creature of the night, wins. The catch? In order to successfully turn their prey, they must take only three small sips of blood on three different nights. If they take too much blood on any night, the human will die and the bet will be lost. The setup sounds simple enough, but things quickly get complicated—especially since each vampire is just dying to quench her thirst...

What Shamu Taught Me About Life, Love, and Marriage Amy Sutherland.2008-02-12 While observing exotic animal trainers for her acclaimed book *Kicked, Bitten, and Scratched*, journalist Amy Sutherland had an epiphany: What if she used these training techniques with the human animals in her own life—namely her dear husband, Scott? In this lively and perceptive book, Sutherland tells how she took the trainers' lessons home. The next time her forgetful husband stomped through the house in search of his mislaid car keys, she asked herself, "What would a dolphin trainer do?" The answer was: nothing. Trainers reward the behavior they want and, just as important, ignore the behavior they don't. Rather than appease her mate's rising temper by joining in the search, or fuel his temper by nagging him to keep better track of his things in the first place, Sutherland kept her mouth shut and her eyes on the dishes she was washing. In short order, Scott found his keys and regained his cool. "I felt like I should throw him a mackerel," she writes. In time, as she put more training principles into action, she noticed that she became more optimistic and less judgmental, and their twelve-year marriage was better than ever. What started as a goofy experiment had such good results that Sutherland began using the training techniques with all the people in her life, including her mother, her friends, her students, even the clerk at the post office. In the end, the biggest lesson she learned is that the only animal you can truly change is yourself. Full of fun facts, fascinating insights, hilarious anecdotes, and practical tips, *What Shamu Taught Me About Life, Love, and Marriage* describes Sutherland's Alice-in-Wonderland experience of stumbling into a world where cheetahs walk nicely on leashes and elephants paint with watercolors, and of leaving a new, improved *Homo sapiens*.

10 Blind Dates Ashley Elston.2019-10-01 Sophie wants one thing for Christmas—a little freedom from her overprotective parents. So when they decide to spend Christmas in South Louisiana with her very pregnant older sister, Sophie is looking forward to some much needed private (read: make-out) time with her long-term boyfriend, Griffin. Except it turns out that Griffin wants a little freedom from their relationship. Cue devastation. Heartbroken, Sophie flees to her grandparents' house, where the rest of her boisterous extended family is gathered for the holiday. That's when her nonna devises a (not so) brilliant plan: Over the next ten days, Sophie will be set up on ten different blind dates by different family members. Like her sweet cousin Sara, who sets her up with a hot guy at an exclusive underground party. Or her crazy aunt Patrice, who signs Sophie up for a lead role in a living nativity. With a boy who barely reaches her shoulder. And a screaming baby. When Griffin turns up unexpectedly and begs for a second chance, Sophie feels more confused than ever. Because maybe, just maybe, she's started to have feelings for someone else . . . Someone who is definitely not available. This is going to be the worst Christmas break ever . . . or is it?
